Named to Oprah Magazine's Best Caribbean Books for Your 2021 reading list, imagination and adventure run wild in the most talked about middle grade debut of the year! A small village on a Jamaican island. A girl who doesn't remember the previous summer. A best friend who is no longer acting like one; a new girl who fills that hole in her heart. A summer of finding fallen mangos, creating made up games and dancing in the rain. Secrets she keeps from others...and herself. The courage to face the truth even in the toughest of storms. Inspired by the author's childhood experiences, When Life Give You Mangos is a celebration of island life as well as a rich, lyrical mystery. Read it...and don't spoil the unforgettable ending! A recommended read for classroom discussions and educators looking for diverse offerings. "A heartfelt and accessible debut about friendship, memory, and

forgiveness." —Tae Keller, author of Newbery Medal winner *When You Trap a Tiger* "A wonderful story with great heart, mystery, and insight. Kereen Getten is a bright new voice." —Clare Vanderpool, author of Newbery Medal winner *Moon Over Manifest* and Printz Honor book *Navigating Early* "A heartwarming yet suspenseful debut about the strength of family, the turmoil of friendships lost and found, and most importantly, remembering who you are." —Lynne Kelly, author of the Schneider award winner *Song for a Whale* The hilarious, heartwarming Sunday Times bestseller is back Available to pre-order now Sometimes life can be bittersweet . . . Between tending to the whims of her seven-year-old and the demands of her boss, Viv barely gets a moment to herself. It's not quite the life she wanted, but she hasn't run screaming for the hills yet. But then Viv's husband Andy makes his mid-life crisis her problem. He's having an affair with his (infuriatingly age-appropriate) colleague, a woman who - unlike Viv - doesn't put on weight when she so much as glances at a cream cake. Viv suddenly finds herself single, with zero desire to mingle. Should she be mourning the end of life as she knows it, or could this be the perfect chance to put herself first? When life gives you lemons, lemonade just won't cut it. Emily Charlton gets the spin-off she deserves” (Cosmopolitan) in the months-long New York Times bestseller from Lauren Weisberger in which three women team up to bring a bad man down in the tony suburb of Greenwich, Connecticut. Welcome to Greenwich, Connecticut, where the lawns and the women are perfectly manicured, the Tito’s and sodas are extra strong, and everyone has something to say about the infamous new neighbor. Let’s be clear: Emily Charlton does not do the suburbs. After leaving Miranda Priestly, she’s been working in Hollywood as an image consultant to the stars, but recently, Emily’s lost a few clients. She’s hopeless with social media. The new guard is nipping at her heels. She needs a big opportunity, and she needs it now. When Karolina Hartwell, a gorgeous former supermodel, is arrested, her fall from grace is merciless. Her senator-husband leaves her, her Beltway friends disappear, and the tabloids pounce. In Karolina, Emily finds her comeback opportunity. But she quickly learns Greenwich is a world apart and that this comeback needs a team approach. So it is that Emily, the scorned Karolina, and their mutual friend Miriam, a powerful attorney turned stay-at-home mom, band together to navigate the social land mines of suburban Greenwich and win back the hearts of the American public. Along the way, an unexpected ally emerges in one Miranda Priestly. With her signature wit, Lauren Weisberger offers an alluring look into a sexy, over-the-top world—and proves it’s style and substance together that gets the job done. “A delicious sequel to *The Devil Wears Prada*...exploring what it’s like to be a woman buffeted by conflicting messages about

