The ultimate guide to streamlining your life. Life moves too quickly these days, as technology, work, and personal commitments make it almost impossible to relax and enjoy life. Finding yourself stressed over the clutter in your kitchen or the mass of paper in front of your computer? Relax. This book will help. Filled with tips on how to uncomplicate your daily routine, eliminate stress at home and work, and more, this book will help you free up your time so you can once again enjoy doing the things you love. Author Jeff Davidson has compiled more than 1,000 ways to simplify your life. Divided into sections for easy reference, this book will show you ways you can eliminate stress in your home, your personal life, and your professional life. You will learn the six questions you should ask yourself before buying something new, the most efficient way to clean your pots and pans, the pay-ahead technique to get yourself out of debt, ways to make your commute more comfortable, and advice on hassle-free vacation planning for you and your family. Simpler Living Handbook is the guide you've been looking for to lead the peaceful, productive life you've always wanted. Wouldn't all of us like an occasional peek into the future-to see if that blind date's going to flop or fly, to make the right decision about an important career change, to choose the right school for our children? Unfortunately, today's world is such that the only thing on which we can depend is change. But the good news is that we can learn to awaken and empower our natural divinatory abilities and get a better perspective on life's perplexities. The Kitchen Witch's Guide to Divination shows you how. It explains what divination is, how it works, and how to choose or design divination systems successfully. Once you have a clear understanding of this concept, you'll examine some home-based, handy divination methods that are simple to learn and utilize, whether you're in the kitchen, backyard, office...or even on the road. An engaging guide to excelling in today's venture capital arena Beginning in 2005, Brad Feld and Jason Mendelson, managing directors at Foundry Group, wrote a long series of blog posts describing all the parts of a typical venture capital Term Sheet: a document which outlines key financial and other terms of a proposed investment. Since this time, they've seen the series used as the basis for a number of college courses, and have been thanked by thousands of people who have used the information to gain a better understanding of the venture capital field. Drawn from the past work Feld and Mendelson have written about in their blog and augmented with newer material, Venture Capital Financings puts this discipline in perspective and lays out the strategies that allow entrepreneurs to excel in their start-up companies. Page by page, this book discusses all facets of the venture capital fundraising process. Along the way, Feld and Mendelson touch on everything from how valuations are set to what externalities venture capitalists face that factor into entrepreneurs' businesses. Includes a breakdown analysis of the mechanics of a Term Sheet and the tactics needed to negotiate Details the different stages of the venture capital process, from starting a venture and seeing it through to the later stages Explores the entire venture capital ecosystem including those who invest in venture capitalist Contain standard documents that are used in these transactions Written by two highly regarded experts in the world of venture capital The venture capital arena is a complex and competitive place, but with this book as your guide, you'll discover what it takes to make your way through it. Give yourself the best-possible odds for getting pregnant and having a baby with this concise, expert, and encouraging companion as your guide! In the only general guide to infertility written by a medical doctor who specializes in the subject, Mark Trolice, MD—who is board-certified in both OB/GYN and REI (Reproductive Endocrinology and Infertility)—shares the practical knowledge he has gained from working in infertility medicine for years, with many hundreds of patients, alongwith the warmth and wisdom he has acquired from getting to know prospective parents from all kind of backgrounds. The journey from infertility to fertility, from childlessness to a brand-new baby, can be long and arduous. It involves complicated medical diagnoses, a wide range of treatment options, a host of potential lifestyle changes, lots of emotional ups and downs, and—even with the best medical insurance—challenging financial decisions. Your doctors cannot decide everything for you, and that is why an authoritative and comprehensive book, written in clear and understandable language for the layperson, is essential. This is that book. The book opens with an exploration of all the possible causes of infertility, covering both couples who have never been pregnant and ones who have had recurrent losses of pregnancies. Unique among infertility guides, this volume gives roughly equal weight to male and female causes, which is important because about 40% of infertility cases are due to men's issues—and some couples need to address issues in both the prospective mother and prospective father. It covers endometriosis, fibroids, POS (Polycystic Ovarian Syndrome), tubal factor, male factor, and other possible causes. Next it looks at your treatment options. Importantly, these are not just medical interventions, but they also include lifestyle changes you alone can make, involving sleep, diet, exercise, and other forms of self-care. Among medical options, IUI (Intrauterine Insemination), IVF (In Vitro Fertilization), and various surgical procedures are covered in detail. Some couples are lucky to have a short journey to fertility. For others, the process takes years. With a gentle and sure hand, and non-judgmentally, Dr. Trolice guides you through the many decisions you need to make along the way, such as whether or not to continue treatments, whether to change practitioners or treatments, and whether it is a good idea to continue to spend money on procedures not covered by your insurance. He understands that these are emotionally weighty decisions that involve the future of your family, and he provides ample grounds for optimism and hope, empowering you as you take this journey.
