A Manual for Heartache Sep 08 2020 'I devoured A Manual for Heartache in one sitting. . . a kind, honest and wise book about how to make a friend of sadness.' - Rachel Joyce, author of The Unlikely Pilgrimage of Harold Fry. When Cathy Rentzenbrink was still a teenager, her happy family was torn apart by an unthinkable tragedy. In A Manual for Heartache she describes how she learnt to live with grief and loss and find joy in the world again. She explores how to cope with life at its most difficult and overwhelming and how we can emerge from suffering forever changed, but filled with hope. This is a moving, warm and uplifting book that offers solidarity and comfort to anyone going through a painful time, whatever it might be. Bringing Lucy Home: A Story of Hope, Heartache, and Happiness Jan 31 2020 An orphan, abandoned and alone. A family, comfortable and secure. A shaky step of faith. An unprecedented complication. A heartbreaking separation. An unyielding quest. A love story that is every Christian's story. Bringing Lucy Home shares the compelling drama of one family's relentless pursuit to bring hope into the life of an orphaned baby girl. In itself, this account would merely duplicate the narratives of other adoptive families. However, Jennifer Phillips' journey unexpectedly detoured into heartache, causing indefinite separation from her husband and three biological children. Her struggle with bureaucratic injustice will make you want to call a politician - and many did just that. Yet, in the end, it was not political or legal pressure that reunited this family. God's hand was at work, using every disappointment to teach a young mother about His unrelenting love. Join the thousands who have walked alongside Jennifer and Lucy as they tried to reunite with their family. Jennifer's humor and vulnerability will captivate your heart and transform her story into your story as your eyes are opened to deep gospel truths that are only unearthed in the soil of suffering. You were lost. You were pursued. You are worth whatever it costs to bring you home, for good.
