Breaking the Chains, Forging the Nation Apr 12 2021

Breaking the Chains, Forging the Nation offers a new perspective on black political life in Cuba by analyzing the time between two hallmark Cuban events, the Aponte Rebellion of 1812 and the Race War of 1912. In so doing, this anthology provides fresh insight into the ways in which Cubans practiced and understood black freedom and resistance, from the aftermath of the Haitian Revolution to the early years of the Cuban republic. Bringing together an impressive range of scholars from the field of Cuban studies, the volume examines, for the first time, the continuities between disparate forms of political struggle and racial organizing during the early years of the nineteenth century and traces them into the early decades of the twentieth. Matt Childs, Manuel Barcia, Gloria García, and Reynaldo Ortíz-Minayo explore the transformation of Cuba's nineteenth-century sugar regime and the ways in which African-descended people responded to these new realities, while Barbara Danzie León and Matthew Pettway examine the intellectual and artistic work that captured the politics of this period. Aisha Finch, Ada Ferrer, Michele Reid-Vazquez, Jacqueline Grant, and Joseph Dorsey consider new ways to think about the categories of resistance and agency, the gendered investments of traditional resistance histories, and the continuities of struggle that erupted over

the course of the mid-nineteenth century. In the final section of the book, Fannie Rushing, Aline Helg, Melina Pappademos, and Takkara Brunson delve into Cuba's early nationhood and its fraught racial history. Isabel Hernández Campos and W. F. Santiago-Valles conclude the book with reflections on the process of history and commemoration in Cuba. Together, the contributors rethink the ways in which African-descended Cubans battled racial violence, created pathways to citizenship and humanity, and exercised claims on the nation state. Utilizing rare primary documents on the Afro-Cuban communities in the nineteenth and twentieth centuries, *Breaking the Chains, Forging the Nation* explores how black resistance to exploitative systems played a central role in the making of the Cuban nation.

The Chains Of Slavery May 26 2022 *The Chains of Slavery* (1774), an attack on despotism addressed to British voters, in which Jean-Paul Marat first expounded the notion of an “aristocratic,” or “court,” plot; it would become the principal theme of a number of his articles. Jean-Paul Marat, French politician, physician, and journalist, a leader of the radical Montagnard faction during the French Revolution. He was assassinated in his bath by Charlotte Corday, a young Girondin conservative.

Chains of Blood May 14 2021 Rylan was attacked, his young son murdered, his baby daughter taken. But his

assailant left him with two gifts: the gift of magic...and an oath to darkness. Will Rylan use his newfound power to make a stand? Or will his oath to darkness guide him to the enemy?

Bury the Chains Sep 17 2021 This is the story of a handful of men, led by Thomas Clarkson, who defied the slave trade and ignited the first great human rights movement. Beginning in 1788, a group of Abolitionists moved the cause of anti-slavery from the floor of Parliament to the homes of 300,000 people boycotting Caribbean sugar, and gave a platform to freed slaves.

The Chains of Love Jan 02 2023

Chains Mar 04 2023 If an entire nation could seek its freedom, why not a girl? As the Revolutionary War begins, thirteen-year-old Isabel wages her own fight...for freedom. Promised freedom upon the death of their owner, she and her sister, Ruth, in a cruel twist of fate become the property of a malicious New York City couple, the Locktons, who have no sympathy for the American Revolution and even less for Ruth and Isabel. When Isabel meets Curzon, a slave with ties to the Patriots, he encourages her to spy on her owners, who know details of British plans for invasion. She is reluctant at first, but when the unthinkable happens to Ruth, Isabel realizes her loyalty is available to the bidder who can provide her with freedom. From acclaimed author Laurie Halse Anderson comes this compelling, impeccably researched novel that shows the lengths we can go to cast

off our chains, both physical and spiritual.

Beyond the Chains of Illusion Jul 04 2020 First published in 1962 *Beyond the Chains of Illusion* is Fromm's landmark book about Marx and Freud. Here he delivers original readings of these hugely influential thinkers and, in doing so, offers us new ways of understanding the individual and society. Perhaps even more revealing than these readings is the insight we get into Fromm's own thought and the political and social contexts in which he formed his ideas. Including a foreword by Fromm's Literary Executor, Rainer Funk, this is unique introduction to Marx and Freud and also to Fromm's life and thought.

