Irish University Press *Series of British Parliamentary Papers* Feb 20 2021

The International Library of Essays on Capital Punishment, Volume 2 Feb 15 2023 *The essays selected for this volume develop conventional abolition discourse and explore the conceptual framework through which abolition is understood and posited. Of particular interest is the attention given to an integral but often forgotten element of the abolition debate: alternatives to capital punishment. The volume also provides an account of strategies employed by the abolition community which challenges tired methodologies and offers a level of transparency previously unseen. This collection tackles complex but fundamental components of the capital punishment debate using*

empirical data and expert observations and is essential reading for those wishing to comprehend the fundamental issues which underpin capital punishment discourse.

The International Library of Essays on Capital Punishment, Volume 3 May 18 2023
This volume provides analyses of a range of subjects and issues in the death penalty debate, from medicine to the media. The essays address in particular the personal complexities of those involved, a fundamental part of the subject usually overridden by the theoretical and legal aspects of the debate. The unique personal vantage offered by this volume makes it essential reading for anyone interested in going beyond the removed theoretical understanding of the death penalty, to better comprehending its fundamental humanity. Additionally, the international range of the analysis, enabling disaggregation of country specific motivations, ensures the complexities of the death penalty are also considered from a global perspective.

Shakespearean Power and Punishment Jan 22 2021 *The essays in this volume demonstrate how effectively different -- indeed seemingly contradictory -- theoretical paradigms can work with Shakespeare's plays to excavate issues of power and punishment.*

The Torture Papers Mar 04 2022 *Documents US Government attempts to justify torture techniques and coercive interrogation practices in ongoing hostilities.*

The International Library of Essays on Capital Punishment, Volume 1 Dec 13 2022
This volume provides up-to-date and nuanced analysis across a wide spectrum of capital punishment issues. The essays move beyond the conventional legal approach and propose fresh perspectives, including a unique critique of the abolition sector. Written by a range of leading experts with diverse geographical, methodological and conceptual approaches, the essays in this volume challenge received wisdom and embrace a holistic understanding of capital punishment based on practical experience and empirical data. This collection is indispensable reading for anyone seeking a comprehensive and detailed understanding of the complexity of the death penalty discourse.

Punishment and Responsibility Apr 17 2023 *This classic collection of essays, first published in 1968, represents H.L.A. Hart's landmark contribution to the philosophy of criminal responsibility and punishment. Unavailable for ten years, this new edition reproduces the original text, adding a new critical introduction by John Gardner, a*

leading contemporary criminal law theorist, discussing the continued influence of Hart's work on penal policy and the philosophy of criminal justice.

Essay on Crimes and Punishments Apr 24 2021 This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1801 edition. Excerpt: ... CHAPTER XXXV, Of Sanctuaries. J.KE sanctuaries just? Is a convention between nations mutually to give up their cri-* minajs, useful? * In the whole extent of a political state, there should be no place independent of the laws. Their power should follow every subject, as the shadow follows the body. Sanctuaries and impunity differ only in degree, and as the effect of punishments depends more on their certainty, than their greatness, men are more strongly invited to crimes by sanc DEGREES tuaries, than they are deterred by punishment. To increase the number of sanctuaries, is to erect so many little sovereignties; for, where the laws have no power, new bodies will be formed in opposition to the public good, and a spirit established contrary to that of the state, History informs us, that from the '.T* . use. 'use of sanctuaries have arisen the greatest revolutions in kingdoms, and in opinions. Some have pretended, that in whatever . country a crime, that is an action contrary to the laws of society, be committed, the criminal may be justly punished for it in any other: as if the character of subject were indelible, or synonymous with, or worse than that of slave; as if a man could live in one country, and be subject to the laws of another, or be accountable for his actions to two sovereigns, or two codes of laws, often contradictory. There are also who think, that an act of cruelty committed, for example, at Constantinople, may be punished at Paris; for this abstracted reason, that he who offends humanity, should have enemies in all mankind, and be the object of universal execration; as if judges were to be the knights errant of human nature in general, rather than guardians of particular conventions between men. The place

Corporal Punishment in Rural Schools Aug 17 2020 This book presents an analysis of corporal punishment practices in rural schools. It examines trends in corporal punishment at rural schools for school years from 1999-2000, 2003-2004, 2005-2006 and 2007-2008, multiple stakeholders' perspectives on corporal punishment (e.g., school staff, student and parents), and various school-specific factors including alternative discipline practices, school safety efforts, problematic student behaviours, and academic outcomes. In addition to drawing attention to the issue of corporal punishment in rural schools, it equips readers with an in-depth understanding of these practices.

Against Capital Punishment Nov 19 2020 Built on in-depth interviews with movement leaders and the records of key abolitionist organizations, this work traces the struggle against capital punishment in the United States since 1972. Haines reviews the legal battles that led to the short-lived suspension of the death penalty and examines the subsequent conservative turn in the courts that has forced death penalty opponents to rely less on litigation strategies and more on political action. Employing social movement theory, he diagnoses the causes of the anti-death penalty movement's inability to mobilize widespread opposition to executions, and he makes pointed recommendations for improving its effectiveness. For this edition Haines has included a new Afterword in which he summarizes developments in the movement since 1994.
