A startling and original courtroom drama from New York Times #1 Best Seller John Grisham that is the prequel to his newest legal thriller, *The Whistler*. An Original E-Short. A judge's first murder trial. A defense attorney in over his head. A prosecutor out for blood and glory. The accused, who is possibly innocent. And the killer, who may have just committed the perfect crime. Don't miss John Grisham's new book, *THE EXCHANGE: AFTER THE FIRM*, coming soon! Burned out defense attorney Joe Dillard, against his better judgment, takes the case of Angel Christian, a waitress in a strip club, who is accused of stabbing a preacher to death in a Tennessee motel—a case that is linked to his own deeply troubled sister and a vindictive detective. Original. #1 NEW YORK TIMES BEST SELLER • In 1970, Willie Traynor comes to Clanton, Mississippi, in a Triumph Spitfire and a fog of vague ambitions. Within a year, the twenty-three-year-old finds himself the owner of Ford County's only newspaper, famous for its well-crafted obituaries. While the rest of America is in the grips of turmoil, Clanton lives on the edge of another age—until the brutal murder of a young mother rocks the town and thrusts Willie into the center of a storm. Daring to report the true horrors of the crime, Willie makes as many friends as enemies in Clanton, and over the next decade he sometimes wonders how he got there in the first place. But he can never escape the crime that shattered his innocence or the criminal whose evil left an indelible stain. Because as the ghosts of the South's past gather around Willie, as tension swirls around Clanton, men and women who served on a jury nine years ago are starting to die one by one—as a killer exacts the ultimate revenge. #1 NEW YORK TIMES BESTSELLER • They call themselves the Brethren: three disgraced former judges doing time in a Florida federal prison. One was sent up for tax evasion. Another, for skimming bingo profits. The third for a career-ending drunken joyride. Meeting daily in the prison law library, taking exercise walks in their boxer shorts, these judges-turned-felons can reminisce about old court cases, dispense a little jailhouse justice, and contemplate where their lives went wrong. Or they can use their time in prison to get very rich—very fast. And so they sit, sprawled in the prison library, furiously writing letters, fine-tuning a wickedly brilliant extortion scam—while events outside their prison walls begin to erupt. A bizarre presidential election is holding the nation in its grips, and a powerful government figure is pulling some very hidden strings. For the Brethren, the timing couldn't be better. Because they've just found the perfect victim. Mitch McDeere, a Harvard Law graduate, becomes suspicious of his Memphis tax firm when mysterious deaths, obsessive office security, and the Chicago mob figure into its operations. #1 NEW YORK TIMES BESTSELLER • A high-stakes thrill ride through the darkest corners of the Sunshine State, from the author hailed as “the best thriller writer alive” by Ken Follett We expect our judges to be honest and wise. Their integrity is the bedrock of the entire judicial system. We trust them to ensure fair trials, to protect the rights of all litigants, to punish those who do wrong, and to oversee the flow of justice. But what happens when a judge bends the law or takes a bribe? Lacy Stoltz is an investigator for the Florida Board on Judicial Conduct. It is her job to respond to complaints dealing with judicial misconduct. After nine years with the Board, she knows that most problems are caused by incompetence, not corruption. But a corruption case eventually crosses her desk. A previously disbarred lawyer is back in business, and he claims to know of a Florida judge who has stolen more money than all other crooked judges combined. And not just crooked judges in Florida. All judges, from all states, and throughout United States history. And now he wants to put a stop to it. His only client is a person who knows the truth and wants to blow the whistle and collect millions under Florida law. When the case is assigned to Lacy, she immediately suspects that this one could be dangerous. Dangerous is one thing. Deadly is something else. “[A] main character [who's] a seriously appealing woman . . . a whistle-blower who

