*On Fire* Nov 27 2022 In the bestselling tradition of Brene

Brown's Daring Greatly and Nick Vujicic's Life Without Limits comes a rousing 7-step plan for living a life on fire, filled with hope and possibility—from an inspirational speaker who survived a near-fatal fire at the age of nine and now runs a successful business inspiring people all around the world. When John O'Leary was nine years old, he was almost killed in a devastating house fire. With burns on one hundred percent of his body, O'Leary mustered an almost unimaginable amount of inner strength just to survive the ordeal. The insights he gained through this experience and the heroes who stepped into his life to help him through the journey—his family, the medical staff, and total strangers—changed his life. Now he is committed to living life to the fullest and inspiring others to do the same. An incredible and emotionally honest account of triumph over tragedy, *On Fire* contains O'Leary's reflections on being that little boy, the life-giving choices made then, and the resulting lessons he learned. O'Leary very clearly shares that without the right people providing the right guidance, at the right time, he never would have made it through those five months in the hospital, let alone the years that followed as he struggled to regain mobility,

embrace his story, and ignite clarity of his life's purpose. *On Fire* encourages us to seize the power to choose our path and transform our lives from mundane to extraordinary. Once we stop thinking solely on the big moments in our lives, we can begin to focus on those smaller opportunities that tend to pass us by. These are the events—the inflection points in our lives—that can determine how we feel about life now, where we are headed in the future, and how many lives we can impact along the way. We can't always choose the path we walk, but we can choose how we walk it. Empowering, inspiring, remarkably honest, and heartfelt, O'Leary's strength and incredible spirit shine through on every page. **Gods of Fire and Thunder** Oct 27 2022 Haraldur the northman once joined Jason on his fabled quest for the Golden Fleece, but now he wants nothing more to do with gods and adventure. Returning to his homeland for the first time in many years, he hopes only to settle down on a farm of his own—until he comes across an impenetrable wall of eldritch fire and a lovesick youth determined to breach the wall at any cost. Behind the towering flames, he is told, lies a beautiful Valkyrie trapped in an enchanted sleep, as well as, perhaps, a golden treasure beyond mortal reckoning. It is

the gold that tempts Hal to agree, against his better judgment, to assist the youth in his quest. But to find a way past the fiery wall, they must first brave gnomes, ghosts, and the wrath of the gods themselves. For a mighty battle is brewing, and Hal soon finds himself caught up in a celestial conflict between Thor the Thunderer, Loki the Trickster, and most powerful of all, Wodan, the merciless Lord of Battles!

### **Incident Management for the Street-Smart Fire**

**Officer** Feb 25 2020 In the second edition of Incident Management for the Street-Smart Fire Officer, author Skip Coleman expands on the mindset and tactics necessary to manage the fireground with more control and less chaos. Incident management system (IMS) is a tool that defines the role and responsibilities of each fire department member, allowing crew members to function quickly and efficiently upon arrival at the fireground all the while meeting the commanders expectations. Regardless of the size or geographic location of fire department, an IMS is one of the most practical innovations available that yields measurable results. The days of chief officers pulling up to a fire and allowing the fire to run them are over. Incident management makes thinkers out of commanders.

**Fire and Flood** Jan 06 2021 The definitive history of the modern climate change era, from an award-winning writer who has been at the centre of the fight for more than thirty

years In 1979, President Jimmy Carter was presented with the findings of scientists who had been investigating whether human activities might change the climate in harmful ways. "A wait-and-see policy may mean waiting until it is too late," their report said. They were right -- but no one was listening. Four decades later, we are haunted by the consequences of this inattention, and the years of complacency, obfuscation and denialism that followed. Today, the staggering scale and scope of what we have done to the planet is impossible to ignore: the seasons of fire and flood have crossed into plain view. Fire and Flood is a comprehensive, compulsively readable history of climate change from veteran environmental journalist Eugene Linden. Linden retells the story of the modern climate change era decade by decade, tracking the progress of four ticking clocks: first, the reality of climate change itself; second, advances in scientific understanding; third, the spread of public awareness; and fourth, the business and finance response. Like no previous writer, Linden has drawn together the elements of the biggest story in the world, in a book that is gripping as history, as economic investigation, and as scientific thriller.

