This Is Owl is a bright and cheerful interactive picture book with lots of flaps and accompanying actions that make it loads of fun to read together! Meet Owl. Oh wait, it's daytime. Meet Owl now, at night, when he's most active -- even if he isn't the most graceful. When the act of sneaking up on Beetle goes awry, it's up to readers to help Owl flap his wings and right himself. But when Owl is determined to make his own way, readers are taken on a journey, first to find Owl and then meet his budding family! An ideal little library of first words' books. Age: birth+ A mini boxed set containing four titles from the Baby's Very First Black & White series; Animals, Going Out, Babies and Faces. the beautifully designed high-contrast, black-and-white images, with a single splash of colour, are easy for babies to focus on. An ideal little library of first words books Age: birth+ Designed to develop sensory and language awareness, this board book shows pictures of dragons that have slimy spots, knobby claws, a fuzzy tongue, and a prickly tail. Growing up is a whole lot easier if you have some idea what to expect. This book describes exactly what will happen to your body in a straightforward, easy-to-understand way, and it explains some of your feelings too - all you need to know for this important time in your life. An introduction to physics, chemistry and

biology, including experiments, puzzles and games to reinforce the theories that are presented. Combining four of Usborne's titles in one book, Playtime Activities features original yet simple things for very small children to do, from cut and sticking to finger painting and drawing. This reduced format book introduces the reader to world history from the first civilizations to the early 20th century, using short, visual chapters. This third title in Usborne's new award winning range of dictionaries contains 11,000 definitions in clear and child friendly language and over 250 colour illustrations. Topics covered include grammar, spelling, measurements and dates. Teachers will be holding a daily literacy hour with all children from Reception to Year 6. During this hour, 15 minutes must be devoted to shared reading and the government has suggested that big books be used in this context. A lovely new edition of this popular title in the groundbreaking "That's Not My.." series. Combines bright, colorful illustrations with a variety of different textures to touch and feel. Take a trip around the world in this fascinating book. Find out what the Earth is made of, who lives in steamy rainforests, how rivers flow into the sea, and much more. A mouse tries to find a pony whose nose is so soft. Explore the magic and mystery of the moon, from why it changes shape and what makes it shine to how astronauts managed to land on it and what they found there. 50 years after the first Moon Landing, this delightful book makes a perfect introduction to the topic for a new generation. Illustrations: Full colour throughout

Growing up is a whole lot easier if you have some idea what to expect. This book describes exactly what will happen to your body in a straightforward, easy-to-understand way, and it explains some of your feelings too - all you need to know for this important time in your life. This is a highly illustrated ebook that can only be read on the Kindle Fire or other tablet. "Look no further: the What's Happening to Me? Books are nothing short of brilliant. They aim to help children aged nine and above understand bodily changes and they do this extremely well. Susan Meredith answers the questions young girls want to ask but might feel afraid to. It's all there: getting measured up for a bra, periods, using towels and tampons, feeling, diet, health and hygiene and there is also a section on what happens to boys. The text is informal, chatty, full of useful facts and packed with considerate advice and support. A book like that wouldn't work as well without graphics and diagrams, and the illustrations are colourful and engaging as well as informative." - John Dabell, TES Magazine

Contains more than 200 stickers and explores the history of the world from a geographical perspective. Each of the eight maps in this atlas contains the outlines of objects and characters from history, to complete the maps children simply need to add the correct stickers. Illustrated in a lively style by Adam Larkum, it is full of key information. This charming book is full of questions for little children to answer. With lots of fun details to talk about, children will love exploring the illustrations and spotting the answers to the questions, from "Who's playing hide and seek?" to "Who has a yellow beak?" With one simple question to

answer on each page, it's a perfect way to engage little children with the illustrations. Delightfully illustrated, with appealing animal characters. At the end of the book, the question in the book title is finally answered, making a satisfying conclusion. A thief steals the King's most precious treasure, but he gets more than he bargains for in this lively retelling of a classic Korean tale. Simple, flowing text develops the vocabulary and builds the confidence of beginner readers. This book includes audio and links to downloadable worksheets and teacher's notes. "Crack reading and make confident and enthusiastic readers with this fantastic reading programme." - Julia Eccleshare

The beloved, bestselling potty-training classic, now re-released for a new generation! An elephant makes a big poop. A mouse makes a tiny poop. Everyone eats, so of course: everyone poops! Taro Gomi's classic, go-to picture book for straight-talk on all things "number 2" is back, as fresh and funny as ever.

- Both a matter-of-fact, educational guide and a hilarious romp through poop territory
- Filled with timeless OMG moments for both kids and adults
- Colorful and content-rich picture book

The concept of going to the bathroom is made concrete through this illustrated narrative that is both verbally and visually engaging. Everyone Poops is just right for potty-training and everyday reading with smart, curious readers.

- Perfect for children ages 0 to 3 years old
- Equal parts educational and entertaining, this makes a great book for parents and grandparents who are potty-training their toddler.
- You'll love this book if you love books like P is for Potty! (Sesame Street) by Naomi Kleinberg, Potty by Leslie Patricelli, The Potty Train by David Hochman and Ruth Kennison.

Touchy-feely book and a matching fairy plush toy, in a decorative gift box. Meet five fairies in this classic, much-loved, touchy-feely book for babies, which comes packaged with a cuddly toy specially-made to match the fairy on the cover. Babies and toddlers will love touching the textured patches as they turn the pages. The bright pictures and textures to stroke are designed to help develop sensory and language awareness.

