Suggested Series Reading order: #1 Tapping the Billionaire #1.5 Tapping Her #2 Banking the Billionaire And coming soon... #2.5 Banking Her (Available September 2016) #3 Scoring the Billionaire (Available October 2016) #3.5 Scoring Her (Available November 2016)" At the crossroads of Christian, Islamic, and Jewish faiths, a priceless artifact is stolen from a vault hidden beneath Jerusalem's Temple Mount. With high stakes on sacred ground, time is running out . . . The violent theft leaves thirteen Israeli soldiers and policemen dead, the Palestinians up in arms over the desecration of sacred grounds, and the tension between the two groups dangerously high. Jerusalem is a stick of dynamite and the fuse has been lit . . . Meanwhile, in Vatican city, American scientist Charlotte Hennesey and Italian anthropologist Giovanni Bersei have been secretly summoned to analyse a mysterious artefact: the bones of a two-thousand-year-old unidentified, crucified man. Charlotte starts to wonder - could these be the bones of Jesus Christ? With the malevolent eye of Vatican security expert Salvatore Conte watching her every move, Charlotte must work against the clock. She knows that if the mortal remains of Christ are indeed in the burial box, there is a question to face: will the Vatican allow this information - and Charlotte - to see the light of day . . . Fast-paced and intelligent, blending historical fact with persuasive fiction, The Sacred Bones is an addictively compelling thriller, perfect for fans of Dan Brown. Following a conspiracy stretching

back to the days of the Templar Knights to the shifting alliances of contemporary Middle Eastern politics, *The Sacred Bones* calls into question many of modern religion's most deeply-held beliefs. Dear Gram and Grampop, Please do not address yours truly as California anymore, California Morning Whipple being a foolish name for a duck much less a girl. I call myself Lucy now. I cannot hate California and be California. I know you will understand. California doesn't suit Lucy Whipple -- not the name, not the place. But moving out West to Lucky Diggins, California, was her mama's dream-come-true. And now her brother, Butte, and sisters, Prairie and Sierra, seem to be Westerners at heart, too. For Lucy, Lucky Diggins is hardly a town at all -- just a bunch of ramshackle tents and tobacco-spitting miners. Even the gold her mama claimed was just lying around in the fields isn't panning out. Worst of all, there's no lending library! Dag diggety! So Lucy vows to be plain miserable until she can hightail it back East where she belongs. But Lucy California Morning Whipple may be in for a surprise -- because home is a lot closer than she thinks... When California Morning Whipple's widowed mother uproots her family from their comfortable Massachusetts environs and moves them to a rough mining camp called Lucky Diggins in the Sierras, California Morning resents the upheaval. Desperately wanting to control something in her own life, she decides to be called Lucy, and as Lucy she grows and changes in her strange and challenging new environment. Here Karen Cushman helps the American Gold Rush spring to colorful life, just as she did for medieval England in her previous two books, *Catherine*, *Called Birdy* and *The Midwife's Apprentice*, which won Newbery Honor status and a Newbery Medal respectively. A debut thriller of global intrigue and political conspiracy In the summer of 1531, Medici soldiers, working for Pope Clement VII, tortured to death an obscure Swiss monk, Eusebius Eisenreich. What Eisenreich would not reveal was the location of a simple manuscript, *On Supremacy*, that far surpassed anything imagined by Machiavelli.

