*Leading with Character Sep 10 2022 From leadership expert Dr. Jim Loehr, strengthen your moral and ethical character for outstanding leadership results with this must-have set. Leading with Character: 10 Minutes a Day to a Brilliant Legacy At the end of your life, how are you likely to be remembered? Chances are that people won't be praising your money, power, and status. Instead, the people you've impacted will remember you for your compassion and personal strength—in short, your character. Unfortunately, many leaders are unaware of*

*their character shortcomings and blind spots that hold so many of us back from building the lasting legacy we are capable of. With the right motivation, you can begin to strengthen your character and become a moral and ethical leader capable of creating lasting change. In *Leading with Character: 10 Minutes a Day to a Brilliant Legacy*, Dr. Jim Loehr, cofounder of the Johnson & Johnson Human Performance Institute, reveals 50 character competencies that you can practice daily to transform your life and work. This book will also guide you through the process of developing a Personal Credo that will serve as your decision-making mission statement. Most leaders never take the time to identify their own core values, instead defaulting to a reflexive form of decision making. Gain an awareness of the conscious and unconscious processes that guide what you do and why you do it, and take charge of your leadership legacy. Even good leaders are vulnerable to corruption. Read *Leading with Character* to learn how human evolution and contemporary culture can lead us astray without our even knowing it. As we work hard to get to the top, who are we becoming along the way? If we want to become heroes whose memories will long outlast us, we need to channel our energy into creating habits that will add up to a strong and meaningful character. *The Personal Credo Journal: A Companion to Leading with Character* We all want to become high impact leaders with a robust ethical and moral character, but getting there is a challenge. Dr. Jim Loehr's *Leading with Character* offers a succinct plan for developing your character as a leader and building a meaningful legacy through your life's work. *The Personal Credo Journal* is a day-by-day workbook that will guide you through the process of identifying your core values and crafting your Personal Credo—a statement of beliefs and values that will help you align every action and decision with your deepest held ideals. With these activities and exercises, you'll spend just a few minutes each day reflecting on meaningful and thought-provoking prompts about your life story, your personal strengths and weaknesses, and your life goals. By the end of this life-altering, 150-day challenge, you will have gained a deep self-knowledge and a clear vision of your path forward as a leader. Take charge of the legacy you'll leave behind, build character, and learn to use your Personal Credo to transform your life.*

*[The Road to Character](#) Jul 16 2020 #1 NEW YORK TIMES BESTSELLER • David Brooks challenges us to rebalance the scales between the focus on external*

success—“résumé virtues”—and our core principles. **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE ECONOMIST** With the wisdom, humor, curiosity, and sharp insights that have brought millions of readers to his New York Times column and his previous bestsellers, David Brooks has consistently illuminated our daily lives in surprising and original ways. In *The Social Animal*, he explored the neuroscience of human connection and how we can flourish together. Now, in *The Road to Character*, he focuses on the deeper values that should inform our lives. Looking to some of the world’s greatest thinkers and inspiring leaders, Brooks explores how, through internal struggle and a sense of their own limitations, they have built a strong inner character. Labor activist Frances Perkins understood the need to suppress parts of herself so that she could be an instrument in a larger cause. Dwight Eisenhower organized his life not around impulsive self-expression but considered self-restraint. Dorothy Day, a devout Catholic convert and champion of the poor, learned as a young woman the vocabulary of simplicity and surrender. Civil rights pioneers A. Philip Randolph and Bayard Rustin learned reticence and the logic of self-discipline, the need to distrust oneself even while waging a noble crusade. Blending psychology, politics, spirituality, and confessionals, *The Road to Character* provides an opportunity for us to rethink our priorities, and strive to build rich inner lives marked by humility and moral depth. “Joy,” David Brooks writes, “is a byproduct experienced by people who are aiming for something else. But it comes.” Praise for *The Road to Character* “A hyper-readable, lucid, often richly detailed human story.”—*The New York Times Book Review* “This profound and eloquent book is written with moral urgency and philosophical elegance.”—Andrew Solomon, author of *Far from the Tree* and *The Noonday Demon* “A powerful, haunting book that works its way beneath your skin.”—*The Guardian* “Original and eye-opening . . . Brooks is a normative version of Malcolm Gladwell, culling from a wide array of scientists and thinkers to weave an idea bigger than the sum of its parts.”—*USA Today*

