Spiritual Evolution Aug 29 2022 Nikki Patillo speaks to angels. And, the angels speak to Nikki. In fact, they have asked her to speak to you. That message from the angels is found in this book. Elements of the message from the angels include: - We are not humans on a spiritual journey, but are spiritual beings on a human journey. - We are in the midst of a spiritual evolution in which our auras and vibrational frequencies are changing for the better. - Life is often filled with pain. Embrace the pain. It is what binds us to one another, helps us to grow, and teaches us spiritual lessons. In a sense, this could be called the Angels' Manifesto. Their message here is everything each of us needs to know about ascension, reincarnation, karma, living in abundance, manifesting our dreams, and waking up. It is a cosmic manifesto filled with practical insights for daily living and cosmic truth for the next evolutionary leap.

**I Will Not Fear** Mar 24 2022 In 1957, Melba Beals was one of the nine African American students chosen to integrate Central High School in Little Rock, Arkansas. But her story of overcoming didn't start--or end--there. While her white schoolmates were planning their senior prom, Melba was facing the business end of a double-barreled shotgun, being threatened with lynching by rope-carrying tormentors, and learning how to outrun white supremacists who were ready to kill her rather than sit beside her in a classroom. Only her faith in God sustained her during her darkest days and helped her become a civil rights warrior, an NBC television news reporter, a magazine writer, a professor, a wife, and a mother. In *I Will Not Fear*, Beals takes readers on an unforgettable journey through terror, oppression, and persecution, highlighting the kind of faith needed to survive in a world full of heartbreak and anger. She shows how the deep faith we develop during our most difficult moments is the kind of faith that can change our families, our communities, and even the world. Encouraging and inspiring, Beals's story offers readers hope that faith is the solution to the pervasive hopelessness of our current culture.

## **The American State Reports** Mar 12 2021

**Sovereign** Jun 26 2022 Now in America, and grown to adulthood, the two brothers' lives turn from hero-worship to a deadly contest. What could drive these two to become mortal enemies? Can either survive as an individual? You have heard the story of the unrecognized artistic genius, but what of the genius recognized too well...recognized and envied. Why should his brilliant talent be hostage to lethal seeds sown in his childhood? How could two brothers, so different, both love the same woman? How could she be attracted to each? Why would the clash of an individual against his race tear a family apart? Do you owe your life to your race? Do you owe your life to your family? What do you owe to yourself? What is an individual? What ideas create individualism in a man's soul and in a culture? What ideas create racism? What is the nature of the clash between individualism and its opposite, racism? What will happen when a young woman discovers that the man she had worshipped is her greatest threat? -- when a man discovers that he has given up the woman who should have been his? -- when a woman who had seduced a man discovers that she has defiled not just her body but her soul? Read *Sovereign* to discover the answers to these questions.

**Stone of Gabriel** Oct 19 2021 Reaching for a curiously shaped stone in a southern California riverbed, Kurt, a motherless 13-year-old out on a father-son bonding camp trip, feels a pulsing tremor of energy. Confused, he shares this oddly colored rock with his two friends, both who touch it briefly and throw it away in cries of pain. Unsure what to do, the three boys agree to keep this strange phenomenon a secret. After bringing the stone back home, Kurt senses he's being followed, possibly by a lone detective. To add to his unease, the city of San Diego is besieged by what seems like a disturbing and violent serial killer, one who leaves distinctive clues, as if he (or it) is itching to get caught. When he finally makes contact with Steve Bailey, an unflinching detective with a disturbing past, Kurt uncovers his own startling heritage of power, danger and, ultimately, justice. In this unnerving urban thriller, the creators have reunited with their demons, and humans with inherited, but unwieldy gifts, may be the only barrier between survival and celestial destruction.

