Why Jazz Happened May 04 2021 Why Jazz Happened is the first comprehensive social history of jazz. It provides an intimate and compelling look at the many forces that shaped this most American of art forms and the many influences that gave rise to jazz's post-war styles. Rich with the voices of musicians, producers, promoters, and others on the scene during the decades following World War II, this book views jazz's evolution through the prism of technological advances, social transformations, changes in the law, economic trends, and much more. In an absorbing narrative enlivened by the commentary of key personalities, Marc Myers describes the myriad of events and trends that affected the music's evolution, among them, the American Federation of Musicians strike in the early 1940s, changes in radio and concert-promotion, the introduction of the long-playing record, the suburbanization of Los Angeles, the Civil Rights movement, the "British invasion" and the rise of electronic instruments. This groundbreaking book deepens our appreciation of this music by identifying many of the developments outside of jazz itself that contributed most to its texture, complexity, and growth.

Going for Jazz Nov 10 2021 Jazz is one of the most influential American art forms of our times. It shapes our ideas about musical virtuosity, human action and new forms of social expression. In *Going for Jazz*, Nicholas Gebhardt shows how the study of jazz can offer profound insights into American historical consciousness. Focusing on the lives of three major saxophonists—Sidney Bechet, Charlie Parker, and Ornette Coleman—Gebhardt demonstrates how changing forms of state power and ideology framed and directed their work. Weaving together a range of seemingly disparate topics, from Frederick Jackson Turner's frontier thesis to the invention of bebop, from Jean Baudrillard's *Seduction* to the Cold War atomic regime, Gebhardt addresses the meaning and value of jazz in the political economy of American society. In *Going for Jazz*, jazz musicians assume dynamic and dramatic social positions that demand a more conspicuous place for music in our understanding of the social world.

Jazz Mar 26 2023 There's a crazy syncopation /and it's tearing through the nation / and it's bringing sweet elation / to every single tune./ It's Jazz One of TIME's 100 Best Children's Books of All Time Fifteen poems, infused with the rhythm and wordplay of jazz music, are paired with bold, stylized illustrations of performers and dancers to convey the history and breadth of this unique musical style. From bebop to New Orleans, from ragtime to boogie, and every style in between, *Jazz* takes readers on a musical journey from jazz's beginnings to the present day. Created by a celebrated father-son team, *Jazz* is a Coretta Scott King Honor Book and a Kirkus Best Children's Books Editor's Choice. In addition to its colorful and lyrical celebration, the book includes a brief introductory essay about the history and form of jazz, as well as a timeline and glossary of jazz terms. Coretta Scott King Award Honor for illustration ALA Notable Children's Book Lee Bennett Hopkins Poetry Award Publishers Weekly's 100 Best Books of the Year Kirkus Reviews Editor's Choice Booklist Editor's Choice Booklist Top Ten in Black History Book Link's Best New Books for the Classroom Golden Kite Award: Picture Book Text

The Jazz Scene Oct 09 2021 From 1955-65 the historian Eric Hobsbawm took the pseudonym 'Francis Newton' and wrote a monthly column for the "New Statesman" on jazz - music he had loved ever since discovering it as a boy in 1933 ('the year Adolf Hitler took power in Germany'). Hobsbawm's column led to his writing a critical history, *The Jazz Scene* (1959). This enhanced edition from 1993 adds later writings by Hobsbawm in which he meditates further 'on why jazz is not only a marvellous noise but a central concern for anyone concerned with twentieth-century society and the twentieth-century arts.' 'All the greats are covered in passing (Louis Armstrong, Billie Holiday), while further space is given to Duke Ellington, Ray Charles, Thelonious Monk, Mahalia Jackson, and Sidney Bechet ... Perhaps Hobsbawm's tastiest comments are about the business side and work ethics, where his historian's eye strips the jazz scene down to its commercial spine.' "Kirkus Reviews"

Swedish Jazz in the United States May 24 2020 *Swedish Jazz in the United States: Swede and Cool* traces and analyzes the dissemination and reception of jazz from Sweden in the United States during the period of 1947-1963. It maps the networks through which Swedish record companies exchanged recordings with their American counterparts, establishing an American interest in Swedish jazz at a time long regarded as a predominantly American era. Exploring these Swedish-American exchanges—rather than the canonized names in jazz—shines a light on new perspectives in the genre, clarifying the ways in which Swedish jazz was adapted to the American market and how it was understood in an American context. The result is an opportunity to consider the challenges national borders present in a global jazz world while reflecting on the genre's expanding transnational reach during the 1950s.