*This Perfect Day* Sep 17 2020 By the author of *Rosemary’s Baby*, a horrifying journey into a future only Ira Levin could imagine. Considered one of the great dystopian novels—alongside Anthony Burgess’s *A Clockwork Orange* and Aldous Huxley’s *Brave New World*—Ira Levin’s frightening glimpse into the future continues to fascinate readers even forty years after publication. The story is set

*in a seemingly perfect global society. Uniformity is the defining feature; there is only one language and all ethnic groups have been eugenically merged into one race called "The Family." The world is ruled by a central computer called UniComp that has been programmed to keep every single human on the surface of the earth in check. People are continually drugged by means of regular injections so that they can never realize their potential as human beings, but will remain satisfied and cooperative. They are told where to live, when to eat, whom to marry, when to reproduce. even the basic facts of nature are subject to the UniComp's will—men do not grow facial hair, women do not develop breasts, and it only rains at night. With a vision as frightening as any in the history of the science fiction genre, This Perfect Day is one of Ira Levin's most haunting novels.*

*BRANDING DAY Jun 14 2020 Branding day is an exciting day in the life of every young cowboy, especially one named Haze, as he rides his pony, Cactus, across the pasture, gathering cattle to get ready for the big day. Cowboys and cowgirls come from miles around to join this Western day of cattle, horses, and ranch work. This little cowpoke and his puppy, Trail, will take your child on a ranchy adventure, starting with morning chores around the barn, saddling up and heading out horseback, gathering cattle around the ranch, working calves in the corrals, and, finally, a big country supper for all. Learn more about agriculture and the way of the West. See what branding day on the ranch looks like! Go grab your boots and spurs and imagine yourself stepping into the life of a young Colorado cowboy. It's branding day.*

*Chinese Phrase A Day Practice Volume 1 Mar 04 2022 A Chinese Phrase A Day is a fun, less-intimidating way to learn Chinese! Part of Tuttle's best-selling page-a-day line, this new edition teaches useful everyday phrases and words. Although more people are studying the Chinese language than ever before, others are still wary of starting because they believe, "it's too difficult." But A Chinese Phrase A Day will show absolute beginners that Chinese is in many ways much easier than other languages and it will help intermediate Chinese learners review and improve upon their past studies and practice Chinese everyday. With almost*

*no grammar or tense, no verb conjugation and a consistency that English, Spanish, French and Japanese learners can only wish for, Chinese enables you to start conversing relatively quickly. After a few weeks of gradual progress your ability to read Chinese, write Chinese and speak Chinese will grow tremendously. This calendar like desk companion is divided into monthly topics and builds upon itself, one day at a time. Chinese phrases are kept short, simple and functional. Each of the 365 pages include these four components: The simplified Chinese characters. The romanized Chinese (hanyu pinyin). The English phrase. A related cultural note to put the phrase into context. Audio for all of the A Chinese Phrase A Day entries is available online. Listening and repeating after the native speakers in the audio files will help you to practice Chinese regularly and polish your spoken Mandarin Chinese and Mandarin listening comprehension. To get started, turn to Day One and begin studying the phrase, its meaning, pronunciation and cultural context. Then tear off the sheet and practice writing it a few times. In a matter of days you'll be on your way to reading and writing Chinese!*