**Jane Austen Ruined My Life** Jun 14 2021 Emma Grant has a respectable marriage, a prestigious teaching job, and plans for children. Then one day she finds her husband in bed with another woman, and her world crumbles. Denied tenure in the wake of the scandal, Emma quits Texas, heading for England to pursue a dream - to find the 3000 missing letters of Jane Austen. A reclusive widow claims to have the author's correspondence, and agrees to allow her sight of the letters, but only subject to stringent security and the completion of a series of tasks which set Emma off across England, searching for the secrets Jane Austen hoped to bury. And the reappearance of her old friend, Adam, doesn't make the quest any easier. As Emma uncovers the legendary author's innermost thoughts, she begins to understand the reasons for her idol's secrecy. Laced with excerpts from the missing letters, this is the story of a woman betrayed ...

**Warriors Don't Cry** Dec 01 2022 Using the diary she kept as a teenager and through news accounts, Melba Pattillo Beals relives the harrowing year when she was selected as one of the first nine students to integrate Central High School in Little Rock, Arkansas, in 1957.

**Sweetgum Secrets** Jul 28 2022 The Sweetgum ladies are all keeping secrets. Even as they gather each month to discuss the great romances of literature and their accompanying knitting projects, the members of the Sweetgum Knit Lit Society are hiding behind their novels and their needles. The pastor's wife doesn't want her husband to know that she's being blamed for a drop in church donations. The young woman who dreams of leaving her small town behind won't admit her true feelings when a man from her past returns. The newly widowed town matriarch

is keeping quiet about her surprising new best friends, and the youngest member, a struggling teenager, doesn't want anyone to know that her erstwhile boyfriend doesn't want to date her openly. The newest member of the group finds herself struggling to keep her family together after her father's death. And then there's the mother of four who's hiding her grief at leaving her infant son in daycare so she can return to the working world. What will happen when each of their truths comes out? Reading some of the great love stories of literature might just open their eyes to the possibility of happiness if they would let their secrets out. Sure, it's scary, and there's a lot on the line. But the truth about love is that as long as it's a secret, it can't transform their lives. \*first published as *The Sweetgum Ladies Knit for Love* (2009)

*Black Picket Fences* Oct 31 2022 The author takes a stark and candid look at a section of America often ignored by both scholars and the media: the black middle class.

**Sovereign** Nov 19 2021 In a foreign, strife-torn land, and then in America, two brothers' lives turn from hero-worship to a deadly contest. What could drive these two to become mortal enemies? Can either survive as an individual? You have heard the story of the unrecognized artistic genius, but what of the genius recognized too well...recognized and envied. Why should his brilliant talent be hostage to lethal seeds sown in his childhood? How could two brothers, so different, both love the same woman? How could she be attracted to each? Why would the clash of an individual against his race tear a family apart? Do you owe your life to your race? Do you owe your life to your family? What do you owe to yourself? What is an individual? What ideas create individualism in a man's soul and in a culture? What ideas create racism? What is the nature of the clash between individualism and its opposite, racism? What will happen when a young woman discovers that the man she had worshipped is a monster? -- when a man discovers that he has given up the woman who should have been his? -- when a woman who had seduced a man discovers that she has defiled not just her body but her soul? -- when a woman must choose between her husband and her two sons? -- when a man's two brothers oppose everything he stands for? -- when a father must choose between two sons? Read *Sovereign* to discover the answers to these questions.

The Sweetgum Knit Lit Society Sep 17 2021 Sometimes life has to unravel before you can knit it together... On the third Friday of each month, Eugenie, Ruth, Esther, Merry, and Camille meet at the Sweetgum Christian Church to enjoy the two things that connect them: a love of knitting and a passion for books. Their camaraderie remains unthreatened until Eugenie, the town librarian, introduces an angry teenager into their midst. Eugenie also gives them a new reading list: the classic novels of girlhood that young Hannah has never read. *Little Women*. *Pollyanna*. *Heidi*. Books that remind the women of the hopes and dreams they have lost along the way. With each click of their needles, the ladies of the Knit Lit Society unravel their secrets: A shadow from Eugenie's past haunts the controlled order of her life. Merry's perfect little family is growing again—but will she continue to feel her identity slip away? Camille dreams of leaving town but is bound by ties of love. And the sisters, Ruth and Esther, must confront a lie they have lived with for over thirty years. As Hannah is reluctantly stitched into their lives, the women discover the possibility that even in sleepy Sweetgum, Tennessee, they can still be the heroines of their own stories. From the Trade Paperback edition.