**Of Fire And Flame** Jan 18 2022 Return to New York Times bestselling author Donna Grant's Dark Kings world for a special prequel novella... Three extraordinary beings, one tangled Fate. Untold power

requires unfathomable responsibility. But it also brings danger, sacrifice, heartache, and many tough decisions. One fateful day and the choices and actions therein have the power to ripple across time, affecting more people than ever imagined. Destiny brought them together. Fate tore them apart. But time may heal all wounds.

**Caves of Fire and Ice** Nov 15 2021 In the twenty-second century, Telien Skeelie, and Ramad search for each other after being separated in time when each realizes that the remains of a runestone must be found if the forces of good are to be saved.

**The Ecological Importance of Mixed-Severity Fires** Mar 27 2020 The Ecological Importance of High-Severity Fires, presents information on the current paradigm shift in the way people think about wildfire and ecosystems. While much of the current forest management in fire-adapted ecosystems, especially forests, is focused on fire prevention and suppression, little has been reported on the ecological role of fire, and nothing has been presented on the importance of high-severity fire with regards to the maintenance of native biodiversity and fire-dependent ecosystems and species. This text fills that void, providing a comprehensive reference for documenting and synthesizing fire's ecological role. Offers the

first reference written on mixed- and high-severity fires and their relevance for biodiversity Contains a broad synthesis of the ecology of mixed- and high-severity fires covering such topics as vegetation, birds, mammals, insects, aquatics, and management actions Explores the conservation vs. public controversy issues around megafires in a rapidly warming world

[Fire and Life Safety Inspection Manual](#) Feb 16 2022 The Fire and Life Safety Inspection Manual, Ninth Edition is the most up-to-date inspection reference manual for those interested in fire protection, fire safety, and life safety inspections. It provides step-by-step guidance through the complete fire inspection process, with special emphasis on life safety considerations. This text identifies dangerous and hazardous conditions that could be encountered in a structure and spells out the chief areas the inspector should be focused on during an inspection. Inspectors should use the Fire and Life Safety Inspection Manual, Ninth Edition to identify existing deficiencies, imminently dangerous conditions, or a fault in a procedure or protocol that may result in a fire. Six new chapters have been added to make sure fire inspectors have the knowledge and resources available to effectively conduct

all types of fire inspections. These new chapters include: - Chapter 5 Certification and Training for Inspectors - Chapter 6 Green Technologies and the Inspector - Chapter 24 Commissioning Process for Fire Protection Systems - Chapter 25 Accessibility Provisions - Chapter 26 Grass, Brush, and Forest Fire Hazards - Chapter 27 Tunnels More than three hundred codes and standards form the basis for the criteria, recommendations, and requirements that are found throughout the text. Early chapters provide important background information, while the second half presents inspection guidelines for specific fire protection systems and occupancies that are based on the Life Safety Code(R). This text is packaged with an access code that provides free access to easy-to-follow checklists to help you remember and record every important detail. Whether you're just starting your career as a fire inspector or ready to brush up on the basics, the Fire and Life Safety Inspection Manual, Ninth Edition has the reliable inspection advice you need. Now