The Jazz Theory Book Feb 25 2023 The most highly-acclaimed jazz theory book ever published! Over 500 pages of comprehensive, but easy to understand text covering every aspect of how jazz is constructed--chord construction, II-V-I progressions, scale theory, chord/scale relationships, the blues, reharmonization, and much more. A required text in universities world-wide, translated into five languages, endorsed by Jamey Aebersold, James Moody, Dave Liebman, etc.

Elements of the jazz language for the developing improviser Jun 17 2022 A comprehensive book on jazz analysis and improvisation. Elements used in jazz improvisation are isolated for study: they are examined in recorded solos, suggestions are made for using each element in the jazz language, and specific exercises are provided for practicing the element.

DC Jazz Dec 23 2022 The familiar history of jazz music in the United States begins with its birth in New Orleans, moves upstream along the Mississippi River to Chicago, then by rail into New York before exploding across the globe. That telling of history, however, overlooks the pivotal role the nation's capital has played for jazz for a century. Some of the most important clubs in the jazz world have opened and closed their doors in Washington, DC, some of its greatest players and promoters were born there and continue to reside in the area, and some of the institutions so critical to national support of this uniquely American form of music, including Congress, the Smithsonian Institution, the Kennedy Center, the Library of Congress and the Historical Society of Washington, D.C., are rooted in the city. Closer to the ground, a network of local schools like the Duke Ellington High School for the Performing Arts, jazz programs at the University of the District of Columbia and Howard University, churches, informal associations, locally focused media, and clubs keeps the music alive to this day. Noted historians Maurice Jackson and Blair Ruble, editors of this book, present a collection of original and fascinating stories about the DC jazz scene throughout its history, including a portrait of the cultural hotbed of Seventh and U Streets, the role of jazz in desegregating the city, a portrait of the great Edward "Duke" Ellington's time in DC, notable women in DC jazz, and the seminal contributions of the University of District of Columbia and Howard University to the scene. The book also includes three jazz poems by celebrated Washington, DC, poet E. Ethelbert Miller. Collectively, these stories and poems underscore the deep connection between creativity and place. A copublishing initiative with the Historical Society of Washington, DC, the book includes over thirty museum-quality photographs and a guide to resources for learning more about DC jazz.

Jazz Poems Sep 20 2022 Since its inception in the 1920s, jazz has had a powerful influence on American poetry, and this scintillating anthology offers a treasury of poems as varied and vital as the music that inspired them. Includes poems by Langston Hughes, e.e. cummings, and Gwendolyn Brooks. High school & older.

Early Jazz Jul 06 2021 The first of three volumes on the history and musical contribution of jazz.

Introduction to Jazz Guitar Soloing Dec 11 2021 (Musicians Institute Press). Perfect for seasoned rockers seeking new challenges and jazz newcomers looking for a good start, this book/CD pack covers scales, chords, licks, techniques and other vital jazz improv concepts step by step. The accompanying CD features 65 full-band demo and play-along tracks.

Harlem Jazz Adventures Apr 22 2020 Timme Rosenkrantz (1911-1969) was a journalist, author, concert and record producer, broadcaster, and entrepreneur with a consuming passion for jazz and little head for business. He was the first European journalist to cover the jazz scene in Harlem from 1934 to 1969. In this English translation and adaptation of the original Danish-language memoir published in 1964, *Harlem Jazz Adventures: A European Baron's Memoir, 1934-1969* recounts Rosenkrantz's happy stranding in New York City, where he would record jazz artists and bands in his midtown apartment, organize his own jazz band, and run a record shop with his life companion, the black journalist and singer Inez Cavanaugh. Jazz lovers and social historians interested in the intersection of race and the music business will find in Rosenkrantz's memoir an invaluable primary source on Harlem's social scene and its musical legacy.

