ask yourself: does every activity in my parish point more deeply to Jesus? Julianne Stanz wants to help you and your parish community make sure the answer to this question is a resounding, "Yes!" Serving parishes in her diocese as the Director of New Evangelization, Stanz has recognized a practical and motivational way to restructure a parish's mission - start with Jesus. Start with Jesus is a book about people, process, and culture, rather than an emphasis on quick fixes or unsustainable efforts. She aims to help regular people be transformed from the inside out by growing in relationship with Jesus Christ through individual and group experiences, thus transforming our parish communities. Start with Jesus will be an essential resource for decision-makers and thought-leaders in parishes, but its true strength lies in its value for the countless Catholics longing for peace, healing, and hope in the context of our parish communities. It will be an inspiration to Catholics who come to Mass each week, parents trying to instill the faith in their children, leaders searching for an effective and sustainable approach to parish renewal, and to all who are curious about developing a relationship with Jesus. It's essential to uncover the current malady affecting the organized Christian Church today, not its structuring and not necessarily its organizational approach, but present to it His solution, which has never been hidden or even veiled in His Word, which is that we must return to the true roots of Christianity, which is founded on the individual discipleship of each member of His body, just as Jesus designed it and modeled it for us while He ministered on this earth. It passed the acid test of resiliency when it was mercilessly persecuted, as its disciples applied the principles as instituted and instructed by our Lord for all of us to display and to do. I encourage anyone to do a Bible search for the word "disciple" and "believer" and see firsthand that these words are not interchangeable or used in the same context when referring to a specific person who's known to be committed to our Lord, versus referring to a generalization in the

third person to someone or a group who's aware about the existence of the real living God. God's remedy it's still available today to anyone who truly desires to attain it and can decipher that it's only through discipleship that a true believer is infected with the enthusiasm, zeal, and eagerness in the commitment to fulfill John 8:31 and Matthew 28:19, reaching to those around them who thirst and hunger for the things of God, and in that process, experience the life He promises we can live now. It's time to abandon, once and for all, the current practices of mass-producing "supporters," and inscribe it into our minds that the Great Commission was not to make believers but to make disciples. The early church didn't churn out cheerleaders and advocates but bona fide disciples, taught and equipped according to Ephesians 6:10-17, who then, as members of the body of Christ, led by example, transforming them into a formidable, most powerful and effective force the Roman Empire had ever seen. Again, I want to reiterate that I am not against the church, as organized by the apostles, but want to revolutionize it, where discipleship is the top priority and purpose for its existence. I am critical of the current organized version that has taken the place of the real church, that nowadays is wasting vast resources and investing them in huge entertainment amphitheatres, and often dilute, distort, and obscure the true message and method to attain this new life established by our Lord. Unless this change happens, we can't truly reach and change a lost world. Our Real Life in Christ seeks to help those who are experiencing that gnawing sensation that there is much more to God's Word than what is being offered by those weekly sermons in churches today. The 2009 edition of "Christ Our Life" for grades 1-8 maintains the tradition of teaching and reaching God's children. Written by the Sisters of Notre Dame, "Christ Our Life" continues to provide the thorough foundation of our Catholic faith for which the series has been known. 2022: A Book of Grace-Filled Days provides a concise and structured way to listen to God's voice every day of the year. A classic work of Christian faith, "Life of Christ" is considered a Classic work which has been hailed as the most eloquent of Fulton J. Sheen's many books. This book explores the foretelling of Christ's birth, his life, temptations, death, and resurrection. But while Sheen himself was a scholar and academic, his recounting is both readable and accessible to the layperson and is unique in its readability. Broken into five parts, the book explores the early life of Christ, his temptations, the beatitudes, his public life and Passion, and his death and resurrection. Sheen explains the meaning of Christ's words, as well as the significance of the trials and temptations he overcame. Through careful scholarship, he connects the events of Christ's life, showing how even the humble location of his birth on Earth shared an important lesson: "Divinity is always where we least expect to find it." For those seeking to better understand the message of Jesus Christ, this vivid retelling of the greatest story ever lived is a must-read And the Author reminds us that the words of Christ are not "from another time." Christ is timeless and His Word is eternal.. The 2009 edition of "Christ Our Life" for grades 1-8 maintains the tradition of teaching and reaching God's children. Written by the Sisters of Notre Dame, "Christ Our Life" continues to provide the thorough foundation of our Catholic faith for which the series has been known. The Normal Christian Life is Watchman Nee's great Christian classic unfolding the central theme of "Christ our Life." Starting from key passages in Romans, Nee reveals the secret of spiritual vitality that should be the normal experience of every Christian. His

emphasis on the cross and resurrection of Jesus Christ contains fresh insights that have proven a blessing to many. This book, with deep reverence for its subject, takes readers along on a journey of consideration to discover the deeper meanings of the Christian life. Most people think of weakness as purely negative, but true Christianity embraces weakness as a way of life. In this collection of meditations on 2 Corinthians, renowned Bible scholar and theologian J. I. Packer reflects on the central importance of weakness for the Christian life. He exhorts readers to look to Christ for strength, affirmation, and contentment in the midst of their own sin and frailty. Now in his mid-eighties, Packer mediates on the truths of Scripture with pastoral warmth and exegetical care, drawing on lessons learned from the experience of growing older and coming face-to-face with his own mortality. Overflowing with wisdom gleaned from a life of obedience to Christ and dependence on his Word, this encouraging book ultimately directs readers to the God who promises to be ever-present and all-sufficient. *Christ Our Life*. This wonderful book looks at the person and work of Christ, from his preexistence and eternal Sonship, through his incarnation, life, death, resurrection and ascension, to his return. It considers and applies the theological significance of all this, looking especially at how all our salvation is found in Christ. That is, it considers soteriology and the Christian life with and through the lens of Christology. Written in an accessible and devotional manner, with frequent references to historical theologians and their insights, *Christ Our Life* follows on from the huge success of the author's bestselling work, *The Good God* (Paternoster, 2012).

