Adrian Gray's life changed after a run in with a mysterious woman leads to a series of events where he discovers he is a Nephil: A child of an angel and a demon and a Horseman of the

Apocalypse. But things go awry on the road to the Apocalypse as a rogue angel plots to release the Pagan gods from Purgatory. Now it's up to Adrian and the other horsemen to stop the angel before chaos erupts on earth. I've been harboring a dark secret for two long years. I've been fantasizing about my fiancé's father, thinking filthy thoughts that a good daughter-in-law should not be indulging in. So when I catch my fiancé cheating on me, there's only one revenge that will fulfill all my needs. I'm going to seduce his father. It's dirty and it's wrong, and I don't care. I want him, so I mean to have him. After this weekend, my ex won't be the only one who calls his father Daddy. In *Your Dad Will Do*, you'll find: - Revenge sex - (former) Father-In-Law - Daddy Stuff - Age Gap Romance First I bled. Then I fought. Now, it's war. Fate turned on me, chewed me up and spat me out. I've been dragged down into the depths of hell until my lungs are burning and the light of day has turned blood red. But I'm still breathing. Fate turned on them, as well. The devil princes who rule this city, and who dare try and rule me. I might not have their muscle or brutality, but I possess the ultimate power. Their hearts. Why settle for pieces of shattered souls when I can have everything? I'm the Princess of Coldlake, and when war is declared and the battle lines are drawn, this city is going to burn. This city will be ours. Author's note: *Second Comes War* is the second book in the *Promised in Blood* series and ends on a cliffhanger. These books contain dark themes, violence, and a *Why Choose* romance with ruthlessly possessive men. The story is dark, dirty, and delicious, so please read at your discretion. Europe experienced great turmoil between the fifteenth and seventeenth centuries. Bitter religious conflicts, war and other disasters such as plague and famine generated deep anxieties and were increasingly read as divine punishments or warnings that the Last Days were imminent. Artists gave expression to

these fears in a range of extraordinary images that are analysed in depth in this publication. Illustrations of the Apocalypse, as well as images of skeletons personifying Death, and of physically deformed creatures, extreme natural phenomena and diabolical witches were all manifestations of the sense of impending social and religious crisis. Lavishly illustrated with works by artists including Albrecht Dürer, Jacques de Gheyn II and Stefano della Bella, *The Four Horsemen: Apocalypse, Death and Disaster* provides a fascinating insight into the art, culture and turbulent times in later medieval, Renaissance and early modern Europe. Questions will be answered. Trust will be rebuilt. And the true threat to the world will be revealed. The threat to the Four Horsemen and the world continues, but now they have solid leads and are closer to uncovering who is behind the attacks. Vee and the Four become closer as barriers fall and trust grows, yet one person remains worried about what will happen if Vee reaches full power. An opportunity to regain Portia's trust, some help from a supernatural mercenary, and an investigation into the Myriad Foundation reveal more answers about the chaos surrounding them. Suddenly, everything slots into place but the big picture isn't what they expected. What will happen if the only way forward for the Horsemen is an alliance with their enemies? From purest pain comes sweetest vengeance. The city of Coldlake, where everything appears bright and sunny but beneath the surface is blood and darkness. A city where killers hide in plain sight and the ones you trust can turn on you in a heartbeat. My heart has endured pain, but in the arms of the Coldlake Syndicate, I've known only sweetness. Their kisses are my joy and their love is my salvation. When their pasts collide with our present, nothing will ever be the same. My four men have suffered at the hands of an unknown killer, and I'll do whatever it takes to heal their broken

