Jasper Jones Dec 11 2021 A 2012 Michael L. Printz Honor Book Charlie Bucktin, a bookish thirteen year old, is startled one summer night by an urgent knock on his bedroom window. His visitor is Jasper Jones, an outcast in their small mining town, and he has come to ask for Charlie's help. Terribly afraid but desperate to impress, Charlie follows him into the night. Jasper takes him to his secret glade, where Charlie witnesses Jasper's horrible discovery. With his secret like a brick in his belly, Charlie is pushed and pulled by a town closing in on itself in fear and suspicion. He locks horns with his tempestuous mother, falls nervously in love, and battles to keep a lid on his zealous best friend. In the simmering summer where everything changes, Charlie learns why the truth of things is so hard to know, and even harder to hold in his heart.

The Nineties Feb 25 2023 An instant New York Times bestseller! From the bestselling author of *But What if We're Wrong*, a wise and funny reckoning with the decade that gave us slacker/grunge irony about the sin of trying too hard, during the greatest shift in human consciousness of any decade in American history. It was long ago, but not as long as it seems: The Berlin Wall fell and the Twin Towers collapsed. In between, one presidential election was allegedly decided by Ross Perot while another was plausibly decided by Ralph Nader. In the beginning, almost every name and address was listed in a phone book, and everyone answered their landlines because you didn't know who it was. By the end, exposing someone's address was an act of emotional violence, and nobody picked up their new cell phone if they didn't know who it was. The 90s brought about a revolution in the human condition we're still groping to understand. Happily, Chuck Klosterman is more than up to the job. Beyond epiphenomena like "Cop Killer" and Titanic and Zima, there were wholesale shifts in how society was perceived: the rise of the internet, pre-9/11 politics, and the paradoxical belief that nothing was more humiliating than trying too hard. Pop culture accelerated without the aid of a machine that remembered everything, generating an odd comfort in never being certain about anything. On a 90's Thursday night, more people watched any random episode of Seinfeld than the finale of Game of Thrones. But nobody thought that was important; if you missed it, you simply missed it. It was the last era that held to the idea of a true, hegemonic mainstream before it all began to fracture, whether you found a home in it or defined yourself against it. In *The Nineties*, Chuck Klosterman makes a home in all of it: the film, the music, the sports, the TV, the politics, the changes regarding race and class and sexuality, the yin/yang of Oprah and Alan Greenspan. In perhaps no other book ever written would a sentence like, "The video for 'Smells Like Teen Spirit' was not more consequential than the reunification of Germany" make complete sense. Chuck Klosterman has written a multi-dimensional masterpiece, a work of synthesis so smart and delightful that future historians might well refer to this entire period as *Klostermanian*.

Killing Mr. Griffin Feb 19 2020 From beloved author Lois Duncan comes a frightening novel about a group of students who set out to teach their malicious teacher a lesson -- only to learn that one of them could be a killer. Mr. Griffin is the strictest teacher at Del Norte High, with a penchant for endless projects and humiliating students. Even straight-A student Susan can't believe how mean he is to her crush, Dave, and to the charismatic Mark Kinney. So when Dave asks Susan to help a group of students teach Mr. Griffin a lesson of their own, she goes along with them. After all, it's a harmless prank, right? But things don't go according to plan. When one "accident" leads to another and people begin to die, Susan and her friends must face the awful truth: one of them is a killer.

Atticus Finch Aug 07 2021 Who was the real Atticus Finch? A prize-winning historian reveals the man behind the legend The publication of *Go Set a Watchman* in 2015 forever changed how we think about Atticus Finch. Once seen as a paragon of decency, he was reduced to a small-town racist. How are we to understand this transformation? In Atticus Finch, historian Joseph Crespino draws on exclusive sources to reveal how Harper Lee's father provided the central inspiration for each of her books. A lawyer and newspaperman, A. C. Lee was a principled opponent of mob rule, yet he was also a racial paternalist. Harper Lee created the Atticus of Watchman out of the ambivalence she felt toward white southerners like him. But when a militant segregationist movement arose that mocked his values, she revised the character in *To Kill a Mockingbird* to defend her father and to remind the South of its best traditions. A story of family and literature amid the upheavals of the twentieth century, Atticus Finch is essential to understanding Harper Lee, her novels, and her times.

