*TimeRiders: Gates of Rome* Nov 10 2021 Liam O'Connor should have died at sea in 1912. Maddy Carter should have died on a plane in 2010. Sal Vikram should have died in a fire in 2026. But all three have been given a second chance - to work for an agency that no one knows exists. Its purpose: to prevent time travel destroying history . . . Project Exodus - a mission to transport 300 Americans from 2070 to 54AD to overthrow the Roman Empire - has gone catastrophically wrong. Half have arrived seventeen years earlier, during the reign of Caligula. Liam goes to investigate, but when Maddy and Sal attempt to flee a kill-squad sent to hunt down their field office, all of the TimeRiders become trapped in the Roman past. Armed with knowledge of the future, Caligula is now more powerful than ever. But with the office unmanned - and under threat - how will the TimeRiders make it back to 2001 and put history right? \*\* Book five in the bestselling TimeRiders series by Alex Scarrow. \*\* Ancient Rome gets a time-travel makeover! \*\* TimeRiders (Book 1) won the Red House Book Award older readers category, and was Penguin UK's first ever number one on the iBookstore. \*\* [www.time-riders.co.uk](http://www.time-riders.co.uk)

**TimeRiders (Book 1)** Jul 18 2022 Liam O'Connor should have died at sea in 1912. Maddy Carter should have died on a plane in 2010. Sal Vikram should have died in a fire in 2026. Yet moments before death, someone mysteriously appeared and said, 'Take my hand . . .' But Liam, Maddy and Sal aren't rescued. They are recruited by an agency that no one knows exists, with only one purpose - to fix broken history. Because time travel is here, and there are those who would go back in time and change the past. That's why the TimeRiders exist: to protect us. To stop time travel from destroying the world . . .

*TimeRiders* Mar 26 2023 Maddy should have died in a plane crash. Liam should have died at sea when the Titanic sank. Sal should have died in a tragic fire. But a mysterious man whisked them away to safety. Maddy, Liam, and Sal quickly learn that time travel is no longer just a hope for the future; it is a dangerous reality. And they weren't just rescued from their terrible fates. . . they were recruited for the agency of TimeRiders created to protect the world from those seeking to alter the course of history for personal gain. By reliving the highly documented events in New York City on 9/11, they can closely monitor history for any deviations-large or small. When just such a change is detected, they are alerted that a threat is at hand unleashing the evil of the Nazis to wreak havoc with Earth's present and future. Can Maddy, Liam, and Sal fulfill their destinies as keepers of time to save the world from utter destruction? An exhilarating adventure that shifts readers back in time to Nazi Germany and then forward into an ever-changing present. Look out for the other books in this series: Day of the Predator and The Doomsday Code!

*Rush to Judgement* Oct 29 2020 A woman is found hanging in the woods in a small Highland town. A hearse crashes into an old church and is abandoned. The police find a coffin inside but the body isn't a recent death. It's the badly decomposed body of a girl who went missing thirty years ago. DCI Harry McNeil is sent north to co-ordinate the hunt for a killer, along with colleagues from Glasgow. The town plays host to the annual Christmas Land festival, and this year marks the thirtieth anniversary. With the festivities in full swing, it seems that somebody wants to draw attention to the town for a different reason. With hundreds of tourists flocking to the area and only a few days left before Hogmanay, can Harry McNeil and Jimmy Dunbar capture a killer who is not only intent on bringing back the dead but adding fresh kills to his tally? They're going to have to move fast. The clock is ticking and a New Year is fast approaching. Then everybody goes home. Including the killer...

*The Jamie Drake Equation* Nov 29 2020 From the author of The Many Worlds of Albie Bright comes another cutting-edge cosmic space adventure for anyone who's ever looked up at the stars and wondered about the universe. How amazing would it be to have a dad who's an astronaut? To see him go on rocket launches, live in zero gravity, and fly through space like a superhero? Jamie Drake knows. His dad is orbiting Earth in the International Space Station. Jamie thinks it's cool, and he's proud of his dad, but he also really misses him. Hanging out at the local observatory one day, Jamie is surprised when he picks up a strange signal on his phone. Could it be aliens? Are they closer to our planet than anyone realizes? With his dad in space, Jamie feels he has no choice but to investigate on his own. But when something goes wrong with his dad's mission, Jamie is reminded that space is a dangerous place. He decides it's time to prove that he's a hero too. The Jamie Drake Equation is about the wonders of space, the courage of astronauts, and the lengths to which we will go to protect the ones we love. "Thrilling, smart and surprisingly poignant . . . will leave young readers with a hunger to know more about the universe and our planet's place in it. -- BookPage

