365 inspiring quotes and prompts for anyone who aspires to be more politically

active, environmentally friendly, or socially conscious--part of the bestselling Do One Thing Every Day series. "In a gentle way, you can shake the world." --Mahatma Gandhi

Activism is on the rise. Consumers, shareholders, employees, students, and many other social groups want to get involved with political, environmental, and social issues. Do One Thing Every Day to Change the World is the ideal tool for turning those ambitions into positive change. This guided journal offers a quote and a prompt or activity for every day of the year, encouraging readers to do one thing each day that makes the world a better place. Daily

doses of energizing inspiration from famous writers, athletes, musicians, entrepreneurs, and others invite readers to take a stand for what they believe in and work for change. Follow the real lives of seven kids from Italy, Japan, Iran, India, Peru, Uganda, and Russia for a single day! In Japan Kei plays Freeze Tag, while in Uganda Daphine likes to jump rope. But while the way they play may differ, the shared rhythm of their days—and this one world we all share—unites them. This genuine exchange provides a window into traditions that may be different from our own as well as a mirror reflecting our common experiences. Inspired by his own travels, Matt

Lamothe transports readers across the globe and back with this luminous and thoughtful picture book. Adam Silvera reminds us that there's no life without death and no love without loss in this devastating yet uplifting story about two people whose lives change over the course of one unforgettable day. #1 New York Times bestseller * 4 starred reviews * A School Library Journal Best Book of the Year * A Kirkus Best Book of the Year * A Booklist Editors' Choice * A Bustle Best YA Novel * A Paste Magazine Best YA Book * A Book Riot Best Queer Book * A BuzzFeed Best YA Book of the Year * A BookPage Best YA Book of the Year On September

5, a little after midnight, Death-Cast calls Mateo Torrez and Rufus Emeterio to give them some bad news: They're going to die today. Mateo and Rufus are total strangers, but, for different reasons, they're both looking to make a new friend on their End Day. The good news: There's an app for that. It's called the Last Friend, and through it, Rufus and Mateo are about to meet up for one last great adventure—to live a lifetime in a single day. In the tradition of *Before I Fall* and *If I Stay*, *They Both Die at the End* is a tour de force from acclaimed author Adam Silvera, whose debut, *More Happy Than Not*, the New York Times called “profound.” Plus

don't miss *The First to Die at the End*: #1 New York Times bestselling author Adam Silvera returns to the universe of international phenomenon *They Both Die at the End* in this prequel. New star-crossed lovers are put to the test on the first day of Death-Cast's fateful calls. Shares the lives of the poorest people in the world, highlighting their experiences and struggles and acting as a clarion call to those who aim to break the cycle of global poverty. A New York Times Notable Book of the Year, a Washington Post Best Book of the Year Spanning the era between the Chicago World's Fair of 1893 and the years just after World War I, and

constantly moving between locations across the globe (and to a few places not strictly speaking on the map at all), *Against the Day* unfolds with a phantasmagoria of characters that includes anarchists, balloonists, gamblers, drug enthusiasts, mathematicians, mad scientists, shamans, spies, and hired guns. As an era of uncertainty comes crashing down around their ears and an unpredictable future commences, these folks are mostly just trying to pursue their lives. Sometimes they manage to catch up; sometimes it's their lives that pursue them. Two young boys encounter the best and worst of humanity during the

Holocaust in this powerful read that USA Today called "as memorable an introduction to the subject as The Diary of Anne Frank." Berlin, 1942: When Bruno returns home from school one day, he discovers that his belongings are being packed in crates. His father has received a promotion and the family must move to a new house far, far away, where there is no one to play with and nothing to do. A tall fence stretches as far as the eye can see and cuts him off from the strange people in the distance. But Bruno longs to be an explorer and decides that there must be more to this desolate new place than meets the eye. While exploring his new

environment, he meets another boy whose life and circumstances are very different from his own, and their meeting results in a friendship that has devastating consequences. Offering a unique approach to history, this series of individual encyclopedias will delineate and explain the people, places, events, chronology, and ramifications of pivotal days in history. One Day in History: December 7, 1941 will provide a comprehensive and engaging overview of this date in history as well as an examination of the theme related to the date—the attack on Pearl Harbor and World War II. This volume will cover all aspects of

