BEST MYSTERY/THRILLER FOR THE YEAR for NPR "Come for the mounting horror and scares, but stay for a devastating examination of the nature of family secrets." - New York Times book review "[A] scary, highly entertaining debut...that pays homage to Shirley Jackson." - South Florida Sun Sentinel A Most Anticipated Book Goodreads * Publishers Weekly * Crime Reads * Popsugar * Bookish * #1 Loanstar Pick in Canada An Indie Next pick! A Library Reads Pick! The Blair Witch Project meets Midsommar in this brilliantly disturbing thriller from Camilla Sten, an electrifying new voice in suspense. Documentary filmmaker Alice Lindstedt has been obsessed with the vanishing residents of the old mining town, dubbed "The Lost Village," since she was a little girl. In 1959, her grandmother's entire family disappeared in this mysterious tragedy, and ever since, the unanswered questions surrounding the only two people who were left—a woman stoned to death in the town center and an abandoned newborn—have plagued her. She's gathered a small crew of friends in the remote village to make a film about what really happened. But there will be no turning back. Not long after they've set up camp, mysterious things begin to happen. Equipment is destroyed. People go missing. As doubt breeds fear and their very minds begin to crack, one thing becomes startlingly clear to Alice: They are not alone. They're looking for the truth... But what if it finds them first? Come find out. "RELENTLESSLY CREEPY." —Alma Katsu, author of *The Hunger* (An NPR Best Horror Novel) "IMPOSSIBLE TO STOP READING." —Ragnar Jonasson, author of *The Island* "Readers will revel in the chills." - Booklist At age 12, Sophie learns that the remarkable abilities that have always made her different from others actually identify her as an elf, and after being brought to Eternalia to hone her skills, she discovers that she has secrets buried in her memory for which some would kill. Captain John "Black Jack" Geary tries a desperate gamble to lead the Alliance Fleet home through enemy-occupied space in this novel in the thrilling *Lost Fleet* series. Geary is convinced that the Syndics are planning to ambush the fleet and finish it off once and for all. Realizing the fleet's best (and only) chance is to do the unexpected, Geary takes the offensive and orders the fleet to the Sancere system. There, a multitude of possible routes home give the Alliance fleet a better chance of avoiding their pursuers—and an attack on the Sancere shipbuilding facilities could decimate the Syndic war effort. Weary from endless combat, the officers and crew of the Alliance fleet can't see the sense in charging deeper into enemy territory—prompting a mutiny that divides them, and leaving Geary with the odds higher against him than ever before... "Coraline meets Monsters, Inc. in this delightfully entertaining offering from actor [Jason] Segel and co-author [Kirsten] Miller." —Publishers Weekly, on book one in the series Stay up late with the hilariously frightening middle-grade novel *Nightmares! The Lost Lullaby*. You thought the nightmares were over? You'd better keep the lights on! Not since he faced his fears has Charlie had so many bad dreams. Whenever he falls asleep, he finds himself in a Netherworld field, surrounded by a flock of CREEPY BLACK SHEEP. They're not counting sheep. They refuse to jump. In fact, they don't do much at all. Even eerier, though, is that it's not Charlie's nightmare. Somehow he's trapped in someone else's bad dream. And he's pretty sure the twins ICK and INK are responsible. Charlie and his friends thought they'd put the twins out of business, but it seems they didn't quite finish the job. Now the WOOLLY NIGHTMARES are closing in, and INK has shown up at Cypress Creek Elementary! Charlie is convinced that INK is up to NO GOOD. And if he's right, it could be a very long time before anyone's dreams are sweet again. Praise for the *Nightmares!* series "Charlie Laird, who learns fear will eat you alive if you feed it, makes an impression, and . . . readers will want to accompany him again." —The New York Times Book Review "A touching comical saga . . . about facing things that go bump in the night." —US Weekly "Coraline meets Monsters, Inc. in this delightfully entertaining offering from actor [Jason] Segel and co-author [Kirsten] Miller." —Publishers Weekly "A page-turner of a fantasy with elements of humor as well as intrigue, swordplay, and librarian-versus-hostile-book combat." —Booklist "A fast-paced, engaging adventure." —Publishers Weekly "One for the books." —Kirkus Reviews From Sarah Prineas, author of the acclaimed *Magic Thief* series, comes a stunning new tween fantasy where books literally come to life! The powerful *Lost Books* at the palace library are infecting the rest with an evil magic, and two