Karpyshyn introduces a brilliantly innovative epic fantasy of perilous quests, tormented heroes, and darkest sorcery—a thrilling adventure that vaults him into the company of such authors as Terry Goodkind, Brandon Sanderson, and Peter V. Brett. Long ago the gods chose a great hero to act as their agent in the mortal world and to stand against the demonic spawn of Chaos. The gods gifted their champion, Daemron, with three magical Talismans: a sword, a ring, and a crown. But the awesome power at his command corrupted Daemron, turning him from savior to destroyer. Filled with pride, he dared to challenge the gods themselves. Siding with the Chaos spawn, Daemron waged a titanic battle against the Immortals. In the end, Daemron was defeated, the Talismans were lost, and Chaos was sealed off behind the Legacy—a magical barrier the gods sacrificed themselves to create. Now the Legacy is fading. On the other side, the banished Daemron stirs. And across the scattered corners of the land, four children are born of suffering and strife, each touched by one aspect of Daemron himself—wizard, warrior, prophet, king. Bound by a connection deeper than blood, the Children of Fire will either restore the Legacy or bring it crashing down, freeing Daemron to wreak his vengeance upon the mortal world. **BONUS:** This edition includes an excerpt from Drew Karpyshyn's *The Scorched Earth*. Praise for *Children of Fire* “This intricately layered

adventure breathes realism and overshadowing menace into ancient mythic archetypes, exposing the pain and wonder inherent in magic and the mingled hope and cynicism of modern fantasy.”—Publishers Weekly (starred review) “A rousing quest fantasy . . . a fast-paced action-packed good and evil thriller.”—SF Revu “From the first page of *Children of Fire*, Karpyshyn captures the reader’s attention with his excellent, intricate storyline.”—RT Book Reviews “*Children of Fire* stands on its own as a thoroughly entertaining tale. The book strikes a perfect balance between character driven storytelling and rich world building.”—Roqoo Depot “[Karpyshyn] is truly a master of world building. . . . I would recommend this title to any fan of the genre.”—Among the Wreckage “Compulsively readable, wildly entertaining.”—A Girl, A Boy and A Blog “*Children of Fire* is engrossing, and full of characters that are modern. . . . I thoroughly enjoyed *Children of Fire* and look forward for the next two books.”—FANgirl Blog “Drew Karpyshyn weaves a rich, contrasting tapestry of epic story and doom. Gripping and compelling from first page to last, *Children of Fire* is a dark-chocolate fantasy; delightfully biting and delectable at once. Four ill-fated children born under a sign of chaos and flame carried me on a journey into an intriguing world of shadowy wonder. It is a spellbinding epic told with masterful craft. Well done, Drew!”—Tracy

Hickman, New York Times bestselling co-author of the *Dragonlance* and *Death Gate* series  
[Fire-Maker](#) Apr 08 2021 From computers to airplanes to life-giving medicines, the technological marvels of our world were made possible by the human use of fire. But the use of fire itself was made possible by an array of features built into the human body and the planet. In *Fire-Maker*, biologist Michael Denton explores the special features of nature that equipped humans to harness the powers of fire and remake their world. This book is a companion to the documentary of the same name, available at [www.privilegedspecies.com](http://www.privilegedspecies.com).

*World Fire* Nov 03 2020 Back in Print *World Fire* is the story of how fire and humans have coevolved. The two are inseparable, and together they have repeatedly remade the planet. ♦ Pyne considers the evolution of fire in such diverse

regions as Australia, Africa, Brazil, Sweden, Greece, Iberia, Russia, and India and then ponders Antarctica, the land without fire. As he examines changing techniques for and attitudes toward fire control, Pyne challenges our concepts of nature and wilderness and explains why the study and management of fire have tremendous environmental, cultural, and political implications. ♦ ♦ **Booklist** ♦ A sweeping historical treatise that examines our world's love/hate relationship with conflagration. His engrossing ideas leave bright embers in the memory. ♦ ♦ **Outside Handbook of Fire & Explosion Protection Engineering Principles for Oil, Gas, Chemical, & Related Facilities** Dec 05 2020 The security and economic stability of many nations and multinational oil companies are highly dependent on the safe and uninterrupted operation of their oil, gas and chemical facilities. One of the most critical impacts that can occur to these operations are fires and explosions from accidental or political incidents. This publication is intended as a general engineering handbook and reference guideline for those personnel involved with fire and explosion protection aspects of critical hydrocarbon facilities. Design guidelines and specifications of major, small and independent oil companies as well as information from engineering firms and published industry references have been reviewed to assist in its preparation. Some of the

latest published practices and research into fire and explosions have also been mentioned.

