STORIES THAT ARE FUN TO READ, USING SIGHT WORDS KIDS SHOULD KNOW. Includes a feel good story about Kojo the elephant and his friends in an African forest reserve, that makes you cheer. Reproduction of the original. #1 NEW YORK TIMES BESTSELLER • From the author of Small Great Things and A Spark of Light comes a “powerful” (The Washington Post) novel about the choices that alter the course of our lives. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY MARIE CLAIRE Everything changes in a single moment for Dawn Edelstein. She’s on a plane when the flight attendant makes an announcement: Prepare for a crash landing. She braces herself as

thoughts flash through her mind. The shocking thing is, the thoughts are not of her husband but of a man she last saw fifteen years ago: Wyatt Armstrong. Dawn, miraculously, survives the crash, but so do all the doubts that have suddenly been raised. She has led a good life. Back in Boston, there is her husband, Brian, their beloved daughter, and her work as a death doula, in which she helps ease the transition between life and death for her clients. But somewhere in Egypt is Wyatt Armstrong, who works as an archaeologist unearthing ancient burial sites, a career Dawn once studied for but was forced to abandon when life suddenly intervened. And now, when it seems that fate is offering her second chances, she is not as sure of the choice she once made. After the crash landing, the airline ensures that the survivors are seen by a doctor, then offers transportation to wherever they want to go. The obvious destination is to fly home, but she could take another path: return to the archaeological site she left years before, reconnect with Wyatt and their unresolved history, and maybe even complete her research on *The Book of Two Ways*—the first known map of the afterlife. As the story unfolds, Dawn's two possible futures unspool side by side, as do the secrets and doubts long buried with them. Dawn must confront the questions she's never truly asked: What does a life well lived look like? When we leave this earth, what do we leave behind? Do we make choices . . . or do our choices make us? And who would you be if you hadn't turned out to be the person you are right now? One enchanting romance. Two lovers keeping secrets. And a uniquely crafted book that binds their stories forever. When Evelyn Morgan walked into the village bookstore, she didn't know she would meet the love of her life. When Brendan Thorne handed her a medieval romance, he didn't know it would change the course of his future. It was almost as if they were the cursed lovers in the old book itself . . . *The Thorn and the Blossom* is a remarkable literary artifact: You can open the book in either direction to decide whether you'll first read Brendan's, or Evelyn's account of the mysterious love affair. Choose a side, read it like a regular novel—and when you get to the end, you'll find yourself at a whole new beginning. Traditionally, the fault lines in biblical theology