Four teenagers grow inseparable in the last days of the Soviet Union—but not all of them will live to see the new world arrive in this powerful debut novel, loosely based on Anton Chekhov's *The Cherry Orchard*. "Spectacular . . . intensely evocative and gorgeously written . . . will fill readers' eyes with tears and wonder."—*Minneapolis Star Tribune* ONE OF THE BEST BOOKS OF THE YEAR: *New York Post* Coming of age in the USSR in the 1980s, best friends Anya and Milka try to envision a free and joyful future for themselves. They spend their summers at Anya's dacha just outside of Moscow, lazing in the apple orchard, listening to Queen songs, and fantasizing about trips abroad and the lives of American teenagers. Meanwhile, Anya's parents talk about World War II, the Blockade, and the hardships they have endured. By the time Anya and Milka are fifteen, the Soviet Empire is on the verge of collapse. They pair up with classmates Trifonov and Lopatin, and the four friends share secrets and desires, argue about history and politics, and discuss forbidden books. But the world is changing, and the fleeting time they have together is cut short by a sudden tragedy. Years later, Anya returns to Russia from America, where she has chosen a different kind of life, far from her family and childhood friends. When she meets Lopatin again, he is a smug businessman who wants to buy her parents' dacha and cut down the apple orchard. Haunted by the ghosts of her youth, Anya comes to the stark realization that memory does not fade or disappear; rather, it moves us across time, connecting our past to our future, joys to sorrows. Inspired by Anton Chekhov's *The Cherry Orchard*, Kristina Gorcheva-Newberry's *The Orchard* powerfully captures the lives of four Soviet teenagers who are about to lose their country and one another, and who struggle to survive, to save their friendship, to recover all that has been lost. . . .there is nothing more still than a dead body, and no mistaking it for anything else. This one was naked, covered with a glaze of ice. Even the long black hair that fell in tendrils across her face was encased in ice. It was as if she were under a spell—the victim of a jealous wizard, a wicked witch. [*The Delicate Storm*, page 164]

Algonquin Bay is wrapped in a thick blanket of fog; an eerie prophecy of weather on its way, or perhaps something more ominous. When a local man discovers a dismembered arm in his front yard, it seems that the long fingers of fog that strangle the city are also hiding a grisly secret. While at first the discovery is thought to be the work of ravenous bears, woken early from their long winter hibernation, the coroner later confirms that the victim was actually sawn into pieces rather torn. The case becomes even murkier when a local trapper confesses to cutting up the body and scattering the remains but claims to be innocent of committing the murder. Detectives John Cardinal and Lise Delorme have their work cut out for them. After identifying the victim as Howard Matlock, New York city resident, a new player enters the ring: the RCMP. In any case involving an American, the RCMP shares jurisdiction with the Algonquin Bay Police Department and that means Corporal Malcolm Musgrave. A blustering wall of self-importance and attitude, Musgrave has Cardinal bristling, and he reminds Delorme of a betrayal she'd rather forget. To add insult to injury, Delorme is pulled off the case and Cardinal ends up in a partnership not only with Musgrave, but with the unbearably obsequious Calvin Squier, an agent of the Canadian Security Intelligence Service (CSIS). When Cardinal makes the surprising discovery that Howard Matlock is alive and well, he begins to suspect that not everyone involved in the case is working towards the same goal. The body parts add up to one Miles Shakeley, a CIA operative in Montreal in 1970, and Cardinal becomes suspicious that CSIS is somehow involved. Meanwhile, the case of a missing woman in Algonquin Bay is occupying Delorme. When the body of Dr. Winter Cates is uncovered in a glaze of ice, Delorme is convinced that a jealous boyfriend is to blame. But when blood evidence bonds Cardinal and Delorme's cases, they are back together and travelling to Montreal to track down tenuous leads. And it is there that they discover that their cases reach far beyond the town limits of Algonquin Bay. Untangling the secrets of a government in crisis, cover-ups, and the meddling of American intelligence agencies,