*Carolina Planters on the Alabama Frontier* Jan 28 2020 *Carolina Planters on the Alabama Frontier: The Spencer-Robeson-McKenzie Family* collects the papers of Elihu Spencer, a fourth-generation New Englander, and his family and Southern descendants, to form a history of the

American nation from the point of view of planters and those they held in slavery. The documents in this volume are accounts of a privileged world that was afflicted by constant loss and despair. The families lived as isolated, landed gentry in a society where medical treatment had hardly evolved since the Middle Ages. The papers together form a dramatic narrative of early Americans from the mid-eighteenth century to the harsh years after the Civil War. They created their new society with courage and imagination and tenacity, while never recognizing their own moral blind spot regarding the holding of human beings in slavery. It brought about the collapse of their world--poignantly expressed in these letters.

*McMaster's Commercial Decisions Affecting the Banker and Merchant* Feb 08 2021

*Class Interruptions* Nov 07 2020 As downward mobility continues to be an international issue, Robin Brooks offers a timely intervention between the humanities and social sciences by examining how Black women's cultural production engages debates about the growth in income and wealth gaps in global society during the late twentieth and early twenty-first centuries. Using an interdisciplinary approach, this innovative book employs major contemporary texts by both African American and Caribbean writers—Toni Morrison, Gloria Naylor, Dawn Turner, Olive Senior, Oonya Kempadoo, Merle Hodge, and Diana McCaulay—to demonstrate how neoliberalism, within the broader framework of racial capitalism, reframes structural inequalities as personal failures, thus obscuring how to improve unjust conditions. Through interviews with authors, textual analyses of the fiction, and a diagramming of cross-class relationships, Brooks offers compelling new insight on literary portrayals of class inequalities and division. She expands the scope of how the Black women's literary tradition, since the 1970s, has been conceptualized by repositioning the importance of class and explores why the imagination matters as we think about novel ways to address long-standing and simultaneously evolving issues.

*Pattillo Higgins and the Search for Texas Oil* Mar 04 2023 Texas and wildcatters--they go together. And Pattillo Higgins was the granddaddy of them all. Without him Spindletop, Texas' first gusher, would never have been drilled, and the history of the modern oil industry might have been far different. Here for the first time is his dramatic, almost mystifying story, based on his personal papers and told by his grandnephew. It was Pattillo Higgins who showed the more famous Captain Anthony Lucas where to drill at Spindletop. He organized the Gladys City Oil, Gas and Manufacturing Company in 1892, and he located oil fields all over Texas and Louisiana--as many as 100 independent fields, some still unexplored. Although often doubted, he has never yet been proven wrong on one. In his career he gained and lost several fortunes, opened the first brick plant in southeast Texas, and operated a logging enterprise on the Neches River. He was once acquitted in a murder trial, experienced a religious conversion, and married his adopted daughter. But throughout his life the search for oil was his chief preoccupation--one he never abandoned. This is the story of a determined, dedicated individual who took large risks in order to find black gold. It firmly gives Pattillo Higgins his rightful place as one of the three or four great names in the Texas oil industry.

**March Forward, Girl** Feb 03 2023 "Beals' recollection of white oppression and her rise above it will haunt readers. A must-read for teens." —School Library Journal From the legendary civil rights activist and author of the million-copy-selling *Warriors Don't Cry* comes an ardent and profound childhood memoir of growing up while facing adversity in the Jim Crow South. Long before she was one of the Little Rock Nine, Melba Pattillo Beals was a warrior. Frustrated by the laws that kept African-Americans separate but very much unequal to whites, she had questions. Why couldn't she drink from a "whites only" fountain? Why couldn't she feel safe beyond home—or even within the walls of church? Adults all told her: Hold your tongue. Be patient. Know your place. But Beals had the heart of a fighter—and the knowledge that her true place was a free one. Combined with emotive drawings and photos, this memoir paints a vivid picture of Beals' powerful early journey on the road to becoming a champion for equal rights, an acclaimed journalist, a best-selling author, and the recipient of this country's highest recognition, the Congressional Gold Medal.