*Every Day Jun 07 2022 NEW YORK TIMES BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR by Booklist • Kirkus Reviews Celebrate all the ways love makes us who we are with the romance that Entertainment Weekly calls "wise, wildly unique"--from the bestselling co-author of Nick and Norah's Infinite Playlist--about a teen who wakes up every morning in a different body, living a different life. Now a major motion picture! Every day a different body. Every day a different life. Every day in love with the same girl. There's never any warning about where it will be or who it will be. A has made peace with that, even established guidelines by which to live: Never get too attached. Avoid being noticed. Do not interfere. It's all fine until the morning that A wakes up in the body of Justin and meets Justin's girlfriend, Rhiannon. From that moment, the rules by which A has been living no longer apply. Because finally A has found someone he wants to be with—day in, day out, day after day. With his new novel, David Levithan, bestselling co-author of Will Grayson, Will Grayson, and Nick and Norah's Infinite Playlist, has pushed himself to new creative heights. He has written a captivating story that will fascinate readers as they begin to comprehend the complexities of life and love in A's world, as A and Rhiannon seek to discover if you can truly love someone who is destined to change every*

day. "A story that is always alluring, oftentimes humorous and much like love itself—splendorous." —Los Angeles Times

*Chineasy(tm) Everyday Dec 13 2022* ShaoLan, a Taiwanese entrepreneur based in London, couldn't find an effective way of teaching her children Chinese, so she developed a groundbreaking visual method to make reading characters fun and easy. By learning the most commonly occurring characters the building blocks of the entire language readers of all ages can swiftly grasp basic concepts and words. *Chineasy(tm) Everyday* teaches over 400 of the most used and useful Chinese characters, phrases and sentences. Organized into eleven themes that reflect our daily lives, it brings the stories and myths behind the characters to life, providing a unique perspective into Chinese history and culture.

*The Word-a-Day Vocabulary Workbook Jan 14 2023* Improve your vocabulary one day at a time with this fun and easy interactive workbook for learning new words! Every day is a chance to learn something new, expand your mind, and enhance your ability to communicate at work and in your relationships. In *The Word-a-Day Vocabulary Workbook*, you'll discover new words with definitions, etymology, trivia, and writing prompts to help you remember the words and learn how to use them correctly. Whether you're looking to exercise your brain, improve your vocabulary in everyday speech, or simply win your next crossword or Scrabble game, this book will improve your odds—and you'll have fun doing it!

*Tuttle Learning Chinese Characters Feb 20 2021* This user-friendly book is aimed at helping students of Mandarin Chinese learn and remember Chinese characters. At last—there is a truly effective and enjoyable way to learn Chinese characters! This book helps students to learn and remember both the meanings and the pronunciations of over 800 characters. This otherwise daunting task is made easier by the use of techniques based on the psychology of learning and memory. Key principles include the use of visual imagery, the visualization of short "stories," and the systematic building up of more complicated characters from basic building blocks. Although *Learning Chinese Characters* is primarily a book for serious learners of Mandarin Chinese, it can be used by anyone with an interest in Chinese characters, without any prior knowledge of Chinese. It can be

*used alongside (or after, or even before) a course in the Chinese language. All characters are simplified (as in mainland China) but traditional characters are also given, when available. Key features: Specially designed pictures and stories are used in a structured way to make the learning process more enjoyable and effective, reducing the need for rote learning to the absolute minimum. The emphasis throughout is on learning and remembering the meanings and pronunciations of the characters. Tips are also included on learning techniques and how to avoid common problems. Characters are introduced in a logical sequence, which also gives priority to learning the most common characters first. Modern simplified characters are used, with pronunciations given in pinyin. Key information is given for each character, including radical, stroke-count, traditional form, compounds, and guidance on writing the character. This is a practical guide with a clear, concise and appealing layout, and it is well-indexed with easy look-up methods. The 800 Chinese characters and 1,033 compounds specified for the original HSK Level A proficiency test are covered.*