The Essential Guide to Jazz Dance Feb 13 2022 Jazz dance and its inherent music is recognized as one of the original and most potent art forms of the last two centuries. From its African roots to our present-day global dance community, the jazz idiom has afforded a cross-fertilization with all other artistic, cultural and social representations within the arts industry, providing an accessible dance platform for dancers, teachers and creatives to enjoy both recreationally and professionally. *The Essential Guide to Jazz Dance* offers a practical and uncomplicated overview to the multi-layered history, practices and development of jazz dance as a creative and artistic dance form. It covers the incredible history and lineage of jazz dance; the innovators, choreographers and dance creatives of the genre; specifics of jazz aesthetic, steps and styles; a detailed breakdown of a practical jazz dance warm-up and technical exercises; creative frameworks to support development of jazz dance expression and aesthetic; performance and improvisation; jazz music and musical interpretation, and finally, choreographing and creating jazz works. With over 230 colour photos and a wealth of tips and advice, this new book will be an ideal reading companion for dancers of all abilities, dance teachers, choreographers as well as all jazz dance enthusiasts.

Jazz Jan 20 2020 Explore the essence of jazz from its early roots, to the years of swing and Satchmo, to ragtime and beyond. In *Jazz: An Introduction to the History and Legends Behind America's Music*, renowned jazz writer Bob Blumenthal offers a perfect introduction to understanding jazz, whether you are approaching the music for the first time or seeking to deepen your knowledge. Inside you will find the people who made the music, history, listening suggestions, jazz trivia, and more. Can you dig it?

Yes to the Mess Aug 07 2021 Proposes an organizational leadership and collaboration model based on the improvisational natures of such jazz musicians as Miles Davis and Sonny Rollins, discussing inventive approaches companies can take to deal with change.

Jazz, Rags & Blues Sep 27 2020 *Jazz, Rags & Blues, Book 2* contains original solos for early intermediate to intermediate-level pianists that reflect the various styles of the jazz idiom. An excellent way to introduce your students to this distinctive American contribution to 20th century music. The online audio includes dynamic recordings of each song in the book.

Jazz Age Josephine Apr 03 2021 Featuring illustrations by a two-time Caldecott Honor-winning artist, a tribute to the life of the iconic jazz entertainer depicts her disadvantaged youth in a segregated America, her unique performance talents and the irrepressible sense of style that helped her overcome racial barriers.

The History of Jazz May 16 2022 A panoramic history of the genre brings to life the diverse places in which jazz evolved, traces the origins of its various styles, and offers commentary on the music itself.

"The Evolution of Jazz in Britain, 1880-1935" Jul 18 2022 As a popular music, the evolution of jazz is tied to the contemporary sociological situation. Jazz was brought from America into a very different environment in Britain and resulted in the establishment of parallel worlds of jazz by the end of the 1920s: within the realms of institutionalized culture and within the subversive underworld. Tackley (n?Parsonage) demonstrates the importance of image and racial stereotyping in shaping perceptions of jazz, and leads to the significant conclusion that the evolution of jazz in Britain was so much more than merely an extension or reflection of that in America. The book examines the cultural and musical antecedents of the genre, including minstrel shows and black musical theatre, within the context of musical life in Britain in the late nineteenth and early twentieth centuries. Tackley is particularly concerned with the public perception of jazz in Britain and provides close analysis of the early European critical writing on the subject. The processes through which an evolution took place are considered by looking at the methods of introducing jazz in Britain, through imported revue shows, sheet music, and visits by American musicians. Subsequent developments are analysed through the consideration of modernism and the Jazz Age as theoretical constructs and through the detailed study of dance music on the BBC and jazz in the underworld of London. The book concludes in the 1930s by which time the availability of records enabled the spread of 'hot' music, affecting the live repertoire in Britain. Tackley therefore sheds entirely new light on the development of jazz in Britain, and provides a deep social and cultural understanding of the early history of the genre.