*The Frederick Douglass Papers* Apr 12 2021 The journalism and personal writings of the great American abolitionist and reformer Frederick Douglass Launching the fourth series of *The Frederick Douglass Papers*, designed to introduce readers to the broadest range of Frederick Douglass's writing, this volume contains sixty-seven pieces by Douglass, including articles written for *North American Review* and the *New York Independent*, as well as unpublished poems, book transcriptions, and travel diaries. Spanning from the 1840s to the 1890s, the documents reproduced in this volume demonstrate how Douglass's writing evolved over the five decades of his public life. Where his writing for publication was concerned mostly with antislavery advocacy, his unpublished works give readers a glimpse into his religious and personal reflections. The writings are organized chronologically and accompanied by annotations offering biographical information as well as explanations of events mentioned and literary or historical allusions.

**The Great Revival** Dec 21 2021 Drawing upon the religious writings of southern evangelicals, John Boles asserts that the extraordinary crowds and miraculous transformations that distinguished the South's First Great Awakening were not simply instances of emotional excess but the expression of widespread and complex attitudes toward God. Converted southerners were starkly individualistic, interested more in gaining personal salvation in a hopelessly evil world than in improving society. As Boles shows in this landmark study, the effect of the Revival was to throw over the region a conservative cast that remains dominant in contemporary southern thought and life.

**Princess Charming** Dec 29 2019 Having lived with her evil stepmother and stepsisters, Lucy Charming swears to never again depend on any man—including the handsome gentleman who repeatedly rescues her from danger. Nicholas, the Crown Prince of Santadorra, swears off acts of heroism. But Lucy, who knocks him unconscious at their first meeting and spurns his assistance, proves an irresistible lure. Original.

**Sense, Sensibility, and Spilling the Tea** Sep 29 2022 Were ever two sisters more different? I've never been close with my sister, Mimi, but my

mother's dying wish sends the two of us on a walking tour in England that follows in the footsteps of Jane Austen. Once there, we discover that our mother also left us a mysterious diary that belonged to Jane's sister, Cassandra. Its undiscovered pages shed light on the secrets that nearly tore the Austen sisters apart and inspired one of the great love stories from Jane's pen. As my sister and I visit the places that were important to the Austens, from Steventon Rectory to Chawton Great House to the cathedral at Winchester, we discover that Cassandra's diary holds clues that lead to that holiest of grails-Jane Austen's own diary. Someone, though, doesn't want us to find Jane's diary, and they will do whatever it takes to keep us from discovering its whereabouts. My sister and I also face unexpected paths to love as we traipse through Hampshire. A formidable colonel can't keep his eyes off Mimi, and my own lost love reappears in a fashion that's so timely it's suspicious. As we retrace the steps of the Austens, we discover what (and who) inspired Jane to write the famous sisters of Sense and Sensibility, Elinor and Marianne Dashwood, and we come to realize, as the Dashwood and Austen sisters did before us, that despite our differences, we are vital to one another's happy endings.

**The Sweetgum Ladies Knit for Love** May 14 2021 “[Pattillo] creates a sweet story of redemption that will go down well with knitters as well as the knitting-challenged.” — PUBLISHERS WEEKLY “The Sweetgum Knit Lit Society cries for a sequel.” — BOOKPAGE Once a month, the six women of the Sweetgum Knit Lit Society gather to discuss books and share their knitting projects. Inspired by her recently-wedded bliss, group leader Eugenie chooses “Great Love Stories in Literature” as the theme for the year’s reading list—a risky selection for a group whose members span the spectrum of age and relationship status. As the Knit Lit ladies read and discuss classic romances like *Romeo and Juliet*, *Wuthering Heights*, and *Pride and Prejudice*, each member is confronted with her own perception about love. Camille’s unexpected reunion with an old crush forces her to confront conflicting desires. Newly widowed Esther finds her role in Sweetgum changing and is surprised by two unlikely friends. Hannah isn’t sure she’s ready for the trials of first love. Newcomer Maria finds her life turned upside-down by increasing family obligations and a handsome, arrogant lawyer, and Eugenie and Merry are both asked to make sacrifices for their husbands that challenge their principles. Even in a sleepy, southern town like Sweetgum, Tennessee, love isn’t easy. The Knit Lit ladies learn they can find strength and guidance in the novels they read, the love of their family, their community—and especially in each other. Beth Pattillo learned to knit in the second grade. She is the author of the book, *Heavens to Betsy*, the recipient of the Romance Writers of America Best Inspirational Romance Novel in 2006, and its sequel, *Earth to Betsy*. Beth lives with her husband and children in Tennessee.