unlikely friends must figure out who, or what, is controlling the books and their power. If they can't, the entire kingdom could be at risk. Sarah Prineas returns to her classic middle grade roots with this imaginative, fast-paced adventure for book lovers everywhere. At last in one volume, the eight original installments of the epic *Lost Tribe of the Sith* eBook series . . . along with the explosive, never-before-published finale, *Pandemonium*—more than one hundred pages of new material! Five thousand years ago. After a Jedi ambush, the Sith mining ship *Omen* lies wrecked on a remote, unknown planet. Its commander, Yaru Korsin, battles the bloodshed of a mutinous faction led by his own brother. Marooned and facing death, the Sith crew have no choice but to venture into their desolate surroundings. They face any number of brutal challenges—vicious predators, lethal plagues, tribal people who worship vengeful gods—and like true Sith warriors, counter them with the dark side of the Force. The struggles are just beginning for the proud, uncompromising Sith, driven as they are to rule at all costs. They will vanquish the primitive natives, and they will find their way back to their true destiny as rulers of the galaxy. But as their legacy grows over thousands of years, the Sith ultimately find themselves tested by the most dangerous threat of all: the enemy within. In *Lunatic*, the fifth in the *Lost Books* series, a YA spin-off of the New York Times bestselling *Circle* series, the world they knew is gone. To save it they may all have to go a little crazy. Fight the Horde . . . or die with love. Separated by time and space, our heroes finally return

home. But five years have passed and they find a nightmarishly changed world. The despised Horde are now in control. The healing lakes of Elyon are now blood red. And mighty Thomas Hunter and his Forest Guard have disappeared. Take a stand with the chosen but be wary, for not all is as it seems. Now the chosen themselves are questioning their very sanity. For the only way to win may be to lose. The only way to live may be to die. And the only one to lead may be a lunatic. Brooklyn "A stunner—equal parts epic and intimate, thrilling and elegiac."—Laura Van den Berg, author of *The Third Hotel* The mesmerizing story of a Latin American science fiction writer and the lives her lost manuscript unites decades later in post-Katrina New Orleans In 1929 in New Orleans, a Dominican immigrant named Adana Moreau writes a science fiction novel. The novel earns rave reviews, and Adana begins a sequel. Then she falls gravely ill. Just before she dies, she destroys the only copy of the manuscript. Decades later in Chicago, Saul Drower is cleaning out his dead grandfather's home when he discovers a mysterious manuscript written by none other than Adana Moreau. With the help of his friend Javier, Saul tracks down an address for Adana's son in New Orleans, but as Hurricane Katrina strikes they must head to the storm-ravaged city for answers. What results is a brilliantly layered masterpiece—an ode to home, storytelling and the possibility of parallel worlds. From Lucretia Grindle, author of *VILLA TRISTE*, comes a novel of lives lost and found, as intricate and mysterious as the Italian streets where the story's secrets begin. When American student Kristin Carson enrolls in a study abroad program in Florence, she's sure it will be the best year of her life, a chance to explore art, poetry, and romance in the arms of her new Italian boyfriend. But days before her parents arrive in Florence to celebrate her eighteenth birthday, Kristin disappears. Senior Detective Alessandro Pallioti and his young protégé Enzo Saenz are called to investigate. At first they believe she's simply run off for a romantic weekend and forgotten to tell her parents. But when Kristin's step-mother, Anna, also goes missing, Pallioti and Saenz suspect something much more sinister has happened. As they deepen their investigation they discover that Anna Carson is not who she appears to be, and Kristin's new boyfriend isn't just another local Lothario, but one of the most infamous—and dangerous—men in Italy. To find Kristin, Pallioti and Saenz must first find Anna and uncover the secrets she's kept buried for a lifetime. To do so, they must wade through the past, revisiting times and places most Italians would rather forget, and walk in the footsteps of the dead. Jackson Small—barely twenty and just discharged from the military—sets off in search of something he cannot even be sure is real: La Joya, the lost capital of an ancient, vanished Peruvian empire. Traveling through South America, Jackson makes his way through desert, arid mountains, inhospitable villages, and impenetrable jungle, meeting several unforgettable characters, including an American woman who