run between the understanding of whether the field is a purely descriptive endeavor, produces a normative theology, or tries to achieve both. However, is this the only grid we should use to approach biblical theology? Should practicing it not rather foremost result in a transformative experience that encompasses and integrates both Testaments? Two Testaments, One Story explores the foundation for a transformative panbiblical theology that empowers believers to live a consistent and compelling life as Christ-followers and global Christians in a pluralistic world. Join the author in this journey, from the preparation work at the drawing board through the extensive study of scripture to constructing the biblical story world's literary and theological framework. Central to this quest are the concepts of cultural memory and remembrance culture and identifying the Bible's critical root stories. Their workup establishes the road to unlocking scripture's story world. Discover the path to a transformative panbiblical theology in Two Testaments, One Story. This is the story of two proud Midshipmen parents, Cassandra and Michael, and the sacrifices they made to provide an amazing future for their children. As the parents watch their daughter's induction to the United States Naval Academy, they reminiscence on their surprising romance and the many challenges they faced as a young couple. Depending on whether you ask Cassandra or Michael, their love story began at two very different times. Although they knew of each other in high school, a chance encounter led to one spectacular kiss and a shared life that would bless them in ways they couldn't have predicted. Not all of it was easy, as Cassandra and Michael recount. Michael is African American, Cassandra is Latina, and they illuminate the struggles they faced raising their two children, Alexes and Mikey, as the Rodney King riots, 9/11, and the Iraq war serve as the backdrop. Through it all, they would face extreme discrimination but rise above it to give their children amazing opportunities and experiences. Instead, I was delivered an insurmountable blow that knocked me awry, destroying my stability, my desire and my ambition. While others climbed the hill to success, I could only watch in awe and amazement as family, friends and colleagues accomplished the very things that, at one time, I hoped I could achieve. An inch from death, I mustered every bit of faith, strength and courage to get back on my feet. Simple text and bright illustrations describe the work of French painter, Henri Matisse, particularly his joyful use of color. "Parents looking for a book about separation or divorce will find few offerings as positive, matter-of-fact, or child-centered as this one. . . . Simple, yet profoundly satisfying." – Booklist (starred review) At Mommy's house, Alex has a soft chair. At Daddy's house, Alex has a rocking chair. In each home, Alex also has a special bedroom and lots of friends to play with. But whether Alex is with Mommy or with Daddy, one thing always stays the same - Alex is loved. The gently reassuring text focuses on what is gained rather than what is lost when parents divorce, while the sensitive illustrations, depicting two unique homes in all their small details, firmly establish Alex's place in both of them. Ready Player Two takes us on another imaginative, fun, action-packed adventure through his beloved virtual universe, and jolts us thrillingly into the future once again. Louise Erdrich meets Karen Russell in this deliciously strange and daringly original novel from Pulitzer Prize finalist Margaret Verble: An eclectic cast of characters--both real and ghostly--converge at an amusement park in Nashville, 1926. This is the moving and powerful account of two remarkable boys struggling to survive in Chicago's Henry Horner Homes, a public housing complex disfigured by crime and neglect. In this New York Times bestseller, a single father discovers the true nature of unconditional love when a new chance at happiness turns his world upside down. At 32, Russell Green has it all: a stunning wife, a lovable six year-old daughter, a successful career as an advertising executive, and an expansive home in Charlotte. He is living the dream, and his marriage to the bewitching Vivian is at the center of it. But underneath the shiny surface of this perfect existence, fault lines are beginning to appear . . . and no one is more surprised than Russ when every aspect of the life he has taken for granted is turned upside down. In a matter of months, Russ finds himself without a job or a wife, caring for his young daughter while struggling to adapt to a new and baffling reality. Throwing himself into the wilderness of single parenting, Russ embarks on a journey at once terrifying and rewarding -- one that will test his abilities and his emotional resources beyond anything he's ever imagined. When a chance encounter with an old flame tempts him to take a chance on love again, he will navigate this new opportunity with trepidation and wonder. But with the loyal support of his parents, the wisdom of his older sister, Marge, and in the hard-won lessons of fatherhood, Russ will finally come to understand the true nature of unconditional love -- that it is a treasure to be bestowed, not earned. There are two sides to every story. A little girl finds a strange beast in the woods and takes it home as a pet. She feeds it, shows it off to her friends and gives it a hat. But that night it escapes. Then the beast tells the story of being kidnapped by the girl, who forced it squirrel food, scared it with a group of beasts and wrapped it in wool. Can the two beasts resolve

their differences? An eye-opening story that makes you look at things from a different perspective. 'Robertson's premise is as sublime as it is simple, with a subtle message. [...] Totally delightful.' - Kirkus Reviews

For most people, a diagnosis of cystic fibrosis means the certainty of a life ended too soon. But for Isabel Stenzel Byrnes and Anabel Stenzel, twin girls with the disease, what began as a family's stubborn determination grew into a miracle. The tragedy of CF has been touchingly recounted in such books as Frank Deford's *Alex: The Life of a Child*, but *The Power of Two* is the first book to portray the symbiotic relationship of twins who share this life-threatening disease through adulthood. Isabel and Anabel tell of their lifelong struggle to pursue normal lives with cystic fibrosis while grappling with the realization that they will die young. Their story reflects the physical and emotional challenges of a

particularly aggressive form of CF and is an honest and gripping portrayal of the daily struggle associated with long-term hospitalization, the impact of chronic illness on marriage and family, and the importance of a support network to continuing survival. Born in 1972, seventeen years before scientists discovered the genetic mutation that causes CF, the Stenzel twins endured the daily regimen of chest percussion, frequent doctor visits, and lengthy hospitalizations. But in the face of innumerable setbacks, their deep-seated dependence on each other allowed them to survive long enough to reap the benefits of the miraculous lung transplants that marked a turning point in their lives: "We have an old life—one of growing up with chronic illness—and anew life—one of opportunities and gifts we have never imagined before." In this memoir, they pay tribute to the people who shaped their experience. These two remarkable sisters have much to teach about the power of perseverance—and about the ultimate power of hope. A Chance Encounter in a Military Cemetery in France, and the Extraordinary American Family It Revealed Colonel Ollie W. Reed was commanding officer of the 175th Infantry Regiment, 29th Division, when he was mortally wounded on July 30, 1944, in Villebaudon, France. At the time of his death, he was unaware that his son, Lieutenant Ollie W. "Bud" Reed, Jr., a 1942 graduate of West Point, had been killed in his second day of combat in Italy on July 5, 1944. They are buried alongside one another in the Normandy American Cemetery. Of the four hundred thousand Americans who lost their lives in World War II, Ollie and Bud Reed are the only father and son to perish while fighting for their country. In Manhattan, Kansas, Bud's wife, Laura, and their infant son lived with his mother, Mildred Reed. On a warm August 1944 afternoon, an official car arrived at the Reeds' residence to inform Laura that her husband had been killed in combat. In disbelief, the young widow held on to her mother-in-law; several hours later, another official car arrived bearing the overwhelming news that Mildred Reed too had lost her husband in battle. In *Two Gold Stars: A World War II Story of Love and Sacrifice*, writer, producer, and photographer Dennis Whitehead tells the story of an exemplary Midwestern family who

