**Nelson Mandela** Oct 17 2021 A biography of the South African leader, focusing on his struggle to overthrow the tyrannies of apartheid.

*Martin Luther King, Jr. National Memorial* Sep 27 2022 History recognizes the leadership and voice Dr. Martin Luther King, Jr. brought to the civil rights movement in 1960s America. A 30-foot tall statue of Dr. King gazes into the future full of hope for all humanity. His words of peace are carved in the walls of the monument as a reminder to all Americans of the power of peaceful protest. Learn all about the first national memorial to an African American.

**If These Stones Could Talk** Apr 10 2021 Part genealogy, part history, and part personal memoir, rooted in an amazing amount of research, and written with grace and flair, this book brings to light a rich past that had almost been lost. James M. McPherson, author of *Battle Cry of Freedom: The Civil War Era*

**The Winter of Red Snow (Dear America)** Dec 19 2021 Critically acclaimed author Kristiana Gregory's award-winning *THE WINTER OF RED SNOW* is now back in print with a gorgeous new package! Eleven-year-old Abigail Jane Stewart's fictionalized diary about her life, family, friends, and neighbors, and the sides they have to choose in Valley Forge, Pennsylvania, during the height of the Revolutionary War, renders a vivid portrayal of one of the most memorable and crucial winters in American history. Abby's life with her family is quickly upended when they are awakened by the unfamiliar sound of drums. General George Washington is leading the Continental soldiers into their winter encampment at Valley Forge, PA.

*New World Order* Feb 06 2021 A sweeping overview of world affairs and, especially having come across the name of William Yandell Elliott, Professor of Politics at Harvard through the first half of the 20th century. Sean found that Elliott had created a kindergarten of Anglo-American imperialists

[digitaltutorials.jrn.columbia.edu](http://digitaltutorials.jrn.columbia.edu)

amongst his students, who included Henry Kissinger, Zbigniew Brzezinski, Samuel P. Huntington, and McGeorge Bundy. Upon further investigation, Sean came to understand Elliott's own integral role, connecting the modern national-security establishment with the British Round Table Movement's design to re-incorporate America into the British 'empire'. Whether that goal was achieved will be left to the reader to decide. However, it cannot be denied that W.Y. Elliott's life and intellectual history serves to demonstrate the interlocking relationship between academia, government, and big business.

[The War of the End of the World](#) May 24 2022 An apocalyptic prophet in the Brazilian backlands creates the state of Canudos. In it there is no money, property, marriage, income tax, decimal system, or census.

**Secrets in the Stones** Jan 08 2021 A slain lawyer and a stolen diamond compose quite a puzzle for an eighteenth-century anatomist in this historical mystery for fans of Caleb Carr. Newly released from the notorious asylum known as Bedlam, Lady Lydia Farrell finds herself in an equally terrifying position—as a murder suspect—when she stumbles upon the mutilated body of Sir Montagu Malthus in his study at Boughton Hall. Meanwhile American Dr. Thomas Silkstone has been injured in a duel with a man who may or may not have committed the grisly deed of which Lydia is accused. Despite his injury, Thomas hopes to clear his beloved's good name by conducting a postmortem on the victim. With a bit of detective work, he learns that Montagu's throat was slit by no ordinary blade, but a ceremonial Sikh dagger from India—a clue that may be connected to the fabled lost mines of Golconda. From the mysterious disappearance of a cursed diamond buried with Lydia's dead husband, to the undying legend of a hidden treasure map, Thomas must follow a trail of foreign dignitaries, royal agents—and even more victims—to unveil the sinister and shocking secrets in the

stones . . . Praise for *Secrets in the Stones* “Satisfying . . . Harris’s rich portrayal of Indian influences on Britain, along with fresh twists in the protagonists’ romance, adds appeal.”

—Publishers Weekly

*The Causes of the English Revolution 1529-1642* Oct 05 2020 First published in 2001. Routledge is an imprint of Taylor & Francis, an informa company.

*We are Patriots* Oct 29 2022 In her diary, ten-year-old Hope writes about her life as a patriot in 1777 Philadelphia, as the Redcoats try to take over her city and defeat the Continental Army. Includes historical notes.

**When Freedom Comes** Aug 27 2022 In her diary, eleven-year-old Hope writes about her life in 1778 Philadelphia as British Redcoats take over her family’s house, her father fights with the Continental Army at Valley Forge, and she gains a new friend and new baby sister. Includes a historical note.

