Now, following his death, she must deal with her own volatile emotions; the Cubs Forever celebrates the 60-year romance between the team, the superstition, and the fans. It brings to life some of the great games and moments in the team's history, such as Ernie Banks' 500th home run, the first night game at Wrigley Field, and four no-hitters. Add in stories from the men who work behind the scenes at Wrigley and WGN, plus interviews with the team's many stars over this six-decade period, and you have a baseball bonanza for fans of all ages. More than any other sport, baseball has developed its own niche in America's culture and psyche. Some researchers spend years on detailed statistical analyses of minute parts of the game, while others wax poetic about its players and plays. Many trace the beginnings of the civil rights movement in part to the Major Leagues' decision to integrate, and the words and phrases of the game (for example, pinch-hitter and out in left field) have become common in our everyday language. From AARON, HENRY onward, this book covers all of what might be called the cultural aspects of baseball (as opposed to the number-rich statistical information so widely available elsewhere). Biographical sketches of all Hall of Fame players, owners, executives and umpires, as well as many of the sportswriters and broadcasters who have won the Spink and Frick awards, join entries for teams, owners, commissioners and league presidents. Advertising, agents, drafts, illegal substances,

minor leagues, oldest players, perfect games, retired uniform numbers, superstitions, tripleheaders, and youngest players are among the thousands of entries herein. Most entries open with a topical quote and conclude with a brief bibliography of sources for further research. The whole work is exhaustively indexed and includes 119 photographs. THE LITERARY WORKS OF JOVANKA BACH Produced and directed by John Stark (ph.818 222 6031) I was rummaging through my dear deceased wife Jovanka Bach's belongings, when I uncovered a hidden treasure — a never before seen copy of a play entitled Night song For The Boatman, which she had written over twenty years ago, and filed away without telling me about it. And when I read it I was utterly amazed. I immediately went into production with the piece, which I found as fascinating as the best works of Albee, Beckett and Ionesco. It deals with a character she called, Harry Appleman, an aging, alcoholic, washed-up poet, plays dice with fate, and loses. He is called upon to make a mysterious boat trip, by voices from the wilderness, but through various cunning contrivances he tries to avoid his mortality. Then he discovers his humanity when he learns he can't sacrifice his daughter Jessie, for the boat trip, but a tricky graduate student, Gordon Levy will do instead. The "Let's Talk Off-Broadway" reviewer Yvonne Korshak praised the production I staged at Barrow Group Theatre, calling it "a skillfully crafted play, beautifully acted and designed, a totally enjoyable and rewarding evening of theatre." Winner of the Pulitzer Prize for Drama Angels in America: A Gay Fantasia on National Themes includes Part One, Millennium Approaches and Part Two, Perestroika —Glorious. A monumental, subversive, altogether remarkable

masterwork—Details of specific catastrophes may have changed since this Reagan-era AIDS epic won the Pulitzer and the Tony, but the real cosmic and human obsessions—power, religion, sex, responsibility, the future of the world—are as perilous, yet as falling-down funny, as ever. —Linda Winer, *Newsday* "A vast, miraculous play... provocative, witty and deeply upsetting... a searching and radical rethinking of American political drama." - Frank Rich, *New York Times* "A victory for theater, for the transforming power of the imagination to turn devastation into beauty." - John Lahr, *New Yorker* "An enormously impressive work of the imagination and intellect, a towering example of what theater stretched to its full potential can achieve." -Philadelphia *Inquirer* "Angels in America is the finest drama of our time, speaking to us of an entire era of life and death as no other play within memory. It ranks as nothing less than one of the greatest plays of the twentieth century." - John Heilpern, *New York Observer* "Some playwrights want to change the world. Some want to revolutionize theater. Tony Kushner is that rarity of rarities: a writer who has the promise to do both." -*New York Times* This new edition of Tony Kushner's masterpiece is published with the author's recent changes and a new introduction in celebration of the twentieth anniversary of its original production. One of the most honored American plays in history, *Angels in America* was awarded two Tony Awards for Best Play and the Pulitzer Prize for Drama. It was made into an Emmy Award-winning HBO film directed by Mike Nichols. In *Coward on Film: The Cinema of Noël Coward*, author Barry Day documents every film based on Coward's work and/or in which he appeared. The result is an astounding list of film credits, including--on occasion--that of composer. Judged on his contribution to cinema alone, Noël Coward would have left a legacy matched by very few. With this detailed chronicle--which includes quotes from Coward himself and a complete filmography--*Coward on Film* stands as a fitting tribute to

that legacy. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. For the last quarter century, Dan Jenkins has been fixing his cold-eyed stare and wisecracking style on the real-life Billy Clyde and Kenny Lee Pucketts of the sports world. You Call It Sports, But I Say It's a Jungle Out There is a collection of his best work from Sports Illustrated, Playboy, Golf Digest, and his nationally syndicated column, and includes a stack of new pieces written especially for this book. Jenkins spares no one in his search for the culprits who have taken the fun out of sports: NFL owners and refs, PGA Tour administrators, basketball players who can't read, tennis players who can't speak English (or say anything worth hearing when they do). He also finds things worth celebrating: the electric charge given off by Arnold Palmer at his best, the excitement of a truly great college football game, or a real heavyweight champion, like Joe Louis. Overflowing with good ol' boys, great one-liners, famous sporting events, and barroom tales, this is the best of Dan Jenkins—which is to say, it's as good as sportswriting gets anywhere. 'A bright room called day' is set in Germany in 1932 and 1933, and concerns a group of friends caught up in the events of the fall of the Weimar Republic and the rise to power of Adolf Hitler and the Nazi Party. The illusion is a play adapted from Pierre Corneille's seventeenth-century comedy, L'Illusion Comique. It follows a contrite father, Pridamant, seeking news of his prodigal son from the sorcerer Alcandre. From the Pulitzer Prize-winning author of Angels in America comes this powerful portrayal of individual dissolution and resolution in the face of political catastrophe. "Tony Kushner's A BRIGHT ROOM CALLED DAY ... is unabashedly political, thought-provoking, a little scary, and frequently a good deal of theatrical fun ...

BRIGHT ROOM is ... an examination of Nazi Germany in an attempt to shed insight on our own time. It's brash, audacious, and, depending on your politics, anything from infuriatingly naive to intoxicatingly visionary. In its 1932-33 span, it tells of a group of Berlin artists and friends, with varying degrees of communist leanings, and of the changes in their lives as democracy falls and Adolph Hitler takes over." -Sid Smith, Chicago Tribune "It's fun to see a show this engaged. This passionate and ready to talk. Wild, uneven, pugnacious, ragged, committed, smart, dumb, satirical, and utterly serious ... Always dramatically and intellectually forceful. And most important, always passionately committed. More than a diatribe against Reagan or a falling-into-the-Nazi-abyss history play, A BRIGHT ROOM CALLED DAY is an assertion of the need for commitment." -Anthony Adler, The Reader