dedicated their lives to serving in the armed forces at a time when Americans had faith in their political leaders, institutions, and the essential goodness of people. Relying on family letters, photographs, interviews, and Mildred Reed's remarkable memoir written for her grandchildren, the author paints a vivid and moving portrait of the Reeds, from the time Ollie, Sr. and Mildred first met, his service in the Mexican Punitive Mission, World War I, and the Philippines; the births of their sons, Ollie, Jr., and Ted; and the ultimate hardship of women being separated from their husbands only to share in a common loss. *A Tale of Two Brothers* is a story written with the intention of starting the conversation about healthy eating with young children. The story will help children establish the connection that what they put in their bodies will impact how they feel. Bobbi the dog was initially chained to keep her safe, but after her owners failed to return, she had to break free. For months, Bobbi wandered the city's ravaged streets-dragging her chain behind her-followed by her feline companion, Bob Cat. After months of hunger and struggle, the Two Bobbies were finally rescued by a construction worker helping to rebuild the city. When he brought them to a shelter, volunteers made an amazing discovery about the devoted friends-Bob Cat was actually blind! He had survived the aftermath of the storm by following the sound Bobbi's chain made as she dragged it along the ground. At the shelter, the two bob-tailed friends refused to be parted, even for a moment. Could rescue workers find the Bobbies' owners? Or could they find a new home that would take them together? This remarkable true story of devotion and survival is a testament to the spirit that defined post-Katrina rescue missions, and is a perfect way to commemorate the this day in history. In the second of two volumes of this magnificently illustrated cultural history—the tie-in to the PBS and BBC series *The Story of the Jews*—Simon Schama details the story of the Jewish people, spanning from their expulsion from Spain during the Inquisition across six hundred years to the present day. It is a story like no other: an epic of endurance against destruction, of creativity in the face of oppression, joy amidst grief, the affirmation of life against the steepest of odds. It spans the centuries and the continents—from the Iberian

Peninsula and the collapse of "the golden age" to the shtetls of Russia to the dusty streets of infant Hollywood. Its voices ring loud and clear, from the philosophical musings of Spinoza to the poetry written on slips of paper in concentration camps. Within these pages, the Enlightenment unfolds, a great diaspora transforms a country, a Viennese psychiatrist forever changes the conception of the human mind. And a great story unfolds. Not—as often imagined—of a people apart, but of a Jewish culture immersed in and imprinted by the peoples among whom they have dwelled. Which, as Simon Schama so brilliantly demonstrates, makes the story of the Jews everyone's story, too. The Story of the Jews Volume 2 features 24 pages of color photos, numerous maps, and printed endpapers. The heartwarming true story of two penguins who create a nontraditional family. At the penguin house at the Central Park Zoo, two penguins named Roy and Silo were a little bit different from the others. But their desire for a family was the same. And with the help of a kindly zookeeper, Roy and Silo got the chance to welcome a baby penguin of their very own. Will the Real King Please Stand Up? From the very beginning, the Bible tells a story of redemption. God made the first man to rule as king over all He created, only to see Adam's reign end before it had barely begun. God knew all this and that's why He sent the One True King, Jesus, to dwell with us and reclaim what Adam had lost, saving mankind from the penalty of sin. Bestselling author Gloria Furman makes this concept come alive for kids in this colorful and creative book comparing Adam, the archetype, with Christ, "the last Adam." Children will learn that while Adam's sin sentenced all of us to death, Jesus's crucifixion and glorious resurrection restored the promise of eternal life for all those who believe in Him. Kids will be reassured that because Jesus is still on the throne, they can trust him whenever they feel sad or scared. There's nothing that Christ their King can't do for them!