**Fire** Dec 17 2021 Over vast expanses of time, fire and humanity have interacted to expand the domain of each, transforming the earth and what it means to be human. In this concise yet wide-ranging book, Stephen J. Pyne—named by *Science* magazine as “the world’s leading authority on the history of fire”—explores the surprising dynamics of fire before humans, fire and human origins, aboriginal economies of hunting and foraging, agricultural and pastoral uses of fire, fire ceremonies, fire as an idea and a technology, and industrial fire. In this revised and expanded edition, Pyne looks to the future of fire as a constant, defining presence on Earth. A new chapter explores the importance of fire in the twenty-first century, with special attention to its role in the Anthropocene, or what he posits might equally be called the Pyrocene.

[Fire Phenomena and the Earth System](#) Jun 10 2021 Fire plays a key role in Earth system processes. Wildfires influence the carbon cycle and the nutrient balance of our planet, and may even play a role in regulating the oxygen content of our atmosphere. The evolutionary history of plants has been intimately tied to fire and this in part explains the distribution of our ecosystems and their ability to withstand the effects of natural fires today. *Fire Phenomena and the Earth System* brings together the various subdisciplines

within fire science to provide a synthesis of our understanding of the role of wildfire in the Earth system. The book shows how knowledge of fire phenomena and the nature of combustion of natural fuels can be used to understand modern wildfires, interpret fire events in the geological record and to understand the role of fire in a variety of Earth system processes. By bringing together chapters written by leading international researchers from a range of geological, environmental, chemical and engineering disciplines, the book will stimulate the exchange of ideas and knowledge across these subject areas. *Fire Phenomena and the Earth System* provides a truly interdisciplinary guide that can inform us about Earth's past, present and beyond.

**Readership:** Advanced students and researchers across a wide range of earth, environmental and life sciences, including biogeochemistry, paleoclimatology, atmospheric science, palaeontology and paleoecology, combustion science, ecology and forestry.

*Of Fire and Water* Mar 20 2022 Calla escaped Morbeth only to find herself fighting for her life once more. Incendia seemed the perfect sanctuary of escape. The stories told of the mystical island claim all inhabitants were annihilated. Those tragic tales . . . were lies. Desperate to keep their truth hidden, the islanders take Calla and her friends prisoner. Despite her dire situation, something about that beautiful-yet deadly-paradise speaks to Calla's soul, whispering the

powerful secrets pulsing through her veins. As Roehl hunts for her, eager to claim his murderous vengeance, Calla searches for answers she believes only Incendia can offer. Can Calla harness the power surging within her in time to protect herself, and those she loves, from Roehl? Or, no matter where she runs, will the twisted royal continue to chase her to the farthest reaches of any realm?

*The Circle of Fire* Jul 12 2021

In *The Circle of Fire* (formerly published as *Prayers: A Communion With Our Creator*) Ruiz inspires us to enter into a new and loving relationship with ourselves, with our fellow humans, and with all of creation. Through a selection of beautiful essays, prayers, and guided meditations, Ruiz prepares our minds for a new way of seeing life, and opens our hearts to find our way back to our birthright: heaven on earth. The result is a life lived in joy, harmony, and contentment. In my teachings, "The Circle of Fire" ceremony celebrates the most important day of our lives: the day when we merge with the fire of our spirit, and return to our own divinity. This is the day when we recover the awareness of what we really are, and make the choice to live in communion with that force of creation we call "Life" or "God." From that day forward, we live with unconditional love in our hearts for ourselves, for life, for everything in creation. This book, first published in 2001 as "Prayers: A Communion with Our Creator," will remind you of what you really are. It has

always been my favorite book, and now in honor of my favorite prayer, it has been appropriately renamed "The Circle of Fire." -- don Miguel Ruiz

