Japanese Tales of Mystery and Imagination Nov 10 2020 This collection of mystery and horror stories is regarded as Japan's answer to Edgar Allan Poe. Japanese Tales of Mystery & Imagination, the first volume of its kind translated into English, is written with the quick tempo of the West but rich with the fantasy of the East. These nine bloodcurdling, chilling tales present a genre of literature largely unknown to readers outside Japan, including the strange story of a quadruple amputee and his perverse wife; the record of a man who creates a mysterious chamber of mirrors and discovers hidden pleasures within; the morbid confession of a maniac who envisions a career of foolproof "psychological" murders; and the bizarre tale of a chair-maker who buries himself inside an armchair and enjoys the sordid "loves" of the women who sit on his handiwork. Lucid and packed with suspense, Edogawa Rampo's stories found in Japanese Tales of Mystery & Imagination have enthralled Japanese readers for over half a century. Mystery stories include: The Human Chair The Caterpillar Two Crippled Men The Traveler with the Pasted Rag Picture

Tar Heel Dead May 05 2020 From O. Henry to Lilian Jackson Braun, North Carolina has nurtured some of the world's best-known mystery writers. This unique collection of mystery short stories showcases some of North Carolina's best writing talent from the past and the present--some famous, some less well known. Some of the mysteries are by authors who have earned solid reputations in other genres, such as Orson Scott Card and William Brittain, but as their stories here demonstrate, their talent embraces the mysterious. The stories in this collection are

as diverse as the "detectives" they feature: the Native American policeman who solves his first case on the reservation; a Siamese cat with an intuitive affection for his paraplegic neighbor; an attentive convenience store owner; and a thirty-year-old computer whiz whose body stopped growing when he was nine. They solve crimes, locate treasures, and uncover deceit in a range of tales that reflects the breadth of the genre. With stories to delight mystery devotees and fans of all good writing, this anthology highlights one of the most vibrant and popular elements of North Carolina's literary legacy. Edgar Allan Poe's Tales of Mystery and Madness Feb 06 2023 A sweet little cat drives a man to insanity and murder.... The grim death known as the plague roams a masquerade ball dressed in red.... A dwarf seeks his final revenge on his captors.... A sister calls to her beloved twin from beyond the grave.... Prepare yourself. You are about to enter a world where you will be shocked, terrified, and, though you'll be too scared to admit it at first, secretly thrilled. Here are four tales -- The Black Cat, The Masque of the Red Death, Hop-Frog, and The Fall of the House of Usher -- by the master of the macabre, Edgar Allan Poe. The original tales have been ever so slightly dismembered -- but, of course, Poe understood dismemberment very well. And he would shriek in ghoulish delight at Gris Grimly's gruesomely delectable illustrations that adorn every page. So prepare yourself. And keep the lights on.

Tales of Mystery and Horror Aug 08 2020 This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1920 edition. Excerpt: ... That Scoundrel Miron NO one ever understood how this woman, who was neither young nor pretty, got complete possession of the heart, the mind, the whole life of Miron. Directly he met her he broke with his best friends, left off going to his familiar haunts, and instead of devoting himself as formerly to Art for Art's sake, took to painting the rankest pot-boilers. "When a man who had been a great friend in the old days ventured to say: "You're an idiot, Miron. You are spoiling your style, abusing your talent . . ."he only shrugged his shoulders and said: "Nonsense." When the friend insisted, reminding him of the conscientious work, full of more than promise, he had done in the old days of his dreams of fame, he grew angry. "My talent? My dreams? You make me laugh. When I had them I slept in a garret, I had one meal a day. I know people will now stop saying: 'You'll see, he'll be rich some day!' but in the meanwhile I can eat as much as I like and am free from sordid worries. I am happy, very happy." He walked rapidly away. But when he was sure that he was out of sight, he stopped at a cafe and sat for hours lost in thought with an empty glass in front of him. Miron lied: he was not happy. At first his love had absorbed him to the exclusion of everything else. To get the extra money that was necessary for his new kind of existence he had dashed off little sketches and drawings for the illustrated papers, and when he felt too disgusted with this prostitution of his talent, he had consoled himself by thinking that before long he would return to serious work. But as time flew by he had become morally weak, almost cowardly, and now there was a gnawing bitterness at the bottom of his heart and he was ashamed of himself, ashamed of the