hearts. I see him, and he will tremble at my coming. Vengeance will be mine. Author's note: Third Comes Vengeance is the final book in the Promised in Blood series. These books contain dark themes, violence, and a Why Choose romance with ruthlessly possessive men. The story is dark, dirty, and delicious, so please read at your discretion. Praise for the first edition: "Aberth wears his very considerable and up-to-date scholarship lightly and his study of a series of complex and somber calamities is made remarkably vivid." -- Barrie Dobson, Honorary Professor of History, University of York The later Middle Ages was a period of unparalleled chaos and misery -in the form of war, famine, plague, and death. At times it must have seemed like the end of the world was truly at hand. And yet, as John Aberth reveals in this lively work, late medieval Europeans' cultural assumptions uniquely equipped them to face up positively to the huge problems that they faced. Relying on rich literary, historical and material sources, the book brings this period and its beliefs and attitudes vividly to life. Taking his themes from the Four Horsemen of the Apocalypse, John Aberth describes how the lives of ordinary people were transformed by a series of crises, including the Great Famine, the Black Death and the Hundred Years War. Yet he also shows how prayers, chronicles, poetry, and especially commemorative art reveal an optimistic people, whose belief in the apocalypse somehow gave them the ability to transcend the woes they faced on this earth. This second edition is brought fully up to date with recent scholarship, and the scope of the book is broadened to include many more examples from mainland Europe. The new edition features fully revised sections on famine, war, and plague, as well as a new epitaph. The book draws some bold new conclusions and raises important questions, which will be fascinating reading for all students and general readers with an interest

in medieval history. A game of pretend with the highest stakes of all in the latest novel of breathtaking romance from USA Today bestselling author Caitlin Crews Ty Everett ran off to the rodeo when he turned eighteen and has been riding bulls ever since...until his last fall causes partial amnesia and he must return to Cold River Ranch to figure out what comes next. But how can he pick his next move when he can't remember how he got here in the first place—much less the beautiful woman who appears at the ranch, claims she knows him, and warms his cold heart for the first time since he woke up in the hospital? Rodeo Queen Hannah Monroe gave up her crown for Ty Everett, and her innocence. What she wants from Ty now is a divorce. But Ty can't remember her—or their secret wedding, or even the son she never meant to hide from him—and Hannah is torn. How can she leave the man she can't forget and still loves despite herself? And even if she's willing to start over, what will happen when the truth comes out? “Caitlin Crews writes cowboys you'll swoon over...and will grip your heart.”—Nicole Helm, author of *Cowboy SEAL Redemption I*, *Braxton Fawn*, am the luckiest girl alive. Or so the world keeps telling me. Every so often, gods walk the earth. This time they came as musicians. When Bound loses its lead guitarist, yours truly is chosen to fill his shoes. From dive bars to the big stage, my instant claim to fame is nothing short of a fairytale. The only problem? My new bandmates. Jaded, gorgeous, and ridiculously talented—they're determined to turn my dream into a nightmare. It's no secret I wasn't their first choice. I wasn't even their last. The label wants a new image, Bound wants me gone, but I've got my own agenda. To succeed I have to survive a world tour, public scrutiny, and idols turned enemies. But the biggest threat of all isn't a meticulous frontman, a narcissistic bassist, and a drummer with too many secrets. It's me. Somehow, I must resist the

temptation of Houston Morrow, Loren James, and Jericho Noble. It seemed easy enough when I boarded their tour bus, but it only took one city for the lines we'd drawn to blur. Only ninety-nine more to go. Lilac is a contemporary reverse harem and standalone suitable for 18+. Christopher Hitchens, described in the London Observer as "one of the most prolific, as well as brilliant, journalists of our time" takes on his biggest subject yet—the increasingly dangerous role of religion in the world. In the tradition of Bertrand Russell's *Why I Am Not a Christian* and Sam Harris's recent bestseller, *The End Of Faith*, Christopher Hitchens makes the ultimate case against religion. With a close and erudite reading of the major religious texts, he documents the ways in which religion is a man-made wish, a cause of dangerous sexual repression, and a distortion of our origins in the cosmos. With eloquent clarity, Hitchens frames the argument for a more secular life based on science and reason, in which hell is replaced by the Hubble Telescope's awesome view of the universe, and Moses and the burning bush give way to the beauty and symmetry of the double helix. The third horseman must choose between the young woman who once saved his life and his loyalty towards his last immortal brother. After this logging season, I'm never having sex again. Because: reasons. But first, I have a gig earning room and board and ten thousand dollars by 'entertaining' 8 lumberjacks. Eight strong and strapping Paul Bunyan types, big enough to break me in two. There's Lincoln, the leader, the stern, silent type... Jagger, the Kurt Cobain look-alike, with a soul full of music and rockstar moves... Elon & Oren, ginger twins who share everything... Saint, the quiet genius with a monster in his pants... Roy and Tommy, who just want to watch... And Mason, who hates me and won't say why, but on his night tries to break me with pleasure. They own me: body, mind