December 7, 1941, including background information explaining what led to the date's events and post-date analysis discussing the effects and consequences of the day's events. An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students. Provides statistics on what happens to the world in a single day, in such areas as geology, biology, technology, and culture. "Stark . . . the story of how one falsely accused convict and his fellow prisoners survived or perished in an arctic slave labor camp after the war."—Time From the icy blast of reveille through the sweet release of sleep, Ivan

Denisovich endures. A common carpenter, he is one of millions viciously imprisoned for countless years on baseless charges, sentenced to the waking nightmare of the Soviet work camps in Siberia. Even in the face of degrading hatred, where life is reduced to a bowl of gruel and a rare cigarette, hope and dignity prevail. This powerful novel of fact is a scathing indictment of Communist tyranny, and an eloquent affirmation of the human spirit. The prodigious works of Alexander Solzhenitsyn, including his acclaimed *The Gulag Archipelago*, have secured his place in the great tradition of Russian literary giants.

Ironically, *One Day in the Life of Ivan Denisovich* is the only one of his works permitted publication in his native land. Praise for *One Day in the Life of Ivan Denisovich* "Cannot fail to arouse bitterness and pain in the heart of the reader. A literary and political event of the first magnitude."—*New Statesman* "Both as a political tract and as a literary work, it is in the Doctor Zhivago category."—*Washington Post* "Dramatic . . . outspoken . . . graphically detailed . . . a moving human record."—*Library Journal* After leading successful hedge fund companies for twenty years, Anthony "Tac" Caine experienced the most extreme

business catastrophe imaginable. Hedge fund companies managed by Tac Caine with a twenty-year successful track record collapsed in only two days, resulting in losses exceeding \$1 billion. In the midst of managing an onslaught of legal and business challenges, Tac realized he needed more. He needed a big, positive goal, something to shoot for that would motivate him. And there's nothing bigger than Mt. Everest. With humility, humor and emotion in a page-turner story, *One Day Beyond the Top of the World* captures the full Mt. Everest experience. Come alongside for the entire seven-week Everest expedition from

training, trekking, acclimatization, living above 17,000 feet at Everest Base Camp, the full cultural immersion of the Khumbu Valley, and finally climbing each step from Everest Base Camp to the highest point in the world. There are failures, successes, anxieties and elation on the journey, and you will discover how Mt. Everest can draw tears from even the strongest climbers. And, you will see how a Sherpa guide can evolve into a lifelong friend. Happy and successful people are driven by planning-then executing -their next big goal. We should always be metaphorically looking One Day Beyond the Top of the

World to set the next meaningful goal. What is the Everest in your life? Let Tac Caine's adventure guide you to reach your own summit! On the same day in March... Polar bears ride on Arctic ice. People in French cafes turn up their faces to the sun. Hailstones roll over Indian hillsides. Rain makes a river in Kenya. On the same day that it's icy cold in the Arctic, it's foggy in Louisiana, sunny in Barbados, and blowing wild winds called willy-willies in Australia. In this poetic exploration of longitude and weather, with bright and detailed paintings of seventeen different places, Marilyn Singer and Fran Lessac show us what's

happening from the poles to the equator-- all on the same day in March. Top 10 Science Books for Children 2000 (Booklist) and Notable Children's Trade Books in the Field of Social Studies 2001, National Council for SS & Child. Book Council The runaway bestseller with more than four million copies in print! You too can change your life with the priceless wisdom of ten ancient scrolls handed down for thousands of years. "Every sales manager should read The Greatest Salesman in the World. It is a book to keep at the bedside, or on the living room table—a book to dip into as needed, to browse in now and then, to enjoy in small

stimulating portions. It is a book for the hours and for the years, a book to turn to over and over again, as to a friend, a book of moral, spiritual and ethical guidance, an unfailing source of comfort and inspiration.”—Lester J. Bradshaw, Jr., Former Dean, Dale Carnegie Institute of Effective Speaking & Human Relations “I have read almost every book that has ever been written on salesmanship, but I think Og Mandino has captured all of them in *The Greatest Salesman in the World*. No one who follows these principles will ever fail as a salesman, and no one will ever be truly great without them; but, the author has done more than present the

