*The World and Its People: Western Hemisphere, Europe, and
Russia, Student Edition Nov 19 2020 An all-new middle school
program co-authored by National Geographic, The World and Its
People introduces students to an enriched view of the
interrelationships of geography, history, economics, government,
citizenship, and current events--in one compelling package.
Suitable for World Geography or World Cultures. A strong
geographic thread is interwoven with history, government,
economics and culture to analyze different regions of the world
and issues facing the regions. The World and Its People is*

available as a full survey of Western Hemisphere, Europe, and Russia and Eastern Hemisphere.