**October Skies** Aug 19 2022 The stunning new thriller from one of the fastest-growing stars of the genre. 2008: deep in the mountain forests of Wyoming, Julian Cooke stumbles across the rotting remains of a wooden wagon. He's discovered what's left of the Preston Group, a convoy of settlers that vanished in the winter of 1856. It's clear that something horrific happened here all those years ago, but Cooke can only find a few tantalising clues. 1856: as early snows descend, the eclectic group of settlers that form the Preston wagon train are forced to dig in. Miles from any kind of civilisation, they see the group of Native Americans also trapped nearby as their greatest threat. But they soon realise what true danger is. When a woman is found murdered, one of the Indian party struggles wounded back to camp, whispering of unspeakable evil as he dies. United by fear, the settlers and the Indians must protect themselves against whatever is lurking in the woods. But as suspicion and panic grow, perhaps their own terror will be just as dangerous. Or maybe, whatever's out there is worse than anything they can imagine. Back in the present day, as Cooke unravels the mystery, he must question if the horror he is uncovering was in fact only the start of something much worse...

**Triple Cross** Dec 19 2019 Former MI6 agent Kate Henderson returns in the series for "fans of cerebral spycraft in the vein of le Carré" from the international bestselling author (Publishers Weekly). Attempting to rebuild her shattered life on vacation in the South of France, former MI6 operative Kate Henderson

receives an unexpected and most unwelcome visit from an old adversary: the UK Prime Minister. He has an extraordinary story to tell—and he needs her help. A Russian agent has come forward with news that the PM has been the victim of the greatest misinformation play in the history of MI6. It's run out of a special KGB unit that exists for one purpose alone: to process the intelligence from "Agent Dante," a mole right at the heart of MI6 in London. Against her better judgement, Kate is forced back into the fray in a top-secret, deeply flawed and dangerous investigation. But now she's damaged goods. Her one-time allies no longer trust her. And neither do her enemies. Praise for *Double Agent* "Bradby masterfully combines textured psychological drama with a rip-roaring plot that boasts several dizzying switchbacks along the way to a genuinely shocking conclusion." —Booklist (starred review) "An enjoyably labyrinthine tale with a light touch and the odd naughty satirical echo." —Sunday Express (UK) "The character of Kate is just terrific. She's honest, brave and whip smart. First and foremost, Kate wants to do the right thing, but in the murky world of 21st-century espionage it is not always clear what that is. If any of you are missing the Cold War espionage novels of the 1970s and 1980s, this series is for you." —Deadly Pleasures

*TrooFriend* Jan 20 2020 Imagine having the perfect friend, one who never steals, lies or bullies. Now you can, with the *TrooFriend 560*, the latest in artificial intelligence! What can go wrong with a robot buddy? Especially one that's developing human characteristics and feelings, and who has just run away with her human?

*Living Proof* May 04 2021 In the North of England, a cop hunts for a homicidal woman: "Smartly paced, slyly humorous, unsentimental about police work . . . one of his best" (Kirkus Reviews). Although the cop who finds the man in Alfreton Road describes him as "absolutely stark bollock naked," that is not quite true—he is wearing a sock. The naked man is flabby, middle-aged, and bleeding heavily, in no shape to be sprinting down the street at three in the morning. After the ER doctors patch up his stab wound, the man tells the police he was attacked by a prostitute. Then he clams up, embarrassed, and refuses to even give his name. This is the fourth such recent attack reported to police inspector Charlie Resnick's thinly stretched Nottingham police department. Two victims were salesmen; the other was a traveling Italian soccer fan, lured away from his friends by a redheaded beauty. It's up to Resnick to find a link between the crimes, and to nab the perpetrator before more of the city's men let their basest urges lead them into peril.

*TimeRiders: The Eternal War* Apr 15 2022 Continuing the heart-pounding, time-bending action of the *TimeRiders* series, *The Eternal War* brings readers back to a pivotal time period in American history: the Civil War. Only this alternate history is one where a young Abraham Lincoln has somehow followed Liam into the present from 1831, and the entire course of American history has changed. If the *TimeRiders* can't return Lincoln to the past, the country could be trapped in a dangerous state of never-ending civil war. Can Maddy persuade two colonels on either side of no man's land to cease fire long enough to save the future?

**Plague Land: Reborn** May 16 2022 THEY THOUGHT IT WAS DEAD. THEY WERE WRONG. Two years ago, a virus hit London, killing thousands of people and driving the rest into hiding. But Leon has somehow survived, making it through two harsh winters. Now he's living on the fragile hope that the freezing snow and ice of the English climate wiped out the virus for good. Word even reaches Leon of a rescue boat on its way. But all is not as safe as it seems. The virus has been busy... Praise for *Plague Land*: "Will immediately engross and terrify readers." —VOYA "A thrilling family survival story, a clinical study of a fictional pathogen, body horror, and an action-packed dystopian narrative." —Booklist "Terror, anxiety, and anticipation will flow rapidly through the veins of readers as they piece together clues...in this fast-paced horror." —The Bulletin of the Center for Children's Books "A high-impact horrific thriller that will keep readers on the edge of their seat and begging for the next installment." —School Library Journal