The Pope never found the manuscript. This deadly document is at the heart of *The Overseer*. It has fallen into the hands of a cabal intent on ripping apart society as we know it and creating the terrifying new world order described in the manuscript. A fairmile of Eisenreich's disturbing document has been reprinted in this book. Have you ever hit rock bottom? I embarrassingly have. It's why I'm wearing my girl's decorative scarf over my head, clutching her lady drink to my chest, and singing ever so softly to Joni Mitchell while swaying back and forth. This is what therapists refer to as LOSING IT. Oldest story in the book: boy meets girl, boy falls for girl, boy screws up MASSIVELY, girl tells boy to suffocate in the fruits of his very own unborn children. Heard it before? I'm sure you have. So what's so different about this story? Well, it's about me, *The Modern Gentleman*, New York City's top advice columnist, and my rather ungraceful downfall from my pristinely polished pedestal. It's about a girl I met who threw all my proven theories to the wind and left me awkward, needy, and absolutely head-over-wingtipped shoes in love. This is a story about June Lacy and how she single-handedly dismantled *The Modern Gentleman*. Daddy...Times Two! Twins? The startling revelation that his affair with Jenna Baker had produced two little boys was almost impossible to grasp. Tycoon Nick Falco had never considered himself the settling-down type, yet now that fatherhood had been thrust upon him, he was determined to give his sons his name. But their mother wasn't about to let him back into her life...at least not without those three little words Nick had never, ever said. Transliteration, photo, and commentary of over 70 new incantations, amulets, and medical and hemerological texts There's an allure to vampire tales that have seduced readers for generations. Snyder, Sarah Rees Brennan, Lili St. Crow, Karen Mahoney and Dina James....They will make everyone a sucker for eternal kisses. "The things people do for love. Crazy people. It's cute, though." Hindi mapakali si Megan sa kinaupuan. It was her flight back to Manila after years of working abroad. Pero hindi siya aligaga sa biyahe kundi sa katabi niya sa flight na iyon. Sean Linares. Her boyfriend of two years who loved her with all his might. But she just broke his heart... a few hours before their fated flight. Hold it. There's more. Kinailangan din nilang magpanggap na mag-asawa matapos niyang sagipin si Sean sa isang attempted kidnapping incident. Ang daming ganap sa buhay nila. Magkaroon pa kaya siya ng pagkakataon na tuluyang makalayo sa binata kung ang puso niya mismo ang ayaw pang bumitaw? In this towering story about a man pitting himself against the sea, against society, and against himself, Robert Stone again demonstrates that he is "one of the most impressive novelists of his generation" (New York Review of Books). Inviting comparison with the great sea novels of Conrad, Melville, and Hemingway, Outerbridge Reach is also the portrait of two men and the powerful, unforgettable woman they both love - and for whom they are both ready, in their very different ways, to stake everything. As the San Francisco Chronicle said, "Robert Stone asks questions of our time few writers could imagine and answers them in narratives few readers will ever quite forget." Georgia Cummings cannot stop thinking about her boss, billionaire Kline Brooks, even though he follows a strict rule about not dating his employees. "Marry me." "What?" I stared back at him, unblinking. He moved closer, taking my face in his hands. "I

love you, Evie. I look into the future, and the only thing I see clearly is you. Marry me."What's an eighteen-year-old girl who was madly in love with her nineteen-year-old boyfriend say? Of course, I said yes. Twenty-four hours later, I married Adam Gunner at a Vegas chapel to the sounds of "Livin' on a Prayer" by Bon Jovi. Not the best omen. I get that now. Then, exactly one week later, I left him. I walked out, leaving behind my wedding ring, annulment papers, and my heart, and he never knew why. I haven't seen him since. Not in ten long years. Now, he's here, standing before me. Looking at me with nothing but hurt and hatred in his eyes, he wants answers. Answers I can't give. Kerry Martin wants a different childhood for her unborn baby than the one she had. Foolishly she thought Theo Diakos would provide the love and protection she'd searched so long for. How wrong she was! Before she can share her news, a scandalous incident makes her vow never to reveal her child's true heritage. Now Theo has found out about his secret son, and he'll force Kerry to make another vow—to have and to hold, till death do us part! After one painful and humiliating night Mia was left wondering if Master Reed was just a figure that she dreamed up when she secretly discovered the world of BDSM. That was until she collided with him in the conference room at her office building and found out just how real he actually was and he's made it very clear that he is going to be her Master. Reed bought "Bean Me" with the intention of claiming Mia as his sub a dream he'd had since he picked her up off the sidewalk at his club "The Dungeon" three years ago. But that dream is blown away when his manipulating ex-wife comes back into the picture with every intention of staying there. And his ex wife has a few nasty surprises that will leave Mia and Reed reeling and wondering if there is anyway their fragile budding relationship will survive. Naging mabait kay Yelena si Jakob sa hindi niya malamang kadahilanan. Habang tila natahimik naman ang nagwawalang kalooban niya dahil sa nangyari sa kanya. I couldn't believe the letter in my hands. Nine years. Nine damn years I'd worked my butt off for one of the largest companies in America, and I was fired with a form letter when I returned home from a week in Aruba. All because of a video taken when I was on vacation with my friends—a private video made on my private time. Or so I thought... Pissed off, I cracked open a bottle of wine and wrote my own letter to the gazillionaire CEO telling him what I thought of his company and its practices. I didn't think he'd actually respond. I certainly never thought I'd suddenly become pen pals with the rich jerk. Eventually, he realized I'd been wronged and made sure I got my job back. Only...it wasn't the only thing Grant Lexington wanted to do for me. But there was no way I was getting involved with my boss's boss's boss. Even if he was ridiculously gorgeous, confident, and charming. It would be completely wrong, inappropriate even. Sort of like the video that got me into trouble to begin with. Two wrongs don't make a right. But sometimes it's twice as fun. How to Lose a Guy in Ten Days