they are eventually led back to where they started—and to a suspect who is untouchable. #1 NEW YORK TIMES BESTSELLER • After leaving a fast-track legal career and going on a serious bender, David Zinc is sober, unemployed, and desperate enough to take a job at Finley & Figg, a self-described “boutique law firm” that is anything but. Oscar Finley and Wally Figg are in fact just two ambulance chasers who bicker like an old married couple. But now the firm is ready to tackle a case that could make the partners rich—without requiring them to actually practice much law. A class action suit has been brought against Varrick Labs, a pharmaceutical giant with annual sales of \$25 billion, alleging that Krayoxx, its most popular drug, causes heart attacks. Wally smells money. All Finley & Figg has to do is find a handful of Krayoxx users to join the suit. It almost seems too good to be true ... and it is. #1 NEW YORK TIMES BESTSELLER • If you thought Mitch McDeere was in trouble in *The Firm*, wait until you meet Kyle McAvoy, The Associate Kyle McAvoy possesses an outstanding legal mind. Good-looking and affable, he has a glittering future. He also has a dark secret that could destroy his dreams, his career, even his life. One night that secret catches up with him. The men who accost Kyle have a compromising video they’ll use to ruin him—unless he does exactly what they say. What they offer Kyle is something any ambitious young lawyer would kill for: a job in Manhattan as an associate at the world’s largest law firm. If Kyle accepts, he’ll be on the fast track to partnership and a fortune. But there’s a catch. Kyle won’t be working for the firm but against it in a dispute between two powerful defense contractors worth billions. Now Kyle is caught between the criminal forces manipulating him, the FBI, and his own law firm—in a malignant conspiracy not even Kyle, with all his intellect, cunning, and bravery, may be able to escape alive. Fifteen years have gone by since those glory days, and Neely has come home to Messina to bury Coach Eddie Rake, the man who molded the Spartans into an unbeatable football dynasty. Now, as Coach Rake’s “boys” sit in the bleachers waiting for the dimming field lights to signal his passing, they replay the old games, relive the old glories, and try to decide once and for all whether they love Eddie Rake - or hate him. For Neely Crenshaw, a man who must finally forgive his coach - and himself - before he can get on with his life, the stakes are especially high. #1 NEW YORK TIMES BESTSELLER • In his first collection of short stories John Grisham takes us back to Ford County, Mississippi, the setting of his first novel, *A Time to Kill*. This riveting collection of short stories features an unforgettable cast of characters: Wheelchair-bound Inez Graney and her two older sons embark on a bizarre road trip through the Mississippi Delta to visit Inez’s youngest son, Raymond—on death row. A hard-drinking, low-grossing divorce lawyer fed up with his wife, his life, and the law plans a drastic escape after an unexpected phone call. A quiet, unassuming data collector sets out to bring down a flashy casino owner with his skill at blackjack—as payback for the theft of his wife. A stalker hunts victims in a retirement home, a lawyer confronts a vengeful adversary from the past, and a young man from a prominent family is driven off by scandal and fear—but finds unexpected redemption on the wrong side of the tracks. Often hilarious, frequently moving, and always entertaining, this collection makes it abundantly clear why John Grisham is our most popular storyteller. Don’t miss John Grisham’s new book, *THE EXCHANGE: AFTER THE FIRM*, coming soon! When Travis Boyette is paroled because of inoperable brain tumor, for the first time in his life, he decides to do the right thing and tell police about a crime he committed and another man is about to be executed for. Working as a bodyguard for a spoiled federal witness, Joe Pike hatches a desperate plan to disappear with the woman in the underworld of Los Angeles and turn on her would-be killers, an effort in which he enlists the help of private investigator Elvis Cole. Wise, wry, and witty essays on fatherhood from Chris Erskine, the beloved columnist for the Los Angeles Times and Chicago Tribune. “Charming, well written, concise, and to the point. Perfect for anyone who enjoys stories of fatherhood.” — Library Journal Life is never peaceful in Chris Erskine's house, what with the four kids, 300-pound beagle, chronically leaky roof, and long-suffering wife, Posh. And that's exactly the way he likes it, except when he doesn't. Every week in the Los Angeles Times and Chicago Tribune (and now and then in many other papers),