Jazz singer's handbook Mar 14 2022 This book provides practical advice on professional jazz singing. Topics covered include getting inside the lyrics, personalising the song, creating an emotional mood, word stress, melodic variation, breathing, rhythm, choosing a key, writing a lead sheet, creating an arrangement, organising a gig book, rehearsing, and playing styles.

Jazz Feb 01 2021

New York City Jazz Mar 02 2021 *New York City Jazz* explores many of the haunts and hideaways that have played host to iconic jazz musicians and singers like Charlie Parker, Miles Davis, John Coltrane, Bill Evans, Billie Holiday, Dizzy Gillespie, and Lester Young. Considered the jazz capital of the world, New York City is known for its flashy venues. The stages of the Latin Quarter, Apollo Theater, Minton's Playhouse, Onyx, Stork Club, Downbeat Club, Birdland, Roseland, and Copacabana came to life with the sounds of pianos, drums, horns, and gypsy guitars. This collection of images presents why Fifty-second Street was nicknamed "Swing Street" and how musicians made timeless names for themselves in the Empire City.

The Jazz Revolution Nov 29 2020 Looks at the impact of jazz on 1920's America, as it spread from the honky-tonks of New Orleans, New York, and Chicago to the cabarets and the airwaves

The Return of Jazz Mar 22 2020 Jazz has had a peculiar and fascinating history in Germany. The influential but controversial German writer, broadcaster, and record producer, Joachim-Ernst Berendt (1922–2000), author of the world's best-selling jazz book, labored to legitimize jazz in West Germany after its ideological renunciation during the Nazi era. German musicians began, in a highly productive way, to question their all-too-eager adoption of American culture and how they sought to make valid artistic statements reflecting their identity as Europeans. This book explores the significance of some of Berendt's most important writings and record productions. Particular attention is given to the "Jazz Meets the World" encounters that he engineered with musicians from Japan, Tunisia, Brazil, Indonesia, and India. This proto-"world music" demonstrates how some West Germans went about creating a post-nationalist identity after the Third Reich. Berendt's powerful role as the West German "Jazz Pope" is explored, as is the groundswell of criticism directed at him in the wake of 1968.

Improvising Jazz Apr 15 2022 Both the beginning performer and the curious listener will gain from this book, as Coker explains the major concepts of jazz, including blues, harmony, swing and the characteristic chord progressions. A self-teaching guide is included, and gives the aspiring improviser help in employing fundamental musical and theoretical tools.

I Am Jazz Aug 19 2022 The story of a transgender child based on the real-life experience of Jazz Jennings, who has become a spokesperson for transkids everywhere "This is an essential tool for parents and teachers to share with children whether those kids identify as trans or not. I wish I had had a book like this when I was a kid struggling with gender identity questions. I found it deeply moving in its simplicity and honesty."—Laverne Cox (who plays Sophia in "Orange Is the New Black") From the time she was two years old, Jazz knew that she had a girl's brain in a boy's body. She loved pink and dressing up as a mermaid and didn't feel like herself in boys' clothing. This confused her family, until they took her to a doctor who said that Jazz was transgender and that she was born that way. Jazz's story is based on her real-life experience and she tells it in a simple, clear way that will be appreciated by picture book readers, their parents, and teachers.

Latin Jazz Jun 24 2020 Jazz has always been a genre built on the blending of disparate musical cultures. Latin jazz illustrates this perhaps better than any other style in this rich tradition, yet its cultural heritage has been all but erased

from narratives of jazz history. Told from the perspective of a long-time jazz insider, *Latin Jazz: The Other Jazz* corrects the record, providing a historical account that embraces the genre's international nature and explores the dynamic interplay of economics, race, ethnicity, and nationalism that shaped it.