*Orion Lost* Aug 27 2020 After a catastrophic Unknown Event leaves the colony ship *Orion* stranded deep in space, it's up to thirteen-year-old Beth and her friends to navigate through treacherous and uncharted territory and reach safety. But a heavily damaged ship, a mysterious alien species, space pirates, and an Artificial Intelligence which Beth suspects may be lying to her mean that getting home has never been so difficult. Hugely gripping, with incredible twists and a fast-paced, action-packed story, this is an unputdownable science fiction adventure - perfect for fans of *Mortal Engines* and *Star Wars*.

**Last Light** Dec 23 2022 SOON TO BE A MAJOR TV SERIES STARRING JOANNE FROGGATT AND MATHEW FOX A terrifying apocalyptic thriller from the one of the brightest stars of the genre... 'Chillingly plausible' DAILY TELEGRAPH It seems to be a very normal Monday morning. But in the space of only a few days, the world's oil supplies have been severed and at a horrifying pace things begin to unravel everywhere. And this is no natural disaster: someone is behind this. Jenny is stuck in Manchester, fighting desperately against the rising chaos to get back to London, where her children are marooned as events begin to spiral out of control: riots, raging fires, looting, rape and murder. In the space of a week, London is transformed into a lawless and anarchic vision of hell. Jenny's estranged husband, oil engineer Andy Sutherland, is stranded in Iraq with a company of British soldiers, desperate to find a way home to his family, trapped as transport links and the very infrastructure of daily life begin to collapse around him. And against all this, a mysterious man is tracking Andy's family. He'll silence anyone who might be able to reveal the identities of those behind this global disaster. It seems that the same people who now have a stranglehold on the future of civilisation have flexed their muscles before, at other significant tipping points in history, and they are prepared to do anything to keep their secret -

and their power - safe.

**In a Dark House** Jun 05 2021 An abandoned Southwark warehouse burns next door to a women's shelter for victims of spousal abuse. Within it lies the charred corpse of a female body burned beyond all recognition. At the same time, workers at Guy's Hospital anxiously discuss the disappearance of a hospital administrator -- a beautiful, emotionally fragile young woman who's vanished without a trace. And in an old, dark, rambling London house, nine-year-old Harriet's awful fears won't be silenced -- as she worries about her feuding parents, her schoolwork . . . and the strange woman who is her only companion in this scary, unfamiliar place. Gemma James and Duncan Kincaid -- lovers and former partners -- have their own pressing concerns. But they must put aside private

matters to investigate these disturbing cases. Yet neither Gemma nor Duncan realize how closely the cases are connected -- or how important their resolutions will be for an abducted young child who is frightened, alone . . . and in serious peril.

*Winter's Ghost* Mar 02 2021 Some ghosts still live and breathe... Six months ago, on the night Winter Black and her fellow agents took down The Preacher, a mall massacre occurred. Today, one of the gunmen responsible for taking fifteen innocent lives that night is killed-with a well-placed bullet fired from nearly a mile away. Clearly a professional, either military or law enforcement, the sniper leaves zero evidence, other than a note. When more suspected rapists and murderers turn up dead, the killer's pattern becomes clear: they're acting as judge, jury, and executioner for a series of cases that were brushed off by the cops. How could a person not cheer a little? Until the spotlight is shone on one of the FBI's own. Ultimately, it's a matter of right or wrong. Winter knows just where the line is-she learned the night her parents were slaughtered and her baby brother disappeared. After all, that night made her who she is, and she'll uphold the law, even for the scumbags who deserve to die. Even while the ghosts of her past grow closer and closer. Book five of Mary Stone's breakthrough Winter Black series, *Winter's Ghost* is an ingeniously conceived psychological thriller that will keep readers enthralled while making sure their door is locked-and pick proof. *Sea of Spies* Sep 27 2020 A nest of espionage. A break for the border. A race to survive. The Allies are desperate to stop neutral Turkey supplying vital materials to the Nazis – materials which could help them win the war. But then a British agent makes a fatal mistake, and disappears in Istanbul. In England, detective turned spy Richard Prince – back from a clandestine mission in Nazi-occupied Europe – is hunting for his lost son. Before long he is drawn into a dangerous follow-up operation, posing as a journalist in Turkey. The mission soon goes wrong. Out of touch with London and stranded hundreds of miles behind enemy lines, Prince will have to find evidence of the Turks secret trade with the Nazis, as well as a way out. Chances of survival? Low. Chance of completing his mission? Prince will do whatever it takes. An astounding WWII espionage thriller from a modern master of the genre, *Sea of Spies* is a triumph, perfect for fans of Alan Furst, John le Carré and Robert Harris.