The Chains of Love Feb 29 2020

Breaking the Chains of Bondage Aug 17 2021

The Chains Dec 21 2021 The life of beautiful Eva Heilig-socialist, visionary, and orator--is intertwined with the lives of three generations of Chains, a rough, intrepid family of Brooklyn hoodlums, bootleggers, and ultimately, millionaire businessmen

Dragon in Chains Oct 31 2022 From award-winning author Daniel Fox comes a ravishingly written epic of revolution and romance set in a world where magic is found in stone and in water, in dragons and in men--and in the chains that bind them. Deposed by a vicious usurper, a young emperor flees with his court to the small island of Taishu. There, with a dwindling army, a manipulative

mother, and a resentful population—and his only friend a local fishergirl he takes as a concubine—he prepares for his last stand. In the mountains of Taishu, a young miner finds a huge piece of jade, the potent mineral whose ingestion can gift the emperor with superhuman attributes. Setting out to deliver the stone to the embattled emperor, Yu Shan finds himself changing into something more than human, something forbidden. Meanwhile, a great dragon lies beneath the strait that separates Taishu from the mainland, bound by chains that must be constantly renewed by the magic of a community of monks. When the monks are slaughtered by a willful pirate captain, a maimed slave assumes the terrible burden of keeping the dragon subdued. If he should fail, if she should rise free, the result will be slaughter on an unimaginable scale. Now the prisoner beneath the sea and the men and women above it will shatter old bonds of loyalty and love and forge a common destiny from the ruins of an empire.

Chains of Time Jul 16 2021 Across race and time, a magical battle for freedom... 1859 Mkembro, West Africa "I know what's going to happen," says Amara as she wakes on the morning of her wedding to discover that she has been blessed -- or cursed -- with the power of prophecy. In her visions, she sees the slaver Van Owen, who will soon arrive on Africa's shores. Her father will challenge the invaders, wielding magic against rifles and whips, and setting in motion Amara's bid for freedom -- a quest that will extend for five generations. But no wait is

too long, for Amara can see far into the future. Chains of Time tells two interweaving stories -- Amara's nineteenth century slave chronicle and the tale of her modern-day descendants, all of them fighting to find their voices, their redemption, and their freedom. Praise for CHAINS OF TIME... "A perceptive and gripping tale of race and family." -- Kirkus Reviews "????? The beauty of Woodstone's prose evokes the intensity and allegorical journey that is usually reserved for literary fiction. The writing is simultaneously gorgeous, terrifying, and hopeful." -- Readers' Favorite "R.B. Woodstone has crafted a thoughtful, time-spanning novel that touches on family, oppression, and otherness in Chains of Time... the dramatic blend of history, tragedy, and magic pulls a reader in from the very start." -- Self-Publishing Review "An exceptional story that will place you in the heart and mind of each of the amazing characters. Prepare to be moved by a unique story that delves deep into the historical abuse of a people but has dynamic pockets of excitement, heartbreak, and the paranormal. Highly recommended." -- Lesley Jones, international best-selling author "With captivating characters on a fulfilling magical journey, Chains of Time is a strong novel that does not disappoint." -- IndependentBookReview.com "Though the work is rooted in fantasy and magical realism, there's a highly realistic quality to the historical content and the experience of Africans in the tragedy of the slave trade. Young adult and adult readers alike can appreciate the

sophistication of ideas, which are layered into a powerful storyline that blends present and past exceedingly well." -- K.C. Finn, USA Today best-selling author and Chanticleer Book Award winner

Breaking the Chains of Psychological Slavery Apr 05 2023 In this long-awaited, important and highly readable book, Dr. Na'im Akbar addresses these questions: " Are African-Americans still slaves ?" "Why can't Black folks get together ?" "What is the psychological consequences for Blacks and Whites of picturing God as a Caucasian ?" Learn how to break the chains of your mental slavery with this new book by one of the world's outstanding experts on the African American mind .

All or Nothing May 06 2023 Have you wondered in a country like ours where there are churches on every corner why there aren't more Christians changing the world and standing up for what is right? Have you ever felt trapped and helpless in changing your habits and sins that hold you captive? If you have you are not alone. Many want to live as Christ would have them but feel powerless to overcome the chains that hold them in sin. Howard Morgan takes you step by step through scripture and his own experiences and teaches the secrets to breaking the chains that enslave us and keeps us from becoming the people God intended.