*March Forward, Girl* May 06 2023 A member of the Little Rock Nine shares her memories of growing up in the South under Jim Crow.

*Mr Darcy Broke My Heart* Mar 31 2020 As Claire Prescott reads the first draft of 'Pride and Prejudice', she uncovers a long-hidden secret about the iconic Darcy, as well as a truth about Austen's own struggle to find the right hero for Elizabeth Bennet.

*Earth to Betsy* Jun 02 2020 Can you have your (wedding) cake and eat it, too? Betsy Blessing is about to have it all—the chance to be senior minister of Church of the Shepherd and a long-awaited first date with her best-friend-turned-love-interest, David Swenson. But David’s unexpected marriage proposal and a developer’s surprise offer to buy the dying downtown church building thrust Betsy into a whirlwind of decisions. Betsy’s future mother-in-law, editor of Budget Bride magazine, plans to feature the nuptials in an upcoming issue, but is Betsy ready to buy her wedding gown at Goodwill and register for china at Chips-n-Dings? And not everyone at Church of the Shepherd thinks

relocating to the suburbs is a great idea. Can Betsy persuade the naysayers that she can lead them to the Promised Land? Factor in a homeless man named Booger, a demanding parishioner with a broken hip, and David's clandestine meetings with his former fiancée, and Betsy has more than she can handle. Is happily ever after out of reach for the fabulous Reverend Blessing? From the Trade Paperback edition.

**Heavens to Betsy** Apr 24 2022 Blessed Are the Fabulous. Life would be perfect for Reverend Betsy Blessing if it weren't for parishioners who keel over during her sermons, steal money from the collection box, and set her up with ex-cons. Not to mention the very inconvenient feelings she is suddenly having for her long-time friend, fellow seminarian, and verbal sparring partner, David Swenson. It isn't until Betsy is thrust into the position of senior minister for her church, however, that she discovers the real cause of her discontent: her fear of failing has become stronger than her faith in herself. Is it really possible to keep a good woman down? Can Betsy reclaim her confidence while reconciling her clerical robe with high heels and the right shade of lipstick? A fun-loving look at a single girl's life on the other side of the altar, **Heavens to Betsy** is also a hilarious and joyful celebration of strong, stylish, and faithful womanhood. From the Trade Paperback edition.

**Children of the Stars** May 02 2020 Star children are children who have been sent here from all areas of the universe to help the earth and the people on it. They possess psychic, spiritual, and other extra sensory abilities. These children will bring peace, topple corrupt systems, and shift dimensional consciousness in the years to come. They have come here on special assignment to assist in this rebirth into a higher dimensional Earth. Since the beginning of time, parents have wished their kids came with an owner's manual. Big changes are coming as this is a new world, a new energy grid, and the children of the stars, or Star children as we call them, have finally arrived to help save the earth with no owner's manual. This book is a guide to help parents understand their Star children and to help each parent spiritually understand what is happening with these gifted youngsters who are here to help us. Yes, your children can be your spiritual advisors and they are here to help us. They will try to teach us many lessons. Most we won't understand, some we won't even know are lessons. With the help of this guide, a few of us may catch on. Valuable for educators to become aware that they are dealing with an entirely new generation of children who do not think or behave like those who have gone before them. This book is also intended to help our younger or older Star children understand and not be afraid of what they are seeing or hearing that many others cannot see or hear. Topics: Indigo to Crystal to Rainbow Transitions; Environmental Stress and Your Star Child; The Importance of healthy Food; The Nine Dimensions of Consciousness; A Global Crisis: Help Is On the Way.