**All Hail the House Gods** May 31 2020 The House God War is over! Long live the House Gods! Author Andrew J. Stone (*The Mortuary Monster*) envisions a unique dystopia where harmony and happiness means feeding our children to sentient, man-eating houses. Can the House Gods be defeated? One family is about to find out . . .

*The Stone Thrower* Dec 07 2020 The African-American football player Chuck Ealey grew up in a segregated neighborhood of Portsmouth, Ohio. Against all odds, he became an incredible quarterback. But despite his unbeaten record in high school and university, he would never play professional football in the United States. Chuck Ealey grew up poor in a racially segregated community that was divided from the rest of town by a set of train tracks, but his mother assured him that he wouldn’t stay in Portsmouth forever. Education was the way out, and a football

scholarship was the way to pay for that education. So despite the racist taunts he faced at all the games he played in high school, Chuck maintained a remarkable level of dedication and determination. And when discrimination followed him to university and beyond, Chuck Ealey remained undefeated. This inspirational story is told by Chuck Ealey's daughter, author and educator Jael Richardson, with striking and powerful illustrations by award-winning illustrator Matt James.

**Five Smooth Stones, Hope's Diary** Nov 29 2022 In her diary, a young girl writes about her life and the events surrounding the beginning of the American Revolution in Philadelphia in 1776.

*The Legend of Jimmy Spoon* Nov 05 2020 Twelve-year-old Jimmy Spoon finds life with his adopted Shoshone Indian family both exciting and strange. He comes to understand the Indians and their way of life and, most importantly, himself.

**Stone Butch Blues** Sep 15 2021 Published in 1993, this brave, original novel is considered to be the finest account ever written of the complexities of a transgendered existence. Woman or man? That's the question that rages like a storm around Jess Goldberg, clouding her life and her identity. Growing up differently gendered in a blue-collar town in the 1950s, coming out as a butch in the bars and factories of the pre-feminist 60s, deciding to pass as a man in order to survive when she is left without work or a community in the early 70s. This powerful, provocative and deeply moving novel sees Jess coming full circle, she learns to accept the complexities of being a transgendered person in a world demanding simple explanations: a he-she emerging whole, weathering the turbulence.

**Five Smooth Stones** May 04 2023 As tensions mount between the Tories and the Patriots, Hope's life in Philadelphia becomes more confusing. Hope Potter feels her family is falling apart as she

wonders if her father will ever return from voyage, and deals with her 13-year-old brother's proclamation that he is a Tory.

**The Secret Language of Stones** Feb 18 2022 "As World War I rages ... young, ambitious jewelry maker [and Parisian] Opaline Duplessi spends her time making trench watches for soldiers at the front, as well as mourning jewelry for the mothers, wives, and lovers of those who have fallen. People say that Opaline's creations are magical ... Opaline does have a rare gift even she can't deny, a form of lithomancy that allows her to translate the energy emanating from stones. Certain gemstones, combined with a personal item, such as a lock of hair, enable her to receive messages from beyond the grave. In her mind, she is no mystic, but merely a messenger, giving voice to soldiers who died before they were able to properly express themselves to loved ones. Until one day, one of these fallen soldiers communicates a message -- directly to her"--Provided by publisher.

*Revolutionary Summer* Jun 12 2021 The Pulitzer Prize and National Book Award-winning author of *First Family* presents a revelatory account of America's declaration of independence and the political and military responses on both sides throughout the summer of 1776 that influenced key decisions and outcomes.

*Five Smooth Stones* Mar 02 2023 In her diary, young Hope writes about her life and the events surrounding the beginning of the American Revolution in Philadelphia in 1776 and the tensions between the Tories and the Patriots.

*A Natural Man* Sep 03 2020 Born with a hammer in his hand, John Henry discovers his true calling as a steel-driver but he meets his match in a race against a steam drill. The story provides a powerful metaphor for the disruption and loss of innocence created by the industrial age.

**Hope's Revolutionary War Diary #1** Dec 31 2022 Nine-year-old Hope writes about her life as a

[digitaltutorials.jrn.columbia.edu](http://digitaltutorials.jrn.columbia.edu)

patriot in 1776 Philadelphia, as the British try to take over her city and defeat the Continental Army.