Chains of the Heretic Oct 07 2020 Men are more easily broken than myths. Emperor Cynead has usurped command of the Memoridons—Tower-controlled

memory witches—and consolidated his reign over the Syldoonian Empire. After escaping the capital city of Sunwrack, Captain Braylar Killcoin and his Jackal company evade pursuit across Urglovia, tasked with reaching deposed emperor Thumaar and helping him recapture the throne. Braylar's sister, Soffjian, rejoins the Jackals and reveals that Commander Darzaak promised her freedom if she agreed to aid them in breaking Cynead's grip on the other Memoridons and ousting him. Imperial forces attempt to intercept Braylar's company before they can reach Thumaar. The Jackals fight through Cynead's battalions but find themselves trapped along the Godveil. Outmaneuvered and outnumbered, Braylar gambles on some obscure passages that Arki has translated and uses his cursed flail, Bloodsunder, to part the Godveil, leading the Jackals to the other side. There, they encounter the ruins of human civilization, but they also learn that the Deserters who abandoned humanity a millennium ago and created the Veil in their wake are still very much alive. But are they gods? Demons? Monsters? What Braylar, Soffjian, Arki, and the Jackals discover beyond the Godveil will shake an empire, reshape a map, and irrevocably alter the course of history. Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban

fantasy, steampunk, alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a New York Times bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors.

The Chains of Ares Sep 05 2020 Marcus Fabius Maximus is a Patrician of one of the most elite families in the history of Ancient Rome. Married to the daughter of the legendary murderous Dictator Sulla, he holds the highly prestigious position of Rex Sacrorum, one of the most elite priesthoods that is quite onerous and has zero political power. Maximus has a simple view of the world; Romans are the most important and intelligent people in the world and everyone else are barbarians. His closest friend and bodyguard is a German woman named Kara. Kara is a powerful, muscular, scarred, tattooed former champion gladiatrix. A legendary warrior, she possesses a unique view of Romans and their obsession with politics and other unimportant activities. Ordered by his murderous father-in-law, Dictator Sulla, Maximus and Kara are forced to investigate a murderous ghost, a monstrous specter claiming to be Sulla's infamous archenemy. Having helped save the Spanish armies from disaster, Kara and Maximus investigate a man claiming to be the high priest of the God of Sleep, Hypnos. Maximus suspects the true power is something quite ancient and terrible... Sent to Sparta by the Senate, Kara and Maximus

discover an ancient artifact devoted to Ares, the monstrous god of war, and a secret cult of Spartan warriors secretly being manipulated by some of the most dangerous monsters in mythological history... At the request of the legendary Julius Caesar, Kara and Maximus explore rumors of a secret, bloody fertility cult inhabiting Rome. They must destroy the horrors that rise in the dark Vatican woods before Rome is transformed into a city of death and horror. A political priest. A gladiatrix bodyguard. The vilest occult evils ancient Rome could produce. Three volatile ingredients in author Frank Schildiner's THE CHAINS OF ARES, the first volume from SCHILDINER'S WORLDS, an imprint of Pro Se Productions.

Classical Loop-in-Loop Chains Nov 07 2020 This is not only a book of instruction in chainmaking but it is also a work celebrating man's continuous creativity over thousands of years. At times something that man creates has far-reaching effects; an example that quickly comes to mind is the wheel, which has enabled many developments, from pottery to computers. At this point it is important to note that these same wheels could not have been made without metal tools. From early Neolithic times on gold was a favorite choice in the making of jewelry. During the Neolithic period these "shining stones," probably alluvial, were prized. Actually gold was cold worked as if it were a stone. There is a surviving example of cold-worked gold from Catahuyuk (present

day Turkey) estimated to have been made in 6500 B. C. There were only four metals on the earth's surface that were found in sufficient quantity to be used: gold, copper, silver, and meteoric iron. An understanding of the malleability of gold, and of the annealing effect of fire, changed jewelry making; new forms were found. Gold was no longer a piece of stone but a material that could be flattened and made very thin. Sheet and foil are the oldest forms of worked gold. The smiths' tools were stone, wood, and horn.

The Chains of Sarai Stone Feb 20 2022 On a spring morning in San Jacinto, Kiowa and Comanche raiders massacred Silas Stone's wife and two of his sons. And when they rode off they took Stone's grandchildren, including pretty little Sarai, with them. Stone and his men searched the West for the children and swore they would not stop until they were returned. After 10 years, they found the boys. Then, 25 years after her capture, Sarai Stone returned to the white world. But could she ever truly come home?