Erskine distills, mocks, and makes us laugh at the absurdities of suburban fatherhood. And now, he's gathered the very best of these witty and wise essays—and invited his kids (and maybe even Posh) to annotate them with updated commentary, which they promise won't be too snarky. This handsome book is the perfect gift for the father who would have everything—if he hadn't already given it all to his kids. The Edgar Award-winning mystery that launched the career of bestselling novelist Stuart Woods. In the bitter winter of 1920, the first body is found in Delano, Georgia; the naked corpse of an unidentified teenager. There is no direct evidence of murder, but the body bears marks of what seems to be a ritual beating. The investigation falls to Will Henry Lee, a failed cotton farmer newly appointed as Delano's first chief of police. Lee's obsession with the crime begins a story that weaves through the decades, following the life of a small southern town and the role of three police chiefs in unraveling the crime. Chiefs is the best kind of thriller, where the investigation plays out against the drama beneath the surface of a seemingly placid community, seething with the pressures of race, love, hate, and; always; political power, extending from the town fathers all the way to Washington, DC. Includes a new foreword by the author on the twenty-fifth anniversary of its publication. When a judge returns a shocking verdict against a chemical company accused of dumping toxic waste in a small Mississippi town, the company's billionaire owner seeks to influence the appeal process by using his money to "buy" a seat on the state Supreme Court. "Not since Nancy Drew has a nosy, crime-obsessed kid been so hard to resist." —The New York Times Thirteen-year-old Theodore Boone thought the danger had passed, but he's about to face off against an old adversary: accused murderer and fugitive Pete Duffy. On a field trip to Washington, DC, Theo spots a familiar face on the Metro: Duffy, who jumped bail and was never seen again. Theo's quick thinking helps bring Duffy back to Strattenburg to stand trial. But now that Duffy knows who he is, Theo is in greater danger than he's ever been in before. Even when everything is on the line, Theodore Boone will stop at nothing to make sure a killer is brought to justice. This smart, fast-paced legal thriller for young readers is the newest adventure for clever and determined kid lawyer Theo Boone. An Amazon Top 30 bestseller.***Each Joe Dillard novel can be read as a standalone.***Three young women are found floating in a lake. The suspect is one of the richest and most powerful men in Tennessee. In the fourth installment of the bestselling Joe Dillard series, Dillard has become the district attorney in Northeast Tennessee. He becomes heavily involved in the investigation with Sheriff Leon Bates and soon realizes that he is up against an enemy that he has never before encountered -- someone so rich and so powerful that the course of justice could be altered by money and political influence. But when bodies start showing up in his driveway and his family is threatened with termination, Dillard must ask himself a previously unthinkable question. His life, and the lives of his family, depend on the answer. "Pratt's richly developed characters are vivid and believable, especially the strong Southern women who fight their male-dominated culture from behind a facade of vulnerability." -Publisher's Weekly #1 NEW YORK TIMES BESTSELLER • Until that September of 1952, Luke Chandler had never kept a secret or told a single lie. But in the long, hot summer of his seventh year, two groups of migrant workers — and two very dangerous men — came through the Arkansas Delta to work the Chandler cotton farm. And suddenly mysteries are flooding Luke's world. A brutal murder leaves the town seething in gossip and suspicion. A beautiful young woman ignites forbidden passions. A fatherless baby is born ... and someone has begun furtively painting the bare clapboards of the Chandler farmhouse, slowly, painstakingly, bathing the run-down structure in gleaming white. And as young Luke watches the world around him, he unravels secrets that could shatter lives — and change his family and his town forever.... It's only a