Jazz Styles Aug 27 2020 For undergraduate courses in Jazz History, Jazz Survey, Evolution of Jazz, Introduction to Jazz, and Jazz Appreciation. America's most widely used introduction to jazz text captures the minds of students by teaching the history of the styles and how to actively listen to jazz. While its chronological format serves as a great resource for beginners, *Jazz Styles* is applicable to more advanced students because of its in-depth analysis of musical elements and its technical appendices that discuss music theory concepts.

Jazz Apr 27 2023 Set in Harlem during the 1920s, this novel chronicles a bittersweet triangle involving Joe Trace, a middle-aged door-to-door salesman, his mentally unstable wife Violet, and his eighteen-year-old girlfriend. Reader's Guide available. Reprint. 20,000 first printing.

Destination Chicago Jazz Feb 19 2020 Jazz-it was America's first truly indigenous music. Starting in the red-hot clubs of New Orleans, jazz made its way north and settled in Chicago. The Windy City became a focal point for musicians, and many jazz legends made names for themselves here, including Jelly Roll Morton, Joe "King" Oliver, and Louis Armstrong. As jazz grew in popularity, Chicago became a hub of musical genius. Jimmy McPartland, Muggsy Spanier, and Benny Goodman were just a few of the artists who benefited from the influx of talent into their hometown. From these early days, jazz has spread to influence musical styles worldwide. *Destination Chicago Jazz* is a virtual tour of the city's most influential jazz havens, telling the story of the amazing musicians and the unparalleled musical phenomenon they created. Readers will find images of the many world-famous theatres that lined State Street, the hot jazz clubs that made the city's South Side a musical Mecca, and the celebrated players that made it all possible. *Destination Chicago Jazz* provides a captivating history of the beginnings of jazz on the South Side, downtown's golden age, and the quick and far-reaching effect the music had on the city's North and West Sides.

Jazz Nov 22 2022 The story of jazz for the general reader as it has never been told before, from the inside out: a comprehensive, eloquent, scrupulously researched page-turner. In this vivid history of jazz, a respected critic and a leading scholar capture the excitement of America's unique music with intellectual bite, unprecedented insight, and the passion of unabashed fans. They explain what jazz is, where it came from, and who created it and why, all within the broader context of American life and culture. Emphasizing its African American roots, *Jazz* traces the history of the music over the last hundred years. From ragtime and blues to the international craze for swing, from the heated protests of the avant-garde to the radical diversity of today's artists, *Jazz* describes the travails and triumphs of musical innovators struggling for work, respect, and cultural acceptance set against the backdrop of American history, commerce, and politics. With vibrant photographs by legendary jazz chronicler Herman Leonard, *Jazz* is also an arresting visual history of a century of music.

To a Young Jazz Musician Jun 05 2021 In *To a Young Jazz Musician*, the renowned jazz musician and Pulitzer Prize-winning composer Wynton Marsalis gives us an invaluable guide to making good music—and to leading a good life. Writing from the road “between the bus ride, the sound check, and the gig,” Marsalis passes on wisdom gained from experience, addressed to a young musician coming up—and to any of us at any stage of life. He writes that having humility is a way to continue to grow, to listen, and to learn; that patience is necessary for developing both technical proficiency and your own art rather than an imitation of someone else's; and that rules are indispensable because “freedom lives in structure.” He offers lessons learned from his years as a performer and from his great forebears Duke Ellington, Charlie Parker, and others; he explores the art of swing; he discusses why it is important to run toward your issues, not away; and he talks about what to do when your integrity runs up against the lack thereof in others and in our culture. He poetically expresses our need for healers: “All of it tracks back to how you heal your culture, one patient at a time, beginning with yourself.” This is a unique book, in which a great artist offers his personal thoughts, both on jazz and on how to live a better, more original, productive, and meaningful life. *To a Young Jazz Musician* is sure to be treasured by readers young and old, musicians, lovers of music, and anyone interested in being mentored by one of America's most influential, generous, and talented artists.