'Usborne Spotter's Guides' series offers enthusiasts a range of pocket-sized field guides that help identify animals, plants, minerals and astronomical objects. This title contains detailed descriptions of more than 80 tree species. Touch and feel the textured parts of the different tigers. Meet Sunshine Simpson - a brand-new best friend for middle-grade readers, in this first book in a fresh and moving series that celebrates family, friendship, community and the Windrush legacy. Meet Sunshine Simpson - a brand-new best friend for 9+ readers! Perfect for fans of Jacqueline Wilson. Sunshine Simpson's larger-than-life Grandad is always telling her to get out and find her own adventures, but unfortunately BAD LUCK has a habit of coming her way. Her new friend Evie is fast becoming a FRENEMY, her home haircut is a DISASTER, and the school showcase is so STRESSFUL! Everything seems to be going wrong! Especially with Grandad getting older every week. Sunshine needs to find her voice, but can she break through the clouds to stand tall, stand proud, and show the world she can

shine? PRAISE FOR MY NAME IS SUNSHINE SIMPSON"An utterly brilliant book that had me laughing and crying in equal measure. G.M. Linton has created a truly radiant heroine. It is officially a new favourite." Tola Okogwu, author of Onyeka and the Academy of the Sun"A book as warm and radiant as sunshine itself! I loved it." Lisa Thompson, author of The Goldfish Boy"A beautiful, heartwarming hug of a book about the power of self-acceptance. I defy anyone not to fall in love with Sunshine!" Hannah Gold, author of The Last Bear"I loved this book, Sunshine entirely lives up to her name in this delightful story that manages to be both sincerely heartfelt and sparkingly funny in equal measure." L.D. Lapinski, author of The Strangeworlds Travel Agency"A huge, uplifting hug with a message that says: be yourself; be proud of who you are." Jen Carney, author of The Accidental Diary of B.U.G."The story is filled with heart, humour, joy and sadness. I couldn't stop reading." Serena Patel, author of the Anisha, Accidental Detective series"Sunshine lives up to her name - she's charming and hilarious" Aisha Bushby, author of A Pocketful of Stars"This book made me LAUGH and how it made me CRY" Rashmi Sirdeshpande, author of How to Change the World Two brand-new, great-value sticker books with brightly coloured, intricate illustrations and photographs of the major sights, cities and landmarks of each country. Features over 140 stickers for children to place on the maps. Britain and Northern Ireland features the key towns, as well as sculptures, bridges and galleries, encompassing the countries' most famous places as well as their hidden secrets. The World features sights from a range of countries including the Little Mermaid statue in Denmark, Amazonian stilt houses and the Kennedy Space Center. An engaging, interactive board book, specially designed for very young children, full of vivid colours, stylish illustrations and friendly sea creatures. Simple slider mechanisms allow a picture to be transformed. Brilliant for developing essential motor skills and hand-eye coordination. Using simple text this mini book offers an introduction to what's inside the body, written with the aim of helping to answer children's questions. It is one of a series of books about the natural and scientific world which offers safe and easy experiments to help clarify explanations. Three perilous "puzzle quests" lead the reader into a dragon's lair, a battle with a cunning wizard, a quest for a magic sword, and a mission to save the planet from the grip of the Lava Louts! A delightful question-and-answer board book for very young children. On each double-page spread there are two questions to answer by looking at the pictures. For example, "Where's the red guitar?/Where's the yellow star?" There are lots of endearing animals to meet and the illustrations are full of details to talk about and share - a perfect way to encourage little children to look and talk. Rhyming text adds charm and wit. Part of a growing series of new baby books. Young readers may touch various surfaces on teddy bears that are not the one someone is looking for, until at last the right one appears. On board pages. This delightful series of board books is aimed at the very young children. The bright

pictures and their patches of different textures, are designed to develop sensory and language awareness. A fun, write-in book packed with brain-teasing puzzles, useful facts and clever tips that show how to play chess and improve your game. Some of the puzzles are answered using chess-piece stickers and all the answers are at the back of the book. Simple puzzles show how to use the pieces, with more tricky puzzles on tactics and checkmates. Follow Livingston into the jungles of Africa and join Hillary on the peak of Everest, read about the men who risked all in the first flying machines, and marvel at the ideas of brilliant scientists from Aristotle to Einstein. 'The Usborne Book of Discovery' looks at the lives and careers of the men and women whose achievements in invention, science and exploration have changed the world. A highly interactive board book with a simple rhyming text and die-cut holes that allow children's fingers to become elephant trunks in a story about a big and a baby elephant. Very little children and their grown-ups can poke their fingers through the holes to become the trunks of Big Elephant and Baby Elephant and tell a simple story. Baby Elephant learns to reach for leaves to munch, suck up water to drink and to squirt, then takes a walk through the forest before joining the rest of the family at the end of the day for a big elephant cuddle. This delightful book and jigsaw is an ideal way to introduce the numbers 1-10. The bright, appealing illustrations provide plenty of opportunities for counting, helping children understand the link between numbers and quantities, and the large, clear text supports the development of number recognition skills. The 25-piece jigsaw is perfect for developing shape matching and fine motor skills. Understand the mysteries of the world around us with this fact-packed pocket-sized guide. Simple text and illustrations answer questions in step-by-step stages. Includes over 200 Usborne-recommended Web sites and over 100 downloadable pictures via the Usborne Quicklinks Web site. Young readers may touch various surfaces on bears that are not the one that someone is looking for until at last the right one appears. On board pages. My name is Hanna. I am 15. I am Latvian. I live with my mother and grandmother. My father is missing, taken by the Russians. I have a boyfriend and I'm training to be a dancer. But none of that is important any more. Because the Nazis have arrived, and I am a Jew. And as far as they are concerned, that is all that matters. This is my story. "A tragic, harrowing and deeply moving account of the Holocaust from the perspective of an ordinary girl." - The Bookseller Originally published: London: Usborne, 2005.