**Sex and the Constitution: Sex, Religion, and Law from America's Origins to the Twenty-First Century** Dec 27 2019 A New York Times Book Review Editors' Choice Selection A "volume of lasting significance" that illuminates how the clash between sex and religion has defined our nation's history (Lee C. Bollinger, president, Columbia University). Lauded for "bringing a bracing and much-needed dose of reality about the Founders' views of sexuality" (New York Review of Books), Geoffrey R. Stone's *Sex and the Constitution* traces the evolution of legal and moral codes that have legislated sexual behavior from America's earliest days to today's fractious political climate. This "fascinating and maddening" (Pittsburgh Post-Gazette) narrative shows how agitators, moralists, and, especially, the justices of the Supreme Court have navigated issues as divisive as abortion, homosexuality, pornography, and contraception. Overturning a raft of contemporary shibboleths, Stone reveals that at the time the Constitution was adopted there were no laws against obscenity or abortion before the midpoint of pregnancy. A pageant of historical characters, including Voltaire, Thomas Jefferson, Anthony Comstock, Margaret Sanger, and Justice Anthony Kennedy, enliven this "commanding synthesis of scholarship" (Publishers Weekly) that dramatically reveals how our laws about sex, religion, and morality reflect the cultural schisms that have cleaved our nation from its founding.

**Our Strange New Land** Jan 20 2022 Nine-year-old Elizabeth keeps a journal of her experiences in the New World as she encounters Indians, suffers hunger and the death of friends, and helps her father build their first home.

**Season of Promise** Jun 24 2022 In 1611, ten-year-old Elizabeth continues a journal of her experiences living in Jamestown, as her brother Caleb rejoins the family, a new strict governor

comes to the colony, and her father considers remarriage. Simultaneous.

Five Smooth Stones Apr 03 2023 In her diary, a young girl writes about her life and the events surrounding the beginning of the American Revolution in Philadelphia in 1776.

The Cambridge Companion to the Rolling Stones Mar 10 2021 The first collection of academic essays focused entirely on the musical, historical, cultural and media impact of the Rolling Stones.

**Land of Hope** May 12 2021 For too long we've lacked a compact, inexpensive, authoritative, and compulsively readable book that offers American readers a clear, informative, and inspiring narrative account of their country. Such a fresh retelling of the American story is especially needed today, to shape and deepen young Americans' sense of the land they inhabit, help them to understand its roots and share in its memories, all the while equipping them for the privileges and responsibilities of citizenship in American society The existing texts simply fail to tell that story with energy and conviction. Too often they reflect a fragmented outlook that fails to convey to American readers the grand trajectory of their own history. This state of affairs cannot continue for long without producing serious consequences. A great nation needs and deserves a great and coherent narrative, as an expression of its own self-understanding and its aspirations; and it needs to be able to convey that narrative to its young effectively. Of course, it goes without saying that such a narrative cannot be a fairy tale of the past. It will not be convincing if it is not truthful. But as Land of Hope brilliantly shows, there is no contradiction between a truthful account of the American past and an inspiring one. Readers of Land of Hope will find both in its pages.

*The Motherlode* Feb 27 2020 An illustrated highlight reel of more than 100 women in rap who have helped shape the genre and eschewed gender norms in the process The Motherlode highlights more than 100 women who have shaped the power, scope, and reach of rap music, including pioneers like

[digitaltutorials.jrn.columbia.edu](http://digitaltutorials.jrn.columbia.edu)

Roxanne Shanté, game changers like Lauryn Hill and Missy Elliott, and current reigning queens like Nicki Minaj, Cardi B, and Lizzo—as well as everyone who came before, after, and in between. Some of these women were respected but not widely celebrated. Some are impossible not to know. Some of these women have stood on their own; others were forced into templates, compelled to stand beside men in big rap crews. Some have been trapped in a strange critical space between respected MC and object. They are characters, caricatures, lyricists, at times both feminine and explicit. This book profiles each of these women, their musical and career breakthroughs, and the ways in which they each helped change the culture of rap.

Five Smooth Stones: Hope's Revolutionary War Diary, Philadelphia, Pennsylvania, Book One, 1776

Feb 01 2023 For use in schools and libraries only. In her diary, young Hope writes about her life and the events surrounding the beginning of the American Revolution in Philadelphia in 1776 and the tensions between the Tories and the Patriots.

