What if you could, with a little effort, finally find a path to self-love that suits you specifically? A path that will no longer lead you back to exes? A path that will no longer allow you to feel "stuck" in the same kind of poisonous relationships and situationships as everyone else around you? A path to finding out what it truly means to love YOUR self in such a way that it supercharges the love you give to others? We hear it and read about it all the time: "Love Yourself First." But HOW is the question that we all ask ourselves. Horacio Jones has expanded on the ideas that love comes in over 7 billion forms; we all learn and experience love in our own languages, and therefore our paths to healing and accepting ourselves are in different languages as well. There is no one-size-fits-all definition of love. Love is neither right or wrong, it just "is." And the purpose of this book is to shed light on the importance of living by not only your own love language, but also your own healing language. In "I Am The Love Of My Life," Horacio Jones provide you with the enlightenment on finding YOUR own unique path to love YOUR own self. A must-read for anyone whose ever had one of those "why is it so hard to love myself"" moments of self doubt.. This book will give you both new perspectives on self-appreciation principles as well as tactical thinking for figuring out what your own unique version of self-love looks like and how you can get there. Horacio Jones does an amazing job at speaking the truth in regards to relationships, situationships and love. This is a must read especially in today's society of "I don't want a relationship, but I don't want you to be single," and the very confusing "we are exclusive, but not officially together" type of dating. This is why i believe this book would be helpful to those that read it. It will give you numerous ways by which to learn to love yourself unconditionally as well as allow you to love yourself as you grow and change. Oneness is not only a profound and very personal life-changing experience, but a perspective that can transform the world by bringing more love, light, compassion, and truth to the world. Oneness connects us all. We are all affecting each other in every moment, and recognizing this to whatever degree we can is transformative. Everything is included in this oneness, which all spiritual teachers and enlightened leaders point to. In embracing everything with an attitude of its essential worth and value, we can go beyond the illusions of separation to a simple resting in the beauty and mystery of all of reality. This book is a collection of articles and essays, which continually point to this oneness and the all-inclusiveness of life. In it, you will find responses to many common questions posed by seekers, which will help you in your search for greater peace, love, and understanding Relationship is a precious tool that offers us the opportunity to awaken to the love that often lies dormant within us. Yet, unfortunately, over the course of my journey as a seeker of truth, I have found relationship to be the cause of great anguish for many people. When a relationship becomes difficult, it is easy to blame one's partner-the "other"-and to be consumed by the feeling of having been treated unfairly because we are disappointed that the one we loved is not fitting our internal idea of what a loved one "should" be. When relationship is viewed as a battlefield, with two people stuck in an endless war, it seems impossible to find a truly loving connection. This situation is what led me to write this book. To offer some light and guidance on the path toward understanding what "real" or authentic love looks like in a relationship and how to uncover it hidden beneath the sometimes destructive and frequently confusing idea that we generally think of as love. My book is an attempt to address the missing elements in contemporary relationships and to bring us back into alignment with our higher purpose of living from a place of authentic love within those relationships. To help put us back on track with the divine nature of real love by examining the mostly unconscious role that we play in sabotaging our own love story-a role that keeps us from finding true love. To this end, I offer what I call the New Marriage. In order to participate in the New Marriage, we have to have the courage to face our own deep wounds that cause us to bring negativity into our love connections. We have to take a courageous look at what prevents us from finding our truest happiness in love. Many of us have been taught that making our partner happy is the most important part of relationship. But without a healthy foundation and understanding of ourselves, this can create dependency, resentment, and an endless striving to please. In my book, I address much of what I have learned about relationship over the years-from my students and from the laboratory of my own life. I suggest a way out of the battlefield and on to the path of love and sexuality as a deep expression-a prayer-that can heal and free us from the repression of unhealthy attachment. It is my hope that as we examine relationship at its deepest level, we will open up to understanding relationship as a divine instrument that can lead us toward illumination of our divine spirit. In fact, I believe relationship is the most precious and effective tuning device that we find on our evolutionary journey, worthy of our deepest study and respect. Our lives are about relationship and if we can heal those relationships, we can start to heal our families and begin to heal the wounds of the world. The goal of New Marriage is to awaken unconditional love that overflows into a world in which harmony, peace, and love reign. Thank you for joining me on this journey. May authentic love awaken across the world. About the Author Sri Prem Baba was born in São Paulo, Brazil and studied psychology and yoga. In his first short-story collection since The Acid House, Irvine Welsh sets us five tricky questions. In R?attlesnakes' how do three young Americans find themselves lost in the desert, and why does one find himself performing fellatio on another while being watched by the bare-breasted Madeline and two armed Mexicans? Who is the mysterious Korean chef who has moved upstairs to Chicago socialite Kendra Cross, in 'The D.O.G.S. of Lincoln Park', and what does he have to do with the disappearance of her faithful pooch Toto? Once I was released from prison, I thought that all of the heartache was over. I was back with my family, and I assumed that the nightmare had come to an end. Little did I know, the nightmare had actually just begun. Everybody around me was keeping secrets that would send me right back to a dark place; a place way worse than the prison that I had just emerged from. This time of my life was supposed to be my "happily ever after the bullshit." King's empire was bringing in more money than he could count. I was about to get the wedding of my dreams. On the outside, things looked so perfect, and I was beyond happy. In fact, I was so happy that I didn't see the deceit that was happening right under my nose. They say that every friendship, every relationship, is bound to fall apart when you start keeping secrets. That couldn't be truer with King, Meech, Siren, Dolla and Jada. They were all keeping secrets that would tear apart our family and our business, and I was too busy in my own immense happiness to even see it. But soon I would. Merely weeks after my release, I would find myself, once again, in a world that was turned upside down, and yet again, all of the blame would fall on my undying loyalty to my King. A novel by a writer who understands the female psyche, and observes the male with a wary eye. This novel, set in the '70s and the

A long-hidden family secret seems to unite Emma's troubled past with her dangerous present and, as time runs out her trust in her family, everyone faces the ultimate test. In a remote Ecuadorean river town, an elderly widower—who finds comfort in reading romance novels brought to him by the visiting dentist—joins in the hunt for an enraged ocelot whose cubs were killed by a gold prospector. Without love, life is nothing that means in this story Once I saw her, leaning over the balcony railing. I stopped the taxi and waved to her. She waved back, smiling like the sun breaking through clouds. Suffused with warmth and passion, the stories in *Falling in Love Again* showcase the myriad variations of romantic love—fleeting, intimate, joyous, heartbreaking. Featuring classic stories by Ruskin Bond, such as 'The Eyes Have It' and 'The Girl from Copenhagen', this stirring collection captures the range of feelings that are indubitably part of the infinite spectrum of love. The book spreads love and hope to foster and adopted children with the message that their biological parents still love them despite the separation. This book discusses from the point of view of the child, the experience of being taken to foster care, being adopted, and feeling abandoned by their families. This book is a personal dedication to my four children Joseph Jr., Frenchaire-Two, Melchizedek Malcolm X, and Sarai, Mommy and Daddy love you very much. I fell in love with Penny as soon as she fell into my arms. I wasn't a believer in fate, but she convinced me. And every day she convinced me just how special our relationship was. It was us against the world. And I foolishly thought our love was indestructible. Now I know that love isn't about light and darkness or whirlwinds of color. Love can't be defined in such simple terms. When you lose it, all of that becomes clear. I don't know how much longer I can breathe in a world where I look into my wife's eyes and only see a stranger. I'd do anything to get her back. But this is one thing I don't know how to fix. This is the end to our love story. I just hope to God it's not the end of us.
