A female-friendly guide to the erotic domination of the male by the female in a way that will benefit both. Each chapter is followed by a self-guided journal section, where you are encouraged to explore and clarify your feelings and responses to the themes being explored, thus helping both lovers illuminate mutual desires, needs and boundaries. Here is the ultimate guide to creating and extending documents within the application programming interface of the Document Object Model (DOM). The book examines real-world applications of the DOM, including exclusive case studies of DOM-based browsers and applications and provides a comprehensive, language-neutral examination of the DOM and its related applications. Make the most of your messages on Twitter, Facebook, and other social networking sites The advent of Twitter and other social networking sites, as well as the popularity of text messaging, have made short-form communication an everyday reality. But expressing yourself clearly in short bursts-particularly in the 140-character limit of Twitter-takes special writing skill. In 140 Characters, Twitter co-creator Dom Sagolla covers all the basics of great short-form writing, including the importance of communicating with simplicity, honesty, and humor. For marketers and business owners, social media is an increasingly important avenue for promoting a business-this is the first writing guide specifically dedicated to communicating with the succinctness and clarity that the Internet age demands. Covers basic grammar rules for short-form writing The equivalent of Strunk and White's Elements of Style for today's social media-driven marketing messages Helps you develop your own unique short-form writing style 140 Characters is a much-needed guide to the kind of communication that can make or break a reputation online. Ser. 2 contains unabridged federal and state court decisions arising under the Federal tax laws and previously reported in Prentice-Hall federal taxes. "A biography of Sammy Lee, the first Korean American man to win an Olympic gold medal"-- Value priced! The Tyndale Bible Dictionary is the core product in the new Tyndale Reference Library. The Decade was the birthplace of rock 'n' roll in Pittsburgh, at the corner of Atwood and Sennott. The eclectic bar with parachutes covering the ceiling was home base for local bands such as the Iron City Houserockers, but it also served as a showcase for rising international recording acts, including the Police, U2, the Red Hot Chili Peppers, and the Ramones. Under the shadow of the

University of Pittsburgh, The Decade was an oasis of live rock and blues music in the 1970s to the early 1990s. The small venue had wide appeal to bands who felt they could intimately connect with their audience. Owned and operated by Dom DiSilvio, The Decade will forever be a home to many Pittsburghers, and Images of Modern America: The Decade is a home for their stories. When jilted kindergarten teacher Sophie decides to expand her dating options via the internet and stumbles into the lair of a BDSM aficionado, she falls hard for the sexy Dom. But what will their connection survive when they finally come face to face? This Trilogy includes the following steamy romance novels: Her Web Master Tested by Her Web Master Claimed by Her Web Master Warning: If you're not a fan of dirty talking alpha male romance heroes, these erotic romance books may not be for you, but if you're looking for a filthy online boyfriend who will make your toes curl, meet Sophie's mysterious Dom. Includes music. Do you want to take your BDSM play experiences to the next level? Have you ever thought of trying new things, but feared what might happen if you do? Journalism: A Guide to the Reference Literature is a critically annotated bibliographic guide to print and electronic sources in print and broadcast journalism. The first edition was published in 1990; the second in 1997. It has been described as one of the critical reference sources in journalism today, and it is a key bibliographic guide to the literature. Choice magazine called it a benchmark publication for which there are no comparable sources. The format is similar to the second edition. What makes this edition significantly different is the separation of Commercial Databases and Internet Resources. Commercial Databases includes standard fee-based resources. The new chapter on Internet sources features Web-based resources not included in the commercial databases chapter as well as portals, other online files, listservs, newsgroups, and Web logs/blogs. All chapters have been revised, and there are significant revisions in Directories, Yearbooks, and Collections; Miscellaneous Sources; Core Periodicals; Societies and Associations; and Research Centers and Archives. The second edition has 789 entries. The third edition contains almost 1,000 entries. James Carey of Columbia University, who provided the foreword for the first two editions, has updated his foreword for this edition. "Ideal for introductory Bible courses, adult education groups, and readers of any faith, this book is an invitation to engage biblical text in a direct, fulfilling, and honest manner in order to better understand and interpret it, and to enter into the process of learning how to do this."--BOOK JACKET. Title Summary field provided by Blackwell North America, Inc. All Rights Reserved Much of what we've "heard" about BDSM and the lifestyle is wrong. Our opinions on this lifestyle and art form are oftentimes shaped by other people who have heard something about it and perhaps embellished it to the point of perpetuating myths. The truth is that BDSM is not degrading towards women, and it's also a concept that you will find is not "scary." And even the "pain" that is spoken of is not the type of pain people think it is. This book is written for Doms/Masters in training. It is written for you, the average guy or gal, who doesn't already have a closet full of leather and whips, and who really has little idea about what BDSM is besides what they've heard about it. What you are going to find out, is that the Dom/Master actually has the more complicated role. The master has the task of giving pleasure and discipline to the slave or sub. A great deal of what you do as a Dom will be for the benefit of a sub. You must derive pleasure from giving, have a great desire to please a partner, and not simply take