*Cult and Character May 06 2022 Through the swirling smoke of Aaron's incense, and of scholarly theories, the present volume steps toward the meaning enacted on "the Day of Purgation," commonly known as Yom Kippur or "the Day of Atonement." By treating moral evil both as relational/legal breach and as pollution, the Israelite system of "purification offerings" = so-called "sin offerings" addresses both the standing and state of YHWH's people. This system shows the way not only to freedom from condemnation but also to healing of character, which is defined in terms of loyalty to YHWH. Freedom and healing come together on the Day of Purgation, when purification rituals benefit those who show themselves loyal to YHWH by affirming the freedom from condemnation that they have previously received. The effects of purification rituals on YHWH's sanctuary and community profile harmony between justice and kindness in the character of YHWH as he deals with imperfect people of various kinds of character by pardoning and clearing the loyal but condemning the disloyal. Thus, Gane ultimately affirms Milgrom's seminal insight that theodicy is foundational to the Israelite expiatory system. Gane's conclusions are derived from exegetical study of Hebrew ritual texts, informed by controls to ritual analysis developed in the course of prior research through critical examination of existing ritual theories and by adapting a systems theory*

*approach to human activity systems.*

*The Snowy Day Dec 01 2021 The magic and wonder of winter's first snowfall is perfectly captured in Ezra Jack Keat's Caldecott Medal-winning picture book. Young readers can enjoy this celebrated classic as a full-sized board book, perfect for read-alouds of all kinds and a great gift for the holiday season. In 1962, a little boy named Peter put on his snowsuit and stepped out of his house and into the hearts of millions of readers. Universal in its appeal, this story beautifully depicts a child's wonder at a new world, and the hope of capturing and keeping that wonder forever. This big, sturdy edition will bring even more young readers to the story of Peter and his adventures in the snow. Ezra Jack Keats was also the creator of such classics as Goggles, A Letter to Amy, Pet Show!, Peter's Chair, and A Whistle for Willie. (This book is also available in Spanish, as Un dia de nieve.) Praise for The Snowy Day: "Keats made Peter's world so inviting that it beckons us. Perhaps the busyness of daily life in the 21st century makes us appreciate Peter even more—a kid who has the luxury of a whole day to just be outside, surrounded by snow that's begging to be enjoyed." —The Atlantic "Ezra Jack Keats's classic The Snowy Day, winner of the 1963 Caldecott Medal, pays homage to the wonder and pure pleasure a child experiences when the world is blanketed in snow."—Publisher's Weekly Chinese Character a Day Practice Pad Jul 20 2023*

This is an ideal resource for HSK Levels 1 & 2 as well as AP Chinese Language and Culture Exam prep.*

*One Day in the Life of Ivan Denisovich Sep 29 2021* “Stark . . . the story of how one falsely accused convict and his fellow prisoners survived or perished in an arctic slave labor camp after the war.”—Time *From the icy blast of reveille through the sweet release of sleep, Ivan Denisovich endures. A common carpenter, he is one of millions viciously imprisoned for countless years on baseless charges, sentenced to the waking nightmare of the Soviet work camps in Siberia. Even in the face of degrading hatred, where life is reduced to a bowl of gruel and a rare cigarette, hope and dignity prevail. This powerful novel of fact is a scathing indictment of Communist tyranny, and an eloquent affirmation of the human spirit. The prodigious works of Alexander Solzhenitsyn, including his acclaimed The Gulag Archipelago, have secured his place in the great tradition*

*of Russian literary giants. Ironically, One Day in the Life of Ivan Denisovich is the only one of his works permitted publication in his native land. Praise for One Day in the Life of Ivan Denisovich "Cannot fail to arouse bitterness and pain in the heart of the reader. A literary and political event of the first magnitude."—New Statesman "Both as a political tract and as a literary work, it is in the Doctor Zhivago category."—Washington Post "Dramatic . . . outspoken . . . graphically detailed . . . a moving human record."—Library Journal*