both redefines and fulfills all of Jackson's expectations. And though he's warned at almost every turn, he still enters the lethal forest that hides La Joya—where he will discover other searchers, with motives far more sinister than his own. With its lyrical voice, heart-stopping pace, and the audacious romanticism of the quest that fuels it, *The Lost City* is a novel at once suspenseful, unexpected, and thoroughly mesmerizing. Thoroughly innovative and occasionally irreverent, this book will appeal in equal measure to book historians, Austen fans, and scholars of literary celebrity. Eva Traube Abrams, a semiretired librarian in Florida, is at the returns desk one morning when her eyes lock on to a photograph in a newspaper nearby. She freezes; it's an image of a book she hasn't seen in sixty-five years—a book she recognizes as the *Book of Lost Names*. The accompanying article describes the looting of libraries across Europe by the Nazis during World War II—an experience Eva remembers all too well. As a graduate student in 1942, Eva was forced to flee Paris after the arrest of her father, a Polish Jew. Finding refuge in a small mountain town in the Free Zone, she begins forging identity documents for Jewish children fleeing to neutral Switzerland. But erasing people comes with a price, and along with a mysterious, handsome forger named Rémy, Eva decides she must find a way to preserve the real names of the children who are too young to remember who they really are. The records they keep in the *Book of Last Names* will become even more vital when the Resistance cell they work with is betrayed and Rémy disappears. As the Germans close in, Eva records a last, vital message in the book. Decades later, does she have the strength to seek out its answer—and help reunite those lost during the war? The untold story of the last odyssey of the heroic age of Antarctic exploration Sir Ernest Shackleton's 1914 Antarctic endeavor is legend, but for sheer heroism and tragic nobility, nothing compares to the saga of the Ross Sea party. This crew of explorers landed on the opposite side of Antarctica from the *Endurance* with a mission to build supply depots for Shackleton's planned crossing of the continent. But their ship disappeared in a gale, leaving ten inexperienced, ill-equipped men to trek 1,356 miles in the harshest environment on earth. Drawing on the men's own journals and photographs, *The Lost Men* is a masterpiece of historical adventure, a book destined to be a classic in the vein of *Into Thin Air*. Nearly forgotten by history, this is the story of the Wereth Eleven, African-American soldiers who fought courageously for freedom in WWII—only to be ruthlessly executed by Nazi troops during the Battle of the Bulge. Their story was almost forgotten by history. Now known as the Wereth Eleven, these brave African-American soldiers left their homes to join the Allied effort on the front lines of WWII. As members of the 333rd Field Artillery Battalion, they provided crucial fire support at the Siege of Bastogne. Among the few who managed to escape the Nazi's devastating Ardennes Offensive, they found refuge in the small village of Wereth, Belgium. A farmer and supporter of the Allies took the exhausted and half-starved men into his home. When Nazi authorities learned of their whereabouts, they did not take the soldiers prisoner, but subjected them to torture and execution in a nearby field. Despite their bravery and sacrifice, these eleven soldiers were omitted from the final Congressional War Crimes report of 1949. For seventy years, their files—marked secret—gathered dust in the National Archive. But in 1994, at the site of their execution, a memorial was dedicated to the Wereth Eleven and all African-American soldiers who fought in Europe. Drawing on firsthand interviews with family members and fellow soldiers, *The Lost Eleven* tells the complete story of these nearly forgotten soldiers, their valor in battle and their tragic end. INCLUDES PHOTOS Fifty years after 1967, Goldberg explores the continued relevance of political and cultural movements from that pivotal year in history. 'Beware the novelist . . . intimate and indiscreet . . . pompous, prophetic airs . . . here is the fact of fiction . . . an American tale where, naturally, evil conquers good, and none live happily ever after, for the complicated pangs of the empty experiences of flesh-and-blood human figures are the reason why nothing can ever be enough. To read a book is to let a root sink down. List of the lost is the reality of what is true battling against what is permitted to be true.' Morrissey Penguin Books is delighted to announce the forthcoming publication of