career, relationships, and motherhood” (The Washington Post), When Life Gives You Lululemons is “amazing novel about...truth, lies and how everyone is a little bit insecure” (Associated Press). “Fast-paced, funny, and gossipy, this is the must-have accessory for your beach bag” (PopSugar). Presents the life and accomplishments of the young girl who raised hundreds of thousands of dollars to end child slavery through her lemonade stand. We're not making lemonade anymore. This book turns the adage on its head by providing readers with practical solutions for dealing with life's sourest points. When Life Gives You Lemons...Stop Making Lemonade discusses some of the most common lemons from familial to the unexpected. When Life Gives You Lemons is also interactive! Inside are Lemon Checkpoints that allow you to jot down the sour points in your life, and how to address them, along with lemon-inspired recipes, lemon facts, and more! Break the habits that lead you to sugarcoat your life, step up to the plate, and learn supreme accountability! When Life Gives You Lemons will show you that life's sweetest moments come when you pucker up and take the lemons that life gives you - or the ones that you give yourself - head-on! Leesa Askew is a transformational speaker and corporate coach who is passionate about supreme accountability, cultural competency, and lemons. The social worker pointed out to me a little nick-knack on her desk that said "When Life Gives You Lemons, Make Lemonade". As if saying, I just needed to make the best of a bad situation. Sounded like a load of crap to me when I was in 5th grade, and still sounds like a load of crap today. When you are given Tequila at a bar, you can ask the bartender for training wheels (lemon and salt). If you lick the salt, squeeze a drop of lemon in your mouth, and then take a shot of Tequila a funny thing happens. The Tequila isn't as harsh as it was. Doesn't burn when it goes down your throat, or upset your stomach. Being disabled can be like a glass of Tequila. It is painful both sometimes emotionally and physically. However if you can find something from life that you enjoy. Focus on that, rather than the negative aspects of your life. You can begin to enjoy life too. *Creators, Innovators, and Theatremakers: Defy the Smallness of the Stage* With the Greatness of Your Daring Wong's first book upended tragic literary theory by arguing that risk is the dramatic fulcrum of the action. It also launched an international playwriting competition (risktheatre.com). His second book expands on how chance directs the action, both on and off the stage. Inside you will find three risk theatre tragedies by acclaimed playwrights: *In Bloom* (Gabriel Jason Dean), *The Value* (Nicholas Dunn), and *Children of Combs and Watch Chains* (Emily McClain). From the poppy fields of Afghanistan to the motel rooms and doctors' offices lining interstate expressways, these

plays—by simulating risk—will show you how theatre is a dress rehearsal for life. Six risk theatre essays round off this volume. In a dazzling display from Aeschylus to Shakespeare, Thomas Hardy, and Arthur Miller, Wong reinterprets theatre through chance and probability theory. After risk theatre, you will never look at literature in the same way. Tomorrow, Whoever Says Drama will Say Risk Gerald's story is unique, inspiring and hopeful. But there is an opportunity here for you and me -- to not only be inspired but to learn how to become lemonade experts in life."-- Jeff Henderson, Gwinnett Church & Author of "Know What You Are FOR" In seasons of adversity, we are often tempted to ask the question: "Why?" We wrestle with why we are in the situation we are in. Why God hasn't stepped in yet? Why did it have to be us? In *When Life Gives You Lemons*, Gerald Fadayomi unpacks how "Why?" may not be the right question to ask in difficult circumstances and instead, offers three better questions we can ask ourselves when adversity comes our way. These questions will help you walk through seasons of depression, heartache, anxiety, anger, pain, and loss. They will help you gain perspective, experience peace, and even find joy in the midst of uncertainty. Lemons can be turned to lemonade, and navigating the answers to these three questions will show you how! *When Life Gives You Lemons* makes an excellent book to read on your own, with a friend, or with a small group. The chapters are short for easy reading. And every chapter comes with a set of thought provoking questions to "concentrate" on or prompt discussion. If you've ever

asked yourself, "Why me?" it's time to shift your perspective. It's time to turn lemons into lemonade. So what are you waiting for? This book is a great help for all Parkinson's patients. Shelby Black tries to juggle school, love, and her training, under her uncle's tutelage, to be an exorcist in the latest novel by the author of "Wesley James Ruined My Life." A smart and funny YA novel from Jennifer Honeybourn, When Life Gives You Demons Some people have school