The Essential Criticism of John Steinbeck's of Mice and Men Jan 20 2020 First published in 1937, *Of Mice and Men* has been a staple of American literature ever since. Divided by decade, *The Essential Criticism of John Steinbeck's Of Mice and Men* provides an overview of criticism over the 70 years the book has been in print. Michael J. Meyer has assembled significant articles and book excerpts from critics and reviewers, citing the early book reviews and highlighting some of the most significant essays. While not all critical studies are included, those assessments not present in the text are evaluated by summaries and their bibliographic citations are given. The essays express various critical approaches, including those that criticize the book and examine what some consider the book's flaws. Ideal for research work at all levels, this volume collects in one place the most significant contributions to the study of the novel, making it a welcome addition to the canon of Steinbeck criticism.

To Kill a Mockingbird Mar 26 2023 Voted America's Best-Loved Novel in PBS's *The Great American Read* Harper Lee's Pulitzer Prize-winning masterwork of honor and injustice in the deep South—and the heroism of one man in the face of blind and violent hatred One of the most cherished stories of all time, *To Kill a Mockingbird* has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime.

Harper Lee's To Kill a Mockingbird Apr 27 2023 In 1960, *To Kill a Mockingbird* was published to critical acclaim. To commemorate *To Kill a Mockingbird*'s 50th anniversary, Michael J. Meyer has assembled a collection of new essays that celebrate this enduring work of American literature. These essays approach the novel from educational, legal, social, and thematic perspectives. Harper Lee's only novel won the Pulitzer Prize and was transformed into a beloved film starring Gregory Peck as Atticus Finch. An American classic that frequently appears in middle school and high school curriculums, the novel has been subjected to criticism for its subject matter and language. Still relevant and meaningful, *To Kill a Mockingbird* has nonetheless been underappreciated by many critics. There are few books that address Lee's novel's contribution to the American canon and still fewer that offer insights that can be used by teachers and by students. These essays suggest that author Harper Lee deserves more credit for skillfully shaping a masterpiece that not only addresses the problems of the 1930s but also helps its readers see the problems and prejudices the world faces today. Intended for high school and undergraduate usage, as well as for teachers planning to use *To Kill a Mockingbird* in their classrooms, this collection will be a valuable resource for all teachers of American literature.

Why To Kill a Mockingbird Matters Mar 14 2022 Illuminates the enduring relevance of "*To Kill a Mockingbird*" in racially torn America, tracing the writing of the book and the creation of its film while sharing insights into its controversies and legacy. **Code Talker** Dec 19 2019 "Readers who choose the book for the attraction of Navajo code talking and the heat of battle will come away with more than they ever expected to find."—Booklist, starred review Throughout World War II, in the conflict fought against Japan, Navajo code talkers were a crucial part of the U.S. effort, sending messages back and forth in an unbreakable code that used their native language. They braved some of the heaviest fighting of the war, and with their code, they saved countless American lives. Yet their story remained classified for more than twenty years. But now Joseph Bruchac brings their stories to life for young adults through the riveting fictional tale of Ned Begay, a sixteen-year-old Navajo boy who becomes a code talker. His grueling journey is eye-opening and inspiring. This deeply affecting novel honors all of those young men, like Ned, who dared to serve, and it honors the culture and language of the Navajo Indians. An ALA Best Book for Young Adults "Nonsensational and accurate, Bruchac's tale is quietly inspiring..."—School Library Journal

Racial Inequality in the American Novel "To Kill A Mockingbird" By Harper Lee May 04 2021 *To Kill a Mockingbird*: a beautiful and, at the same time, an ambiguous title. Juggling only by the title of the book it would be difficult to guess that the novel speaks about an alleged accusation of black and white rape, intent of lynching, and an execution. The symbolism of the title is strongly associated with the alleged African-American rape because as it would be a sin to kill a mockingbird, which does not do anything else except make music for us to enjoy, in the same manner, it would be a sin to kill Tom, who does not do anything wrong except try to help a white woman. Beyond the shadow of a doubt *To Kill a Mockingbird* is a much more complex novel and could be examined from a multitude of perspectives on the grounds that the novel encompasses a great variety of themes and motifs. For instance, the novel could be analyzed from a feminist point of view, given that the women in *To Kill a Mockingbird* were not allowed to express their own opinions and were expected to behave accordingly to the rules of southern society. The purpose of this paper, entitled *Racial Inequality in Harper Lee's To Kill a Mockingbird*, is to examine the means by which the white community exercised their supremacy over the African-American population and to have a better understanding of the past realities depicted in the novel. We hope to achieve our goal by making use of both cultural as well as literary studies. The paper is structured in two parts: Introduction and *To Kill a Mockingbird*. The first part extends from chapter 1 to chapter 3 and the second part extends from chapter 2 to chapter 5. In the first part, we will begin by exemplifying a few autobiographical elements which are believed to have had an important role in the creation of the novel. Subsequently, we will include a historical background of the events related to the novel in order to broaden our understanding of *To Kill a Mockingbird*.

