Hunted Past Reason Apr 04 2021 The bestselling author of such classic novels as *I Am Legend* and *What Dreams May Come*, Richard Matheson is one of the twentieth century's acknowledged masters of suspense. *Hunted Past Reason* is a major literary event: Matheson's first new novel in seven years--and a gripping tale of madness, paranoia, and murder. It's supposed to be just an ordinary camping trip, two old acquaintances hiking through the wilderness toward a remote cabin in the woods of northern California. Bob Hansen, a middle-aged family man and author, isn't anticipating anything worse than sore muscles and maybe a few chilly nights. But the enforced isolation of the hike soon exposes long-hidden rivalries and resentments between Bob and his guide through the forest, a fading TV actor whom Bob has known for several years. The deeper they get into the primeval wilderness and the farther from civilization, the greater the tension between the two men becomes--until the simmering hostility erupts into a terrifying life-or-death struggle for survival. Two men entered the woods, but only one may emerge alive. *Hunted Past Reason* is a nail-biting thriller in the classic Matheson tradition. The Legend of Hell House Mar 15 2022 Award winning novelist, film and television writer Richard Matheson adapted the script from his novel. This tale of the occult follows four researchers who agree to spend one week in a house known to be inhabited by dangerous and evil spirits. Nightmare At 20,000 Feet Nov 11 2021 Remember that monster on

the wing of the airplane? William Shatner saw it on *The Twilight Zone*, John Lithgow saw it in the movie--even Bart Simpson saw it.

"Nightmare at 20,000 Feet" is just one of many classic horror stories by Richard Matheson that have insinuated themselves into our collective imagination. Here are more than twenty of Matheson's most memorable tales of fear and paranoia, including: "Duel," the nail-biting tale of man versus machines that inspired Steven Spielberg's first film; "Prey," in which a terrified woman is stalked by a malevolent Tiki doll, as chillingly captured in yet another legendary TV moment; "Blood Son," a disturbing portrait of a strange little boy who dreams of being a vampire; "Dress of White Silk," a seductively sinister tale of evil and innocence. Personally selected by Richard Matheson, the bestselling author of *I Am Legend* and *What Dreams May Come*, these and many other stories, more than demonstrate why he is rightfully regarded as one of the finest and most influential horror writers of our generation. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Camp Pleasant Oct 30 2020 This tale of summer camp horror and mystery by the author of *I Am Legend* is "a deeply engaging story with a clear writing style that is a pleasure to read" (Publishers Weekly). Camp Pleasant is a place of natural beauty and campfire singalongs. But when Matt Harper arrives there to work as a counselor, he discovers it is also a place of unrelenting abuse and brutality. The new camp director "Big Ed" Nolan is such a bully that the bucolic paradise feels more like a miniature Third Reich . . . until someone finally has enough and kills Big Ed. The suspects include a troubled young camper, a counselor who quit in the face of homophobic humiliation, and Big Ed's own wife, Ellen. "[This] minimalist plot would be inadequate in other hands, but Matheson—author of *Somewhere in Time* and *Hell House* as well as classic *Twilight Zone* teleplays—has such a command of his craft that this book is a pure pleasure . . . The simple style recalls Hemingway" (Publishers Weekly).

The Best of Richard Matheson Jul 19 2022 The definitive collection of terrifying stories by "one of the greatest writers of the 20th century" (Ray Bradbury), edited by award-winning author Victor LaValle. Among the greats of 20th-century horror and fantasy, few names stand above Richard Matheson. Though known by many for novels like *I Am Legend* and his sixteen *Twilight Zone* episodes, Matheson truly shines in his chilling, masterful short stories. Since his first story appeared in 1950, virtually every major writer of science fiction, horror, and fantasy has fallen under his influence, including Stephen King, Neil Gaiman, Peter Straub, and Joe Hill, as well as filmmakers like Stephen Spielberg and J.J. Abrams. Matheson revolutionized horror by taking it out of Gothic castles and strange cosmos and setting it in the darkened streets and suburbs we recognize as our own. He infused tales of the fantastic and supernatural with dark explorations of human nature, delving deep into the universal dread of feeling alone and threatened in a dangerous world. *The Best of Richard Matheson* brings together his greatest hits as chosen by Victor LaValle, an expert on horror fiction and one of its brightest talents, marking the first major overview of Matheson's legendary career. "[Matheson is] the author who influenced me most as a writer." -Stephen King "Richard Matheson's ironic and iconic imagination created seminal science-fiction stories . . . For me, he is in the same category as Bradbury and Asimov." -Steven Spielberg "He was a giant, and YOU KNOW HIS STORIES, even if you think you don't." -Neil Gaiman For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and

notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Devil in the Darkness Jul 07 2021 En route to their honeymoon in the Scottish Highlands, Paul and Carol Wilson lose their way in an unseasonable blizzard and are forced to take shelter in remote Ardvreck House. But this sprawling, dilapidated Victorian mansion, with its reputation as the scene of violent unsolved mysteries, is also playing host to an eclectic and mysterious group of people who are engaged in a bizarre experiment. It soon becomes clear that even more threatening than the worsening storm outside are the dangers within: The Wilsons and the rest of the assembled company may not survive their stay, as Ardvreck House, home to a century-old evil, refuses to give up its long-buried secret - the devil in the darkness. Renowned professor of astronomy Archie Roy was also a prominent researcher in the field of the paranormal. Drawing heavily on his own experience and investigations, *Devil in the Darkness* (1978) is a chilling haunted house story in the tradition of Shirley Jackson's *The Haunting of Hill House* and Richard Matheson's *Hell House*. This new edition makes Roy's sixth novel available in America for the first time and includes a new introduction by Greg Gbur.

The Haunting of Hill House May 25 2020 The greatest haunted house story ever written, the inspiration for a 10-part Netflix series directed by Mike Flanagan and starring Michiel Huisman, Carla Gugino, and Timothy Hutton. Now You See It . . . Feb 20 2020 The author of *I Am Legend* transforms a lonely mansion into a madhouse where a group must face grisly tricks, shocking twists, and the mind of a killer. In *Now You See It*, the prolific master of suspense and horror delivers a knock-out tale the likes of which have not been seen since Henry Clouzot's devilish thriller *Diabolique*. Some years ago, the Great Delacorte, a famed stage magician, came down with a stroke that left him in a vegetative state, able to move only his eyes. The entire action of the novel is witnessed through these eyes as Delacorte sits in the Magic Room of his country estate, a room custom-tailored to display stage illusions. Delacorte's son, Max, has taken his name and place as an illusionist in

every effort to replace his father. Max is supported by his wife Cassandra and her amazingly identical lookalike younger brother Brian. But for the past year, Cassandra has been poisoning Max's food with arsenic and a sleeping pill. She wants the act all for herself—but Max has his own ideas, and his revenge is the big dish that Matheson sets before us in this dazzler that offers top-flight fun! Praise for Now You See It "One of his strongest efforts.... We're all a lot richer to have Richard Matheson among us."—Dean Koontz "A fascinating variation on the locked-room mystery...with more hairpin turns than a mountain road. Now You See It...is absorbing."—The Washington Post Book World "There are as many twists and turns as a medieval catacomb in one of the most fun novels of the year."—Rocky Mountain News "Matheson's prose is extremely smooth and the pacing frantic."—The Philadelphia Inquirer

The Literary Haunted House Apr 16 2022 The haunted house of American fiction is an iconic union of setting and theme with an enduring presence in popular culture that traces its lineage to the early English Gothic novels. Blurring the boundaries between past and present, the living and the dead, the haunted house—synonymous with the dark side of domesticity—challenges accepted notions of reality and wields a special power over the reader's imagination. Focusing on the work of H. P. Lovecraft, Richard Matheson and Stephen King, this critical work offers a fresh perspective on one of the most popular motifs in American fiction. Case studies demonstrate how these authors have kept the past alive while highlighting the complexities of modern society, using their ghostly tales to celebrate and challenge 20th century American history and culture.

The Shrinking Man (Richard Matheson's the Shrinking Man) Jan 01 2021 And you thought spiders were scary before... This faithful comic-book adaptation brings Richard Matheson's masterful exploration of withering 1950s masculinity to vivid new life. Following a freak accident, family man Scott Carey must confront the increasingly (or is it decreasingly?) obvious reality that he is shrinking, at a rate of 1/7 inch per day. And this fall in stature is not merely physical, but social as well. He finds himself dropping in standing, first past the neighborhood teens, then his wife, his young daughter, his cat, the birds in the garden, and finally that spider. The one you'll never see the same way again. Along the way, he confronts questions about what it means to be a man, to be human, or to exist at all. Collects the four-issue comic book series, adapted from Matheson's science-fiction classic, by Ted Adams (*Diablo House*), with art by Mark Torres (*Judge Dredd*).