meets *Accidentally on Purpose* by Jill Shalvis in this head-over-heels romantic comedy. As a gawky teenager, Rosie knew she never stood a chance with heartthrob Cameron Kelly. She had pigtails and glasses, and washed dishes by night to help support her and her mother, while Cameron came from one of the richest and most revered families in Brisbane. Years later they meet again, and Rosie finds herself on a date with the devastatingly attractive billionaire! There's something different about him—he's darker, more intense, dangerous. But she's determined to ignore his three-dates-only rule and get to the heart of the rebel tycoon....

Brenna There are some people in life who know exactly how to push your buttons. For me, it's Rye Peterson. We can't spend more than ten minutes together before we're at each other's throats, which makes working together that much harder. Rye is the bassist for Kill John, the biggest rock band in the world, and I am his publicist. It doesn't help that the man is gorgeous, funny, talented, and...never takes anything seriously. Avoidance is key. But everything changes when he overhears something he shouldn't: a confession made in a moment of weakness. Now the man I've tried so hard to ignore is offering me the greatest temptation of all—him. Rye

Brenna James is the one. The one I can't have. The one I can't get out of my mind. Believe me, I've tried; the woman loathes me. I managed well enough—until I heard her say she's as lonely as I am. That she needed to be touched, held, satisfied. And I could no longer deny the truth: I wanted to be the one to give her what she craved. I convinced her that it would just be sex, mutual satisfaction with nothing deeper. But the moment I have her, she becomes my world. I've never given her a good reason to trust me before. Now, I've got to show Brenna that we're so much better together than we ever were apart. Things are going to get messy. But getting messy with Brenna is what I do best. Strike One—My mother named me Theodore after her favorite chipmunk. Not cool, Mom. I've spent most of my life answering to Teddy, because I couldn't make Theo

work.Except for here. College. The place where all bets are off, and I've managed to redeem myself.There's only one problem, my new roommate, Troy, is football royalty and looks like he stepped off the set of an Abercrombie shoot.Doesn't matter, I cook a mean breakfast for his panty parade, and we get along well.And anyway, this year I got the girl. Theodore Houseman, former band geek, now marching band rock star has finally landed the girl of his dreams.Everything is perfect.That is, until Troy takes a good look at her.I'm not going down without a fight. As a matter of fact, I'm not going down at all. As glorious as these days may be for my all-star roommate, Laney is my end game. I may not know much about play strategy, but I've been the good guy my whole life. I've been listening and I know exactly what women want. Framed in a picture standing next to me, Troy may seem like Mr. Perfect, but he's underestimating the guy on the right.Spoiler alert: In this story, the underdog is going to win. "I didn't read this book, I devoured it. Arranged marriage is one of my favorite tropes and RK Lilley completely blew it out of the water. Arranged is angsty, sexy, and heartbreaking. Immediately adding it to my future re-read list. Banks is my new favorite alpha bully." Claire Contreras, New York Times Bestselling Author "Fatally beautiful. Gut-tightening intensity. Off the charts sexual chemistry and a love story unlike any other. You will devour this tale by RK Lilley and only want more." Audrey Carlan, #1 NYT Bestselling Author "Classic RK Lilley with all the angst, steam, and edginess she does so damn well. I loved it!" Kylie Scott, NYT & USA Today Bestselling Author "Some books are simply better than others. This is one of those books. Calder Banks Castelo is a jerk of epic proportions. Jerk-alicious perfection. Banks and Noura together light the pages on fire. Sensual, angsty, exquisite. Don't miss it." Jana Aston, New York Times Bestselling Author There were rules in the cash-for-beauty game. The money held the power. The beauty followed the rules and jumped through the hoops. THE BRIDE I knew what