Jazz Dance Jan 24 2023 "The phrase jazz dance has a special meaning for professionals who dance to jazz music (they use it to describe non-tap body movement); and another meaning for studios coast to coast teaching 'Modern Jazz Dance' (a blend of Euro-American styles that owes little to jazz and less to jazz rhythms). However, we are dealing here with what may eventually be referred to as jazz dance, and we could not think of a more suitable title. "The characteristic that distinguishes American vernacular dance--as does jazz music--is swing, which can be heard, felt, and seen, but defined only with great difficulty. . . ." --from the Introduction

African American Jazz and Rap Jan 12 2022 Music is an expressive voice of a culture, often more so than literature. While jazz and rap are musical genres popular among people of numerous racial and social backgrounds, they are truly important historically for their representation of and impact upon African American culture and traditions. Essays offer interdisciplinary study of jazz and rap as they relate to black culture in America. The essays are grouped under sections. One examines an Afrocentric approach to understanding jazz and rap; another, the history, culture, performers, instruments, and political role of jazz and rap. There are sections on the expressions of jazz in dance and literature; rap music as art, social commentary, and commodity; and the future. Each essay offers insight and thoughtful discourse on these popular musical styles and their roles within the black community and in American culture as a whole. References are included for each essay.

The Great Jazz Guitarists Dec 19 2019 THE GREAT JAZZ GUITARISTS: THE ULTIMATE GUIDE

Jazz Changes Dec 31 2020 A collection of jazz articles written over a 30-year period, including narrative accounts of recording sessions, rehearsals and performances, liner notes, and profiles of musicians such as John Coltrane, Jelly Roll Morton, Billie Holiday and Thelonious Monk.

Los Angeles's Central Avenue Jazz Sep 08 2021 From the late 1910s until the early 1950s, a series of aggressive segregation policies toward Los Angeles's rapidly expanding African American community inadvertently led to one of the most culturally rich avenues in the United States. From Downtown Los Angeles to the largely undeveloped city of Watts to the south, Central Avenue became the center of the West Coast jazz scene, nurturing homegrown talents like Charles Mingus, Dexter Gordon, and Buddy Collette while also hosting countless touring jazz legends such as Duke Ellington, Louis Armstrong, and Billie Holiday. Twenty-four hours a day, the sound of live jazz wafted out of nightclubs, restaurants, hotel lobbies, music schools, and anywhere else a jazz combo could squeeze in its instruments for nearly 50 years, helping to advance and define the sound of America's greatest musical contribution.

Visions of Jazz Oct 29 2020 An outstanding voice in the field, the jazz critic for *The Village Voice* leads readers through the first century of the music in a voluminous, expert account of the great jazz artists past and present and their distinctive contributions. UP.

Jazz Theory and Practice Oct 21 2022 *Jazz Theory and Practice* is the most modern introduction to jazz theory ever published. Rich with examples from the repertoire, it gives performers, arrangers and composers an in-depth and practical knowledge of the theoretical foundations of jazz.

Jazz Places Jul 26 2020 The social connotation of jazz in American popular culture has shifted dramatically since its emergence in the early twentieth century. Once considered youthful and even rebellious, jazz music is now a firmly established American artistic tradition. As jazz in American life has shifted, so too has the kind of venue in which it is performed. In *Jazz Places*, Kimberly Hannon Teal traces the history of jazz performance from private jazz clubs to public, high-art venues often associated with charitable institutions. As live jazz performance has become more closely tied to nonprofit institutions, the music's heritage has become increasingly important, serving as a means of defining jazz as a social good worthy of charitable support. Though different jazz spaces present jazz and its heritage in various and sometimes conflicting terms, ties between the music and the past play an important role in defining the value of present-day music in a diverse range of jazz venues, from the Village Vanguard in New York to SFJazz on the West Coast to Preservation Hall in New Orleans.