and orgasms. But when they discover my secret--the reason I'm hiding from the world—everything changes. As the second horsemen brings war and destruction, he meets a young woman who he believes is destined to be his wife, but unfortunately for him she does everything she can to sabotage his plans. A Wall Street Journal bestseller Financial expert, investment advisor and New York Times bestselling author James Rickards shows why and how global financial markets are being artificially inflated--and what smart investors can do to protect their assets What goes up, must come down. As any student of financial history knows, the dizzying heights of the stock market can't continue indefinitely--especially since asset prices have been artificially inflated by investor optimism around the Trump administration, ruinously low interest rates, and the infiltration of behavioral economics into our financial lives. The elites are prepared, but what's the average investor to do? James Rickards, the author of the prescient books Currency Wars, The Death of Money, and The Road to Ruin, lays out the true risks to our financial system, and offers invaluable advice on how best to weather the storm. You'll learn, for instance: * How behavioral economists prop up the market: Funds that administer 401(k)s use all kinds of tricks to make you invest more, inflating asset prices to unsustainable levels. * Why digital currencies like Bitcoin and Ethereum are best avoided. * Why passive investing has been overhyped: The average investor has been scolded into passively managed index funds. But active investors will soon have a big advantage. * What the financial landscape will look like after the next crisis: it will not be an apocalypse, but it will be radically different. Those who foresee this landscape can prepare now to preserve wealth. Provocative, stirring, and full of counterintuitive advice, Aftermath is the book every smart investor will want to get their hands

on--as soon as possible. "Are mass violence and catastrophes the only forces that can seriously decrease economic inequality? To judge by thousands of years of history, the answer is yes. Tracing the global history of inequality from the Stone Age to today, Walter Scheidel shows that inequality never dies peacefully. Inequality declines when carnage and disaster strike and increases when peace and stability return. The Great Leveler is the first book to chart the crucial role of violent shocks in reducing inequality over the full sweep of human history around the world. Ever since humans began to farm, herd livestock, and pass on their assets to future generations, economic inequality has been a defining feature of civilization. Over thousands of years, only violent events have significantly lessened inequality. The "Four Horsemen" of leveling--mass-mobilization warfare, transformative revolutions, state collapse, and catastrophic plagues--have repeatedly destroyed the fortunes of the rich. Scheidel identifies and examines these processes, from the crises of the earliest civilizations to the cataclysmic world wars and communist revolutions of the twentieth century. Today, the violence that reduced inequality in the past seems to have diminished, and that is a good thing. But it casts serious doubt on the prospects for a more equal future. An essential contribution to the debate about inequality, The Great Leveler provides important new insights about why inequality is so persistent--and why it is unlikely to decline anytime soon."-- An Entertainment Weekly Top 10 Romance of 2018! I'm not a good man, and I've never pretended to be. I don't believe in goodness or God or any happy ending that isn't paid for in advance. In fact, I've got my own personal holy trinity: in the name of money, sex, and Macallan 18, amen. So when the gorgeous, brilliant Zenny Iverson asks me to teach her about sex, I want to say yes, I really do. Unfortunately, there are several reasons to say

no--reasons that even a very bad man like myself can't ignore. 1. She's my best friend's little sister. 2. She's too young for me. Like way too young. 3. She's a nun. Or about to be anyway. But I want her. I want her even with my best friend and God in the way, I want to teach her and touch her and love her, and I know that makes me something much worse than a very bad man. It makes me a sinner. And it's those very sins that are about to save me... ***Sinner is a standalone companion to Priest about Father Bell's brother Sean. You do not have to read Priest or Midnight Mass to read Sinner*** As our knowledge of the world grows, our knowledge of danger grows also. We need to add some more horsemen to the original Four Horsemen of the Apocalypse - climate change, mind control, even meteors. Yet we are conditioned to ignore this, to keep consuming, as if we can cover up the truth. This is the story of how the cover-up has failed. (This is a collection of short stories.) It's been ten years since the Apocalypse ended. The Holy War between Angels and Demons is now over. Those left alive in the aftermath now attempt to return the world to some form of what it used to be. With the war now over and their true purpose served, the Four Horsemen scatter to different parts of the world. What happens when these four men have nothing left to do but wander and create mischief? When the world they're meant to cause chaos in has entered a new state of peace? When they exist outside of time and no longer serve much of a purpose? Fate has a plan and she's not about to let anyone get in her way. Death is the only one with something left to do; after all people are still going to die no matter what happened during the Apocalypse. But, Death is not most people's preferred option so imagine his surprise when someone actually summons him. Famine Famine spends his newly found freedom exploring the places he caused disaster in and tries to fix what he's done. When a

