Unlikely Fighter Oct 04 2020 Some memories are permanently seared into our childhood brains with a hot iron of adrenaline and fear. For five-year-old Greg, it was the memory of his ma walking back to the house after confronting his stepdad with a splintered, bloodied baseball bat in her hand. Greg Stier was raised in a family of bodybuilding, tobacco-chewing, fist-fighting thugs. He never knew his biological father because his mom had met his dad at a party; she got pregnant, and he left town. Though his mom almost aborted him, in a last-minute twist,

Greg's life was spared for so much more. Unlikely Fighter is the incredible story of how God showed up in Greg's life--and how he can show up in yours as well. This is a memoir of violence and mayhem--and how God can transform everything.

Converge Bible Studies | Sharing the Gospel Apr 21 2022 Evangelism has become a virtual four-letter word in some circles. Sharing one's faith can be intimidating; and Christians through the ages have disagreed on what evangelism means. But at its most basic level, it's simply sharing the good news that the Son of God became human and died for the sins of humanity. Join popular speaker Curtis Zackery as

he uses Scripture to explore the questions of evangelism. Sharing the Gospel will help you discover how to share your faith in a way that works for you. Converge Bible Studies is a series of topical Bible studies based on the Common English Bible. Each title in the series consists of four studies on a common topic or theme. Converge can be used by small groups, classes, or individuals. Primary Scripture passages are included for ease of study, as are questions designed to encourage both personal reflection and group conversation. The topics and Scriptures in Converge come together to transform readers' relationships with others, themselves, and God.

Sharing the Good News with Roman Catholic Friends Aug 02 2020 Sharing the Good News with Roman Catholic Friends outlines the biblical doctrine of salvation and indicates how this message can and should be communicated with persons in the Roman Catholic tradition. The authors point to Jesus Christ who alone is the source of eternal life.

Good News For U Jan 07 2021 Scott Middleton's frustration with adult evangelistic messages for children motivated him to write and illustrate a kid-friendly gospel of Jesus Christ. Good News for U is a product of Scott's 35 years of advertising and sales experience combined with Scott's own story of redemption. This parent-and-child devotional empowers parents to share the gospel of Jesus Christ by pairing scripture with simple but powerful illustrations. Playing off the letter U, the book explains how we are vessels designed by God to be filled with God's love. Through our own free choice, however, we allow ourselves to be filled with the evils of this world. Scott's illustrations make the problem abundantly clear. And the solution is brilliantly simple: "Christ

in you the hope of glory" (Colossians 1:27). The 56 illustrations in the book visualize Biblical truths and explain complicated theological terms like atonement. Children can personalize their book by coloring the illustrations. The purpose of Good News for U is to empower parents to share the Good News through God's word and creative illustrations. Scott designed the book for parents, as he believes parents are the most influential adults in their children's lives and are therefore the best presenters of God's plan of salvation. Six years in the making, Good News for U is Scott's gift to God, and to his people. "God called me into ministry. Good News for U is my answer." - Scott Middleton

The Gospel for Muslims Sep 26 2022 How to meet a critical need: sharing the gospel with Muslims There are over three million Muslims living in the United States today. The Simplicity of Sharing the Gospel Dec 30 2022 Fear comes in many forms: fear of the unknown, fear of man, fear of failure, fear of rejection, and fear of confrontation to name a few. Fears like these imprison and silence too many Christians. It seems we have subconsciously allowed fear to masquerade as a legitimate reason for silence. But Jesus rejects this excuse. His parable of the talents explains how one servant actually buried his talent because of fear

(Matt 25:14-30). When the master returned, he rebuked him severely, calling him “wicked” and “lazy!” We must overcome our fears to share the gospel. So the next question is, how? To answer that, here are four principles for overcoming fear, followed by five tips for communicating the gospel. Putting these points to practice will make us fearless and effective soul winners.

Life on Mission: a Simple Way to Share the Gospel - Bible Study Book Apr 09 2021 Learn how to live a missional lifestyle from prominent pastors and authors who live it themselves.

The Word On The Street Aug 26 2022 In the midst of a godless culture, Paul did what was necessary to reach the masses with the message of everlasting life: he reasoned about Jesus in the marketplace daily with those who happened to be there (Acts 17:17) and preached on Mars Hill, on the main route to the Parthenon in Athens. We too are living in the midst of a godless society, and those in the streets desperately need to hear Gods Word. If we are serious about reaching this dying world, let us emulate Jesus and the apostles and preach where sinners gather. In thirty minutes, a good open-air preacher can reach more unsaved people than the average church does in a year. If youre ready for something more exhilarating than skydiving, arguably more scary, and infinitely more productive, try preaching the gospel in public. For nearly fifty years Ray Comfort has preached the gospel in the open air and witnessed one-to-one to

thousands. During those years he has learned certain biblical principles that make reaching the lost so much easier. In this publication you will find everything he learned and everything you need to know: Who should do it? Where should you go? How do you get started? What do you say? With this helpful guide, you too can follow in the footsteps of the Savior and preach the Word on the street. There is no higher calling.