Screen Adaptations: To Kill a Mockingbird Nov 10 2021 "*To Kill a Mockingbird*" is an immensely important work of literature studied worldwide. Literature and film students will find plenty of material to support their courses on how the film versions provide different readings of the original text. Focusing on several film versions and adaptations, the book discusses the literary work in its historical context, its key themes and dominant readings, how it has been adapted for screen, and how adaptations have changed our reading of the original text. R. Barton Palmer is a Calhoun Lemon Professor of Literature and a professor of film, screenwriting, and British literature at Clemson University in South Carolina. He is the author of many books on literature and film.

Essays for Studying (1984, To Kill a Mockingbird, Fahrenheit 451) Feb 13 2022 These essays are written for the students who study a famous all over the world novels. An essays contains basic facts from the writer's (George Orwell, Harper Lee, Ray Bradbury) biographies, the plot of the books (anti-utopia 1984, *To Kill a Mockingbird*, Fahrenheit 451) are retold, and the main characters and ideas are characterized. It is also shown how the books influenced the literary process and other writers. • The only mistake George Orwell made in his anti-utopia 1984 was the date. A lot of things that he described as if happening in 1984 can be observed in the nowadays world. However, he depicted the future that everyone should be afraid of at any time. "I am sure that totalitarian idea lives in the consciousness of intellectuals everywhere, and I tried to follow this idea till the end. My story is set in England to emphasize that English speaking nations are not better than others and that the totalitarianism can win everywhere if it is not fought against", George Orwell wrote not long before his death. • *To Kill a Mockingbird* is an anti-racist novel, a historical drama of the Great Depression and a sublime example of the Southern writing tradition. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime. • The book's tagline explains the title: "Fahrenheit 451" – the temperature at which book paper catches fire, and burns..." In a terrifying care-free future, a young man, Guy Montag, whose job as a fireman is to burn all books, questions his actions after meeting a young woman and begins to rebel against society. Fahrenheit 451 is a dystopian novel by American writer Ray Bradbury, published in 1953.

Mad Honey Jul 06 2021 NEW YORK TIMES BESTSELLER • "Alternatingly heart-pounding and heartbreaking. This collaboration between two best-selling authors seamlessly weaves together Olivia and Lily's journeys, creating a provocative exploration of the strength that love and acceptance require."—The Washington Post **GOOD MORNING AMERICA BOOK CLUB PICK • PEOPLE'S BOOK OF THE WEEK ONE OF THE BEST BOOKS OF THE YEAR**: PopSugar Olivia McAfee knows what it feels like to start over. Her picture-perfect life—living in Boston, married to a brilliant cardiothoracic surgeon, raising their beautiful son, Asher—was upended when her husband revealed a darker side. She never imagined that she would end up back in her sleepy New Hampshire hometown, living in the house she grew up in and taking over her father's beekeeping business. Lily Campanello is familiar with do-overs, too. When she and her mom relocate to Adams, New Hampshire, for her final year of high school, they both hope it will be a fresh start. And for just a short while, these new beginnings are exactly what Olivia and Lily need. Their paths cross when Asher falls for the new girl in school, and Lily can't help but fall for him, too. With Ash, she feels happy for the first time. Yet at times, she wonders if she can trust him completely. . . . Then one day, Olivia receives a phone call: Lily is dead, and Asher is being questioned by the police. Olivia is adamant that her son is innocent. But she would be lying if she didn't acknowledge the flashes of his father's temper in Ash, and as the case against him unfolds, she realizes he's hidden more than he's shared with her. *Mad Honey* is a riveting novel of suspense, an unforgettable love story, and a moving and powerful exploration of the secrets we keep and the risks we take in order to become ourselves.