*Leading with Character Jan 22 2021 PRAISE FOR LEADING WITH CHARACTER "Leading with Character can help you sharpen and define your potential legacy and, in the course of doing that, will make you a better leader in all aspects of your life." —CHIP BERGH, CEO, Levi Strauss & Co. "As a fan of Dr. Loehr's for over twenty years, I have been amazed by the continued evolution of his concepts while maintaining the initial building blocks he identified over thirty years ago. Leading with Character provides us with the source code required to define our own self-determined purpose while extending our thinking beyond self-interest to incorporate a more fulfilling concern for others." —PETER SCATURRO, former CEO of U.S. Trust, Partner at Goldman Sachs, and Managing Partner at PKS Group "As a journalist, I've been interviewing and writing about business leaders for four decades now, and I firmly believe something has changed profoundly in the last five to ten years. Business leadership has become less about giving orders, more about setting example; less about articulating a detailed strategy, more about setting values, directions, and guard rails. As a result, character becomes much more important. People want to work for someone whom they view as a moral leader, and they will model his or her behavior. The radical transparency of today's world means they will quickly see through leaders who are not authentic, and identify those who are. Character becomes critical." —ALAN MURRAY, CEO, Fortune Media Corporation "The unprecedented challenges of the twenty-first century demand leaders of every stripe who share one common attribute—a strong character of integrity and honor. After a half-century of studying and coaching world-class performers in all walks of life, this special book is Jim Loehr's magnum opus. His rigorous training program applies the modern science of human performance to the classical wisdom of character development. This practical guide is for those who have the courage and perseverance to follow this proven path to a life*

*of significance by becoming your best self. If you are up for the challenge, read this book, turn off social media, and get to work." —CAPTAIN GEORGE DOM, USN (Ret.), former commanding officer and flight leader of the Navy's Blue Angels*

*God Thank You For Building Character In Me Aug 29 2021 This book is about being empowered. This devotional is about inspiring you to reflect back on your own life experiences and then be willing to make adjustments in your own life and trust yourself to allow yourself the opportunity to grow in your daily life journey. This book is about you critically taking the time to stop and evaluate your own personal journey and finding a new beginning where you can take ownership of the old and learn to grow in the "new" process and be developed.*

*Hsk 1 + 2 Chinese Character Book: Learning Standard Hsk1 and Hsk2 Vocabulary with Flash Cards* May 14 2020 *HSK 1 + 2 Chinese Character Book covers the most basic 300 words in the Chinese language, which are based on the Chinese level 1 proficiency exam (HSK 1) and the Chinese level 2 proficiency exam (HSK 2). This book supports both simplified and traditional Chinese characters. + 150 (HSK level 1) words + 150 (HSK level 2) words + 110 pages + Printed on bright white smooth paper + Premium matte cover finish + Large format 8.5" x 11.0" (215mm x 280mm) pages*

*Chinese Character a Day Practice Volume 2* Jun 19 2023 *This calendar-like practice pad allows you to effectively practice Chinese characters and learn a year's worth of characters in just minutes a day. Although more people are studying the Chinese language than ever before, others are still wary of starting because they believe, "it's too difficult." But A Chinese Character A Day, Volume 2 will show beginner-intermediate students that learning Mandarin Chinese characters is highly manageable when absorbed in small doses. It will help intermediate and advanced Chinese learners review and improve upon their past studies and practice written Chinese every day. Chinese characters (hanzi) are fascinating pictographic symbols that each have a specific meaning. After a few weeks of gradual progress your ability to read Chinese, write Chinese and pronounce Chinese will grow tremendously. This calendar like desk companion starts with the most basic Chinese characters and builds upon itself, one day at a time. For easy reference and review, a booklet listing the 365 Chinese characters is included. Each of the 365 pages contain these six components: The featured*

*Chinese character. The English meaning. The pronunciation written in romanized Chinese (hanyu pinyin). Related compounds with their meanings and pronunciations. Stroke–order diagrams. 28 practice squares. To get started with A Chinese Character a Day, turn to Day One and begin by studying the character, its readings, meanings and sample compounds. Then tear off the sheet and, using the stroke–order guide, practice writing the character in the spaces provided. In a matter of days you'll be on your way to reading and writing Chinese with ease!*