Flying Free Mar 29 2020 In 1858, nine-year-old Corey Birdsong and his family, fugitive slaves from Kentucky, build a new life in Amherstburg, Canada, while still hoping to help those they left behind.

**Death of the Black-haired Girl** Aug 03 2020 Hoping to save his marriage by ending an illicit affair with an incandescent but difficult student, college professor Steven Brookman discovers that the young woman's passions are not easily curtailed and that their relationship has more complicated ramifications than either anticipated. By the National Book Award-winning author of Damascus Gate. 50,000 first printing.

**America's Black Founders** Jul 26 2022 Celebrates the lesser-known lives and contributions of early African-American men and women, in a volume that features such complementary activities as recipes for colonial foods and advice for petitioning the government. Original.

[digitaltutorials.jrn.columbia.edu](http://digitaltutorials.jrn.columbia.edu)

Cutting for Stone Apr 22 2022 Marion and Shiva Stone are twin brothers born of a secret union between a beautiful Indian nun and a brash British surgeon. Orphaned by their mother's death and their father's disappearance and bound together by a preternatural connection and a shared fascination with medicine, the twins come of age as Ethiopia hovers on the brink of revolution. Moving from Addis Ababa to New York City and back again, *Cutting for Stone* is an unforgettable story of love and betrayal, medicine and ordinary miracles—and two brothers whose fates are forever intertwined.

**Everything and Less** Apr 30 2020 National Book Critics Circle Award Finalist Best Book of Fall (Esquire) and a Most Anticipated Book of 2021 (Lit Hub) What Has Happened to Fiction in the Age of Platform Capitalism? Since it was first launched in 1994, Amazon has changed the world of literature. The “Everything Store” has not just transformed how we buy books; it has affected what we buy, and even what we read. In *Everything and Less*, acclaimed critic Mark McGurl explores this new world where writing is no longer categorized as high or lowbrow, literature or popular fiction. Charting a course spanning from Henry James to E. L. James, McGurl shows that contemporary writing has less to do with writing per se than with the manner of its distribution. This consumerist logic—if you like this, you might also like ...—has reorganized the fiction universe so that literary prize-winners sit alongside fantasy, romance, fan fiction, and the infinite list of hybrid genres and self-published works. This is an innovation to be cautiously celebrated. Amazon's platform is not just a retail juggernaut but an aesthetic experiment driven by an unseen algorithm rivaling in the depths of its effects any major cultural shift in history. Here all fiction is genre fiction, and the niches range from the categories of crime and science fiction to the more refined interests of Adult Baby Diaper Lover erotica. *Everything and Less* is a hilarious and insightful map of both the commanding heights

and sordid depths of fiction, past and present, that opens up an arresting conversation about why it is we read and write fiction in the first place.

Throwing Stones at the Moon Jan 26 2020 For nearly five decades, Colombia has been embroiled in internal armed conflict among guerrilla groups, paramilitary militias, and the country's own military. Civilians in Colombia have to make their lives despite the threat of torture, kidnapping, and large-scale massacres—and more than four million have had to flee their homes. The oral histories in Throwing Stones at the Moon describe the most widespread of Colombia's human rights crises: forced displacement. Speakers recount life before displacement, the reasons for their flight, and their struggle to rebuild their lives. Among the narrators: JULIA, a hospital union leader whose fight against corruption led to a brutal attempt on her life. In 2009, assassins tracked her to her home and stabbed her seven times in the face and chest. Since the attack, Julia has undergone eight facial reconstructive surgeries, and continues to live in hiding. DANNY, who at eighteen joined a right-wing paramilitary's enormous training camp in the Eastern Plains of Colombia. Initially lured by the promise of quick money, Danny soon realized his mistake and escaped to Ecuador. He describes his harrowing escape and his struggle to survive as a refugee with two young children to support.

Sorcery of Thorns Aug 15 2021 A New York Times bestseller! "A bewitching gem...I absolutely loved every moment of this story." —Stephanie Garber, #1 New York Times bestselling author of the *Caraval* series "If you loved the *Hogwarts Library*...you'll be right at home at *Summershall*."

