*Animals Big and Small* Sep 10 2021 Introduces opposite concepts such as big and small by using easy visualization comparisons, for example comparing such animals as big blue whales and small hermit crabs.

**Baby Farm Animals** Sep 22 2022 No one has drawn animals with as much warmth, humor, and realism as Garth Williams, who illustrated the beloved classics *Charlotte's Web*, *Stuart Little*, and the *Little House on the Prairie* series. This classic *Little Golden* book—with piglets,

kittens, calves, and bunnies, and a simple, humorous story—is one of his best. Loved for generations, this warm and fuzzy classic is sure to delight a new crop of young Little Golden Book fans.

*The Big Book of Giant Animals, the Little Book of Tiny Animals*

Oct 23 2022 Presents the largest and smallest creatures of the animal kingdom, two books linked as to become a single volume.

**Small Animals** Feb 27 2023  
"It might be the most important book about being a parent that you will ever read." —Emily Rapp Black, New York Times bestselling author of *The Still Point of the Turning World*  
"Brooks's own personal

experience provides the narrative thrust for the book — she writes unflinchingly about her own experience.... Readers who want to know what happened to Brooks will keep reading to learn how the case against her proceeds, but it's Brooks's questions about why mothers are so judgmental and competitive that give the book its heft." —NPR One morning, Kim Brooks made a split-second decision to leave her four-year old son in the car while she ran into a store. What happened would consume the next several years of her life and spur her to investigate the broader role America's culture of fear plays in parenthood. In *Small Animals*,

Brooks asks, Of all the emotions inherent in parenting, is there any more universal or profound than fear? Why have our notions of what it means to be a good parent changed so radically? In what ways do these changes impact the lives of parents, children, and the structure of society at large? And what, in the end, does the rise of fearful parenting tell us about ourselves? Fueled by urgency and the emotional intensity of Brooks's own story, *Small Animals* is a riveting examination of the ways our culture of competitive, anxious, and judgmental parenting has profoundly altered the experiences of parents and children. In her signature

style—by turns funny, penetrating, and always illuminating—which has dazzled millions of fans and been called "striking" by New York Times Book Review and "beautiful" by the National Book Critics Circle, Brooks offers a provocative, compelling portrait of parenthood in America and calls us to examine what we most value in our relationships with our children and one another.

[Animals On the Go \(Little Kids First Board Book\)](#) May 06 2021 National Geographic spins off its best-selling Little Kids First Big Book series into engaging new board books to introduce even the littlest kids to high-

quality nonfiction. *Precious Moments: Little Book of Prayers* Jun 07 2021 Inspire little ones to pray with this Precious Moments® themed book of prayers. Prayers of thanks, prayers of praise, prayers for school, for mealtime, for bedtime—boys and girls are sure to discover prayers that will become lifetime favorites. Featuring adorable Precious Moments characters, this case-bound, padded board book will be a cherished addition to any child's library. Children will be drawn to the soft, inviting illustrations, and parents will appreciate the heartfelt prayers and the scriptures from the International Children's

Bible®. Since 1978, Precious Moments has grown into an evergreen brand recognized worldwide, with more than 14.5 million books and Bibles sold through Thomas Nelson. *Little Book of Ocean Animal Sounds* Aug 29 2020 [First Big Book of Dinosaurs](#) Nov 12 2021 Provides pictures and brief facts about a variety of different kinds of dinosaurs. **Little Children's Colouring Book** Oct 11 2021 A bright and friendly first colouring book for little ones, with simple objects to colour on every page. The backgrounds are already coloured in, so little children can focus on the exciting parts. **Ten Little Animals** May 18 2022 All the forest animals are

asleep in the wintertime but 10 little animals. One by one, the parents find their young and put them to sleep.

**Farm Animals** Mar 28 2023 Attach this sweet and sturdy board book to your stroller and enjoy your time out as baby explores 12 captivating high-contrast pictures of friendly farm animals, along with the word for each. Smile at the happy dog, look out for the hen and her chicks, and moo at the cow. Keep baby entertained and learning on the go with Little Hands Stroller Books. Babies are born with undeveloped vision and researchers have found that they strongly prefer high-contrast images that stand out

in their blurry new world. With a convenient strap that attaches the book to a stroller, each of these durable board books features colorful, high-contrast illustrations on lively, patterned black-and-white backgrounds. Little ones will be enthralled as they develop their vision and language skills, as well as hand-eye coordination.

*My Little Book of Animals* Jan 26 2023 With bright pictures and simple labels, My Little Book of Animals will make a fabulous addition to your child's early learning library. This classic, Priddy title is a step up from a first words book and will help your toddler to develop their vocabulary and strengthen their language skills. With colorful photographs of animals your child will recognize, labeled simply and clearly, there is

plenty for toddlers to explore in this engaging board book. The rainbow-colored, stepped edges make it easy for little hands to turn the page and encourages toddlers to discover each section. Also available: My Little Book of Words.

**All the Dear Little Animals**

Mar 16 2022 "One summer's day we started a business called Funerals Ltd., to help all the poor dead animals in the world. Esther did the digging, I wrote the poems, and Esther's little brother, Puttie, cried." Early readers will love the dry humor and wonderfully rounded story of All the Dear Little Animals. Nilsson perfectly captures the child's perspective, balancing

compassion and humor. This is a very funny story about a topic that touches all of us.

**Baby Animals** Dec 21 2019

From a kitten's soft, soft fur to a baby alligator's scaly skin, there are several fun textures to explore in this book that you read and touch!
