Her Best Friend Jun 07 2021 He knew he would stay by her side from the first time he met her, but now Warner's feelings towards his best friend begins to blossom into something more than what he intended. Though the two of them are oblivious towards what's going on between them at first, Warner is the first to figure it out... somewhat. Unfortunately, due to her extreme self-consciousness about her unique appearance, Sahara doesn't get the clue of how her best friend feels towards her. This short story will have you falling in love with two friends that grow up together and realize the potential in being more than 'just friends'. Warner/Jake: "I take a deep breath. I never lie to Angel and right now is no exception. She didn't want any lines blurred, but this will change us. I'm feeling nervous right now and... Scared?! That's a first for me. I think back to the first time I tried to tell her how I felt, I have to make sure I say the right thing this time." Sahara/ Angel: "I wish today was a happier day. I wish I could hold Jake. I wish I could take him and run away. He always calls me his Angel, and right now I wish more than anything it was the truth."

Drinking with Men Mar 16 2022 NPR "Best Books of 2013" BookPage Best Books of 2013 Library Journal Best Books of 2013: Memoir Flavorwire 10 Best Nonfiction Books of 2013 A vivid, funny, and poignant memoir that

celebrates the distinct lure of the camaraderie and community one finds drinking in bars. Rosie Schaap has always loved bars: the wood and brass and jukeboxes, the knowing bartenders, and especially the sometimes surprising but always comforting company of regulars. Starting with her misspent youth in the bar car of a regional railroad, where at fifteen she told commuters' fortunes in exchange for beer, and continuing today as she slings cocktails at a neighborhood joint in Brooklyn, Schaap has learned her way around both sides of a bar and come to realize how powerful the fellowship among regular patrons can be. In *Drinking with Men*, Schaap shares her unending quest for the perfect local haunt, which takes her from a dive outside Los Angeles to a Dublin pub full of poets, and from small-town New England taverns to a character-filled bar in Manhattan's TriBeCa. Drinking alongside artists and expats, ironworkers and soccer fanatics, she finds these places offer a safe haven, a respite, and a place to feel most like herself. In rich, colorful prose, Schaap brings to life these seedy, warm, and wonderful rooms. *Drinking with Men* is a love letter to the bars, pubs, and taverns that have been Schaap's refuge, and a celebration of the uniquely civilizing source of community that is bar culture at its best.

Unquenchable! Sep 22 2022 We wine writers tend to be obsessive souls. How else can a person stay fascinated throughout a career with just one drink? Compare us to food writers: Over their lives, they'll encounter thousands of ingredients and ways of combining and cooking them. Wine, by contrast, is just fermented grapes. But it engages our primary senses—smell, taste, feel—in a way that is both hedonistic and cerebral. That's why I've spent the past several years traipsing around the world, visiting wineries, tasting their offerings, and searching for the world's best cheap wines. The narrative is as familiar as Arthur's quest for the grail and as naive as Dr. Seuss's plaintive search for the affirmative in *Are You My Mother?* With her signature conversational style, Natalie MacLean takes you on a whirlwind journey through the world of wine, searching for great taste at a low cost. By turns confessional—with guilty admissions from a penny-pincher who loves simple pleasures—and spirited, *Unquenchable* is informed by MacLean's decade-long career as an award-winning wine writer. In this engaging and enlightening book, MacLean recounts her adventures with the most passionate personalities in some of the most gorgeous, off-beat places in the world—from the crazed vintner who explains his philosophy while speeding down the Autobahn to the Sicilian winemakers you don't want to disappoint with your tasting notes. Yet there's plenty to take away from her inspired recommendations for food pairing to lists of favorite value wines and vintners, plus plenty of pointers that will enhance your own drinking pleasure.