resurrection and ascension, to his return. It considers and applies the theological significance of all this, looking especially at how all our salvation is found in Christ. That is, it considers soteriology and the Christian life with and through the lens of Christology. Written in an accessible and devotional manner, with frequent references to historical theologians and their insights, *Christ Our Life* follows on from the huge success of the author's bestselling work, *The Good God* (Paternoster, 2012). "You can choose to see a trial as a roadblock or an expressway. If you see it as a roadblock, it will obstruct your way. However, if you see it as an expressway, you can use it to learn and grow." "The gospel of Jesus Christ is the plan whereby we can become what God wants us to become. In fact, we become great people because of our trials, not in spite of them." This booklet reviews the nature, origins, and purposes of adversity and includes suggestions on how to patiently trust in the Lord and His eternal plan and how to use these trials to learn and grow stronger. You can benefit from your trials if you: Develop a relationship with God Let others help you Let God carry your burdens Trust that the Lord is in control and allow His will to be done Remember that everyone has challenges Let adversity make you a better person Live with integrity Be patient Make the best of your situation Serve others Keep a positive attitude Keep an eternal perspective Hayford discusses the newborn believer's relationship to God, how the Bible can help the believer, types of baptisms, and the importance of spending time with other believers. To young Christians of the world, Pope Francis has a message for you: "Christ is alive, and he wants you to be alive!" In his fourth apostolic exhortation, *Christus Vivit*, Pope Francis encapsulates the work of the 2018 synod of bishops on "Young People, The Faith, and Vocational Discernment." Pope Francis has always had a special relationship with young people, and in his fatherly love for you he shows that: You can relate to young people in Scripture who made a difference You identify with the Christ who is always young

You face difficult issues in the world today You yearn for the truth of the Gospel You are capable of amazing things when you respond to the Gospel You learn and grow with help from the faithful of all generations You need bold and creative youth ministry You can discover who God made you to be You are urged to pray for discernment Christus Vivit is written for and to young people, but Pope Francis also wrote it for the entire Church, because, as he says, reflecting on our young people inspires us all. "May the Holy Spirit urge you on as you run this race. The Church needs your momentum, your intuitions, your faith. We need them! And when you arrive where we have not yet reached, have the patience to wait for us." This book is based on my doctoral thesis, entitled The Actualisation of the Hypostatic Principle in the Theology of Archimandrite Sophrony, which was submitted at the Faculty of Theology of the University of Thessalonica in 1998. I have wanted since then to proceed to a more complete presentation of Fr Sophrony's teaching. Perhaps even now I have not succeeded fully in this aim, but I have tried at least to set out the basic themes of his theology. I alone am responsible for any imperfections or omissions apparent in this book. For whatever good it may contain, the praise belongs to my ever-memorable Staretz, who is my life's greatest benefactor. Above all, it is to our Lord Jesus Christ, who manifested to us in its perfection the Pattern, the Model, the Length, and Depth, and Height, of the Person of the Father, that glory is due unto all ages. Archimandrite Zacharias Zacharou Spiritual writer, theologian, and philosopher Jesuit Fr. Robert Spitzer tackles the topic of recognizing and overcoming spiritual evil. His focus is the human heart. His goal: our moral and spiritual transformation, which leads to true peace and genuine happiness. The book is divided into two main parts: the realities of God's goodness and of spiritual evil, and recognizing and overcoming diabolical tactics, which range from temptation and deception to the Deadly Sins. Father Spitzer shows readers how to experience God's peace even

during times of suffering and persecution. He examines the basics of the spiritual life and Christian mysticism, including the contemplative dimension. He explains the purgative, illuminative, and unitive aspects of spirituality, as well as the Lord's consolation and the passive Dark Night of the Spirit. Father Spitzer provides the biblical and theological background of Jesus' victory over Satan. The author also explores the reality of the Devil, including extraordinary manifestations of diabolic activity such as possession. He recalls the true story of the famous possession case on which the novel and film *The Exorcist* were based. In the final sections of the book the author explains: how diabolical spiritual forces operate how temptation works, and what to do to defeat it the "deadly sins" and how to overcome them Filmed on location in the Holy Land, *Jesus: the Way, the Truth, and the Life* is a new and fresh look at Jesus -- who he is, what he is really like, what he taught, and what he did for our salvation. This encounter with Christ will inspire and empower you to center your entire life around him as you come to know and love him in an ever-deeper and more intimate way. This Faith & Life activity book is designed for use in the home or classroom and provides creative activities for review and reinforcement of each lesson. Through carefully developed and selected activities, the emphasis is on understanding and putting into practice the teachings of Christ in everyday life. **THEME:** Preparation for the first reception of the sacraments of Penance and Holy Communion, with the law of God and salvation history as background.
