Jackson Browne Jul 14 2021

Jackson Browne May 04 2023 A biography of the singer-songwriter covers his rise to fame in the 1970s, his commitment to progressive causes, and his later career.

Nick Drake Apr 10 2021 'An exquisite portrait' MOJO 'A riveting account of the golden-boy genius' EVENING STANDARD Nick Drake was barely twenty-six years old when he died in 1974, but in his short lifetime he recorded three albums that are now recognised as classics: Five Leaves Left, Bryter Later and Pink Moon. Several decades after his death, he has amassed a huge following; his haunting songs cast a pervasive influence over the contemporary music scene, and many of today's most successful songwriters cite him as a major inspiration. In this unrivalled biography, Patrick Humphries offers real insight into the man behind the legend, through extensive interviews with family, friends and the musicians who knew and worked alongside him. This portrait of Nick Drake is an essential and uniquely personal account of his life and career. 'A rich, moving account of a troubled spirit, a mature biography of a briefly flickering talent unable to come to terms with the adult world ... The writing is zestful and intelligent and the text illuminating ... A literary memorial fit to stand alongside the songs' UNCUT

Jackson Browne -- Looking East Oct 05 2020 The first piano/vocal songbook for this stunningly beautiful recording. Looking East featured many of the greatest artists and sidemen in rock and roll history. Titles: Looking East * The Barricades of Heaven * Some Bridges * Information Wars * I'm the Cat * Culver Moon * Baby How Long * Niño * Alive In the World.

Titles: Black and White * Candy * For America * In the Shape of a Heart * Lawless Avenues * Lives in the Balance * Soldier of Plenty * Till I Go Down.

Reckless Daughter Feb 27 2020 "She was like a storm." —Leonard Cohen Joni Mitchell may be the most influential female recording artist and composer of the late twentieth century. In Reckless Daughter, the music critic David Yaffe tells the remarkable, heart-wrenching story of how the blond girl with the guitar became a superstar of folk music in the 1960s, a key figure in the Laurel Canyon music scene of the 1970s, and the songwriter who spoke resonantly to, and for, audiences across the country. A Canadian prairie girl, a free-spirited artist, Mitchell never wanted to be a pop star. She was nothing more than “a painter derailed by circumstances,” she would explain. And yet, she went on to become a talented self-taught musician and a brilliant bandleader, releasing album after album, each distinctly experimental, challenging, and revealing. Her lyrics captivated listeners with their perceptive language and naked emotion, born out of Mitchell’s life, loves, complaints, and prophecies. As an artist whose work deftly balances narrative and musical complexity, she has been admired by such legendary lyricists as Bob Dylan and Leonard Cohen and beloved by such groundbreaking jazz musicians as Jaco Pastorius, Wayne Shorter, and Herbie Hancock. Her hits—from “Big Yellow Taxi” to “Both Sides, Now” to “A Case of You”—endure as timeless favorites, and her influence on the generations of singer-songwriters who would follow her, from her devoted fan Prince to Björk, is undeniable. In this intimate biography, drawing on dozens of unprecedented in-person interviews with Mitchell, her childhood friends, and a cast of famous characters, Yaffe reveals the backstory behind the famous songs—from Mitchell’s youth in Canada, her bout with polio at age nine, and her early marriage and the child she gave up for adoption, through the love affairs that inspired masterpieces, and up to the present—and shows us why Mitchell has so enthralled her listeners, her lovers, and her friends. Reckless Daughter is the story of an artist and an era that have left an indelible mark on American music.

Jackson Browne Jan 26 2020

Rock and Romanticism Apr 30 2020 Rock and Romanticism: Blake, Wordsworth, and Rock from Dylan to U2 explores how rock and roll is a Romantic phenomenon that sheds light, retrospectively, on what literary Romanticism was at its different points of origin and on what it has become in the present.

P.S. I Love You Oct 17 2021 "Mom loved to write to my sister and me," H. Jackson Brown writes. "They began when I was an eight-year old camper away from home for the first time. When I opened Mom's letter, I would always read the P.S. first. I just couldn't wait to discover what revelations, humor, observations, admonitions, and encouragement she wanted to share with me." "No matter how hard you hug your money, it never hugs you back," says one P.S. "Middle age is when you have two choices and you choosethe one that gets you home earlier, " says another. Jack Brown's mother shared valuable advice with him about the issues ofwisdom, hope, humor, and faith. "Although some

were written more than thirty years ago," Brown says, "they still run with truth and insight."

Life's Little Instruction Book Nov 05 2020 A collection of advice on how to live a happy and rewarding life.

Rock Me on the Water May 24 2022 In this exceptional cultural history, Atlantic Senior Editor Ronald Brownstein—"one of America's best political journalists (The Economist)—tells the kaleidoscopic story of one monumental year that marked the city of Los Angeles' creative peak, a glittering moment when popular culture was ahead of politics in predicting what America would become. Los Angeles in 1974 exerted more influence over popular culture than any other city in America. Los Angeles that year, in fact, dominated popular culture more than it ever had before, or would again. Working in film, recording, and television studios around Sunset Boulevard, living in Brentwood and Beverly Hills or amid the flickering lights of the Hollywood Hills, a cluster of transformative talents produced an explosion in popular culture which reflected the demographic, social, and cultural realities of a changing America. At a time when Richard Nixon won two presidential elections with a message of backlash against the social changes unleashed by the sixties, popular culture was ahead of politics in predicting what America would become. The early 1970s in Los Angeles was the time and the place where conservatives definitively lost the battle to control popular culture. *Rock Me on the Water* traces the confluence of movies, music, television, and politics in Los Angeles month by month through that transformative, magical year. Ronald Brownstein reveals how 1974 represented a confrontation between a massive younger generation intent on change, and a political order rooted in the status quo. Today, we are again witnessing a generational cultural divide. Brownstein shows how the voices resistant to change may win the political battle for a time, but they cannot hold back the future.

Hearts of Darkness Feb 01 2023 (Book). *Hearts of Darkness* is the story of a generation's coming of age through the experiences of its three most atypical pop stars. James Taylor, Jackson Browne, and Cat Stevens could never have been considered your typical late-sixties songwriters self-absorbed and self-composed, all three eschewed the traditional means of delivering their songs, instead turning its process inward. The result was a body of work that stands among the most profoundly personal art ever to translate into an international language, and a sequence of songs from "Sweet Baby James" and "Carolina in My Mind," to "Jamaica Say You Will" and "These Days," to "Peace Train" and "Wild World" that remain archetypes not only of what the critics called the singer-songwriter movement, but of the human condition itself. Author Dave Thompson, himself a legend among rock biographers, takes on his subjects with his usual brio and candor, leaving no stone unturned in his quest to shine a light on the dark side of this profoundly earnest era in popular music. Penetrating, pointed, and laced with vivid insight and detail, *Hearts of Darkness* is the story of rock when it no longer felt the need to roll.