But when Urgle's Little Brother, Cubby, is carried off by troll-like predators, Urgle and two of his Brothers embark on a quest to rescue him from a place from which no one has ever returned. More praise for *The Boys of Fire and Ash*: "McIsaac's debut fantasy novel is fast-paced and heartstopping. . . . This self-contained story is an

entertaining read that will be enjoyed by many."--School Library Journal "The novel is urgently gritty, with rich worldbuilding and plenty of action."--Publishers Weekly "Contemplative readers will be left with questions to ponder and ethical decisions to mull as well as a satisfying and tense read."--The Bulletin

**Duel of Fire** Oct 15 2021 Dara Ruminor is a serious young duelist in the mountaintop kingdom of Vertigon, a land of dramatic cliffs and misty peaks where mysterious Fire magic runs through the stones like blood. The secluded kingdom has been peaceful for a hundred years. Swords are used for sport, and successful athletes live like kings as long as the crowds love them. Eighteen-year-old Dara needs to find a wealthy patron in order to duel professionally and avoid a lifetime working in her parents' Fire Lantern shop. Her efforts are disrupted when her coach asks her to train with Prince Siv, an infuriating-if handsome-young man who refuses to take the sport as seriously as she does. But the prince's life may be in danger, and soon Dara will discover that Vertigon isn't as peaceful as she thought. As threats emerge from the shadows, Dara will have to raise her sword to protect Siv-if he doesn't irritate her so much that she decides to run him through herself. From the author of the Seabound Chronicles comes a new fantasy series about sword fighting, cur-dragons, molten Fire magic, and one young woman's effort to prove herself.

*Inkmistress* Jun 22 2022 A sweeping, action-packed, and romantic fantasy full of dangerous magic and dark choices, perfect for fans of Tamora Pierce and Kristin Cashore—set in the same world as *Of Fire and Stars*. Asra is a demigod with a dangerous gift: the ability to dictate the future by writing with her blood. To keep her power secret, she leads a quiet life as a healer on a remote mountain, content to help the people in her care and spend time with Ina, the mortal girl she loves. But Asra's peaceful life is upended when bandits threaten Ina's village and the king does nothing to help. Desperate to protect her people, Ina begs Asra for assistance in finding her manifest—the animal she'll be able to change into as her rite of passage to adulthood. Asra uses her blood magic to help Ina, but her spell goes horribly wrong and the bandits destroy the village, killing Ina's family. Unaware that Asra is at fault, Ina swears revenge on the king and takes a savage dragon as her manifest. To stop her, Asra must embark on a journey across the kingdom, becoming a player in lethal games of power among assassins, gods, and even the king himself. Most frightening of all, she discovers the dark secrets of her own mysterious history—and the terrible, powerful legacy she carries in her blood.

*Of Ice and Shadows* Apr 20 2022 The long-awaited sequel to the acclaimed YA fantasy *Of Fire and Stars*! Mare and Denna travel to a new and dangerous kingdom where Denna will be trained to tame her magic by a mysterious queen who is not all she seems. Perfect for fans of Malinda Lo and Kristin Cashore. Princesses Denna and Mare are in love and together at last—only to face a new set of dangers. Mare just wants to settle down with the girl she loves, which would be easier if Denna weren't gifted with forbidden and volatile fire magic. Denna must learn to control her powers, which means traveling

in secret to the kingdom of Zumorda, where she can seek training without fear of persecution. Determined to help, Mare has agreed to serve as an ambassador as a cover for their journey. But just as Mare and Denna arrive in Zumorda, an attack on a border town in Mynaria changes everything. Mare's diplomatic mission is now urgent: she must quickly broker an alliance with the queen of Zumorda to protect her homeland. However, the queen has no interest in allying with other kingdoms; it's Denna's untamed but powerful magic that catches her eye. The queen offers Denna a place among her elite trainees—an opportunity that would force her to choose between her magic and Mare. As Denna's powers grow stronger, Mare struggles to be the ambassador her kingdom needs. By making unconventional friends, her knowledge of Zumorda and its people grow, and so too do her suspicions about who is truly behind the attacks on Zumorda and her homeland. As rising tensions and unexpected betrayals put Mare and Denna in jeopardy and dangerous enemies emerge on all sides, can they protect their love and save their kingdoms?

