Keeping in view the requirement of various management schools and professionals, this book presents dynamically changing policies, strategies, business models, frameworks and practices of corporate enterprises in India and abroad in an interesting and stimulating manner. The concepts are structured around the decision making process with suitable examples to enlighten students and managers with practices and techniques of making business strategies in today's competitive environment. The book includes 13 real-life Indian cases to provide an invaluable opportunity to the readers to apply their theoretical knowledge in solving business problems by analysing strategic issues of specific organizations. Besides management studies, the text will also prove useful to the students of commerce and allied areas. KEY FEATURES : Discusses new paradigms of managing challenges in corporate enterprises. Includes a separate chapter on strategies of Mergers and Acquisitions. Highlights strategy execution and implementation factors. Emphasizes organizational culture and its relevance in organizational effectiveness. Leading case expert L.J. Bourgeois is teamed with well-known researchers and instructors Irene Duhaime and Larry Stimpert, to author the second edition of Strategic Management. A premiere text and casebook, it is unique in that it emphasizes the importance of strategic management from the role of a general manager. In this new edition, special attention is given to the competitive advantage any firm may have with its product or service, as well as to competitive advantage a firm may have within its structure. For courses in strategy and strategic management. Core strategic management concepts without the excess Strategic Management and Competitive Advantage: Concepts and Cases strips out the unnecessary, by presenting material that answers the question: does this concept help students analyze real business situations? Each chapter has four short sections that cover specific issues in depth, to adapt the text to the students' particular needs. By utilizing this carefully crafted approach, the 6th Edition provides students with the tools they need for strategic analysis. Also available with MyLab Management By combining trusted authors' content with digital tools and a flexible platform, MyLab personalizes the learning experience and improves results for each student.