principles—he has woven them into the fabric of one of the most fascinating stories I have ever read.”—Paul J. Meyer, President of Success Motivation Institute, Inc. “I was overwhelmed by *The Greatest Salesman in the World*. It is, without doubt, the greatest and the most touching story I have ever read. It is so good that there are two musts that I would attach to it: First, you must not lay it down until you have finished it; and secondly, every individual who sells anything, and that includes us all, must read it.”—Robert B. Hensley, President, Life Insurance Co. of Kentucky This sophisticated yet elegant picture book uses exquisite,

moving photographs from top international photographers and Kerley's poetic text to follow the course of one day to convey a simple yet profound concept: the world's inhabitants are a global family. Full color. Ever wonder what happened 100 years ago on your birthday? What about on Christmas Day in the year 800? Or Halloween in the distant past? You might be surprised by what you find out. *On This Day* is a history ebook with a difference. From January 1st to December 31st you will travel back in time and discover the weird and wonderful things that happened around the world on every day of the year. From a close encounter with

Halley's Comet on April 1, 374, to the introduction of Dolly the Sheep, the world's first cloned mammal, on February 21, 1996, there is something incredible to learn on every page. Unlike other day-by-day history ebooks, *On This Day* uses quirky graphics and funky illustrations to turn back time and bring the past of each day back to life. No matter what your interests are, this visual feast of an ebook brings together an incredibly diverse range of events, all of them united by the day they share. "When I fly among the stars and see the lights in the distance, I say to myself that this is my little Consuelo is calling me..." Antoine de Saint-

Exupery wrote about love for his wife. A graceful Consuelo Suncin inspired an outstanding French writer, poet and pilot to create a beautiful rose in his famous all over the world book *The Little Prince*. The book that became a real bestseller of the twentieth century. This beautiful photo book follows the course of one day in our world. Sunrise to sunset is captured in the essential things we all do daily, wherever we live in the world, and in the different ways we do them. The first meal of the day will take on a whole new dimension for American kids as an American pancake breakfast is contrasted with porridge in North Korea and churros in

Spain. Explores the lives of eight children from different countries around the world. On October 23, 1956, a popular uprising against Soviet rule swept through Hungary like a force of nature, only to be mercilessly crushed by Soviet tanks twelve days later. Only now, fifty years after those harrowing events, can the full story be told. This book is a powerful eyewitness account and a gripping history of the uprising in Hungary that heralded the future liberation of Eastern Europe. Paul Lendvai was a young journalist covering politics in Hungary when the uprising broke out. He knew the government officials and revolutionaries

involved. He was on the front lines of the student protests and the bloody street fights and he saw the revolutionary government smashed by the Red Army. In this riveting, deeply personal, and often irreverent book, Lendvai weaves his own experiences with in-depth reportage to unravel the complex chain of events leading up to and including the uprising, its brutal suppression, and its far-reaching political repercussions in Hungary and neighboring Eastern Bloc countries. He draws upon exclusive interviews with Russian and former KGB officials, survivors of the Soviet backlash, and relatives of those

executed. He reveals new evidence from closed tribunals and documents kept secret in Soviet and Hungarian archives. Lendvai's breathtaking narrative shows how the uprising, while tragic, delivered a stunning blow to Communism that helped to ultimately bring about its demise. *One Day That Shook the Communist World* is the best account of these unprecedented events. Looks at the life and work of the provocative Catholic social reformer from the personal point of view of someone who knew her well, her granddaughter. Hailed as "the most radical repackaging of the Bible since Gutenberg", these