List of the Lost, Morrissey's extraordinary novel, on 24 September. High-octane, ferociously lyrical, List of the Lost shows a side of Morrissey never seen before. Welcome to the Kingdom of Wrenly—a new chapter book series full of fantasy and adventure. Meet Lucas, the eight year-old prince, and Clara, the daughter of the queen's seamstress. Lucas is an only child who longs to make friends and go on adventures. Clara knows the kingdom well, so she and Lucas team up and explore the lands of Wrenly! In *The Lost Stone*, Lucas and Clara search for Queen Tasha's missing emerald. On their exciting adventure, they travel to all the main attractions of Wrenly: Primlox (the island of fairies), Burth (the island of trolls), Crestwood (the island of dragons), Hobs Grove (the island of wizards), and the beautiful Mermaid's Cove. King Caleb has promised to reward the person who finds the precious stone, and Lucas and Clara are determined to search the entire kingdom until they find it! With easy-to-read language and illustrations on almost every page, *The Kingdom of Wrenly* chapter books are perfect for beginning readers. After rescuing POWs from a labor camp in the Heradao Star System, Captain John "Black Jack" Geary discovers that the Syndics plan to ambush his fleet, forcing him to jump from one star system to the next in an effort to avoid the enemy. Go back to where it all began in book one of the classic heartwarming Swift River Valley series set in Knights Bridge, New England, only from New York Times bestselling author Carla Neggers. A wave of hope carries Olivia Frost back to her small New England hometown nestled in the beautiful Swift River Valley. She's transforming a historic home into an idyllic getaway—picturesque and perfect, if only the absentee owner will fix up the eyesore next door... Dylan McCaffrey's ramshackle house is an inheritance he never counted on. It also holds the key to a generations-old lost treasure he can't resist any more than he can resist his new neighbor. Against this breathtaking landscape, Dylan and Olivia pursue long-buried secrets and discover a mystery wrapped in a love story...past and present. - From the bestselling author of *Before We Were Yours* comes a dramatic historical novel of three young women searching for family amid the destruction of the post-Civil War South, and of a modern-day teacher who learns of their story and its vital connection to her students' lives. "An absorbing historical . . . enthralling."—Library Journal Bestselling author Lisa Wingate brings to life startling stories from actual "Lost Friends" advertisements that appeared in Southern newspapers after the Civil War, as newly freed slaves desperately searched for loved ones who had been sold away. *Louisiana, 1875*: In the tumultuous era of Reconstruction, three young women set off as unwilling companions on a perilous quest: Hannie, a freed slave; Lavinia, the pampered heir to a now destitute plantation; and Juneau Jane, Lavinia's Creole half sister. Each carries private wounds and powerful secrets as they head for Texas, following roads rife with vigilantes and soldiers still fighting a war lost a decade before. For Lavinia and Juneau Jane, the journey is one of stolen inheritance and financial desperation, but for Hannie, torn from her mother and siblings before slavery's end, the pilgrimage west reignites an agonizing question: Could her long-lost family still be out there? Beyond the swamps lie the limitless frontiers of Texas and, improbably, hope. *Louisiana, 1987*: For first-year teacher Benedetta Silva, a subsidized job at a poor rural school seems like the ticket to canceling her hefty student debt—until she lands in a tiny, out-of-step Mississippi River town. Augustine, Louisiana, is suspicious of new ideas and new people, and Benny can scarcely comprehend the lives of her poverty-stricken students. But amid the gnarled live oaks and run-down plantation homes lie the century-old history of three young women, a long-ago journey, and a hidden book that could change everything. Have you ever wanted to catch a fish? Come find out what happens when Ava goes down to the water's edge with her pail to catch one. Have you ever been in a storm or felt afraid of thunder, lightning and strong wind? Find out what happens to Harry, the Heart Fish and his family when there is a storm at sea and a wave separates them. What do you think would happen if you were involved in an under the sea earthquake and got trapped in a cave? How would you help Harry and his family? Would you pray? Send out the Coast Guard to search for them? Would you use your own rescue boat if you had one? Would you hope a scuba diver would come by? Come find out what Ava does about it. And come find out who the faithful friends are who come to the rescue. Below are some clues to some of the words you will find in *The Lost Fish* book. See how many you can unscramble. I bet you can get them all. Have fun!

