All American Boys Aug 29 2020 A 2016 Coretta Scott King Author Honor book, and recipient of the Walter Dean Myers Award for Outstanding Children's Literature. In this New York Times bestselling novel, two teens—one black, one white—grapple with the repercussions of a single violent act that leaves their school, their community, and, ultimately, the country bitterly divided by racial tension. A bag of chips. That's all sixteen-year-old Rashad is looking for at the corner bodega. What he finds instead is a fist-happy cop, Paul Galluzzo, who mistakes Rashad for a shoplifter, mistakes Rashad's pleadings that he's stolen nothing for belligerence, mistakes Rashad's resistance to leave the bodega as resisting arrest, mistakes Rashad's every flinch at every punch the cop throws as further resistance and refusal to STAY STILL as ordered. But how can you stay still when someone is pounding your face into the concrete pavement? There were witnesses: Quinn Collins—a varsity basketball player and Rashad's classmate who has been raised by Paul since his own father died in Afghanistan—and a video camera. Soon the beating is all over the news and Paul is getting threatened with accusations of prejudice and racial brutality. Quinn refuses to believe that the man who has basically been his savior could possibly be guilty. But then Rashad is absent. And absent again. And again. And the basketball team—half of whom are Rashad's best friends—start to take sides. As does the school. And the town. Simmering tensions threaten to explode as Rashad and Quinn are forced to face decisions and consequences they had never considered before. Written in tandem by two award-winning authors, this four-starred reviewed tour de force shares the alternating perspectives of Rashad and Quinn as the complications from that single violent moment, the type taken directly from today's headlines, unfold and reverberate to highlight an unwelcome truth.

Beastie Boys Book Apr 29 2023 #1 NEW YORK TIMES BESTSELLER • A panoramic experience that tells the story of Beastie Boys, a book as unique as the band itself—by band members ADROCK and Mike D, with contributions from Amy Poehler, Colson Whitehead, Wes Anderson, Luc Sante, and more. The inspiration for the Emmy-nominated Apple TV+ “live documentary” Beastie Boys Story, directed by Spike Jonze NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Rolling Stone • The Guardian • Paste Formed as a New York City hardcore band in 1981, Beastie Boys struck an unlikely path to global hip hop superstardom. Here is their story, told for the first time in the words of the band. Adam “ADROCK” Horovitz and Michael “Mike D” Diamond offer revealing and very funny accounts of their transition from teenage punks to budding rappers; their early collaboration with Russell Simmons and Rick Rubin; the debut album that became the first hip hop record ever to hit #1, Licensed to Ill—and the album's messy fallout as the band broke with Def Jam; their move to Los Angeles and rebirth with the genre-defying masterpiece Paul's Boutique; their evolution as musicians and social activists over the course of the classic albums Check Your Head, Ill Communication, and Hello Nasty and the Tibetan Freedom Concert benefits conceived by the late Adam “MCA” Yauch; and more. For more than thirty years, this band has had an inescapable and indelible influence on popular culture. With a style as distinctive and eclectic as a Beastie Boys album, Beastie Boys Book upends the typical music memoir. Alongside the band narrative you will find rare photos, original illustrations, a cookbook by chef Roy Choi, a graphic novel, a map of Beastie Boys' New York, mixtape playlists, pieces by guest contributors, and many more surprises. Praise for Beastie Boys Book “A fascinating, generous book with portraits and detail that float by in bursts of color . . . As with [the band's] records, the book's structure is a lyrical three-man weave. . . . Diamond's voice is lapidary, droll. Horovitz comes on like a borscht belt comedian, but beneath that he is urgent, incredulous, kind of vulnerable. . . . Friendship is the book's subject as much as music, fame and New York.”—The New York Times Book Review “Wild, moving . . . resembles a Beastie Boys LP in its wild variety of styles.”—Rolling Stone

Why Do Boys...? Jan 02 2021

How to Meet Cute Boys Dec 01 2020 This hilarious work of women's fiction is about a young woman writing for a women's magazine who's experiencing the L.A. dating scene. This book depicts itself as a "novelzine,"

where the protagonist's magazine articles are relevantly interspersed throughout the novel.

Boys Against Girls Nov 24 2022 The Hatford-Malloy feud continues in this fast-paced sequel to *The Boys Start the War* and *The Girls Get Even* (both Delacorte, 1993). Their egos still smarting from the humiliation they suffered on Halloween at the hands of their female neighbors, the Hatford boys try to frighten them with tales of the abaguchie, a creature of local legend. A funny series of plans for revenge and retaliation from both sides follows. Ultimately, the children call a truce when they are united by a common cause-sharing a joke at their parents' expense. Although this title sums up the background of the story clearly, it relies on the earlier books for characterization. The girls come across as stereotypes-an athlete, a bookworm, and an aspiring actress-and the boys are virtually indistinguishable from one another. Nevertheless, fans of the previous books will enjoy this installment.

The Boy's Body Book Apr 17 2022 Discusses the physical and emotional changes associated with puberty in boys and suggests ways to ease the adjustment to these changes.

Boys Run the Riot 4 Jul 28 2020 RIOTS ARE ALL THE RAGE Now that the drama with Tsubasa has cooled down, Ryo is living out and proud at school, and he and his friends are back on track to create new designs for *Boys Run the Riot*. While doing so, Ryo bumps into a fan named Joe, who has been running his own fashion brand for 20 years. Under his tutelage, *Boys Run the Riot* gets put to the test to think up their brand message, motif, and concept...in order to prepare for their brand's debut at Joe's exhibition! Meanwhile, Ryo and Jin must decide whether to hide from their families, or invite them along to the exhibition and reveal their true selves... The boys who once dreamed of changing the world with their clothes are now ready to take the stage, and they're not exiting without causing a riot! FINAL VOLUME!

Jo's Boys Dec 21 2019 *Jo's Boys* (1886) is a novel by American author Louis May Alcott. Written while Alcott

was living in the historic Thoreau-Alcott House in Concord, Massachusetts, Jo's Boys picks up ten years after the events of *Little Men*, which followed the young sons of Jo Bhaer (née March) and Professor Friedrich Bhaer at their newly established Plumfield Estate School. As with the rest of the series, Jo's Boys was inspired by the educational reforms theorized and practiced by her father. Plumfield boys Tommy, Emil, Nat, Dan, Demi, Rob, and Ted have all grown up, taking with them into the world the lessons they learned at the Plumfield Estate School. Split into sections following the lives of each young man, Jo's Boys traces the impact on Jo and Friedrich Bhaer's experimental form of education across a number of diverse—and often difficult—situations. Each character navigates the realities of college, marriage, and work with varying degrees of success, often finding that what they can most rely on is a well-grounded sense of morality, as well as a strong and abundant understanding of themselves as individuals. Emil, Professor Friedrich Bhaer's nephew, becomes a sailor, gets promoted to second mate, and is faced with the challenge of rescuing his fellow shipmates after a wreck leaves them stranded. Tommy enters medical school but finds it difficult to dedicate himself to his work while weighing his complex affections for Nan and Dora, both of whom he could see himself marrying. The novel's most compelling character is Dan, who becomes a sheep-herder in Australia before returning to America, being arrested out West, and ultimately discovering his deeply entrenched need to dedicate his life to others. Although originally written for children, Louisa May Alcott's *Jo's Boys*, alongside the other novels in her "March Family Saga," has long been read and adored by children and adults alike. With a beautifully designed cover and professionally typeset manuscript, this edition of Louisa May Alcott's *Jo's Boys* is a classic of American literature and children's fiction reimagined for modern readers.
