ADP 3-0, Operations, constitutes the Army's view of how to conduct prompt and sustained operations across multiple domains, and it sets the foundation for developing other principles, tactics, techniques, and procedures detailed in subordinate doctrine publications. It articulates the Army's operational doctrine for unified land operations. ADP 3-0 accounts for the uncertainty of operations and recognizes that a military operation is a human undertaking. Additionally, this publication is the foundation for training and Army education system curricula related to unified land operations. The principal audience for ADP 3-0 is all members of the profession of arms. Commanders and staffs of Army headquarters serving as joint task force (JTF) or multinational headquarters should also refer to applicable joint or multinational doctrine concerning the range of military operations and joint or multinational forces. Trainers and educators throughout the Army will use this publication as well.

Acquisition of Complex Arithmetic Skills and Higher-Order Mathematics Concepts focuses on typical and atypical learning of complex arithmetic skills and higher-order math concepts. As part of the series Mathematical Cognition and Learning, this volume covers recent advances in the understanding of children's developing competencies with whole-number arithmetic, fractions, and rational numbers. Each chapter covers these topics from multiple perspectives, including genetic disorders, cognition, instruction, and neural networks. Covers innovative measures and recent methodological advances in mathematical thinking and learning Contains contributions that improve instruction and education in these domains Informs policy aimed

at increasing the level of mathematical proficiency in the general public Based on a True Story of the Largest Police Corruption Scandal in New York City's History - The Dirty Thirty The 3-0 is a thrilling, cat and mouse story that's based on the true story of the largest police corruption scandal in the history of the New York City Police Department - The Dirty Thirty - It's also a story of bringing a divided community together. The actual events led to the arrest of 33 police officers. The story is set in the 1990's in the 30th Precinct in Harlem. But the story of "The 3-0" is not just about police corruption. It's the story of what happens when the social order collapses under the weight of politics, race, fear, drug cartels, illegal immigration, the rights of citizens, and the role of law enforcement to protect and serve. Because of this the NYPD responded by creating a new specialized unit that revolved around a decorated cop, Sergeant Liborio Lungaro and his team of beat officers. This story sheds light on the riveting back story of Lungaro's character and how he's taken on a journey that will change his life forever. It's a story of twist and turns. Who's good and who's dirty. This story will keep you on the edge of your seat. This books may be used as: A reference manual for those who are looking for a simpler alternative to the "User Manual" or, A self teach book as an alternative to attending a training course or, For instructors to use on a training course as a course outline and student hand out.