See how many you can unscramble. I bet you can get them all. Have fun! suseJ mader litegrt voec torsm acve vider emag hisw tabo A New York Times bestselling series A USA TODAY bestselling series A California Young Reader Medal-winning series Sophie and her friends face battles unlike anything they've seen before in this thrilling sixth book of the *Keeper of the Lost Cities* series. Have you ever wanted something more from your faith? More than religion? More than church? One lost and forgotten biblical word, "ekklesia," holds the key to a more vibrant and life-changing Christianity. --Modern English language Bibles quote Jesus as saying, "I will build My church." However, the earliest Bibles have Jesus saying, "I will build my ekklesia." For hundreds of years, this Bible word-switch has misdirected the way the body of Christ meets for worship. --So what does ekklesia mean? Ekklesia was the name of the city council in ancient Greek city-states. It was a democratic, interactive, participatory body of equal citizens sharing their concerns and needs with one another. --In the Western world, traditional church is in decline. Religious categories now include millions who are "Dones" (done with church) and "Nones" (have no church affiliation). --Perhaps it is time for more than church. Steve Simms invites you to go "beyond church" and experience ekklesia, *HEAVEN'S CITY COUNCIL*, not as a theological concept, but as a practical and living reality. Henry doesn't understand why everyone in Rabbit Town loves books, he much prefers real life adventures. That is, until he discovers the Lost Book. The Lost Book keeps him company, makes him feel less homesick and leads him on an exciting adventure with a new friend. Packed with delicious recipes, natural remedies, gardening tips, crafts, and more, this indispensable lifestyle reference from the popular blogger makes earth-friendly living fun. Whether you live in a city, suburb, or the country, this essential guide for the backyard homesteader will help you achieve a homespun life--from starting your own garden and pickling the food you grow to pressing wildflowers, baking sourdough loaves, quilting, raising chickens, and creating your own natural cleaning supplies. In these richly illustrated pages, sustainability-guru Kris Bordessa offers DIY lovers an indispensable home reference for sustainability in the 21st century, with tried-and-true advice, 50 enticing recipes, and step-by-step directions for creating easy, cost-efficient projects that will bring out your inner pioneer. Filled with 340 color photographs, this relatable, comprehensive book contains time honored-

wisdom and modern know-how for getting back to basics in a beautiful, accessible package. “A lively tale of historical innovation, the thrill of the bibliophile’s hunt, greed and betrayal.” – The New York Times Book Review “An addictive and engaging look at the ‘competitive, catty and slightly angst-ridden’ heart of the world of book collecting.” - The Houston Chronicle The never-before-told story of one extremely rare copy of the Gutenberg Bible, and its impact on the lives of the fanatical few who were lucky enough to own it. For rare-book collectors, an original copy of the Gutenberg Bible--of which there are fewer than 50 in existence--represents the ultimate prize. Here, Margaret Leslie Davis recounts five centuries in the life of one copy, from its creation by Johannes Gutenberg, through the hands of monks, an earl, the Worcestershire sauce king, and a nuclear physicist to its ultimate resting place, in a steel vault in Tokyo. Estelle Doheny, the first woman collector to add the book to her library and its last private owner, tipped the Bible onto a trajectory that forever changed our understanding of the first mechanically printed book. The Lost Gutenberg draws readers into this incredible saga, immersing them in the lust for beauty, prestige, and knowledge that this rarest of books sparked in its owners. Exploring books as objects of obsession across centuries, this is a must-read for history buffs, book collectors, seekers of hidden treasures, and anyone who has ever craved a remarkable book--and its untold stories. The queen of YA thrillers is back with another page-turner, and this time, it's a fight to survive. In Piper's hometown, teenagers keep disappearing, and everyone assumes they're just a bunch of runaways. But when yet another person disappears, Piper and her best friend Hazel suspect something more sinister is going on. So they decide to investigate, determined to learn the truth. Their search for answers leads them to the source of the missing people...and their captors. Piper and Hazel suddenly find themselves locked away in a secluded building in the middle of a privately owned forest. But the building isn't only meant to keep them imprisoned; every room is a test to see if they can make it out alive. And failure means being lost...forever. “A gorgeous and thrilling novel... Perfect for book clubs and fans of *The Nightingale*.” –PopSugar A historical novel of love and survival inspired by real resistance workers during