spirit. Shelby Black has real ones. Shelby Black has spent the past six months training to be an exorcist. Her great-uncle Roy—a Catholic priest—has put her through exorcist boot camp hell, hoping to develop her talent, but ohmygod, he still doesn't trust her to do an exorcism on her own. High school is hard enough without having to explain that you fight demons for a living, so Shelby keeps her extracurricular activity to herself. The last thing she wants is for her crush, Spencer, to find out what she does in her off time. But Shelby knows how to keep a secret—even a big one. Like the fact that her mom left under mysterious circumstances and it's all her fault. Shelby is hellbent on finding her mom, no matter what it costs her—even if what it ends up costing her is her soul AND a relationship with Spencer. Praise for Wesley James Ruined My Life: "Everything readers expect and want from a lighthearted summer teen romance....Pitch-perfect." —School Library Journal "Light, cute, and a quick read." —The Eater of Books "Immensely readable, utterly charming and absolutely un-put-downable." —Jennifer McKenzie Life is filled with ups and downs. Sometimes things are going well, and other times the rug is pulled right out from beneath your feet. This book features a series of freestyle poems ranging from bleak, to humorous. Inspired by those times when life doesn't even have the courtesy to give you lemons, and you end up with rocks instead. A collection of stories and essays that give food for thought and make you laugh. (and sometimes contains naughty words) Madge jokingly yet triumphantly deals with common adult life struggles that fall just short of FEMA

intervention but are bigger than a duct tape and coat hanger fix. This stuff wasn't supposed to happen to Madge, she's college educated and comes from a good white collar Irish Catholic family. Hilarity ensues as she made it through an abusive marriage, co-parenting with an alcoholic who later vanished, joblessness, homelessness, food stamps, dating, and raising three kids single handedly. Somehow she maintained her dignity and fabulousness and produced three very smart, well adjusted, successful children. These are life lesson stories filled with humor, common sense and snark. Funny and poignant. "This book is very nice dear but I still think you should become a dental hygienist. They make good money you know. People always need their teeth cleaned." - Madelyn Madigan, Madge's Mother "Funny and cleavage, a winning combination!" - A creepy guy that reads my blog Everyone needs a little inspiration. Xenia Tchoumi is passionate about self-empowerment and independent

thinking. A fashion influencer, motivational speaker and self-made digital entrepreneur, she wrote this book to share the techniques and tools that have made her so successful, and to encourage her readers to resist media manipulation, stand up for who they really are, and live their best, most powerful lives. Xenia takes readers on a practical, no-nonsense journey to self-empowerment, covering topics such as taking responsibility, using your pain and your failures to push yourself further, and learning digital dominance instead of letting yourself be digitally dependent. She offers a wealth of tips for creating productive habits, setting goals, protecting your mental health and resisting society's pressures to conform. She shares her stories of struggling against prejudice as the child of recent immigrants, battling the restrictive structures of the fashion industry, making her mark in the digital space and ultimately making herself into an ultra successful brand. Questioning exactly what empowerment looks like today, she also offers the inspiring stories of empowered people she has met all over the world and shows that, while empowerment can seem very different in different cultures, there are certain key traits that empowered people share – habits that anyone can learn and use to become a success in life. But a lot of times they only deal with surface issues that gives temporary answers to life's more serious issues. Clichés have a place in life and language. But to be helpful they must be transformed into something that empowers people to explore more deeply the great issues of our life and times. The effort of this book is to take a popular cliché and use it to enable people to think more seriously about the issue of bitterness and strife that pervades a great part of the population of the world today. To live a life full of bitterness and strife has to be one of the most distressing ways to live. Bitterness and strife absorb so much of a person's daily existence. It is hard to be constructive when something so strong as bitterness and strife has a foot hole in a person's life. So then, using the common cliché, "When life gives you lemons, make lemonade", this book aims to lead the reader towards a path away from bitterness and strife and into a life of joy and peace. No one has to be bitter in life.

Bitterness is a choice. There are alternatives. A path to a more positive and constructive way of life can be chosen. Since this cliché has been introduced into the language of modern culture it has been used by various disciplines, doctrines and daily conversations to capture the innate ability of many humans to rise above the pull of bitterness and adopt a lifestyle that chooses to be positive and constructive rather than angry and bitter. We are not created to be bitter, but to be a pleasant aroma that overcomes the harsh tone of our existence that pervades human interaction in so many sectors today. "When life gives you lemons, make lemonade" is a cliché that is simple but profound in so many ways. Part of the aim of this book is to move it away from just its simplistic use to a more serious effort to transcend the pervasive tendency of modern humans to be consumed by bitterness and strife. Seven elements are presented as primers for acquiring the capacity to overcome any form of bitterness that seeks to have control over our lives. Some are biblical and some are human aspirations that have a close correlation to the teachings of the Bible. In either case the belief is that God desires that humans would be able, with divine help, to live a life that is void of bitterness and infused with God's love that is able to transform the most hurtful situations in life into expressions of God's all-encompassing love, mercy and grace. What I hope to do in this book is to enable someone to get beyond any anger or bitterness in life and become a stronger more loving, compassionate, and kind person. When life gives you lemons, how do you transition past trauma to new beginnings? How do you focus your

