Accounting Grade 12: Workbook 1. Module 0-6

Study & Master Accounting Grade 12 has been developed
with the help of practising teachers, and covers all the
requirements of the National Curriculum Statement for
Accounting. Special features of the Teacher's Guide
include: * a full overview of the National Curriculum
Statement * a detailed look at the Learning Outcomes and
Assessment Standards for Accounting, and how much time to
allocate to each during the year * valuable information on
assessment, and how to manage assessment in the classroom *
a year planner and work schedule that will facilitate
effortless planning solutions to all the activities in the
Learner's Book * photocopiable assessment sheets for each
type and method of assessment. PASS Accounting provides a

comprehensive overview of the curriculum to help you prepare for the exam. Here you will find:

- clear definitions and explanations
- worked examples
- practice activities covering typical exam questions
- templates for recording your answers at the back of the book