World War II Austria, and the mysterious love letter that connects generations of Jewish families. A heart-breaking, heart-warming read for fans of *The Nightingale*, *Lilac Girls*, and *Sarah's Key*. Austria, 1938. Kristoff is a young apprentice to a master Jewish stamp engraver. When his teacher disappears during Kristallnacht, Kristoff is forced to engrave stamps for the Germans, and simultaneously works alongside Elena, his beloved teacher's fiery daughter, and with the Austrian resistance to send underground messages and forge papers. As he falls for Elena amidst the brutal chaos of war, Kristoff must find a way to save her, and himself. Los Angeles, 1989. Katie Nelson is going through a divorce and while cleaning out her house and life in the aftermath, she comes across the stamp collection of her father, who recently went into a nursing home. When an appraiser, Benjamin, discovers an unusual World War II-era Austrian stamp placed on an old love letter as he goes through her dad's collection, Katie and Benjamin are sent on a journey together that will uncover a story of passion and tragedy spanning decades and continents, behind the just fallen Berlin Wall. A romantic, poignant and addictive novel, *The Lost Letter* shows the lasting power of love. In *The Lost Meaning of the Seventh Day*, Sigve K. Tonstad recovers the profound and foundational understanding of God that can be experienced in the seventh day. He shows that Scripture has consistently asserted that the Sabbath of Creation is the Sabbath of the whole story of how God makes right what has gone wrong in the world. Tonstad argues that the seventh day is the symbol of God’s faithfulness precisely when God’s presence seems to be in doubt. He demonstrates how God, through the seventh day, seeks the benefit of all creation. Inevitably, this leads to an investigation of how this universal symbol became obscured. This sweeping work of biblical theology and historical analysis traces the seventh day as it is woven throughout Scripture and the history of Christianity. Its twenty-seven chapters consider, among other things, the relationship of the seventh day to freedom, to social conscience, to the greatest commandment, and to the enigmatic rest that remains. Tonstad engages the move away from the seventh day in early Christian history, the mindset in medieval Christianity, and the sobering long-term implications leading all the way to the Holocaust and the ecological crises in our time. *The Lost Meaning of the Seventh Day* will engage, illuminate, provoke, and ultimately inspire readers who enjoy a serious work presented in a style that is luminous and a delight to read. Is the Book of Mormon the Great American Novel? Decades before Melville and Twain composed their great works, a farmhand and child seer named Joseph Smith unearthed a long-buried book from a haunted hill in western New York State that told of an epic history of ancient America, a story about a family that fled biblical Jerusalem and took a boat to the New World. Using his prophetic gift, Joseph translated the mysterious book into English and published it under the title *The Book of Mormon*. The book caused an immediate sensation, sparking anger and violence, boycotts and jealousy, curiosity and wonder, and launched Joseph on a wild, decades-long adventure across the American West. Today *The Book of Mormon*, one of the most widely circulating works of American literature, continues to cause controversy—which is why most of us know very little about the story it tells. Avi Steinberg wants to change that. A fascinated nonbeliever, Steinberg spent a year and a half on a personal quest, traveling the path laid out by Joseph’s epic. Starting in Jerusalem, where *The Book of Mormon* opens with a bloody murder, Steinberg continued to the ruined Maya cities of Central America—the setting for most of the *The Book of Mormon*’s ancient story—where he gallivanted with a boisterous bus tour of believers exploring Maya archaeological sites for evidence. From there the journey took him to upstate New York, where he participated in the true *Book of Mormon* musical, the annual Hill Cumorah Pageant. And finally Steinberg arrived at the center of the American continent, Jackson County, Missouri, the spot Smith identified as none other than the site of the Garden of Eden. Threaded through this quirky travelogue is an argument for taking *The Book of Mormon* seriously as a work of American imagination. Literate and funny, personal and provocative, the genre-bending *The Lost Book of Mormon* boldly explores our deeply human impulse to write bibles and discovers the abiding power of story. A facsimile edition of the tattered notebooks of the Unknown Adventurer, this love letter to the wild details everything you need to know about how to live and thrive in nature, from the principles of treehouse building to wilderness first aid. If you are reading this, it means my notebooks have been found. I am leaving them here at camp for safekeeping along with a few other belongings that I won’t be taking with me. The notebooks are a lifetime’s worth