surprise attack leaves him wounded, he has to find someone that can heal him. Only, it's going to take some serious work and he might not survive the time it'll take. War War finds himself exploring the mountain ranges of Peru. Until his brother ends up gravely injured and he ends up on a mission to find the one that did it. Only he fails to find the culprit and instead stumbles upon something way more important. Pestilence Pestilence hides himself away. Why would he be amongst people when he is who he is? No one wants to be around someone as poisonous as him. Not even his own brothers. At least that's what he thinks. It's going to take some serious convincing for this man to come out of his iron-clad shell. When Nat, the weirdest boy in Seattle, leaves for a date with the plainest girl in town, chaos breaks out in the houseful of demons of which he is the sole guardian. The Four Horsemen and Vee's story continues in book four of this reverse harem urban fantasy series. The previous books must be read first. Assassins, ancient magic, and the mysterious Collector bring new challenges to the Horsemen. Can the five find the answers they need before it's too late? Three humans are dead, and the search is on for the surviving member from Vee's online group. If he's alive, Seth could hold the key to who's behind the attacks -- and why the group are targets. Thanks to their broken alliance with the fae, the Four Horseman and Vee must turn to others for help and are pulled deeper into the supernatural underworld. The danger the world faces is greater than they imagined and someone is determined the Horsemen will fail. The Four Horsemen will each do whatever it takes to protect Vee, but as Vee's relationship with the guys intensifies, so does her power. How powerful can she become and at what cost to the Four Horsemen's future? The Wheel of Time is now an original series on Prime Video, starring Rosamund Pike as Moiraine! In Lord of Chaos, the sixth novel in Robert

Jordan's #1 New York Times bestselling epic fantasy series, *The Wheel of Time*®, Rand al'Thor, the Dragon Reborn, builds his army of Light even as sworn enemies--and supposed allies--move against him. Now ruling Tear, Andor, and Caemlyn, among other nations, Rand is recruiting all men capable of channeling to be trained as his Asha'man soldiers. The warrior Aiel clans have pledged loyalty to Rand, acknowledging him as their chief of chiefs, even though the Shaido Aiel remain a threat. Split into two factions, the Aes Sedai of the White Tower and their rebel counterparts both seek to ally themselves with the Dragon Reborn. Rand knows all too well the manipulative nature of the Aes Sedai, no matter which side of their internal war they stand upon. But even he cannot predict just how desperate, cruel, and treacherous they can be. And in the shadows, the Forsaken and the Dark One are conjuring even more chaos... Since its debut in 1990, *The Wheel of Time*® by Robert Jordan has captivated millions of readers around the globe with its scope, originality, and compelling characters. The last six books in series were all instant #1 New York Times bestsellers, and *The Eye of the World* was named one of America's best-loved novels by PBS's *The Great American Read*. *The Wheel of Time*® New Spring: The Novel #1 *The Eye of the World* #2 *The Great Hunt* #3 *The Dragon Reborn* #4 *The Shadow Rising* #5 *The Fires of Heaven* #6 *Lord of Chaos* #7 *A Crown of Swords* #8 *The Path of Daggers* #9 *Winter's Heart* #10 *Crossroads of Twilight* #11 *Knife of Dreams* By Robert Jordan and Brandon Sanderson #12 *The Gathering Storm* #13 *Towers of Midnight* #14 *A Memory of Light* By Robert Jordan and Teresa Patterson *The World of Robert Jordan's The Wheel of Time* By Robert Jordan, Harriet McDougal, Alan Romanczuk, and Maria Simons *The Wheel of Time Companion* By Robert Jordan and Amy Romanczuk *Patterns of the Wheel: Coloring Art Based on Robert*

