Following the United States Declaration of Independence in 1776, the governing doctrines and policies of the States lacked cohesion. "The Federalist", as it was previously known, was constructed by American statesman Alexander Hamilton, and was intended to catalyze the ratification of the United States Constitution. Hamilton recruited fellow statesmen James Madison Jr., and John Jay to write papers for the compendium, and the three are known as some of the Founding Fathers of the United States. Alexander Hamilton (c. 1755–1804) was an American lawyer, journalist and highly influential government official. He also served as a Senior Officer in the Army between 1799-1800 and founded the Federalist Party, the system that governed the nation's finances. His contributions to the Constitution and leadership made a significant and lasting impact on the early development of the nation of the United States. Explore the government of the United States from its beginning to the present with special emphasis on the Biblical pattern for government and on the U.S. Constitution. Learn about the operations of Federal, state, and local government, and about issues facing our nation today. Become better equipped to understand, pray for, and be involved in our country's government. Includes guide for parents. Covers the functions of federal, state, and local government This program introduces students to the intricacies of the federal, state, and local governments, and their rights and responsibilities as U.S. citizens. The single-concept approach makes content accessible for all students as they make the important connection between the relevance of American government and their own lives, and learn how to become responsible citizens of the 21st century. The manageable content and support helps students successfully meet curriculum requirements. Lexile Level 800 Reading Level 3-4 Interest Level 6-12 Answer Key for Past New York State Regents Exams in U.S. History and Government. Bring history to life for students in grades 5 and up with We the People! Students love learning about the U.S. government from this engaging classroom supplemental text. Lessons in this 96-page book cover all three branches and levels of the government, a response to the tragic events of September 11, 2001, and a contact list of government agencies and organizations. Lesson topics also include the Liberty Bell, elections, the

American flag, money, public opinion, and the Constitution. The book includes Web resources, a bibliography, various activities, and an answer key. American Government 3e aligns with the topics and objectives of many government courses. Faculty involved in the project have endeavored to make government workings, issues, debates, and impacts meaningful and memorable to students while maintaining the conceptual coverage and rigor inherent in the subject. With this objective in mind, the content of this textbook has been developed and arranged to provide a logical progression from the fundamental principles of institutional design at the founding, to avenues of political participation, to thorough coverage of the political structures that constitute American government. The book builds upon what students have already learned and emphasizes connections between topics as well as between theory and applications. The goal of each section is to enable students not just to recognize concepts, but to work with them in ways that will be useful in later courses, future careers, and as engaged citizens. Skills for Scholars How Our Government Works workbook provides children a strong foundation of social studies essentials for school success! Offering children in fifth grade 80 pages of fun and engaging activities with full-color illustrations, that will help them become experts in how the U.S. Government works and how presidents are elected. Featuring perforated pages, easy-to-follow directions, and complete answer key, children will have fun learning about the U.S. Government. Features activities that teach: - The U.S. Constitution - Amendments - Different types of government - Local, state, and federal government - Branches of government - Elections The popular Skills for Scholars Workbook series offers a full complement of instruction, activities, and information in 51 subject-specific workbooks. Encompassing preschool to grade 6, this series covers key subjects including basic skills, English & grammar, math, phonics, reading, science, and Spanish. This series is designed for students who need intervention or enrichment and gives them a solid foundation in key skills necessary for success in the classroom!