game, Bill Littlefield's National Public Radio program tells us, trying to keep sports in perspective. And for all the deadly serious perspectives of sports commentators and fans, Littlefield's is perhaps the most realistic. It is certainly the most entertaining. Sometimes funny, sometimes poignant, Littlefield's take on the games people play is as refreshing as it is enlightening. From baseball Hall of Famer Kirby Puckett's untimely death, to pickup soccer games among misfit high-schoolers, to the most obscure nicknames and unusual mascots in college sports, the book collects memorable commentaries from Littlefield's popular NPR sports show as well as never-before-published essays. No matter the topic, Littlefield illuminates the

dark corners and unlikely angles of sports with wry good humor and a lightly worn expertise that lets nothing pass. #1 NEW YORK TIMES BESTSELLER • Featuring one of John Grisham's most colorful, outrageous, and vividly drawn characters yet, *Rogue Lawyer* showcases the master of the legal thriller at his very best. On the right side of the law—sort of—Sebastian Rudd is not your typical street lawyer. His office is a customized bulletproof van, complete with Wi-Fi, a bar, a small fridge, and fine leather chairs. He has no firm, no partners, and only one employee: his heavily armed driver, who also so happens to be his bodyguard, law clerk, confidant, and golf caddie. Sebastian drinks small-batch bourbon and carries a gun. He defends people other lawyers won't go near: a drug-addled, tattooed kid rumored to be in a satanic cult; a vicious crime lord on death row; a homeowner arrested for shooting at a SWAT team that mistakenly invaded his house. Why these clients? Because Sebastian believes everyone is entitled to a fair trial—even if he has to bend the law to secure one. Samuel "Sooley" Sooleymon is a raw, young talent with big hoop dreams—and even bigger challenges off the court. "Hard to put down ... the pages turn quickly ... building to a climax that won't leave readers doubting whether this is a John Grisham novel."

—Associated Press

In the summer of his seventeenth year, Samuel Sooleymon gets the chance of a lifetime: a trip to the United States with his South Sudanese teammates to play in a showcase basketball tournament. He has never been away from home, nor has he ever been on an airplane. The opportunity to be scouted by dozens of college coaches is a dream come true. Samuel is an amazing athlete, with speed, quickness, and an astonishing vertical leap. The rest of his game, though, needs work, and the American coaches are less than impressed. During the tournament, Samuel receives devastating news from home: A civil war is raging across South Sudan, and rebel troops have ransacked his village. His father is dead, his sister is missing, and his mother and two younger brothers are in a refugee camp. Samuel desperately wants to go home, but it's just not possible. Partly out of sympathy, the coach of North Carolina Central offers him a scholarship. Samuel moves to Durham, enrolls in classes, joins the team, and prepares to sit out his freshman season. There is plenty of more mature talent and he isn't immediately needed. But Samuel has something no other player has: a fierce determination to succeed so he can bring his family to America. He works tirelessly on his game, shooting baskets every morning at dawn by himself in the gym, and soon he's dominating everyone in practice. With the Central team losing and suffering injury after injury, Sooley, as he is nicknamed, is called off the bench. And the legend begins. But how far can Sooley take his team? And will success allow him to save his family? Gripping and moving, *Sooley* showcases John Grisham's unparalleled storytelling powers in a whole new light. This is Grisham at the top of his game. #1 NEW YORK TIMES BESTSELLER • A classic tale for modern times from a beloved storyteller, John Grisham offers a hilarious look at the chaos and frenzy that have become part of our holiday tradition. Imagine a year without Christmas. No crowded malls, no corny office parties, no fruitcakes, no unwanted presents. That's just what Luther and Nora Krank have in mind when they decide that, just this once, they'll skip the holiday altogether. Theirs will be the only house on Hemlock Street without a rooftop Frosty, they won't be hosting their annual Christmas Eve bash, they aren't even going to have a tree. They won't need one, because