The Mouse and Elephant Trilogy is speculative satire / dystopian comedy / alternate history set in Canada and the USA in the near future. These books are filled with hope for future generations. Warning: Do not read these books if you would: start a war to enrich your company's shareholders; or rape the planet's resources and leave a polluted mess in your wake; or, if you own more than two rapid fire automatic assault weapons with bump stocks. If that's not you- then read away. These books have hockey socks full of great ideas to save our planet for future generations- politically, environmentally, economically....The suggestions and proposals in the books will work: we just need to find the moral courage to demand change. I wrote these books because what we are doing now in developed western nations is not sustainable or defensible. The books are a road map to effective governance, and a survival guide for the eventual Trumpocalypse. Currently, the majority of elected officials of all political stripes in developed nations serve only their corporate masters. The Mouse and Elephant Trilogy explains how we can transfer Power to the People! Mark Piper The Mouse Who Poked an Elephant (2017), Mouse, Bear and Elephant Games (2019), and The Mouse and Elephant's New Neighbours (2021) are now available wherever fine books are sold. Boastful Little Mouse sets out to show that he is stronger than anyone in the forest, even Elephant, and nothing that happens can change his opinion. Mouse and Elephant are the best of friends, but sometimes it is hard to find just the right game to play until Elephant comes up with a very unexpected solution. Explore diversity, equity, and inclusion that goes beyond unconscious bias and explores the ideas and tools needed to achieve these goals In The Elephant and the Mouse, award-winning speaker and diversity and inclusion expert Laura Liswood delivers a thought-provoking and insightful new business guide that explores workplace diversity and offers new ideas for gaining the real benefits from your diversity, equity, and inclusion initiatives. The Elephant and the Mouse refers to the dynamic in organizations that are roadblocks to consciously inclusive success. The Elephant, often dominant group leadership, knows little about the experiences of the Mouse, the non-dominant groups, while the Mouse knows so much more about the Elephant. In diverse workplaces, these two groups live in different worlds. Success will come only if everyone works in a true meritocracy. You learn what may be easy for some to do in their career is much harder for others to do. In this book, which builds upon Liswood's groundbreaking book, The Loudest Duck, you'll explore the powerful