Jordan's *The Wheel of Time* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. This Christmas, my husband is going with an unconventional gift for his best friend. *Me*. It's only supposed to be for one night... But one night becomes two, becomes our entire vacation. There are no rules except the ones we make, and sharing me brings both Derek and Grayson closer than any of us could have imagined. This year, what happens in our bedroom will put all three of us on Santa's Naughty List. *Sword-cross guarantee* In *Gifted to His Best Friend*, you'll find: - *Snowed in* - MMF Romance - Christmas story - Friends to Lovers - Sword-cross guarantee Adrian Gray's life changed after a run in with a mysterious woman leads to a series of events where he discovers he is a Nephilim: A child of an angel and a demon and a Horseman of the Apocalypse. But things go awry on the road to the Apocalypse as a rogue angel plots to release the Pagan gods from Purgatory. Now it's up to Adrian and the other horsemen to stop the angel before chaos erupts on earth. The world is in complete and utter chaos. "Operation Dark Angel" is a military operation designed to bring about world peace...or is it? General Alexander Ludlow is the man in charge of bringing about peace and serenity for not only the United States, but the entire world. But will it really bring an end to the turmoil, violence, and hatred as he was told by the voice? Who is the voice? What is its true nature? Nicolaitanes Balac is quickly gaining political power; power that no single man should ever be given. Just who is Nicolaitanes Balac really? Why is the whole world looking to this man to solve all of their problems? How did one man become in charge of the entire world? What's to become of mankind? Fans of Sarah J. Maas will love this story about when one of the four horsemen comes to spread the plague, a young woman risks her life to save her town from

him, only to fall in love with him. In the middle of a prison riot, the psychopath who murdered my sister holds me hostage. Soulless eyes black, bloodied knife in his hand, my name a whispered threat on his lips. My only hope is the three men fighting for my heart and their lives. Separated in the chaos, flames surround Rowe, the growly prison guard who acts like he hates me but always has my back. Liam, my lawyer on the outside. I've only just realized the depth of my feelings for the boy I once despised in high school. I dragged him into all of this and now I need his help more than ever. And cornered by violent criminals is Heath, the prisoner I've fallen for more with every day he's been incarcerated. I know he's innocent and I'm here to prove it, but I won't get the chance if he doesn't make it through the riot with his life. I came here for one thing but with new prisoners comes new threats. As sins are exposed and secrets unravel, one thing becomes apparent. The killer may not be as obvious as the man with his fingers wrapped around my throat. Solitary Sinners is an adult #whychoose romance, meaning the main character has more than one love interest. This book contains enemies-to-lovers and romantic suspense / dark themes that may trigger some readers. It contains a male/male storyline. It is the second book in an ongoing trilogy and cannot be read as a standalone. Start the series with Locked Up Liars. A journalist's twenty-year fascination with the Manson murders leads to shocking new revelations about the FBI's involvement in this riveting reassessment of an infamous case in American history. Over two grim nights in Los Angeles, the young followers of Charles Manson murdered seven people, including the actress Sharon Tate, then eight months pregnant. With no mercy and seemingly no motive, the Manson Family followed their leader's every order -- their crimes lit a flame of paranoia across the nation, spelling the end of the sixties. Manson became

one of history's most infamous criminals, his name forever attached to an era when charlatans mixed with prodigies, free love was as possible as brainwashing, and utopia -- or dystopia -- was just an acid trip away. Twenty years ago, when journalist Tom O'Neill was reporting a magazine piece about the murders, he worried there was nothing new to say. Then he unearthed shocking evidence of a cover-up behind the "official" story, including police carelessness, legal misconduct, and potential surveillance by intelligence agents. When a tense interview with Vincent Bugliosi -- prosecutor of the Manson Family and author of *Helter Skelter* -- turned a friendly source into a nemesis, O'Neill knew he was onto something. But every discovery brought more questions: Who were Manson's real friends in Hollywood, and how far would they go to hide their ties? Why didn't law enforcement, including Manson's own parole officer, act on their many chances to stop him? And how did Manson -- an illiterate ex-con -- turn a group of peaceful hippies into remorseless killers? O'Neill's quest for the truth led him from reclusive celebrities to seasoned spies, from San Francisco's summer of love to the shadowy sites of the CIA's mind-control experiments, on a trail rife with shady cover-ups and suspicious coincidences. The product of two decades of reporting, hundreds of new interviews, and dozens of never-before-seen documents from the LAPD, the FBI, and the CIA, *Chaos* mounts an argument that could be, according to Los Angeles Deputy District Attorney Steven Kay, strong enough to overturn the verdicts on the Manson murders. This is a book that overturns our understanding of a pivotal time in American history. As the last horseman carries out his mission to wipe out humanity, he meets the one woman who is immune to his abilities in this long-awaited enemies-to-lovers romance. A harrowing chronicle by two leading historians, capturing