of knowledge, which I’m passing on to you. So reads an excerpt from the weatherworn letter discovered by nature enthusiast Teddy Keen on a recent trip to the Amazon, along with sketchbooks filled with details of extraordinary adventures and escapades, expedition advice, and survival methods, annotated with captivating colored-pencil drawings. It is thought that the sketchbooks were created for two young relatives of the author. Drawing on Teddy’s knowledge of the outdoors, the pages of the sketchbooks have been carefully transcribed for young readers, as they were originally intended. You’ll be transported by riveting adventure tales from around the globe, like being dragged off by a hyena in Botswana, surviving a Saharan dust storm, being woken by an intrepid emperor penguin in Antarctica, and coming face-to-face with a venomous bushmaster (one of the most dangerous snakes on the planet)—all told in lyrical

prose and illustrations that wonder at the mysterious beauty of the wild. Having inspired the adventurous spirit in you, the Unknown Adventurer encourages you to set out on your own adventure with information on wild camping, rafting, exploration, and shelters and dens, plus tips on first aid and tying knots. Expert instructions on wilderness basics, like building a fire, what to do if you get lost, and how to build various types of shelters are accompanied by more specific skills culled from many years of experience, like baking campfire bread, creating a toothbrush from a twig, making a suture from soldier ants, and even how to pan for gold. Find your way back to your primal self with the immersive text and glorious color artwork of this one-of-a-kind adventure book. REMEMBER: be good, be adventurous...and look after your parents.

Secret letters spark true love in this emotionally compelling romance from the New York Times bestselling author of *A Curse So Dark and Lonely*, Brigid Kemmerer. Juliet Young always writes letters to her mother, a world-traveling photojournalist. Even after her mother's death, she leaves letters at her grave. It's the only way Juliet can cope. Declan Murphy isn't the sort of guy you want to cross. In the midst of his court-ordered community service at the local cemetery, he's trying to escape the demons of his past. When Declan reads a haunting letter left beside a grave, he can't resist writing back. Soon, he's opening up to a perfect stranger, and their connection is immediate. But neither Declan nor Juliet knows that they're not actually strangers. When life at school interferes with their secret life of letters, sparks will fly as Juliet and Declan discover truths that might tear them apart.

A BRILLIANT AND BEGUILING REIMAGINING OF ONE OF OUR GREATEST MYTHS BY A GIFTED YOUNG WRITER Zachary Mason's brilliant and beguiling debut novel, *The Lost Books of the Odyssey*, reimagines Homer's classic story of the hero Odysseus and his long journey home after the fall of Troy. With brilliant prose, terrific imagination, and dazzling literary skill, Mason creates alternative episodes, fragments, and revisions of Homer's original that taken together open up this classic Greek myth to endless reverberating interpretations. *The Lost Books of the Odyssey* is punctuated with great wit, beauty, and playfulness; it is a daring literary page-turner that marks the emergence of an extraordinary new talent.

Caroline B. Cooney, author of the bestseller *The Face on the Milk Carton*, delves deep into a Southern community, comprised of various ethnicities and diverse economic backgrounds, to reveal and explore issues that can divide as well as unite people. Lutie has lived in her town her entire life, loving her family. When Doria, a girl from Connecticut, moves to town the only thing she and Lutie have in common is their love for music. When Doria's life—as well as others from the community—intertwine and, in surprising ways, become connected with Lutie's family and ancestors, it is the collective belief in the power of faith, the glory of music, and the bonds of family that offer the potential to close the divide and reunite the community. Soon to featured in the Ken Burns documentary *The U.S. and the Holocaust*, airing on PBS in fall 2022 **A New York Times Notable Book • Winner of the National Jewish Book Award • Winner of the National Book Critics Circle Award • A Los Angeles Times Book Prize Finalist** “A gripping detective story, a stirring epic, a tale of ghosts and dark marvels, a thrilling display of scholarship, a meditation on the unfathomable mystery of good and evil, a testimony to the enduring power of the ancient archetypes that haunt one Jewish family and the greater human family, *The Lost* is as complex and rich with meaning and story as the past it seeks to illuminate. A beautiful book, beautifully written.”—Michael Chabon

