Many people have the need to take notes: interpreters, attorneys, health care providers, and students, among others. Some try to learn short-hand, a complex system which requires several months (even years) of practice to master. There is a widely unknown but simple alternative to take notes more clearly and efficiently. Jean François Rozan and Andrew Gillies, two pioneer conference interpreters, provide techniques to significantly streamline note-taking. Although originally created for interpreters, these practical guidelines are extremely helpful to anyone who takes notes. The Note-Taking Manual will help you master note-taking symbols as well as Rozan and Gillies' techniques. You will acquire up to 40 new symbols through dictations (available as free audio files at www.interpretrain.com/audio). Each exercise offers a sample of notes to compare with your own and discover additional tips. These educational tools will help you become the best interpreter and/or note-taker you can be. For best results, please see Interpretrain's 10 Lessons to Excel at Consecutive Interpretation. Our multimedia training package is composed of videos, audio, and two manuals to help you master consecutive interpretation. The program takes you step-by-step through: multi-media classes, drills, exercises, dictations, and evaluations. This academic **STUDY GUIDE AND LECTURE NOTEBOOK** provides an academically-based organizational layout for the high school or university student to write vital information about the course topic, keep track of point of contact information for the instructor and class peers, as well as to study using a blend of proven study methodologies, including the following systems: The Cornell Notes method provides a system to condense / organize lecture notes by dividing the note-taking into two columns (pages): the note-taking column (usually on the right) with notes for summarizing lecture notes pages on the left-hand side (page). The summarization page allows the student to quickly summarize key points from the lecture notes on the right page to bullet points on the left page. The

Textbook review section uses the T.H.I.E.V.E.S. study strategy, where the student / learner reviews and summarizes the information in the course textbook, with notes broken out into: T - title H - headings I - introduction E - every paragraph (first sentence) V - visuals / vocabulary - summarizing what the graphics are representing E - end of chapter questions S - summarize the entire chapter's content

How to Use the Study Notebook

The student will take notes on the right hand pages marked Lecture notes in class. It is best to not try to write word-for-word, but to note the high-points of the important topics of the lecture. When finished, during a study session, the student will go back to the notes and using the left-hand page, summarize important points by listing points that may have been missed in class, but are present in the textbook or the instructor's worksheets from class. Before or after the class lecture, the student will use the T.H.I.E.V.E.S. system to summarize the information in the textbook, writing out vocabulary words and definitions, and answering the questions in the back of the chapter, rewriting the questions incorporated into the answer. If the student has any questions from the textbook or lecture notes they need to ask the instructor to expand upon in the next lecture, they can write those in the specific page for that purpose. If the instructor provides specific sources, references, or citations in class, the student can note those on the same page. The pages are placed 'oddly' in the layout of the book. This enables the student to open the notebook and have in-class lecture notes face the summary page to avoid having to flip the pages back and forth for information. Textbook study pages are marked with a dark triangle in the top right hand side of the page to help students quickly find textbook-specific note pages in the notebook.

What is this World? What kind of place is it? "The round kind. The spinning kind. The moist kind. The inhabited kind. The kind with flamingos (real and artificial). The kind where water in the sky turns into beautifully symmetrical crystal flakes sculpted by artists unable to stop themselves (in both design and quantity). The kind of place with tiny, powerfully jawed mites assigned to the carpets to eat my dead skin as it flakes off . . . The kind with people who kill and people who love and people who do both . . . This world is beautiful but badly broken. "I love it as it is, because it is a story, and it isn't stuck in one place. It is full of conflict and darkness like every good story, a world of surprises and questions to explore. And there's someone behind it; there are uncomfortable answers to the hows and whys and whats. In the beginning was the Word, and the Word was with God, and the Word was God. Through Him were all things made . . . Welcome to His poem. His play. His novel. Let the pages flick your thumbs." The Outsiders is a dramatic and enduring work of fiction that laid the groundwork for the YA genre. S. E. Hinton's classic story of a boy who finds himself on the outskirts of regular society remains as powerful today as it was the day it was first published. "The Outsiders transformed young-adult fiction from a genre mostly about prom queens, football players and high school crushes to one that portrayed a darker, truer world." —The New York Times "Taut with tension, filled with drama." —The Chicago Tribune "[A] classic coming-of-age book." —Philadelphia Daily News A New York Herald Tribune Best Teenage Book A Chicago Tribune Book World Spring Book Festival Honor Book An ALA Best Book for Young Adults Winner of the Massachusetts Children's Book Award The classic study of human nature which depicts the degeneration of a group of schoolboys marooned on a desert island. THINGS FALL APART tells two overlapping, intertwining stories, both of which center around Okonkwo, a “strong man” of an Ibo village in Nigeria. The first of these stories traces Okonkwo's fall from grace with the tribal world in which he lives, and in its classical purity of line and economical beauty it provides us with a powerful fable about the immemorial conflict between the individual and society. The second story, which is as modern as the first is ancient, and which elevates the book to a tragic plane, concerns the clash of cultures and the destruction of Okonkwo's world through the arrival of aggressive, proselytizing European missionaries. These twin dramas are perfectly harmonized, and they are modulated by an awareness capable of encompassing at once the life of nature, human history, and the mysterious compulsions of the soul. THINGS FALL APART is the most illuminating and permanent monument we have to the modern African experience as seen from within. In a breathtaking race against time, they all must fight to complete their high-stakes missions. But with betrayals and deadly risks at every turn, can the Allies do what it takes to win? Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself.

Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page. In his signature style of grand storytelling, James A. Michener transports us back thousands of years to the Holy Land. Through the discoveries of modern archaeologists excavating the site of Tell Makor, Michener vividly re-creates life in an ancient city and traces the profound history of the Jewish people—from the persecution of the early Hebrews, the rise of Christianity, and the Crusades to the founding of Israel and the modern conflict in the Middle East. An epic tale of love, strength, and faith, *The Source* is a richly written saga that encompasses the history of Western civilization and the great religious and cultural ideas that have shaped our world. BONUS: This edition includes an excerpt from James A. Michener's *Hawaii*. Praise for *The Source* "Fascinating . . . stunning . . . [a] wonderful rampage through history . . . Biblical history, as seen through the eyes of a professor who is puzzled, appalled, delighted, enriched and impoverished by the spectacle of a land where all men are archeologists."—*The New York Times* "A sweeping [novel] filled with excitement—pagan ritual, the clash of armies, ancient and modern: the evolving drama of man's faith."—*The Philadelphia Inquirer* "Magnificent . . . a superlative piece of writing both in scope and technique . . . one of the great books of this generation."—*San Francisco Call Bulletin*

"Get Out meets *The Devil Wears Prada* in this electric debut about the tension that unfurls when two young Black women meet against the starkly white backdrop of New York City book publishing. Twenty-six-year-old editorial assistant Nella Rogers is tired of being the only Black employee at Wagner Books. Fed up with the isolation and microaggressions, she's thrilled when Harlem-born and bred Hazel starts working in the cubicle beside hers. They've only just started comparing natural hair care regimens, though, when a string of uncomfortable events elevates Hazel to Office Darling, and Nella is left in the dust. Then the notes begin to appear on Nella's desk: LEAVE WAGNER. NOW. It's hard to believe Hazel is behind these hostile messages. But as Nella starts to spiral and obsess over the sinister forces at play, she soon realizes that there's a lot more at stake than just her career. @TheTotalGroup A comprehensive study guide offering in-depth explanation, essay, and test prep for selected works by John Milton, who decided at a young age that God had called him to be a poet. Titles in this study guide include Paradise Lost, The Sonnets, and Minor Poems: On The Morning of Christ's Nativity, L'Allegro, and Il Penseroso. As a body of work of the seventeenth-century, Milton's writing made use of popular Renaissance conventions in his day, such as the style of poetry called an epic. Moreover, his work's style and mannerisms mimicked the grammatical structure of Latin, and gave it a more complex and classic sound. NEW YORK TIMES BESTSELLER • From the bestselling author of *Before We Were Yours* comes a dramatic historical novel of three young women searching for family amid the destruction of the post-Civil War South, and of a modern-day teacher who learns of their story and its vital connection to her students' lives. "An absorbing historical . . . enthralling."—Library Journal

Bestselling author Lisa Wingate brings to life startling stories from actual "Lost Friends" advertisements that appeared in Southern newspapers after the Civil War, as newly freed slaves desperately searched for loved ones who had been sold away.

Louisiana, 1875: In the tumultuous era of Reconstruction, three young women set off as unwilling companions on a perilous quest: Hannie, a freed slave; Lavinia, the pampered heir to a now destitute plantation; and Juneau Jane, Lavinia's Creole half sister. Each carries private wounds and powerful secrets as they head for Texas, following roads rife with vigilantes and soldiers still fighting a war lost a decade before. For Lavinia and Juneau Jane, the journey is one of stolen inheritance and financial desperation, but for Hannie, torn from her mother and siblings before slavery's end, the pilgrimage west reignites an agonizing question: Could her long-lost family still be out there? Beyond the swamps lie the limitless frontiers of Texas and, improbably, hope.

Louisiana, 1987: For first-year teacher Benedetta Silva, a subsidized job at a poor rural school seems like the ticket to canceling her hefty student debt—until she lands in a tiny, out-of-step Mississippi River town. Augustine, Louisiana, is suspicious of new ideas and new people, and Benny can scarcely comprehend the lives of her poverty-stricken students. But amid the gnarled live oaks and run-down plantation homes lie the century-old history of three young women, a long-ago journey, and a hidden book that could change everything. **GLAM**