—Katherine Arden, New York Times bestselling author of *The Bear and the Nightingale* From the New York Times bestselling author of *An Enchantment of Ravens* comes an "enthraling adventure" (Kirkus Reviews, starred review) about an apprentice at a magical library who must battle a powerful sorcerer to save her kingdom. All sorcerers are evil. Elisabeth has known that as long as

[digitaltutorials.jrn.columbia.edu](http://digitaltutorials.jrn.columbia.edu)

she has known anything. Raised as a foundling in one of Austermeer's Great Libraries, Elisabeth has grown up among the tools of sorcery—magical grimoires that whisper on shelves and rattle beneath iron chains. If provoked, they transform into grotesque monsters of ink and leather. Then an act of sabotage releases the library's most dangerous grimoire, and Elisabeth is implicated in the crime. With no one to turn to but her sworn enemy, the sorcerer Nathaniel Thorn, and his mysterious demonic servant, she finds herself entangled in a centuries-old conspiracy. Not only could the Great Libraries go up in flames, but the world along with them. As her alliance with Nathaniel grows stronger, Elisabeth starts to question everything she's been taught—about sorcerers, about the libraries she loves, even about herself. For Elisabeth has a power she has never guessed, and a future she could never have imagined.

**Democracy and Education** Jul 02 2020 . Renewal of Life by Transmission. The most notable distinction between living and inanimate things is that the former maintain themselves by renewal. A stone when struck resists. If its resistance is greater than the force of the blow struck, it remains outwardly unchanged. Otherwise, it is shattered into smaller bits. Never does the stone attempt to react in such a way that it may maintain itself against the blow, much less so as to render the blow a contributing factor to its own continued action. While the living thing may easily be crushed by superior force, it none the less tries to turn the energies which act upon it into means of its own further existence. If it cannot do so, it does not just split into smaller pieces (at least in the higher forms of life), but loses its identity as a living thing. As long as it endures, it struggles to use surrounding energies in its own behalf. It uses light, air, moisture, and the material of soil. To say that it uses them is to say that it turns them into means of its own conservation. As long as it is growing, the energy it expends in thus turning the environment to account is more than

compensated for by the return it gets: it grows. Understanding the word "control" in this sense, it may be said that a living being is one that subjugates and controls for its own continued activity the energies that would otherwise use it up. Life is a self-renewing process through action upon the environment.

*Lost Connections* Jul 14 2021 THE INTERNATIONAL BESTSELLER 'A book that could actually make us happy' SIMON AMSTELL 'This amazing book will change your life' ELTON JOHN 'One of the most important texts of recent years' BRITISH JOURNAL OF GENERAL PRACTICE 'Brilliant, stimulating, radical' MATT HAIG 'The more people read this book, the better off the world will be' NAOMI KLEIN 'Wonderful' HILLARY CLINTON 'Eye-opening' GUARDIAN 'Brilliant for anyone wanting a better understanding of mental health' ZOE BALL 'A game-changer' DAVINA MCCALL 'Extraordinary' DR MAX PEMBERTON 'Beautiful' RUSSELL BRAND Depression and anxiety are now at epidemic levels. Why? Across the world, scientists have uncovered evidence for nine different causes. Some are in our biology, but most are in the way we are living today. *Lost Connections* offers a radical new way of thinking about this crisis. It shows that once we understand the real causes, we can begin to turn to pioneering new solutions - ones that offer real hope.

**It's Nobody's Fault** Mar 22 2022 People who wouldn't dream of blaming parents for a child's asthma or diabetes are often quick to blame bad parenting for a child's hyperactivity, depression, or school phobia. The parents, in turn, often blame their children, believing that they're lazy or rebellious. Even worse, the children with these psychological problems often blame themselves, convinced that they're just bad kids. In *It's Nobody's Fault*, esteemed child and adolescent psychiatrist Dr. Harold S. Kopelwicz at last puts an end to this pointless--and erroneous--cycle of blame and helps parents get the help they need for their troubled children. Written in an easy,

[digitaltutorials.jrn.columbia.edu](http://digitaltutorials.jrn.columbia.edu)

anecdotal style and filled with fascinating stories of real children and their parents, *It's Nobody's Fault* is an indispensable guide for anyone who lives or works with children who need help.

*Westward to Home* Nov 17 2021 Joshua McCullough and his family set off for Oregon in 1848 in a wagon train, facing new challenges and adventures.