**The General Aviation Industry in America** Jul 16 2021 The industry known as "general aviation"--encompassing all flying outside of the military and commercial airlines--dates from the early days of powered flight. As technology advanced, making possible smaller aircraft that could be owned and operated by civilians, manufacturers emerged to serve a growing market. Increasingly this meant business flying, as companies used aircraft in a variety of roles. The industry struggled during the Great Depression but development continued; small aircraft manufacturers became vital to the massive military production effort during World War II. After the war, rapid technological advancement and a robust, prosperous middle class were expected to result in a democratized civil aviation industry. For many reasons this was never realized, even as general aviation roles and aircraft capabilities expanded. Despite its many reverses and struggles, entrepreneurship has remained the driving factor of the industry.

Where There's a Will Jan 02 2023 Escape to the charming town of Copper Mill, Tennessee. Nestled in the foothills of the Great Smoky Mountains, Copper Mill is a place of tradition and tranquillity. But when Kate Hanlon and her husband Paul move in, they discover that small town life is anything but boring. The mysteries Kate uncovers are puzzling, but she always uses her quick mind and the help of her dear friends to figure out the answer. See how faith can solve life's mysteries in the *Mystery and the Minister's Wife* series. When Paul's old flame enlists Kate's help in finding her grandmother's missing will, Kate has to face her toughest adversary yet: jealousy in *Where There's a Will*. When Kate enrolls in an art course at a community college, she discovers that her teacher, Ellen Carruthers, was Paul's college sweetheart. Kate is wary of the woman, but soon Ellen has enlisted Kate's help to solve an old family squabble. Ellen's family owns an abandoned mining town on High Hoot Ridge, but unless she can prove her claim on the land, it will be sold to a paper company, and the region's rich history -- along with her family memories -- will be lost. A series of old paintings holds clues to Ellen's grandfather's missing will, but can Kate track down the paintings and decipher the clues in time? As Kate wrestles with these mysteries, Ellen's relationship with Paul raises questions of a whole different kind. And Paul has been invited to join the Chamber of Commerce, but his plans to revitalise the local economy only lead to frustration. Can he find a way to preserve the town's history and still make sure it has a future? Can they all find a way to make sense of the past?

*I Am We* Aug 17 2021 Many people have secrets they are fearful to share with those who love them. Christine Pattillo was one of those people, except instead of just one secret, she had many. As long as Christine can remember, she has lived with Multiple Personality Disorder (MPD) or Dissociative Identity Disorder (DID). But for most of her life, she kept this secret hidden from everyone around her, including her husband. It wasn't until the age of forty-one and after ten years of counseling that she finally managed to utter the seven most difficult words of her life: There is more than one of me. Now, several years later, she is ready to share her story with the rest of the world. In her fascinating memoir, *I Am WE: Our Lives with Multiple Personalities*, Christine Pattillo shares her incredible journey of life with MPD. Readers will come to know Christine's alternate personalities as the unique and extraordinary individuals they are. a"

**Black on the Block** Apr 05 2023 In *Black on the Block*, Mary Pattillo—a Newsweek Woman of the 21st Century—uses the historic rise, alarming fall, and equally dramatic renewal of Chicago's North Kenwood–Oakland neighborhood to explore the politics of race and class in contemporary urban America. There was a time when North Kenwood–Oakland was plagued by gangs, drugs, violence, and the font of poverty from which they sprang. But in the late 1980s, activists rose up to tackle the social problems that had plagued the area for decades. *Black on the Block* tells the remarkable story of how these residents laid the groundwork for a revitalized and self-consciously black neighborhood that continues to flourish today. But theirs is not a tale of easy consensus and political unity, and here Pattillo teases out the divergent class interests that have come to define black communities like North Kenwood–Oakland. She explores the often heated battles between haves and have-nots, home owners and apartment dwellers, and newcomers and old-timers as they clash over the social implications of gentrification. Along the way, Pattillo highlights the conflicted but crucial role that middle-class blacks play in transforming such districts as they negotiate between established centers of white economic and political power and the needs of their less fortunate black neighbors. “A century from now, when today's sociologists and journalists are dust and their books are too, those who want to understand what the hell happened to Chicago will be finding the answer in this one.”—Chicago Reader “To see how diversity creates strange and sometimes awkward