Chains of Fate Jun 02 2020 Vad'Alvarn promised Leviana that he would conquer the world with her at his side. The mighty king raises a great army, but Leviana does not live to see that promise fulfilled. Vad'Alvarn carries on alone for hundreds of years, growing into a monster in a man's skin. When Leviana is reborn in the body of a young woman, he will risk all that he has conquered to reclaim his lost love.

Breaking Chains of Darkness and Setting the Captives Free Apr 24 2022 DELIVERANCE is a powerful weapon God has given His church to defeat Satan and set His people free! However, no one can live in sin and also walk in the power of God! This manual is a comprehensive bible based study about the ministry of deliverance initiated by Jesus Christ.

Chains of Darkness Nov 19 2021 Binding herself to the vampire Lucian after rescuing him from a torture chamber, Claire, an escaped human slave, needs his help finding her best friend Zoey who is being held hostage in the vampire underworld. Original.

Breaking the Chains of Mediocrity Feb 03 2023 The book, written under the pseudonym, Peter Michaels, features Carol Robinson's articles for the Marianist written in 1947-1948. They offer an analysis and critique of modern life. It is the first book published from the "Collected Works" series which will put back into publication all of the known works of Carol Jackson Robinson.

The Chains of War Oct 19 2021

Breaking the Chains of Gravity Jun 26 2022 NASA's history is a familiar story, one that typically peaks with Neil Armstrong taking his small step on the Moon in 1969. But America's space agency wasn't created in a vacuum. It was assembled from pre-existing parts, drawing together some of the best minds the non-Soviet world had to offer. In the 1930s, rockets were all the rage

in Germany, the focus both of scientists hoping to fly into space and of the German armed forces, looking to circumvent the restrictions of the Treaty of Versailles. One of the key figures in this period was Wernher von Braun, an engineer who designed the rockets that became the devastating V-2. As the war came to its chaotic conclusion, von Braun escaped from the ruins of Nazi Germany, and was taken to America where he began developing missiles for the US Army. Meanwhile, the US Air Force was looking ahead to a time when men would fly in space, and test pilots like Neil Armstrong were flying cutting-edge, rocket-powered aircraft in the thin upper atmosphere. *Breaking the Chains of Gravity* tells the story of America's nascent space program, its scientific advances, its personalities and the rivalries it caused between the various arms of the US military. At this point getting a man in space became a national imperative, leading to the creation of the National Aeronautics and Space Administration, otherwise known as NASA.

Chains of Command Mar 24 2022 From the New York Times—bestselling author of Dale Brown's *Dreamland* Under a new president, the future of the Air Force—and the nation—hangs in the balance... In *Desert Storm*, Major Daren Mace made a fateful decision to go against orders. To abort a secret mission which was, in his judgement, ill-advised. His actions landed him in military exile. Now Mace has moved on to the Air Force Reserves.

There's a new US president. It's a new era. And a new war is escalating along the Ukraine border. This time, Mace has a partner—Rebecca Furness, the military's first woman combat flyer. And this time, the chains of command are tightening around him. "Chains of Command is as convincing as nonfiction. Dale Brown is the best military adventure writer in the country and is a master at creating a sweeping epic and making it seem real."—Clive Cussler "The action is, as you expect from Brown, great."—Kirkus Reviews A Choice of the Literary Guild, the Doubleday Book Club, and the Military Book Club

Dumping Debt May 02 2020 Debt is the most aggressively marketed product in history. And it isn't just sold by banks and credit card companies anymore. Many national retail chains make more money on the sale of credit applications than they do on the actual merchandise they sell. In *Dumping Debt*, Dave blows the lid off the credit game, debunking the leading myths about debt that have become ingrained in our natural way of thinking. Then he walks you right out of debt with his simple, clear and effective debt snowball technique.

Breaking the Chains Aug 05 2020 *Breaking the Chains* By: Sonja Rongstad Saying Sonja Rongstad has had a rough journey through her life is an understatement. Her grandfather, Granville Rongstad, had twenty-seven known children. They were all severely abused, physically, mentally, and sexually. His wife, Sonja's grandmother,

was basically his slave. Similarly, Sonja's own father unfortunately followed in his father's footsteps, abusing Sonja for as long as she can remember. A series of short, abusive relationships with men also followed Sonja all through her adulthood. But through it all, her faith in God never wavered. *Breaking the Chains* is Sonja's life journey, trying to overcome the abuse and find happiness in an otherwise dark and hopeless world. We learn that we may never forget our past, but we can learn to leave it there.