Pocket Canons give an up-close look at each book of the Bible. *One Day*—millions of perspectives. On May 15, 2012, people from around the globe will pick up their cameras to record their lives, *A Day in the World* will be the result. Professionals and amateur shutterbugs alike are featured in this beautiful edition, the most comprehensive photographic documentation of daily life ever made. Tribal areas and urban sprawl, intimate portraits and riotous events, *A Day in the World* captures a global scope with the candor only a photograph can capture. The book was the brainchild of the movement Aday.org, a unique project that

celebrates the power of photography to encourage cultural understanding. Based on the philosophy that everyone's life matters, contributors come from areas as varied as the Earth itself—farmers, fishermen, office workers, and award-winning photo-journalists. Harnessing the reach of the Web, an interactive site was the hub for the project, and then the best 1000 images were selected by an international jury. Ultimately, A Day in the World is not only an around-the-globe ticket for the armchair traveler—it is an invaluable record of the people on our planet, sure to spark reflections on humankind for

generations to come. A Day in the World launches from Aday.org, a branch of the foundation Expressions of Humankind. The foundation's council includes Archbishop Desmond Tutu, Sir Richard Branson, singer/songwriter Robyn, and a host of other luminaries and advocates for the project. #1 NEW YORK TIMES BESTSELLER • Now a major motion picture directed by Steven Spielberg. Susan and Norma have been best friends for years, at first thrust together by force of circumstance (a job at *The Pin Cushion*, a haberdashery shop in 1990s Leicestershire) and then by

force of character (neither being particularly inclined to make friends with anyone else). But now, thirty years later, faced with a husband seeking immortality and Norma out of reach on a wave of professional glory, Susan begins to wonder whether she has made the right choices about life, love, work, and, most importantly, friendship. *Nina Stibbe's* new novel is the story of the wonderful and sometimes surprising path of friendship: from its conspiratorial beginnings, along its irritating wrong turns, to its final gratifying destination. Whether you are dreaming of steaming jungle treks, conquering untamed peaks, chatting up the

hottie in the hostel or simply chilling out on an isolated beach - this book is your ticket to turning your travel dreams into reality. Packed to bursting with backpacking tips and tricks, *How to Travel the World on \$10 a Day* is the ultimate planning resource for the low-budget traveller. "Will Hatton has been on the

road for nine years, travelling to far-flung lands and visiting close to 100 countries all over the world. His blog, the *Broke Backpacker*, is one of the most popular adventure travel blogs in the world. A keen hitchhiker, Will has hitchhiked tens of thousands of kilometers, crossing Europe, Iran, Pakistan, India and South East Asia by thumb. Will plans to open a backpacker hostel in the mountains of Pakistan. If you find yourself nearby -- come say hey! This real-life fairytale tells the heartwarming story of how true, unconditional love is born. Perfect for baby showers, new babies or just because; this is a gift that will keep on giving. Building on the success

of the internationally acclaimed *This Is How We Do It*, this activity book invites readers to document their lives and daily rituals alongside 59 real kids. Complete with sticker sheets, punch-out postcards, and a fold-out map, this interactive activity book will get kids writing, drawing, sharing, and learning about cultures and countries other than their own. Even the die-cut cover can be personalized, creating a keepsake time capsule to treasure. One of the twentieth century's enduring works, *One Hundred Years of Solitude* is a widely beloved and acclaimed novel known throughout the world and the ultimate achievement in a Nobel

Prize-winning career. The novel tells the story of the rise and fall of the mythical town of Macondo through the history of the Buendía family. Rich and brilliant, it is a chronicle of life, death, and the tragicomedy of humankind. In the beautiful, ridiculous, and tawdry story of the Buendía family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war and revolution, riches and poverty, youth and senility, the variety of life, the endlessness of death, the search for peace and truth—these universal themes dominate the novel. Alternately reverential and comical, *One Hundred Years of*

Solitude weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an account of the history of the human race. The True Story Behind the Events on 9/11 that Inspired Broadway's Smash Hit Musical *Come from Away*, Featuring All New Material from the Author When 38 jetliners bound for the United States were forced to land at Gander International Airport in Canada by the closing of U.S. airspace on September 11, the population of this small town on Newfoundland Island swelled from 10,300 to nearly 17,000. The citizens of Gander

met the stranded passengers with an overwhelming display of friendship and goodwill. As the passengers stepped from the airplanes, exhausted, hungry and distraught after being held on board for nearly 24 hours while security checked all of the baggage, they were greeted with a feast prepared by the townspeople. Local bus drivers who had been on strike came off the picket lines to transport the passengers to the various shelters set up in local schools and churches. Linens and toiletries were bought and donated. A middle school provided showers, as well as access to computers, email, and televisions, allowing the

passengers to stay in touch with family and follow the news. Over the course of those four days, many of the passengers developed friendships with Gander residents that they expect to last a lifetime. As a show of thanks, scholarship funds for the children of Gander have been formed and donations have been made to provide new computers for the schools. This book recounts the inspiring story of the residents of Gander, Canada, whose acts of kindness have touched the lives of thousands of people and been an example of humanity and goodwill. The novel's protagonist is a British Roman Catholic priest, Father Percy