*Cult and Character Apr 05 2022 Roy Gane critically evaluates Jacob Milgrom's purification-offering theory but ultimately affirms and expands on his seminal insight that theodicy is foundational to the Israelite expiatory system. Gane's conclusions are derived from exegetical study of Hebrew ritual texts and by adapting a systems theory approach to human activity systems.*

*Legend Jun 26 2021 "Legend doesn't merely survive the hype, it deserves it." From the New York Times bestselling author of The Young Elites What was once the western United States is now home to the Republic, a nation perpetually at war with its neighbors. Born into an elite family in one of the Republic's wealthiest districts, fifteen-year-old June is a prodigy being groomed for success in the Republic's highest military circles. Born into the slums, fifteen-year-old Day is the country's most wanted criminal. But his motives may not be as malicious as they seem. From very different worlds, June and Day have no reason to cross paths - until the day June's brother, Metias, is murdered and Day becomes the prime suspect. Caught in the ultimate game of cat and mouse, Day is in a race for his family's survival, while June seeks to avenge Metias's death. But in a shocking turn of events, the two uncover the truth of what has really brought them together, and the sinister lengths their country will go to keep its secrets. Full*

*The Remains of the Day Feb 03 2022 **BOOKER PRIZE WINNER** • From the winner of the Nobel Prize in Literature, here is “an intricate and dazzling novel” (The New York Times) about the perfect butler and his fading, insular world in post-World War II England. This is Kazuo Ishiguro's profoundly compelling portrait of a butler named Stevens. Stevens, at the end of three decades of service at Darlington Hall, spending a day on a country drive, embarks as well on a journey through the past in an effort to reassure himself that he has served humanity by serving the “great gentleman,” Lord Darlington. But lurking in his memory are doubts about the true nature of Lord Darlington's “greatness,” and much graver doubts about the nature of his own life.*

*The Definitive Guide to Grails Oct 19 2020 The rise of Ruby on Rails has signified a huge shift in how we build web applications today; it is a fantastic framework with a growing community. There is, however, space for another such framework that integrates seamlessly with Java. Thousands of companies have invested in Java, and these same companies are losing out on the benefits of a Rails-like framework. Enter Grails. Grails is not just a Rails clone. It aims to provide a Rails-like environment that is more familiar to Java developers and employs idioms that Java developers are comfortable using, making the adjustment in mentality to a dynamic framework less of a jump. The concepts within Grails, like interceptors, tag libs, and Groovy Server Pages (GSP), make those in the Java community feel right at home. Grails' foundation is on solid open source technologies such as Spring, Hibernate, and SiteMesh, which gives it even more potential in the Java space: Spring provides powerful inversion of control and MVC, Hibernate brings a stable, mature object relational mapping technology with the ability to integrate with legacy systems, and SiteMesh handles flexible layout control and page decoration. Grails complements these with additional features that take advantage of the coding-by-convention paradigm such as dynamic tag libraries, Grails object relational mapping, Groovy Server*

*Pages, and scaffolding. Graeme Rocher, Grails lead and founder, and Jeff Brown bring you completely up-to-date with their authoritative and fully comprehensive guide to the Grails framework. You'll get to know all the core features, services, and Grails extensions via plug-ins, and understand the roles that Groovy and Grails are playing in the changing Web.*

*The Latter-Day Saints' Millennial Star Nov 19 2020*

*Character Building Day by Day Apr 17 2023 In elementary schools across the country, teachers are expected to provide at least five minutes of character education each day. This book makes it easy to meet that requirement in a meaningful way. It includes 180 character vignettes—five for each of the 36 weeks in the school year—grouped by trait. Each features kids in real-life situations making decisions that reflect their character. Each is short enough to be read aloud; all can be used as starting points for discussion, to support an existing character education program, or as the basis for an independent program. An excellent tool for the classroom or the character-conscious home.*