The Chains of Desire Jun 14 2021 She's going to be famous. Her dreams are within reach. And if it all comes to pass, she will be murdered... Boston, Massachusetts, 1990. Music is the one sure thing twelve-year-old Robin Gates has in her life. Though she's disgusted by the looks she gets from grown male patrons, playing guitar and singing in her mother's strange bar provides a path to her envisioned future. Until she reads a newspaper from 2006 that contains her obituary... 1998. As a kid, Ashley Silver saw how her family's artistic efforts brought only despair and poverty. Now eighteen, she refuses to accept that fate and embarks on a lucrative career as an exotic dancer. But despite her misgivings about Robin's ambition to become a rock star, Ashley can't help but fall hard for her childhood friend. Destined to die in her true love's arms, Robin desperately seeks any means to change her fortune and protect her girlfriend from the doomed truth. But Ashley knows her partner is keeping some dark secret,

and it threatens to tear them apart forever. Is Robin's death truly predetermined, or can the troubled couple force a happily-ever-after? *The Chains of Desire* is the extraordinary third book in *The Stains of Time* family saga series. If you like intriguing paradoxes, delightful characters, and emotional ups and downs, then you'll love E. Christopher Clark's compelling journey into magical realism. Buy *The Chains of Desire* to defy inevitability today!

Breaking the Chains of Poverty Feb 08 2021 Ronald L. Godbee, Sr. calls it "the book that will liberate you and activate you to live from the position that Christ established for you on the cross." While many think that the difference between poverty and wealth is defined by the car one drives, the size of the house one lives in and the amount of money in one's bank account, the truth of the matter is those things are results—or lack thereof—not definitions. In this candid debut book, *Breaking the Chains of Poverty: The Secret to Having a Wealthy, Healthy and Wholesome Life*, author Demetrius Sandridge helps readers recognize those moments God affords us the opportunity to prosper and come up higher in every aspect of our lives—and how we can maximize those opportunities. Chronicling his story from rags to riches, and riches back to rags, Sandridge ignites a sense of excitement and urgency—which catapults readers out of a poverty mindset into a millionaire mentality with every turn of the page. In this book, you will be

challenged to: Transform your mindset to that of a millionaire
Learn to use money as a tool, not a motivator of dreams and goals
Apply simplistic, practical approaches to go from your current reality to dream fulfillment
How to apply action to your faith, and faith to your actions
Encourage others to adopt your new way of thinking
And more! "Wow, very powerful my friend...Congratulations" -Chris C. Klebba
"Read this book, and I guarantee wisdom will come alive in you!" - Pastor Eddie Williams
"This book is a fundamental treatise that empowers the reader to understand that though life, at times, may seem intractable and untenable, it can also be liberating and instructive." -Bishop Edgar L. Vann, II
"This book taps into millions of people's minds, souls and spirits like none other!" -Mary Jackson

The Chains of Marley Jan 10 2021
One way to fulfill God's expectation of good stewardship is to contribute to the welfare of mankind using the gifts and talents God has given. In addition to providing an abundant life, God also gives each person the option of choice. A person can choose to be benevolent or oblivious to the needs of others. The choice is his or hers, along with the consequence of that choice. Being benevolent is a humanitarian responsibility for all people, whether or not they are a Christian. This book compares the individual benevolence obligation to Jacob Marley, the fictional character in Charles Dickens novella, *A Christmas Carol*. Jacob Marley's life, attitudes, characteristics, decisions,

influences, and final destiny are discussed with the anticipation that, if people look closely, they may see a little of themselves reflected in this story. “What I like about this book, among other things, is how universal its concept is. How could the concept [of benevolence] be so widely held, yet so widely ignored? We all benefit from the very thing we so secretly want to avoid. This book confronts each of us in the area of that secret and gives us the freedom to do what we already know we should.”

—Brian Boyles, Senior Pastor of Northside Baptist Church, Charlotte, North Carolina

33 Years a Slave Jul 28 2022 slave /sl?v/ noun a person who is the legal property of another and is forced to obey them. verb work excessively hard. BEFORE you get offended by my use of the word "slave", understand that I am in no way referring to the institution of American Slavery that kept African Americans bound for so long NOR am I in any way downplaying the severity of that institution BUT The truth is that while those who were held bound by that institution were emancipated, a NEW slavery has crept into existence. In her book 33 Years A Slave, Author and Retired Slave Jennifer King takes an honest look at what held her bound into a life created more so by others than herself for so long. And she asked that YOU take a look at YOUR life to see what chains are keeping YOU from living YOUR best life. Chains such as: Chains of FEAR - Allowing our fear of success or failure to keep us where we are Chains of DOUBT -

Seeing other people's success but doubting we can do the same Other People's Chains - Being MORE worried about other people's thoughts than our own happiness Chains of MONEY - Not having enough knowledge about abundance to know that it IS our birthright...and so we do without And so many OTHER chains. As you read this book, it is the author's hope that YOU see yourself in those chains and what could possibly be YOURS, if you were JUST to BREAK FREE! One Chain at a time.