case for diversity, equity, and inclusion and the often-overlooked risks posed by a homogeneous workforce. You will learn the hard truths about why many DE&I efforts fail, millions of dollars are wasted, and why organizations confuse efforts with outcomes. You'll consider new ways of leading others, with a strong emphasis on tactics and strategies employed by successful Elephant and Mouse leaders, including women leaders. The book also includes: Realistic explanations for the slow progress in diversity, equity, inclusion and social justice in society and organizations Examinations of the concept and myths of meritocracy and how to conduct a Meritocracy Stress Test on your firm How organizations often have an illusion of inclusion but find their efforts not creating the inclusive, equitable teams they say they want How safety efforts can provide a roadmap for diversity missions An exploration of both the human interventions and non-human roles of technology in DE&I initiatives, including the use of people analytics to de-bias organizations What tools are needed to go beyond awareness of unconscious bias to de-bias processes and what traits the new Elephant and Mouse leader has An indispensable resource for managers, executives, and other business leaders who seek to recreate truly diverse, inclusive, and equitable organizations, The Elephant and the Mouse is also a must-read for human resources professionals, individuals who want successful careers in diverse teams, and anyone involved in the hiring, retaining, and promoting processes. This book offers a way to move beyond traditional diversity efforts towards more modern practices that embrace—and profit from—the differences between people. Nicole the mouse wants a friend, but none of the other animals are interested until she meets an elephant. On Christmas Eve Elephant decides to switch his huge stocking with the smaller one hung by his best friend Mouse, so that Mouse will not get fewer presents. A book that tells the tale of the very day Doris the elephant encountered Marie the house mouse and how Doris had an irrational fear of mice and Marie the mouse. When Mouse and Elephant go to the playground together, it seems as if everything they try to play on together is broken, until they finally find the piece of equipment that is just right for them. Two books in one means twice the fun! - Build first words and learning concepts with this ingeniously constructed, sturdily bound series of two-in-one board books. - Turn the split pages of each book backward and forward to match and contrast opposites and pairs in everyday life. - Simple stories and charming, humorous illustrations for parents and children to share and enjoy When Mouse and Elephant decide to go on the seesaw, Mouse needs a lot of help from other animals before they can go up and down. The Elephant and the Mouse is a story narrated for children in an interesting and funny way. Elephant is an intelligent and a proud animal. He has no friends. He bullies other animals because of his size. The Mouse on the other hand is small in size, quiet and shy. Her bad experience with the Elephant shows that though small in size, she has the strength to stand up for herself in the face of intimidation. The essence of the story is embedded in the morals it intends to teach young children. The morals are geared towards cultivating positive habits and building good character at an early age. The friendship between a little elephant and a big mouse helps them to understand the size relationship between the sun and the Earth. The Caldecott Honor book and modern classic now in boardbook format. Finally! Nearly twenty years ago, Ed Young translated the ancient parable of the seven blind men and the elephant into a modern children's classic, one as simple as it is profound. A lesson in colors, numbers, the days of the week and most important, knowledge, this beautifully illustrated book has stood the test of time and continues to entertain and teach. Now in board book format, even the youngest children can experience the beauty and wisdom. What happens when a little mouse won't behave like a mouse? A mouse that must dance --dances, and she dances everywhere. What follows is a most unusual friendship. A mouse and a little pink elephant that bond over the joy of dancing. Maybe you have a little one that loves to dance, or you know just how the little mouse feels, this books is for you. To find out more about the little pink elephant, she has her own book simply named "The Little Pink Elephant". She is such a sweet and joyful personality that I just had to bring her back. Fans young and old will just love her new little friend, Mouse. There is just something about them that makes you smile. WINNER OF THE SCHOOL LIBRARY ASSOCIATION 2021 INFORMATION BOOK AWARD, 8-12 CATEGORY How Many Mice Make an Elephant? And Other Big Questions about Size and Distance

introduces children to this tricky math concept in a fun, relatable way. Fantastically written by Tracey Turner, questions such as "How many high jumps to the moon?" and "How many ice cubes make an iceberg?" get children to think about just how high, how big, and how far things are, as well as teaching them the math to work it out! The logic behind each comparison is explained in clear, simple steps for children to follow along, helping them to reach the answer. Beautiful illustrations by Aaron Cushley couldn't be further from a math text book, making learning math a truly fun experience. This wonderfully illustrated take on math-by-stealth includes an introduction by Kjartan Poskitt, author of the bestselling Murderous Math series. "Guaranteed to engage even the most reluctant of young mathematicians... The perfect choice for classrooms or school libraries." - Judges of the School Library Association 2021 Information Book Award, 8-12 category

Mouse and Elephant are the best of friends, but sometimes it is hard to find just the right game to play until Elephant comes up with an unexpected solution. Elephant loves dressing up and trick-or-treating on Halloween, but Mouse is scared. One night a strange noise coming from the toybox wakes up Nathan, a young elephant, and he meets Nicholas Alexander, a mouse who has decided to make the toybox his new home. The Elephant and the Mouse is a story about change that can happen between those who have been given much and those who are the less fortunate in society. Transformation can happen to us all, and the change and friendship that happen between the Elephant and the Mouse family is a picture of what we need in our families today. I trust you and your children will enjoy the relationship that develops in this great childrens story. The Oxford Reading Tree Traditional Tales series is a collection of some of the best known stories from around the world carefully adapted for children to read themselves. The Mouse and the Elephant is an Indian tale based on the Panchatantra story about helping others. Young Mouse, sure he is the strongest animal on the African savannah, goes in search of the elephant, to "break it apart and stomp it to bits." When an elephant falls asleep in a farmer's barn, six blind mice try to describe what an elephant is based on the part of the elephant each mouse explores.