everyone would think if they knew the truth about my marriage. They'd be shocked and appalled. And rightly so. I was a young, modern, independent woman, and I'd done the unthinkable. I'd sold my virginity to a spoiled, rich boy. To a stranger who didn't love me. And yes, I'd done it all for money. THE GROOM My bride was as gorgeous as she was unwelcome. As desirable as she was unwanted. I wanted nothing to do with her, but that didn't seem to matter exactly the second she got close enough to touch. I wanted her to hate me more than she loved the millions she'd sold herself for. I wanted to spurn her, but unfortunately, I wanted to f*ck her more. ARRANGED is a standalone erotic romance. The author of Parsifal's Page "interweaves action with sophisticated, wry humor and deft characterization to bring to life yet another medieval tale" (VOYA). Young Dinadan has no wish to joust or quest or save damsels in distress or do any of the knightly things expected of him. He'd rather be a minstrel, playing his rebec and writing ballads. But he was born to be a knight, and knights, of course, have adventures. So after his father forces his knighthood upon him, he wanders toward King Arthur's court, in the company of a misguided young Welsh lad named Culloch. There Dinadan meets Sir Kai and Sir Bedivere, and the three find themselves accompanying Culloch on the worst sort of quest. Along the way, Dinadan writes his own ballads, singing of honor, bravery, loyalty, and courtly love—and becomes a player in the pathetic love story of Tristram and Iseult. He meets the Moorish knight Palomides, the clever but often exasperating Lady Brangienne, and an elvin musician named Sylvanus, along with an unusual collection of recreant knights and dimwitted defenders of chivalry. He learns that while minstrels sing of spectacular heroic deeds, honor is often found in simpler, quieter ways. "The humor ranges from subtle irony to scenes of pure comedy . . . a lighthearted introduction to the period." —School Library Journal (starred review) "Morris creates in Dinadan one of his most appealing protagonists. Written in accessible prose and laced

with occasional magic, the novel moves at a quick pace and showcases a continually maturing hero.” —The Horn Book “A witty tale of adventure and reflection.” —Booklist These true stories of answered prayers, divine intervention, messages from heaven and miraculous healing will give you hope and deepen your faith. From, Your Secret Not Admirer A beautifully repackaged 50th anniversary edition of Sonia Levitin's powerful classic story about a young Jewish girl forced to flee her home, winner of the National Jewish Book Award. In 1938, Lisa Platt and her family know something dangerous is happening in Germany. Lately, there have been more and more restrictions for Jews: yellow stars they have to wear, schools they cannot attend, things they are forbidden to do. When their neighbors are arrested for petty reasons, the Platts realize they have to escape. Forbidden to bring money or possessions out of the country, Lisa's father secretly leaves for America, planning to work until he can send for them. But when conditions in Germany worsen, Lisa, her mother, and her sisters flee to Switzerland to wait, surviving on what little they have in a continent hurtling toward war. Inspired by Sonia Levitin's own experience of fleeing Germany as a child, this moving novel chronicles one family's bravery in the face of aggression and apathy. Nagrerebelde si Temarrie. One World Two is the eagerly awaited follow-up to One World and another globe-trotting collection of stories. But it is more than simply an anthology of short fiction, as it contains representative literature from all over the world, conveying the reader on thought-provoking journeys across continents, cultures and landscapes. One World Two is even more ambitious than Volume One in its geographic scope, featuring twenty-one writers drawn from every continent. Most of the stories are unique to this volume, while others are appearing for the first time in English (Egypt's Mansoura Ez-Eldin and Brazil's Vanessa Barbara). The themes and writing styles are as richly diverse as their writers' origins. The collection is built around a loose theme of building bridges. It is interested in the human condition as a dynamic central line linking individuals, cultures and experiences: east and west, north and south, and, perhaps most importantly, past, present and future. This book features established stars such as Edwidge Danticat (*Breath, Eyes, Memory*), Viet Thanh Nguyen (*The Sympathizer*) and Aminatta Forna (*The Hired Man*) and authors who are steadily building a reputation such as Fan Wu, Ana Menéndez and Daniel Alarcon. In order of appearance, the authors are: Yewande Omotoso, Viet Thanh Nguyen, Heidi North-

Bailey, Ana Menéndez, Mathew Howard, Okwiri Oduor, Desiree Bailey, Vamba Sherif, Alice Melike Ulgezer, Daniel Alarcon, Mansoura Ez-Eldin, Aminatta Forna, Nahid Rachlin, Samuel Munene, Vanessa Barbara, Ret'sepile Makamane, Fan Wu, Olufemi Terry, Balli Kaur Jaswal, Chris Brazier, and Edwidge Danticat.
