Without social identity there is no society, because without such frameworks of similarity and difference people would be unable to relate to each other in a consistent and meaningful fashion. Richard Jenkins provides a clearly-written accessible introduction to this key concept for the study of

society. Arguing that social identity must be seen as both individual and collective, Jenkins shows how the work of major theorists from Mead to Bourdieu can illuminate the experience of identity in everyday life. Major concepts covered include: * embodiment * social groups and social categories * difference and community * categorisation and resistance This answer key accompanies BJU Press' Heritage Studies Activity Manual Grade 1.