What Is the Gospel and How to Share It Nov 16 2021 Evangelism is one of the essential components of the discipleship-making process because it's part of the Great Commission Mandate. Turning Everyday Conversations Into Gospel Conversations Dec 18 2021 We live in a broken world. And the gospel is how God puts broken people back together again. Once we repent and believe in Jesus, God's Spirit helps us recover and pursue His design. God is the one who created the world and every human being in it. Authors Jimmy Scroggins and Steve Wright outline a reproducible method of sharing the gospel that has been tested in the real world. Turning Everyday Conversations Into Gospel Conversations is a simple strategy to train new and seasoned believers to join God in His reconciliation work. Turning Everyday Conversations Into Gospel Conversations equips believers to use the innovative "3 Circles," a user-friendly evangelistic tool for a new generation. Scroggins and Wright train readers to incorporate the biblical metanarrative, as well as our own personal stories, to tell the good news that Jesus has made a way out of the broken places we find ourselves. Churches around the world are training people to share the gospel using this method. It has proven appeal across generations and cultures. They've heard stories about an 8-year-old boy leading his 26-year-old cousin to repent and believe in Jesus and a 70-plus-year-old church member, who had never before shared his faith, leading his Spanish-speaking neighbor to Christ. It's been used to train the Mixtec in Mexico, Maasai Warriors in Kenya,

and prisoners in America. It's been presented on napkins, in concrete, in the sand, and using tortillas. The 3 Circles work, and this book will train you and your church members to use it. It doesn't matter if you have been a Christian for decades or days, you can learn to do what God asks us to do—to make His appeal to others through us (2 Cor. 5:20). This short training manual will empower and inspire millions of Christians to turn hundreds of millions of everyday conversations into gospel conversations.

Evangelism in a Post Christian Culture Jul 01 2020 Evangelism in a Post-Christian Culture is the challenge facing the church today. Alastair Ferrie brings more than thirty years experience of preaching the gospel and sharing his faith. One of the greatest needs of the growing church is a training program for the whole church in evangelism. Those engaged in ministry will find this work invaluable, and those committed Christians in the pews will find this book a framework which will revolutionize their effectiveness in evangelism. Many Christians will admit to not knowing where to begin. This book explains and outlines an approach that can be used effectively in sharing the gospel. The material will also be useful for preaching and for use in Bible discussion groups. A companion volume to this work, Step-by-Step: Aftercare for New Christians is also published by iUniverse. Credit for Cover: Ray Ferrie The book begins with a discussion on worldview which explains the difficulty we often have in communicating the gospel with a world that has truly become post-Christian. A five fold foundational Christian worldview is put forward and contrasted with a Darwinian model so prevalent in the world today. This is followed by several chapters outlining an approach to evangelism based on the seven signs of John's gospel. "These things are written that you might believe." The book is rounded off with several chapters with the theme, "I believe because..." These are arguments that the author has presented in many home Bible studies to help people to see some reasons for believing. The world is constantly presented with reasons for NOT believing, and it is time for the church to step forward with

some reasons for believing.

*Converge Bible Studies: Reclaiming Anger* Jul 13 2021 As Christians, we process grief, show love, understand compassion, and accept forgiveness. But when it comes to anger, we often reject it as not being useful or holy. There simply is no place for anger in the worldview of many Christians. We're told to just "let it go," "get over it," or "count to ten." In the church, anger is treated like a dirty little secret. But why? God gets angry. Why can't we? We're made in the image of God, and being truly human is to fully embrace who God made us to be. In *Reclaiming Anger*, David Dorn asserts that anger doesn't have to be a forbidden, destructive emotion. Biblical anger serves a purpose. In this study you'll discover what anger is, how God gets angry, when we need anger, and when we need to let it go. *Converge Bible Studies* is a series of topical Bible studies. Each title in the series consists of four studies on a common topic or theme. *Converge* can be used by small groups, classes, or individuals. Primary Scripture passages from the

Common English Bible are included for ease of study, as are questions designed to encourage both personal reflection and group conversation. The topics and Scriptures in Converge come together to transform readers' relationships with others, themselves, and God.

**Evangelism Apr 02 2023** A clear, biblical theology of evangelism, presented with a historical foundation and practical instruction. Expand your MacArthur Pastor's Library to include this much-needed topic. Evangelism begins by comparing the current state of outreach in American Christianity with evangelism throughout church history and also in the Bible. Presenting a theology on the subject that addresses the theological principles that govern evangelism, showing how they are played out in the church, as well as the family and personal interaction. It includes preaching, one-on-one witnessing, missions, parenting evangelism, and commissioning and supporting missionaries. This book's substantive and doctrinally insightful guide to biblical outreach complements the previous volumes Preaching, Biblical Counseling, and Pastoral Ministry.

**How to Share Your Faith Nov 28 2022** One of America's premier evangelists provides a practical, step-by-step guide to help Christians share Christ with their friends and neighbors.

**Sharing Jesus Without Freaking Out Oct 28 2022** What if talking about your faith felt as natural as discussing your family, your work, or your hobbies? Evangelism doesn't have to be uncomfortable. You're under no pressure to prove anything. It really just amounts to having a conversation, and almost any context provides the opportunity for evangelism. You can spot these opportunities when you listen, because people talk about what's important to them. So think of evangelism as building a relationship with someone and intentionally planning to share Jesus as a part of everyday living. *Sharing Jesus without Freaking Out, Second Edition* is not a comprehensive theology of evangelism or the methods by which that theological message is communicated. The goal of the book is simply to show what evangelism looks like when it's part of ordinary, everyday conversations. Sharing Jesus with others isn't a mystery, and it can be

as natural as working a job, practicing a favorite hobby, or engaging in any other kind of daily activity. The authors show how anyone can make sharing the gospel a commonplace part of their lifestyle. Without all the freaking out part.