In this rich and riveting narrative, a writer's search for the truth behind his family's tragic past in World War II becomes a remarkably original epic—part memoir, part reportage, part mystery, and part scholarly detective work—that brilliantly explores the nature of time and memory, family and history. *The Lost* begins as the story of a boy who grew up in a family haunted by the disappearance of six relatives during the Holocaust—an unmentionable subject that gripped his imagination from earliest childhood. Decades later, spurred by the discovery of a cache of desperate letters written to his grandfather in 1939 and tantalized by fragmentary tales of a terrible betrayal, Daniel Mendelsohn sets out to find the remaining eyewitnesses to his relatives' fates. That quest eventually takes him to a dozen countries on four continents and forces him to confront the wrenching discrepancies between the histories we live and the stories we tell. And it leads him, finally, back to the small Ukrainian town where his family's story began, and where the solution to a decades-old mystery awaits him. Deftly moving between past and present, interweaving a world-wandering odyssey with childhood memories of a now-lost generation of immigrant Jews and provocative ruminations on biblical texts and Jewish history, *The Lost* transforms the story of one family into a profound, morally searching meditation on our fragile hold on the past. Deeply personal, grippingly suspenseful, and beautifully written, this literary tour de force illuminates all that is lost, and found, in the passage of time. Some mysteries are too dangerous to leave alone . . . Nate's not happy about his family moving to a new house in a new town. After all, nobody asked him if he wanted to move in the first place. But when he discovers a tape recorder and note addressed to him under the floorboards of his bedroom, Nate is thrust into a dark mystery about a boy who went missing many, many years ago. Now, as strange happenings and weird creatures begin to track Nate, he must partner with Tabitha, a local girl, to find out what they want with him. But time is running out, for a powerful force is gathering strength in the woods at the edge of town, and before long Nate and Tabitha will be forced to confront a terrifying foe, and uncover the truth about the Lost Boy.

A Christmas confection from the brilliant creator of *The Lost House* and *The Lost Picnic*! It's time to decorate the tree for Christmas--but Grandad can't find any of his ornaments! The hunt for the missing decorations takes the children up and down in Grandad's bric-a-brac-filled house and out into a winter wonderland. And when every ornament is on the tree at last, Grandad has a wonderful holiday surprise in store. This seek-and-find book from the award-winning author of *The Lost House* and *The Lost Picnic* will delight readers of any age and belongs under a Christmas tree. The fate of the world is often driven by the curiosity of a girl. What happened to the Lost Colony of Roanoke remains a mystery, but the women who descended from Eleanor Dare have long known that the truth lies in what she left behind: a message carved onto a large stone and the contents of her treasured commonplace book. Brought from England on Eleanor's fateful voyage to the New World, her book was passed down through the fifteen generations of daughters who followed as they came of age. Thirteen-year-old Alice had been next in line to receive it, but her mother's tragic death fractured the unbroken legacy and the Dare Stone and the shadowy history recorded in the book faded into memory. Or so Alice hoped. In the waning days of World War II, Alice is a young widow and a mother herself when she is unexpectedly presented with her birthright: the deed to Evertell, her abandoned family home and the history she thought forgotten. Determined to sell the property and step into a future free of the past, Alice returns to Savannah with her own thirteen-year-old daughter, Penn, in tow. But when Penn's curiosity over the lineage she never knew begins to unveil secrets from beneath every stone and bone and shell of the old house and Eleanor's book is finally found, Alice is forced to reckon with the sacrifices made for love and the realities of their true inheritance as daughters of Eleanor Dare. In this sweeping tale from award-winning author Kimberly Brock, the answers to a real-life mystery may be found in the pages of a story that was always waiting to be written. Praise for *The Lost Book of Eleanor Dare*: “From the haunting first line, *The Lost Book of Eleanor Dare*

transports the reader to a mysterious land, time and family . . . the captivating women of the Dare legacy must find their true inheritance hiding behind the untold secrets.” —Patti Callahan, New York Times bestselling author Historical women’s fiction Stand-alone novel Book length: approximately 135,000 words Includes discussion questions for book clubs 10 year old Chitto loves playing basketball and Naanu, his little brother, loves to follow in his brother's footsteps. Though Chitto loves his brother, he makes fun of Naanu's lack of basketball skills. The magic basketball glows blue and takes away Chitto's skills to teach him a lesson. Does he get his skills back? Read the book to find out the amazing journey of Chitto's emotional transformation in the process of gaining back his skills.