**Drift Smoke** Oct 03 2020 David Strohmaier's long career as a firefighter has given him intimate knowledge of wildfire and its complex role in the natural world of the American West. It has also given him rare understanding of the painful losses that are a consequence of fire. Strohmaier addresses our ambivalence about fire and the realities of loss to it—of life, human and animal, of livelihoods, of beloved places. He also examines the process of renewal that is yet another consequence of fire, from the infusion of essential nutrients into the soil, to the sprouting of seeds that depend on fire for germination, to the renewal of species as the land restores itself. Ultimately, according to Strohmaier, living with fire is a matter of choices, of "seeing the connection between loss on a personal scale and loss on a landscape scale: in relationship with persons, and in relationship to and with the land." We must cultivate a longer perspective, he says, accepting that loss is a part of life and that "humility and empathy and care are not only core virtues between humans but are also essential virtues in our attitudes and actions toward the earth." *Drift Smoke* is a powerful and moving meditation on wildfire by someone who has seen it in all its terror and beauty, who has lost colleagues and beloved terrain to its ferocity, and who has also seen the miracle of new life sprouting in the ashes.

The debate over the role and control of fire in the West will not soon end, but Strohmaier's contribution to the debate will help all of us better appreciate both the complexity of the issues and the possibilities of hitherto unconsidered solutions that will allow us to inhabit a place where fire is a natural, and needed, part of life.

*Fire & Blood* Apr 28 2020 #1 NEW YORK TIMES BESTSELLER • The thrilling history of the Targaryens comes to life in this masterly work, the inspiration for HBO's Game of Thrones prequel series House of the Dragon "The thrill of *Fire & Blood* is the thrill of all Martin's fantasy work: familiar myths debunked, the whole trope table flipped."—Entertainment Weekly Centuries before the events of A Game of Thrones, House Targaryen—the only family of dragonlords to survive the Doom of Valyria—took up residence on Dragonstone. *Fire & Blood* begins their tale with the legendary Aegon the Conqueror, creator of the Iron Throne, and goes on to recount the generations of Targaryens who fought to hold that iconic seat, all the way up to the civil war that nearly tore their

dynasty apart. What really happened during the Dance of the Dragons? Why was it so deadly to visit Valyria after the Doom? What were Maegor the Cruel's worst crimes? What was it like in Westeros when dragons ruled the skies? These are but a few of the questions answered in this essential chronicle, as related by a learned maester of the Citadel and featuring more than eighty-five black-and-white illustrations by artist Doug Wheatley—including five illustrations exclusive to the trade paperback edition. Readers have glimpsed small parts of this narrative in such volumes as *The World of Ice & Fire*, but now, for the first time, the full tapestry of Targaryen history is revealed. With all the scope and grandeur of Gibbon's *The History of the Decline and Fall of the Roman Empire*, *Fire & Blood* is the first volume of the definitive two-part history of the Targaryens, giving readers a whole new appreciation for the dynamic, often bloody, and always fascinating history of Westeros. Praise for *Fire & Blood* "A masterpiece of popular historical fiction."—*The Sunday Times* "The saga is a rich and dark one, full of both the title's promised elements. . . . It's hard not to thrill to the descriptions of dragons engaging in airborne combat, or the dilemma of whether defeated rulers should 'bend the knee,' 'take the black' and join the Night's Watch, or simply meet an inventive and horrible end."—*The Guardian* *Lady of Fire* Jan 24 2020 First in the epic medieval romance