come December 25 they're setting sail on a Caribbean cruise. But as this weary couple is about to discover, skipping Christmas brings enormous consequences—and isn't half as easy as they'd imagined. It's the summer of 1973, and Joe Castle is the boy wonder of baseball, the greatest rookie anyone has ever seen. The kid from Calico Rock, Arkansas, dazzles Chicago Cubs fans as he hits home run after home run, politely tipping his hat to the crowd as he shatters all rookie records. Calico Joe quickly becomes the idol of every baseball fan in America, including Paul Tracey, the young son of a hard-partying and hard-throwing New York Mets pitcher. On the day that Warren Tracey finally

faces Calico Joe, Paul is in the stands, rooting for his idol but also for his dad. Then Warren throws a fastball that will change their lives forever. Playing for Position Rick Dockery is an NFL quarterback who can't catch a break. One huge mistake makes him a national laughing stock overnight, and no team will touch him. Playing for Pizza But all Rick knows is football, and he needs to find a team. Against all odds, Rick gets his break - as star quarterback for the Panthers... of Parma, Italy. Playing for Pride Rick doesn't speak a word of Italian, and the crowds there aren't exactly NFL-standard. But football americano is about more than fame, and home comes in the most unlikely of packages. Life in the California sun suits Elvis Cole -- until the day a fifteen-year-old girl and her two younger siblings walk into his office. Then everything changes. Three years ago, a Seattle family ran for their lives in a hail of bullets. Hired by three kids to find their missing father, Elvis now must pick up the cold pieces of a drama that began that night. What he finds is a sordid tale of high crimes and illicit drugs. As clues to a man's secret life emerge from the shadows, Elvis knows he's not just up against ruthless mobsters and some very angry Feds. He's facing a storm of desperation and conspiracy -- bearing down on three children whose only crime was their survival . . . "This new novel of the Change is quite probably the finest by an author who has been growing in skill and imagination for more than twenty-five years." - Booklist (Starred Review) Rudi Mackenzie has journeyed long and far across the land that was once the United States of America, seeking the shore where the sun rises, hoping to find the source of the world-altering event that has come to be known as the Change. His quest ends in Nantucket, an island overrun with forest, inhabited by a mere two hundred people, who claim to have been transported there from out of time. Only one odd stone house remains standing. Within it, Rudi finds a beautifully made sword seemingly waiting for him. And once he takes it up, nothing for Rudi—or for the world that he knows—will ever be the same... Solemnly Swear is retired U.S. Air Force Officer Joe Porrazzo's first, in hopefully a long line, of suspense novels. "Mr. Porrazzo's portrayal of the lead character Alex Porter gives the reader an instant connection with Porter's well-developed and believable military personality. The reader bonds with Alex, a trustworthy and incorruptible friend, and Porrazzo gives us more than enough reasons to care about what happens to him. Alex is a former U.S. Air Force special agent whose retired life isn't far removed from the dangers of his previous life as an American soldier. Riddled with guilt over the untimely death of his wife, troubled by nightmares associated with witnessing a grizzly crime scene involving a powerful mafia boss, and struggling with the obstacles of fatherhood, still Alex stands strong and resilient against the pressures of the untouchable antagonist; mobster Vince Vionelli. Mr. Porrazzo's thought-provoking storyline draws the reader in with one of the most impossible dilemmas a person (fictional or otherwise) can ever find themselves in doing what's morally right no matter what the cost or protecting oneself and the ones we love. The narration is smooth and easy to read. The dialogue is refreshingly realistic. And each chapter ends with just enough enticement to make the novel impossible to put down. If you're in the mood for a good mystery/thriller, I highly recommend, Joe Porrazzo's Solemnly Swear. The plot is unique the pace is fast the direction is unpredictable and the final pages are shocking. What a great book with which to spend a weekend! Claudia