This book establishes a link between the Panchayati Raj and Rural Development. Panchayati Raj being people-centric institutions promotes quality of life of the people living in the rural areas. India is a home of villages where a large chunk of population lives whereas Panchayati Raj is a hearth of governance and development in rural areas. Government has assigned developmental tasks to

Panchayati Raj bodies by involving people and their representatives. The goal of Panchayati Raj Institutions and Rural Development Schemes are interlined which focus on resolving issues of the people and take care of development.

Government of India, through its legislations, empowers elected representatives of Panchayati Raj Institutions to share their responsibilities in developmental process and promotes services to the local people. This book covers strategy and evolution of Panchayati Raj system and effectiveness of centrally sponsored schemes. This book is useful for the functionaries of Panchayati Raj and Rural Development, students of Political Science, Rural Development Management, Scholars of M.Phil., & Ph.D., Development Agents, Social Activists, Students of different competitive examinations, etc. This book comprises important themes of Panchayati Raj and Rural Development which fulfills expectation of the readers. Contributed articles. Contributed articles. Papers presented at the National Conference on "Panchayati Raj--the Key to Food Security and Nutrition" at New Delhi, India, on 2-3 July 1996. Study conducted in Lohit District of Arunachal Pradesh, India. On local self-government in India; contributed articles. "Panchayati Raj, as a system of governance at the grass roots level in rural India, has been rightly conceived as the most viable and proper mechanism of realizing the goals of democracy and decentralization. The current debate is not on its desirability but on strengthening it by identifying its weaknesses and taking care of the lacunae which are still there in spite of its constitutionalization through the historical 73rd Constitution Amendment Act. Likewise, empowerment of women and weaker sections, through a well-devised system of reservation, has not only brought about a change in the socio-political culture of these sections of society but has also led to a virtual transformation of the rural scene where people have increasingly become aware of their rights and have started demanding their share in power. In fact, rural India today has become the embodiment of a new revolution which seeks to provide direction to the polity thereby making democracy and decentralization vibrant and feasible for those who deserve it ." Contributed articles on socio-economic profiles, historical evolution and functions of Panchayati Raj. The enactment of the 73rd Constitution Amendment Act, 1992 has brought to frontline the significance of Panchayati Raj System. Based on the framework provided in the Amendment, the State Governments initiated measures and gave shape to the concept of local

governance through legislations and rules. The successful implementation of the constitutional amendment, State legislations and rules determine the overall functioning of PRIs. The functioning of PRIs has thrown up many issues and problems. In this book an attempt is made to discuss these issues and problems. The book covers a broad spectrum of Panchayati Raj System organizational structure, powers, functions, personnel, finance and overall performance. The book will be useful to students, research scholars, and teachers of Political Science and Public Administration and to policy makers, bureaucrats, social activists and all those concerned with democratic decentralization. Study with special reference to Dindigul District of Tamil Nadu, India. Villagers have suffered long from neglect by those who have had the benefit of education. They have chosen the city life. The village movement is an attempt to establish healthy contact with the villages by inducing those who are fired with the spirit of service to settle in them and find self-expression in the service of villagers. "Functioning of Panchayat Raj in India has been a matter of debate and speculation about its performance and impact. In almost all states, two or three rounds of elections for panchayats have been completed. The sizeable presence of underprivileged and poor in the grassroots political institutions is a landmark development in the rural politics of the country. This is also a matter of serious debate as to how this excluded lot after their inclusion in active politics at grassroots would effectively tackle local power equation and set the agenda for development. The responses of state governments to the implementation of Panchayat Raj varied significantly and it is very difficult to generalise about this issue on the basis of their functioning for the last one decade or so. A perusal of functioning of Panchayat Raj puts forward a mix scenario with enough evidences of positive movements and several hurdles, nevertheless a hope for the best can be expected at this juncture. This book is divided into six sub-themes, viz., Structure and Functioning of PRIs, Marginalised Sections and their Participation, Institutional Mechanism and Grassroots Decision-Making, Natural Resource Management and PRIs, NGOs, Panchayats and Capacity-Building Initiatives and Decentralised Planning and Finance. It will interest a wide range of readers, including researchers, bureaucrats, policy makers, planners and those concerned with the plight of tribals." With reference to Tamil Nadu, India. Study with special reference to Haryana, India. In 1993, Panchayati Raj or the rule of the Panchayats (local governing bodies at the

village level) was constitutionally mandated. Decentralization of governance and service delivery became central to the transformation of state-society relations in the liberalization era. This book is a comprehensive and accessible account of the philosophy, objectives, achievements, failures, and future of Panchayati institutions in the last two decades. With reference to India. In Indian context. Papers In The Volume Address Issues Like-Assessment Of Current Situation In Panchayats Participation Of Women In Local Governance, Implementation And Deviations Of Seventy Third Amendment. Self-Help Groups In Rural Development, Appropriation Of Power By Legislations, Officials Etc. Has Seven Papers By Senior Officers And Well-Known Persons. With reference to India. The Book Arises Out Of A Study Which Looked Into The Implementation And Monitoring Of Experimental Models Of Sanitation And Health Problems In The Country - Cover Central, State Governments And International Organizations Like Unicef, The World Bank And Ngo`S. Evolves A Sanitation And Health Model For Adoption In Panchayati Raj. 3 Chapters - Annexures - Index. This Volume Captures The Panchayati Raj Experience In The States Of Bihar And Maharashtra, And In The Union Territories Of Lakshadweep And Pandicherry. Taking Stock Of Devolution Of Powers, Functions And Finances On Panchayati Raj Institutions, The Contributors Analyse The Various Issues Pertaining To Rural Development, Decentralisation, Local E-Governance And Participatory Governance At Grassroots Level.