in real time the events of a year marked by multiple devastations. When we look back at the year 2020, how can we describe what really happened? In *A Deeper Sickness*, award-winning historians Margaret Peacock and Erik Peterson set out to preserve what they call the “focused confusion,” and to probe deeper into what they consider the Four Pandemics that converged around the 12 astonishing months of 2020: • Disease • Disinformation • Poverty • Violence Drs. Peacock and Peterson use their interdisciplinary expertise to extend their analysis beyond the viral science, and instead into the social, political, and historical dimensions of this crisis. They consulted with dozens of experts and witnesses from a wide range of fields—from leading epidemiologists and health care workers to leaders of the Black Lives Matter movement, district attorneys, political scientists, philosophers, and more. Their journey revealed a sick country that believed it was well, a violent nation that believed it was peaceful; one that mistook poverty for prosperity and accountability for rebellion. Organized into the journal-entries along with dozens of archival images, *A Deeper Sickness* will help readers sift through the chaos and misinformation that characterized those frantic days. It is both an unflinching indictment of a nation that is still reeling and a testament to the power of human resilience and collective memory. Readers can share their story and become a contributing author by visiting an interactive digital museum, where the authors have preserved dozens of more stories and interviews. Visit Margaret Peacock and Erik L. Peterson’s digital museum at adhc.lib.ua.edu/pandemicbook/. He was my best friend before he was my enemy. I'm a nobody at Black Falls High. When the school's mean queen forces me to my knees in front of the student body, everything changes. Now, I'm back on my former best friend's radar. And this time, he has

his new crew and "no" isn't part of their vocabulary. When a night out puts me in a compromising position, I'm at their mercy. If they don't keep my secret, it could destroy more than my friendship. They own me. And my former best friend is making it his mission to ruin me. But not if I ruin them first. In Ruins is a #whychoose romance with four hot-as-fire guys. Due to dark content, this book is recommended for eighteen and older. Should you believe what you see with your own eyes, even if it can't be explained? Laurie is worried. Her father refuses to discuss the vision they have seen lurking by his science lab: glowing, dangerous-looking horsemen bearing bows and swords. Laurie is sure that the horsemen are portents of doom. Are they somehow connected to her father's mysterious genetic research? The recent bombings in Birmingham, England? The unrest in Shasakstan, a country ruled by a dictatorship and armed with nuclear weapons? And if these horsemen do pose a threat, is it too late for Laurie to stop them? Praise for the first edition: "Aberth wears his very considerable and up-to-date scholarship lightly and his study of a series of complex and somber calamities is made remarkably vivid." -- Barrie Dobson, Honorary Professor of History, University of York

The later Middle Ages was a period of unparalleled chaos and misery -in the form of war, famine, plague, and death. At times it must have seemed like the end of the world was truly at hand. And yet, as John Aberth reveals in this lively work, late medieval Europeans' cultural assumptions uniquely equipped them to face up positively to the huge problems that they faced. Relying on rich literary, historical and material sources, the book brings this period and its beliefs and attitudes vividly to life. Taking his themes from the Four Horsemen of the Apocalypse, John Aberth describes how the lives of ordinary people were transformed by a series of crises, including the Great Famine, the Black