Go Set a Watchman May 16 2022 #1 New York Times Bestseller "Go Set a Watchman is such an important book, perhaps the most important novel on race to come out of the white South in decades." —New York Times A landmark novel by Harper Lee, set two decades after her beloved Pulitzer Prize-winning masterpiece, *To Kill a Mockingbird*. Twenty-six-year-old Jean Louise Finch—"Scout"—returns home to Maycomb, Alabama from New York City to visit her aging father, Atticus. Set against the backdrop of the civil rights tensions and political turmoil that were transforming the South, Jean Louise's homecoming turns bittersweet when she learns disturbing truths about her close-knit family, the town, and the people dearest to her. Memories from her childhood flood back, and her values and assumptions are thrown into doubt. Featuring many of the iconic characters from *To Kill a Mockingbird*, *Go Set a Watchman* perfectly captures a young woman, and a world, in painful yet necessary transition out of the illusions of the past—a journey that can only be guided by one's own conscience. Written in the mid-1950s, *Go Set a Watchman* imparts a fuller, richer understanding and appreciation of the late Harper Lee. Here is an unforgettable novel of wisdom, humanity, passion, humor, and effortless precision—a profoundly affecting work of art that is both wonderfully evocative of another era and relevant to our own times. It not only confirms the enduring brilliance of *To Kill a Mockingbird*, but also serves as its essential companion, adding depth, context, and new meaning to an American classic.

The Butcher's Tale: Murder and Anti-Semitism in a German Town Dec 31 2020 One of the most dramatic explorations of a German town in the grip of anti-Semitic passion ever written. In 1900, in a small Prussian town, a young boy was found murdered, his body dismembered, the blood drained from his limbs. The Christians of the town quickly rose up in violent riots to accuse the Jews of ritual murder—the infamous blood-libel charge that has haunted Jews for centuries. In an absorbing narrative, Helmut Walser Smith reconstructs the murder and the ensuing storm of anti-Semitism that engulfed this otherwise peaceful town. Offering an instructive examination of hatred, bigotry, and mass hysteria, *The Butcher's Tale* is a modern parable that will be a classic for years to come. Winner of the Fraenkel Award and a Los Angeles Times Best Book of 2002.

To Kill a Mockingbird Aug 19 2022 American society has taught children that no one cares for them, that society is indifferent to them. Dill's folks didn't beat or mistreat him. What they did was tell him: All right, we bought you all the toys. Now, go play with them and leave us alone! This is America! We have bought our children all the toys and then told them: Now, go away and leave us alone! When a child is made to feel he or she is of no consequence, is not loved, is not even wanted, that child has all the potential for becoming a monster, a curse rather than a blessing. Don't expect a child to understand what is adult responsibility. America has failed miserably, as a nation, to cherish its young, and as Atticus Finch warned: The bill is coming due! When any society condones, and even encourages violence, particularly violence against children, that society will pay the price. When a society teaches children that there are no moral absolutes, that perversion is acceptable and approved by society, that all manner of violence and perversion is approved and called "entertainment", children know such a society has no real concern for them, that such a society is really INDIFFERENT! to them.

Breaking Through Aug 27 2020 **Publisher Description**

Harper Lee's To Kill a Mockingbird Jul 26 2020 **Insight Study Guides** are written by experts and cover a range of popular literature, plays and films. Designed to provide insight and an overview about each text for students and teachers, these guides endeavor to develop knowledge and understanding rather than just provide answers and summaries.

Rule Of The Bone Apr 22 2020 Chappie is a punked-out teenager rejected by his mother and abusive stepfather. Out of school and in trouble with the police, he drifts through crash pads, dooper squats, and malls until he finally settles in an abandoned school bus with Rose, a seven-year-old child, and I-Man, an exiled Rastafarian who will dramatically change his life. Together they begin an amazing journey...

Understanding To Kill a Mockingbird Feb 01 2021 Historical documents and commentary designed to help set the novel in the context of its time.

Censored Books Sep 08 2021 A collection of essays confronting the censorship issue, including six authors' views and defenses of individual books.

The Ballad of Songbirds and Snakes (A Hunger Games Novel) May 24 2020 Ambition will drive him. Competition will drive him. But power has its price. It is the morning of the reaping that will kick off the tenth annual Hunger Games. In the Capitol, eighteen-year-old Coriolanus Snow is preparing for his one shot at glory as a mentor in the Games. The once-mighty house of Snow has fallen on hard times, its fate hanging on the slender chance that Coriolanus will be able to outcharm, outwit, and outmaneuver his fellow students to mentor the winning tribute. The odds are against him. He's been given the humiliating assignment of mentoring the female tribute from District 12, the lowest of the low. Their fates are now completely intertwined - every choice Coriolanus makes could lead to favor or failure, triumph or ruin. Inside the arena, it will be a fight to the death. Outside the arena, Coriolanus starts to feel for his doomed tribute . . . and must weigh his need to follow the rules against his desire to survive no matter what it takes.