series: A passionate story of intrigue, chivalry, and forbidden love from the author of *Fire and Steel*. Beautiful Eleanor of Nantes is pursued by many great noblemen, including the evil Robert of Belesme and charming Prince Henry, son of William the Conqueror. But it is the dashing Roger FitzGilbert, born a bastard with no title to his name, who sweeps her off her feet. Their love may be forbidden, but their passion is undeniable . . . "Anita Mills makes a phenomenal debut . . . Splendid . . . A highly romantic, action-packed tale of enduring love." —*Romantic Times* "For medieval romance lovers, this one should be on your keeper shelf . . . The story is rich in historic details with an intricately woven plot, fast-moving dialog and action. It's a page-turner and so well written." —*Historical Romance Review* with Regan Walker  
**Quantitative Evaluation of Fire and EMS Mobilization Times** Aug 25 2022  
Quantitative Evaluation of Fire and EMS Mobilization Times presents comprehensive empirical data on fire emergency and EMS call processing and turnout times, and aims to improve the operational benchmarks of NFPA peer consensus standards through a close examination of real-world data. The book also identifies and analyzes the elements that can influence EMS mobilization response times. Quantitative Evaluation of Fire and EMS Mobilization Times is intended for practitioners as a tool for analyzing fire emergency

response times and developing methods for improving them. Researchers working in a related field will also find the book valuable.  
**Of Fire and Lions** Aug 01 2020 The Old Testament book of Daniel comes to life in this novel for readers of Lynn Austin's *Chronicles of the Kings* series or Francine Rivers' *Mark of the Lion* series. FINALIST FOR THE CHRISTY AWARD® Survival. A Hebrew girl first tasted it when she escaped death nearly seventy years ago as the Babylonians ransacked Jerusalem and took their finest as captives. She thought she'd perfected in the many years amongst the Magoi and the idol worshippers, pretending with all the others in King Nebuchadnezzar's court. Now, as Daniel's wife and a septuagenarian matriarch, Belili thinks she's safe and she can live out her days in Babylon without fear--until the night Daniel is escorted to Belshazzar's palace to interpret mysterious handwriting on a wall. The Persian Army invades, and Bellili's tightly-wound secrets unfurl with the arrival of the conquering army. What will the reign of Darius mean for Daniel, a man who prays to Yahweh alone? Ultimately, Yahweh's sovereign hand guides Jerusalem's captives, and the frightened Hebrew girl is transformed into a confident woman, who realizes her need of the God who conquers both fire and lions.  
**Sword of Fire and Sea** Dec 29 2022 Captain Vidarian Rulorat's great-grandfather gave up an imperial

commission to commit social catastrophe by marrying a fire priestess. For love, he unwittingly doomed his family to generations of a rare genetic disease that follows families who cross elemental boundaries. Now Vidarian, the last surviving member of the Rulorat family, struggles to uphold his family legacy, and finds himself chained to a task as a result of the bride price his great-grandfather paid: The priestess Endera has called upon Vidarian to fulfill his family's obligation by transporting a young fire priestess named Ariadel to a water temple far to the south, through dangerous pirate-controlled territory. Vidarian finds himself at the intersection not only of the world's most volatile elements, but of the ancient and alien powers that lurk between them...

An atmospheric and romantic debut fantasy perfect for fans of *Ash and The Winner's Curse*. Betrothed since childhood to the prince of Mynaria, Princess Dennaleia has always known what her future holds. Her marriage will seal the alliance between Mynaria and her homeland, protecting her people from other hostile kingdoms. But Denna has a secret. She possesses an Affinity for fire—a dangerous gift for the future queen of a land where magic is forbidden. Now Denna has to learn the ways of her new kingdom while trying to hide her growing

magic. To make matters worse, she must learn to ride Mynaria's formidable warhorses before her coronation—and her teacher is the person who intimidates her most, the prickly and unconventional Princess Amaranthine, sister of her betrothed. When a shocking assassination leaves the kingdom reeling, Mare and Denna reluctantly join forces to search for the culprit. As the two work together, they discover there is more to one another than they thought—and soon their friendship is threatening to blossom into something more. But with dangerous conflict brewing that makes the alliance more important than ever, acting on their feelings could be deadly. Forced to choose between their duty and their hearts, Mare and Denna must find a way to save their kingdoms—and each other. Plus don't miss the sequel: *Of Ice and Shadows*!