Death and the Hundred Years War. Yet he also shows how prayers, chronicles, poetry, and especially commemorative art reveal an optimistic people, whose belief in the apocalypse somehow gave them the ability to transcend the woes they faced on this earth. This second edition is brought fully up to date with recent scholarship, and the scope of the book is broadened to include many more examples from mainland Europe. The new edition features fully revised sections on famine, war, and plague, as well as a new epitaph. The book draws some bold new conclusions and raises important questions, which will be fascinating reading for all students and general readers with an interest in medieval history. Now an Original Series on Prime Video. New Season available July 28th. The classic collaboration from the internationally bestselling authors Neil Gaiman and Terry Pratchett, soon to be an original series starring Michael Sheen and David Tennant. ?Season 2 of Good Omens coming soon! “Good Omens . . . is something like what would have happened if Thomas Pynchon, Tom Robbins and Don DeLillo had collaborated. Lots of literary inventiveness in the plotting and chunks of very good writing and characterization. It’s a wow. It would make one hell of a movie. Or a heavenly one. Take your pick.” —Washington Post According to The Nice and Accurate Prophecies of Agnes Nutter, Witch (the world's only completely accurate book of prophecies, written in 1655, before she exploded), the world will end on a Saturday. Next Saturday, in fact. Just before dinner. So the armies of Good and Evil are amassing, Atlantis is rising, frogs are falling, tempers are flaring. Everything appears to be going according to Divine Plan. Except a somewhat fussy angel and a fast-living demon—both of whom have lived amongst Earth's mortals since The Beginning and have grown rather fond of the lifestyle—are not actually looking forward to the coming Rapture.

And someone seems to have misplaced the Antichrist . . . Four ruthless men. A virgin mafia princess to unite them. But first, there will be blood. On my seventeenth birthday, I learn a terrible secret about my family. My future is in the hands of four brutal men, and what awaits me at their hands is too terrible to imagine. Four men who desire me. Four men who vow to possess me. Four men who think they can destroy me. As the only daughter of Coldlake's mayor, I should be kept far, far out of their reach. Instead, I'm being thrown to them as a sacrifice. My father insists only one of them can marry me, but all of them vow to secure my promise. A promise in blood. They take. I bleed. Happy birthday to me. Author's note: First Comes Blood is the first book in the Promised in Blood series and ends on a cliffhanger. These books contain dark themes, violence, and a Why Choose romance with ruthlessly possessive men. The story is dark, dirty and delicious, so please read at your discretion. It was never supposed to be like this. My darkest secret has just been sent to the one person I was desperate to hide it from and now it's too late to take it back. The damage has been done. With Atticus' life in the balance and three new members about to be sworn in to the Twelve, the stakes have never been higher. Having my family back should be the greatest blessing but instead, it's just made things more complicated. We're building a new empire in the Bay, one that is stronger than any that came before it. Loyalties are being tested and reputations forged on the streets of the country's most notorious city. But one thing is for sure. We might not all make it through, but so begins my reign. The Four Horsemen - War, Pestilence, Famine and Death - first appeared in the Book of Revelations a thousand years ago, but they continue to track us in our own time. This original and inspiring study by celebrated historian Emily Mayhew traces the advances in science, technology and

humanitarianism that are enabling us to take them on, one by one. 'The beauty of The Four Horsemen is how she takes her quaking readers to the edge of the abyss . . . I was left moved and uplifted . . . [A] first-class example of popular science' The Times '[A] thoughtful and ultimately uplifting analysis of the unsung heroes of our age' Independent It begins in Mosul, our oldest surviving city, and the extraordinary coalition created in a matter of days to save its people from the worst horrors of the liberation battle against ISIS. As the city and the humanitarian operation that helped it to survive are restructured for a new age, Mayhew shows other people whose work gives us hope for the future, from the search to find new ways to discover and use antimicrobial medicines and the innovations in preventing the spread of deadly viruses; the laboratory work being taken to protect crops from disease and reduce famine, and why the potato, not the banana is the future; to the unique courage and resolution of those dedicated to securing the rights of the dead and their families. Standing in the way of the Horsemen is what Emily Mayhew calls, 'the most extraordinary alliance ever to come together in defence of our humanity.' These are the doctors, scientists, statisticians, engineers, peace negotiators, pharmacists, historians, forensic scientists, vaccinators and volunteers who are creating solutions to life and death problems which threaten us all. They are the new heroes of our age and this book is about them.