Pemberton, Author of Love Leaves No One Behind Read and preview more at www.joeporrazzo.com Baseball has never had a more important year than 1939, when events and people came together to reshape the game like never before. Bereits in seinen ersten Spielen für die Chicago Cubs schlägt er einen Home Run nach dem anderen. Die Fans sind begeistert, und es dauert nicht lange, bis das ganze Land den jungen Spieler frenetisch feiert. Joes Weg an die Spitze scheint vorgezeichnet zu sein, bis er eines Tages auf dem Spielfeld Warren Tracey gegenübersteht, einem mittelmäßigen Werfer der New Yorker Mets, der Joes Erfolg nicht ertragen kann. Es beginnt ganz unspektakulär mit einer Zerrung im Oberschenkel. Der First Baseman der Chicago Cubs stürzt, und die Mannschaft braucht plötzlich einen freien Spieler, der die Position übernehmen kann. Damit kommt Joe Castle ins Spiel, ein einundzwanzigjähriger College-Spieler, der eine vielversprechende Saison hinter sich hat. Es dauert nicht lange, bis Castle seinen ersten Rekord für die Cubs aufstellt: drei Home Runs in einem Spiel. Noch glaubt jeder an Anfängerglück, doch Castle beweist brillant das Gegenteil. Er erzielt einen Home Run nach dem anderen und wird bald im ganzen Land als Jahrhunderttalent umjubelt. Bis er während eines Spiels gegen die New Yorker Mets auf Warren Tracey trifft t, der einen Ball wirft, der Joe Castles Leben für immer verändern wird. Dreiðig Jahre später macht sich Traceys Sohn auf den Weg, um Joe Castle um Vergebung für seinen Vater zu bitten. Eine schicksalhafte Reise, deren Ausgang ungewiss ist. "A high octane thrill ride!" - San Francisco Chronicle on Paranoia Joseph Finder's New York Times bestseller Paranoia was hailed by critics as "jet-propelled," the "Page Turner of the Year," and "the archetype of the thriller in its contemporary form." Now Finder returns with Company Man - a heart-stopping thriller about ambition, betrayal, and the price of secrets. Nick Conover is the CEO of a major corporation, a local boy made good, and once the most admired man in a company town. But that was before the layoffs. When a faceless stalker menaces his family, Nick, a single father of two since the recent death of his wife, finds that the gated community they live in is no protection at all. He decides to take action, a tragedy ensues - and immediately his life spirals out of control. At work, Nick begins to uncover a conspiracy against him, involving some of his closest colleagues. He doesn't know who he can trust - including the brilliant, troubled new woman in his life. Meanwhile, his actions are being probed by a homicide detective named Audrey Rhimes, a relentless investigator with a strong sense of morality - and her own, very personal reason for pursuing Nick Conover. With everything he cares about in the balance, Nick discovers strengths he never knew he had. His enemies don't realize how hard he'll fight to save his company. And nobody knows how far he'll go to protect his family. Mesmerizing and psychologically astute, Company Man is Joseph Finder's most compelling and original novel yet. Once an educational

backwater, Metropolitan University has risen to the top tier of American colleges. But success has come at a price, the institution's spirit crushed under the thumb of Fortin Shenford, Met's ambitious president, who effectively quashes all opposition on campus, his sights set on loftier peaks. Against this backdrop, the residents of Sterling Hall's fourth floor manage to form a lasting bond. A fraternal oasis in a student body known for apathy and lack of cohesion, Sterling 4 is populated by memorable characters: Mike "Wally" Hall, leader of the self-styled Mutants; Dwight, the wheelchair-bound video game wizard; Marcus, the sheltered, socially naive freshman; Chug Allen, student-politician and rascal king; Brandon, the blunt-spoken activist; and tomboyish Rosemary, Marcus's unspoken crush. Over four years, enduring friendships are born, rules broken, and traditions established as they move from the trials of adolescence to the waiting responsibilities of adulthood. Set in the go-go 1980's, University is a fun-filled romp through undergraduate life, in an era fondly remembered, yet not far distant from our own time. #1 NEW YORK TIMES BESTSELLER • John Grisham is the acknowledged master of the legal thriller. In his first collection of novellas, law is a common thread, but America's favorite storyteller has several surprises in