what you want. Still interested? Good. Now that we know you're a REAL master in training, one that will respect the rules, respect the slave you have power over, and follow protocol, you can begin your Dom training. Only then can you truly earn the utmost respect and admiration from your sub. In Volume 1 of this series we are going to discuss: - How to think and act like a Dom - What the slave expects from you - What not to do and what instincts you do NOT want to follow - Your motivation and your goals - How to find out a sub's taboo - How to negotiate, find agreement and ensure that game play is always safe - How to make a slave yearn for you and desire to be controlled by you - And much more... With DOM Enlightenment, you'll learn how to manipulate HTML more efficiently by scripting the Document Object Model (DOM) without a DOM library. Using code examples in cookbook style, author Cody Lindley (jQuery Cookbook) walks you through modern DOM concepts to demonstrate how various node objects work. Over the past decade, developers have buried the DOM under frameworks that simplify its use. This book brings these tools back into focus, using concepts and code native to modern browsers. If you have JavaScript experience, you'll understand the role jQuery plays in DOM scripting, and learn how to use the DOM directly in applications for mobile devices and specific browsers that require low overhead. Understand JavaScript node objects and their relationship to the DOM Learn the properties and methods of document, element, text, and DocumentFragment objects Delve into element node selecting, geometry, and inline styles Add CSS style sheets to an HTML document and use CSSStyleRule objects Set up DOM events by using different code patterns Learn the author's vision for dom.js, a jQuery-inspired DOM Library for modern browsers

Combining three incredibly important books for the teaching of the church, The Goldsworthy Trilogy offers a complete and comprehensive guide to understanding the gospel throughout the whole of Scripture. This collection, containing the hugely popular Gospel and Kingdom, Gospel and Witness, and The Gospel in Revelation, will be an essential guide to be used again and again for those who seek to understand the Bible in the light of who Jesus is. Those already acquainted with Goldsworthy's work will be familiar with his pithy and engaging style. Straightforward in his approach, he looks at how the Bible can only be understood through the eyes of the gospel. From this base of interpretation, he studies the Old Testament and its application for today, Israel's wisdom literature and its role in the Christian life, and the purpose and contemporary relevance of the book of Revelation, while his knowledge of Old Testament idiom and structure enhances his writing. This trilogy follows the Bible chronologically to give the reader a complete overview of evangelical biblical interpretation, forming an essential one-stop reference that will last a lifetime. The bold erotic masterpiece by #1 New York Times bestselling author Anne Rice writing as Anne Rampling. They call her the Perfectionist. A stunning, mysterious, and fearless sexual adventurer, Lisa is founder and supreme mistress of The Club—an exclusive island resort where forbidden fantasy meets willing flesh. Here eager participants who can afford life's most exquisite luxuries can experience the breathtaking pleasures of surrender and submission. Here nothing is taboo. A thrill-seeking photojournalist, Elliott risks his life daily in the most dangerous, war-torn regions on Earth. Now he has come to Paradise to explore his most savage and vulnerable sexual self, committed to the ultimate plunge into personal risk. Together, their journey to the limits of erotic pleasure will take them farther than they ever dreamed they'd go . . . Are you a frustrated Dom? Have you tried to be the best Dom possible but can't seem to find any subs? Do your sessions end prematurely? Are you not quite sure what you're doing wrong or how to start setting up programs for a sub that wants emotional healing? You've come to the right place! Continuing our line of BDSM education books, we've compiled a list of tips that we call "Troubleshooting Tips", especially made for Doms who are stuck in a circle of inactivity. Your subs may complain that you're too aggressive or too nice, or maybe that you just don't understand. The problem is not necessarily with you or your attitude. Usually it's because you haven't been formally trained on how to DIRECT a sub towards a progressive plan of action. It is your job to train a sub, explain the punishments and rewards, and transform her thinking. No Dom has ever started off a complete natural. Everyone needs training and additional tips for turning their intermediate knowledge into professional / expert level understanding. In "Mastering The Art of Dominance," you will learn: - How to attract subs (even if you've been unsuccessful in the past) - How to avoid mentally disturbed subs before it's too late - How to turn your friend-with-benefits into a sub - How to identify troubled subs who can be helped and how to help them - How to manage multiple subs and multiple partners with fellow Doms - How to deal with jealousy and rivalries with multiple subs - And much more... By the time you finish this book, you're going to be ready to be a top of your class Dom! SINFULLY MINE is a standalone contemporary romance novel from New York Times, USA Today, and Wall Street Journal bestselling author Kendall Ryan. If you like steamy love

stories, you won't want to miss this older brother's best friend romance. This is book two in the Lessons with the Dom series, following The Gentleman Mentor. Both are complete standalone novels featuring sexy Dominant men you're sure to fall in love with. Enjoy! The must-have cookbook from the UK's most popular food blog, Americanized for a US audience!