mind on what new aspect needs to be in order to be happy? This very personal book is about the damage one child had to endure while learning how to become the person she would eventually become later on in life; only to find out that life did not have to stay the way her outcome became. Now she wants to change the minds, hearts, and spirits of those she encounters with her words of powerful change and wisdom. With self-love, self-rebuilding, and self-workings to change the future for others. Reach inside her mind as she gives you the tools you would need to relive again. You get a heart-wrenching journey into her life as well as a journal and manual to help you along your healing process. So what are you waiting for? Be the change, make a change and stop the generational curses right in their path!

For years, 10-year-old Zelly Fried has tried to convince her parents to let her have a dog. After all, practically everyone in Vermont owns a dog, and it sure could go a long way helping Zelly fit in since moving there from Brooklyn. But when her eccentric grandfather Ace hatches a ridiculous plan involving a "practice dog" named OJ, Zelly's not so sure how far she's willing to go to win a dog of her own. Is Ace's plan so crazy it just might work . . . or is it just plain crazy? Erica S. Perl weaves an affectionate and hilarious tale that captures the enduring bond between grandparents and grandchildren. Even when they're driving each other nuts. "Life is full of surprises. Sometimes everything happens as per your plans but in few cases, you have no idea about what life might be cooking for you. Lucky are those who get a second chance in their lives to redeem their love." Bridget Jones for the vampire obsessed: fans of Olivia Dade, Tessa Bailey, and Julie Murphy will love to sink their teeth into this charming romantic comedy. Single (plus size) vampire, desperately in search of a life. Twenty-five year old Lily Baines is used to waking up hungover, overweight, and underemployed. Waking up with fangs? Not so much. But when a little light necking has more serious consequences than she ever imagined, Lily's determined to get to the bottom of it, or die (again) trying. Tristan hadn't meant to turn Lily—it's against vampire law—but now that she's here, they need to team up to save both their hides. They strike an uneasy truce,

fending off other vampires, Lily's work-rival-turned-slayer, and her mother's tone-deaf romance and fitness advice...all while Lily faces down her insecurities about the fact that she lives in a diet-obsessed world with a body that will never age, never die, and never change. Falling for her maddeningly gorgeous sire? Easy. Surviving an ancient vampire Master determined to see her twice-dead? Piece of cake. But can Lily ever truly learn to love the woman she'll be forever more? Perfect for fans looking for: a little Halloween spirit body positive representation enemies to lovers vibes A book of poems A collection of 21 stories about people whose experiences confronting adversity helped them to find the resolve to turn hard times into happiness. From these true-life parables, the author distills seven lessons that should help readers access their inner strength and resilience. The Big Sick meets Dad is Fat in this funny and heartfelt New York Times bestselling memoir from writer, director, wife, and mother, Jeannie Gaffigan, as she reflects on the life-changing impact of her battle with a pear-sized brain tumor. In 2017, Jeannie's life came to a crashing halt when she was diagnosed with a life-threatening brain tumor. As the mother of 5 kids -- 6 if you include her husband -- sat in the neurosurgery department in star-covered sweats too whimsical for the seriousness of the situation, all she could think was "Am I going to die?" Thankfully, Jeannie and her family were able to survive their time of crisis, and now she is sharing her deeply personal journey through this miraculous story: the challenging conversations she had with her children; how she came to terms with feeling powerless and

ferociously crabby while bedridden and unable to eat for a month; and how she ultimately learned, re-learned and re re-learned to be more present in life. With sincerity and hilarity, Jeannie invites you into her heart (and brain) during this trying time, emphasizing the importance of family, faith and humor as keys to her recovery and leading a more fulfilling life. This book was written to inspire God's children of all ages to realize how important it is to trust him. It talks specifically of the struggles one goes through and the solutions to all our struggles—trusting in God! One other important factor is to remain humble and kind. Lastly, the key to eternal life is to put God first! Amen.