store. "Homecoming" takes us back to Ford County, the fictional setting of many of John Grisham's unforgettable stories. Jake Brigance is back, but he's not in the courtroom. He's called upon to help an old friend, Mack Stafford, a former lawyer in Clanton, who three years earlier became a local legend when he stole money from his clients, divorced his wife, filed for bankruptcy, and left his family in the middle of the night, never to be heard from again—until now. Now Mack is back, and he's leaning on his old pals, Jake and Harry Rex, to help him return. His homecoming does not go as planned. In "Strawberry Moon," we meet Cody Wallace, a young death row inmate only three hours away from execution. His lawyers can't save him, the courts slam the door, and the governor says no to a last-minute request for clemency. As the clock winds down, Cody has one final request. The "Sparring Partners" are the Malloy brothers, Kirk and Rusty, two successful young lawyers who inherited a once prosperous firm when its founder, their father, was sent to prison. Kirk and Rusty loathe each other, and speak to each other only when necessary. As the firm disintegrates, the resulting fiasco falls into the lap of Diantha Bradshaw, the only person the partners trust. Can she save the Malloys, or does she take a stand for the first time in her career and try to save herself? By turns suspenseful, hilarious, powerful, and moving, these are three of the greatest stories John Grisham has ever told. Don't miss John Grisham's new book, THE EXCHANGE: AFTER THE FIRM, coming soon! #1 NEW YORK TIMES BEST SELLER • A classic legal thriller—with a twist. • "A suspenseful thriller mixed with powerful themes such as false incarceration, the death penalty and how the legal system shows prejudice." —Associated Press In the small Florida town of Seabrook, a young lawyer named Keith Russo was shot dead at his desk as he worked late one night. The killer left no clues. There were no witnesses, no one with a motive. But the police soon came to suspect Quincy Miller, a young Black man who was once a client of Russo's. Quincy was tried, convicted, and sent to prison for life. For twenty-two years he languished in prison, maintaining his innocence. But no one was listening. He had no lawyer, no advocate on the outside. In desperation, he writes a letter to Guardian Ministries, a small nonprofit run by Cullen Post, a lawyer who is also an Episcopal minister. Guardian accepts only a few innocence cases at a time. Cullen Post travels the country fighting wrongful convictions and taking on clients forgotten by the system. With Quincy Miller, though, he gets far more than he bargained for. Powerful, ruthless people murdered Keith Russo, and they do not want Quincy Miller exonerated. They killed one lawyer twenty-two years ago, and they will kill another without a second thought. #1 NEW YORK TIMES BESTSELLER • Investigator Lacy Stoltz follows the trail of a serial killer, and closes in on a shocking suspect—a sitting judge—in "one of the best crime reads of the year.... Bristling with high-tech detail and shivering with suspense.... Worth staying up all night to finish" (Wall Street Journal). In The Whistler, Lacy Stoltz investigated a corrupt judge who was taking millions in bribes from a crime syndicate. She put the criminals away, but only after being attacked and nearly killed. Three years later, and approaching forty, she is tired of her work for the Florida Board on Judicial Conduct and ready for a change. Then she meets a mysterious woman who is so frightened she uses a number of aliases. Jeri Crosby's father was murdered twenty years earlier

in a case that remains unsolved and that has grown stone cold. But Jeri has a suspect whom she has become obsessed with and has stalked for two decades. Along the way, she has discovered other victims. Suspicions are easy enough, but proof seems impossible. The man is brilliant, patient, and always one step ahead of law enforcement. He is the most cunning of all serial killers. He knows forensics, police procedure, and most important: he knows the law. He is a judge, in Florida—under Lacy’s jurisdiction. He has a list, with the names of his victims and targets, all unsuspecting people unlucky enough to have crossed his path and wronged him in some way. How can Lacy pursue him, without becoming the next name on his list? The Judge’s List is by any measure John Grisham’s most surprising, chilling novel yet.
