The Richard & Judy Book Club Reader Mar 06 2021 In January 2004, daytime television presenters Richard Madeley and Judy Finnigan launched their book club and sparked debate about the way people in Britain, from the general reader to publishers to the literati, thought about books and reading. The Richard & Judy Book Club Reader brings together historians of the book, literature scholars, and specialists in media and cultural studies to examine the effect of the club on reading practices and the publishing and promotion of books. Beginning with an analysis of the book club's history and its ongoing development in relation to other reading groups worldwide including Oprah's, the editors consider issues of book marketing and genre. Further chapters explore the effects of the mass-broadcast celebrity book club on society, literature and its marketing, and popular culture. Contributors ask how readers discuss books, judge value and make choices. The collection addresses questions of authorship, authority and canon in texts connected by theme or genre including the postcolonial exotic, disability and representations of the body, food books, and domesticity. In addition, book club author Andrew Smith shares his experiences in a fascinating interview.

This book details information on nearly 350 American Punch players. It explores the significance of the 19th-century American show as a reflection of the attitudes and conditions of its time and place. The century was a time of changing feelings about what it means to be human. There was an intensified awareness of the racial, cultural, social and economical diversity of the human species, and a corresponding concern for the experience of human oneness. The American Punch and Judy show was one of the manifestations of these conditions.

Rabbi and Judy May 08 2021 In her prologue to *Rabbi and Judy*, the author asks, "How does a teenager who has never been away from home... move with a new husband to a life over five hundred miles away?" That move was to Cincinnati's Hebrew Union College, where her new husband begins his studies for the rabbinate and Judy begins to learn what it means to be the wife of a rabbi. Her account of her life as a rabbi's wife, a rebbetzin, is fascinating - at times happy, at times sad, at times challenging, but ultimately rewarding. Her life journey takes her from Cincinnati to a village in upstate New York, to the tropical island of Curacao, to bustling, exciting Chicago where she earns a graduate degree in art history, and to suburban Philadelphia. The congregations with which she interacts in each of these places are very different; each in its own way has a profound impact on her life and she, in turn, offers something unique to each of them. Each congregation also provides her with favorite recipes which she generously shares with the reader. Her life's journey becomes even more peripatetic, especially after retirement: Hong Kong, Singapore, Australia, India, South Africa, Vietnam, Thailand, European and South American cities, and of course, over twenty trips to Israel. This book covers six decades of an interesting life.