The Chains of St. Peter Dec 09 2020 They carried a most valuable treasure and would become a part of a most fabulous history... They must protect the chains at all cost. Titus Mena is only a common jailer; his life could not have been of much importance to anyone, but that is all about to change. While keeping guard one night, Titus witnesses the miraculous escape of the Apostle Peter as his bound chains fall to the ground and he walks past soldiers blind of his passing. Knowing King Herod will punish Christian followers for this act of God, Titus sets out on a journey to protect the precious relics as Peter goes into hiding. Joining Titus are Shafeet and their faithful horses, Hero and Magic. When they discover the metallic chains have turned to gold, they know they must do everything in their power to get them to safety. Pitfalls arise as thieves and King Herod himself do everything in their power to stop the guardians of the relics at all costs-even death. This exciting tale follows the historical route of the apostles and Jesus as Titus unearths the truth about

the mysterious circumstances of one of God's most astonishing yet obscure works-The Chains of St. Peter. Breaking the Chains of Cancer Mar 31 2020 Breaking Chains One Prayer At A Time.... If you love someone who is battling cancer you both are at the center of a mighty spiritual battle. Breaking the Chains of Cancer provides prayers and bible verses that will speak life into your spirit and give you hope and encouragement as you pray for yourself and your loved one during this journey. This book will remind you of the powerful promises of God on matters that include: *God's Healing Power *Fear and Doubt *Finances *Faith, Hope, and Courage *Passing from this world into the arms of Christ Through your prayers, God promises to loose every bond, break every chain, and bless you to walk in the precious liberty given to you by Jesus Christ.

Chains of Freedom Dec 01 2022 "The world went to hell in a hand basket and was taken over by an evil empire known as the Reliance. The Reliance turned the Earth into a planet of agricultural slaves and went off in search of better, more mineral and resource-rich planets where they ran into a bipedal, humanoid race known as Argys--who were doing the same thing. They instantly decided not to share the universe and went to war. Needless to say, neither the Reliance nor their alien enemy care one bit about the general population of either species. When political prisoner David Grant ran from the forced labor camp where he'd been imprisoned, his only thought was

of escape. However, fate turns its hand and as he runs blindly through the forest he literally runs into the one person who can help him in his fight against the all-powerful Reliance. RJ is the rebel Elite who's been raiding supply trains and sabotaging Reliance facilities so successfully that even the work units know her name. With David's innocent enthusiasm and desire for justice and RJ's knowledge of weapons and warfare, they begin to chip away at the Reliance armor"--Yard Dog Press website.

The Chains of Tartarus Jan 28 2020 In the depths of the inferno, suffering and survival are one and the same... So when a renegade xenotech finds the means to end a war of utter genocide, the fate of one planet means nothing. Too bad it's ours.

Breaking the Chains of Abuse Aug 29 2022 Offers practical guidance, encouragement, advice, and exercises to adult survivors of abuse--whether physical, emotional, or sexual--while sharing the author's own struggle with abuse, its consequences, and healing strategies from it.

Breaking the Chains of Familial Bondage Dec 29 2019

This book is a true story about how lies can destroy a person's life as well as show just how self-righteous some family members can be when they only think of themselves. The following pages describe in some detail how a father very close to becoming a grandfather and at the best point ever in his 56 years of living could only watch while his life was destroyed. During the first three

weeks there was a lot of confusion and emotional shock involved causing extreme anger, then suddenly I could almost feel the extreme anger and shock just leave my body as I began to step back and realize what was honestly happening. At various times when efforts were made to have discussions trying to resolve the issues that were tearing this family apart, these efforts would only find more desperation to continue the lies covering up the truth. Having been through a terrible divorce myself with young children involved I am aware of what a marriage can be like when one party spends so much energy to lie and cover up things they do not want the other half to know about. Now I will be forced to again leave behind everything I love.