bedfellows . . . turn to Mary Pattillo's Black on the Block.”—Boston Globe

**The Immortal Life of Henrietta Lacks** Aug 05 2020 #1 NEW YORK TIMES BESTSELLER • “The story of modern medicine and bioethics—and, indeed, race relations—is refracted beautifully, and movingly.”—Entertainment Weekly NOW A MAJOR MOTION PICTURE FROM HBO® STARRING OPRAH WINFREY AND ROSE BYRNE • ONE OF THE “MOST INFLUENTIAL” (CNN), “DEFINING” (LITHUB), AND “BEST” (THE PHILADELPHIA INQUIRER) BOOKS OF THE DECADE • ONE OF ESSENCE’S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS • WINNER OF THE CHICAGO TRIBUNE HEARTLAND PRIZE FOR NONFICTION NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Entertainment Weekly • O: The Oprah Magazine • NPR • Financial Times • New York • Independent (U.K.) • Times (U.K.) • Publishers Weekly • Library Journal • Kirkus Reviews • Booklist • Globe and Mail Her name was Henrietta Lacks, but scientists know her as HeLa. She was a poor Southern tobacco farmer who worked the same land as her slave ancestors, yet her cells—taken without her knowledge—became one of the most important tools in medicine: The first “immortal” human cells grown in culture, which are still alive today, though she has been dead for more than sixty years. HeLa cells were vital for developing the polio vaccine; uncovered secrets of cancer, viruses, and the atom bomb’s effects; helped lead to important advances like in vitro fertilization, cloning, and gene mapping; and have been bought and sold by the billions. Yet Henrietta Lacks remains virtually unknown, buried in an unmarked grave. Henrietta’s family did not learn of her “immortality” until more than twenty years after her death, when scientists investigating HeLa began using her husband and children in research without informed consent. And though the cells had launched a multimillion-dollar industry that sells human biological materials, her family never saw any of the profits. As Rebecca Skloot so brilliantly shows, the story of the Lacks family—past and present—is inextricably connected to the dark history of experimentation on African Americans, the birth of bioethics, and the legal battles over whether we control the stuff we are made of. Over the decade it took to uncover this story, Rebecca became enmeshed in the lives of the Lacks family—especially Henrietta’s daughter Deborah. Deborah was consumed with questions: Had scientists cloned her mother? Had they killed her to harvest her cells? And if her mother was so important to medicine, why couldn’t her children afford health insurance? Intimate in feeling, astonishing in scope, and impossible to put down, *The Immortal Life of Henrietta Lacks* captures the beauty and drama of scientific discovery, as well as its human consequences.

**Learning Centers for Child-centered Classrooms** Dec 09 2020 A learning center is a defined space where materials are organized in such a way that children learn without the teacher's constant direction. This book offers guidelines that will help preprimary and primary school teachers organize and manage learning centers in the classroom. Chapter 1 describes the advantages of using learning centers and explains what a learning center classroom looks like. Chapter 2 focuses on organizational and management concerns, such as arranging the room, scheduling the day, previewing and reviewing activities, limiting the number of children working in the centers, and monitoring their choices. Chapter 3 considers the role of the teacher in assessment, the planning and setting up of learning centers, interaction, and arbitration. In chapters 4 and 5, types of learning centers appropriate for preprimary and primary education are discussed in terms of the rationale for the center, the integration of developmental skills into learning in the center, organizational suggestions, and sample activities. Chapter 4 discusses preprimary centers for art, table games, discovery, dramatic play, blocks, music, and construction, and library and gross motor centers. Chapter 5 looks at learning centers appropriate for primary grades, including centers for creative writing, reading, spelling, handwriting, social studies,

science, and mathematics, library centers, and "active primary centers," which function as extensions of the centers discussed in chapter 4. A list of resource books is included in both chapters 4 and 5. Chapter 6 suggests first steps for the teacher considering the conversion to a learning center classroom. (AC)