Franklin, who looks identical to the mysterious U.S. Senator Julian Felsenburgh of Vermont. The senator appears as a lone and dramatic figure promising world peace in return for blind obedience. No one quite knows who he is or where he comes from, but his voice mesmerizes. Under his leadership, war is abolished. Felsenburgh becomes the President of Europe, then of the world, by popular acclaim. Everyone is fascinated with him, yet still no one knows much about him. People are both riveted and frightened by the way he demands attention. Most follow without question. Having been a close observer of President Felsenburgh's rise, Father

Franklin is called to Rome, a Hong Kong-style enclave ruled by Pope John XXVI and raised to the College of Cardinals. Meanwhile, defections among bishops and priests increase. At Cardinal Franklin's instigation, the pope abolishes the Eastern Catholic Churches and forms a new religious order, the Order of Christ Crucified. All its members, including the Pope, vow to die in the name of the faith. Michael Wigge is on an adventure of a lifetime. The reporter and journalist has traveled to many countries before, but this time he decided to make it more challenging: he would travel twenty-five thousand miles around the world by foot, bus, train, ship,

and plane and not spend any of his own money. The journey was full of challenges: What would he eat? Where would he sleep? How would he get from place to place? Every day, those questions occupied his thoughts, but he always came up with creative solutions. He tried dumpster diving, eating flowers, couch surfing in the homes of strangers, sleeping under the stars, working on a container ship to cross the Atlantic Ocean, offering to pillow fight strangers for a dollar, and after 150 days, he reached his destination. For this, Elite World Records named him the First Person to Travel the World Penniless, and the documentary he filmed

about this trip won best feature in the 2011 Accolade Awards. As much a guide as a travelogue, *How to Travel the World for Free* will give readers ideas for alternative ways of traveling and will inspire many to go on new adventures. This book is full of surprises, some more pleasant than others. Nevertheless, it's a journey you won't want to miss! Traveling can be expensive—why not do it for free? **BOOKER PRIZE WINNER**

- From the winner of the Nobel Prize in Literature, here is “an intricate and dazzling novel” (The New York Times) about the perfect butler and his fading, insular world in post-World War II England. This is

Kazuo Ishiguro's profoundly compelling portrait of a butler named Stevens. Stevens, at the end of three decades of service at Darlington Hall, spending a day on a country drive, embarks as well on a journey through the past in an effort to reassure himself that he has served humanity by serving the "great gentleman," Lord Darlington. But lurking in his memory are doubts about the true nature of Lord Darlington's "greatness," and much graver doubts about the nature of his own life. There's a little June Peters inside us all. June Peters is an amazing ten year old African American girl who believes that giving to others is the most important

part of life. The influential masterpiece of one of the twentieth century's most brilliant—and neglected—science fiction and horror writers, whom Stephen King called “the best writer of science fiction that England has ever produced.” “[Wyndham] avoids easy allegories and instead questions the relative values of the civilisation that has been lost, the literally blind terror of humanity in the face of dominant nature. . . . Frightening and powerful, Wyndham’s vision remains an important allegory and a gripping story.”—The Guardian What if a meteor shower left most of the world blind—and

humanity at the mercy of mysterious carnivorous plants? Bill Masen undergoes eye surgery and awakes the next morning in his hospital bed to find civilization collapsing. Wandering the city, he quickly realizes that surviving in this strange new world requires evading strangers and the seven-foot-tall plants known as triffids—plants that can walk and can kill a man with one quick lash of their poisonous stingers. James Clear, one of the world's leading experts on

habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be

easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower;

design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits-- whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.
