Singapore's leading tech magazine gives its readers the power to decide with its informative articles and in-depth reviews. Properly managed no brand need decay and die - immortality is within the reach of all. If the right decisions, the right resources and the right imagination are brought to bear, brands can renew continuously and outlive their creators. Brand Immortality is a practical health manual for brands of all types and ages that seek immortality. Drawing on the renowned IPA Effectiveness Awards case histories, and full of examples including Nokia, Sony, Nike, Apple and Virgin, it examines how the nature of brands has changed over time and continues to evolve, and the implications this has for marketing. It identifies the factors that are essential to a brand's long term survival - especially those which defend and strengthen a brand's place in the hearts and minds of consumers. Enriched by comments from industry insiders who were directly involved with global brands, Brand Immortality identifies winning brand strategies. Full of experience and insight, it will help marketers and their agencies beat the odds in winning, retaining and satisfying customers - and thus help them achieve brand immortality. PCMag.com is a leading authority on technology, delivering Labs-based, independent reviews of the latest products and services.