To Kill a Mockingbird by Harper Lee. *Essays for studying* Dec 23 2022 *To Kill a Mockingbird* by Harper Lee. *Essays for studying* by Lukas This book is written for the students who study a famous all over the world work, written by Harper Lee, *To Kill a Mockingbird* An essay contains basic facts from the writer's biography, the plot of the book *To Kill a Mockingbird* is retold, and the main characters and ideas are characterized. It is also shown how the book influenced the literary process and other writers. *The Society of Maycomb and its Influence on Jem and Scout* in "*To Kill a Mockingbird*" by Harper Lee Jun 24 2020 Bachelor Thesis from the year 2011 in the subject American Studies - Literature, grade: 1,7, University of Tübingen, language: English, abstract: In July 2010, the town of Monroeville, Alabama, threw a big birthday party for the book it is most known for: The home town of author Harper Lee celebrated the 50th anniversary of the publication of her extremely successful novel *To Kill a Mockingbird*. Having always been a "magnet for 'Mockingbird' fans", the town organized "walking tours and marathon readings of the novel in the courthouse" (CBS News). In the US, *To Kill a Mockingbird* is part of the curriculum of many school

districts, highlighting its never-ending fame and its significance. Harper Lee went on to win a Pulitzer Prize for the novel in 1961. At that time, the novel was already a major success, having sold 500,000 copies (cf. Sullivan). In 1962, it was made into a movie, starring Gregory Peck as Atticus Finch. The movie received two Academy Awards for Best Actor and Best Screenplay. As of today, the book has been translated into 40 languages, has sold more than 30 million copies worldwide, and is still selling about 750,000 copies every year (cf. Sullivan). Monroeville is not only the home of Harper Lee, but it also serves as the model for the fictional town of Maycomb, Alabama, in which the novel is set. As a matter of fact, scenes of the movie were filmed in Monroeville. Apart from the setting of the novel, readers and critics were quick to detect other similarities between Harper Lee and the narrator, the six-year-old girl, Scout Finch (whose real name is Jean Louise). Just as Scout's father Atticus Finch, Harper Lee's father Amasa was a lawyer. When Harper Lee was growing up, nine young African-American men were innocently accused and found guilty of raping two white women in the Scottsboro Trials, similar to Tom Robinson's fate in the novel. To Kill a Mockingbird is an important novel for both young and old readers because of its appealing way to present the story. The narrator is the six-year-old Scout Finch. The readers see and experience the events of the story through her eyes and learn to appreciate Scout's way of telling things and her special view of Maycomb's society. The reason for this is that Scout is an innocent little girl who does not yet fully understand the world she lives in. Besides she is not yet socialized in the society; she does not know about the conventions and norms with regard to race, gender, and hierarchy.

The Essays for Studying by Lukas: To Kill a Mockingbird by Harper Lee Nov 29 2020

Study Guide to To Kill a Mockingbird by Harper Lee Jul 18 2022 A comprehensive study guide offering in-depth explanation, essay, and test prep for Harper Lee's To Kill a Mockingbird, winner of the Pulitzer Prize in 1961. Each chapter is individually summarized and analyzed, and has study questions and answers.

The Merchant of Venice Sep 27 2020 This is one of Shakespeare's darkest comedies, for the romantic story of a young man, Bassanio, who has squandered his fortune and must borrow money to woo the wealthy lady he loves is set against the more disturbing story of the Jewish moneylender Shylock and his demand for the "pound of flesh" owed him by the Venetian merchant, Antonio. Here pathos and farce combine with moral complexity and romantic entanglement to display the extraordinary power and range of Shakespeare at his best. Each Edition Includes: • Comprehensive explanatory notes • Vivid introductions and the most up-to-date scholarship • Clear, modernized spelling and punctuation, enabling contemporary readers to understand the Elizabethan English • Completely updated, detailed bibliographies and performance histories • An interpretive essay on film adaptations of the play, along with an extensive filmography

The theme of racism in Harper Lee's "To Kill a Mockingbird" Oct 09 2021 Seminar paper from the year 2019 in the subject Didactics - English - Literature, Works, grade: 4.1, , language: English, abstract: In Harper Lee's "To Kill a Mockingbird", the theme of racism is highlighted in various interactions between the characters. The story is narrated through the eyes of the protagonist, Scout, who resides in a fictional town in Alabama named Maycomb with her father Atticus and brother Jem. In the novel, various aspects of the vice are depicted, mainly in the conflict between the whites and the African-American community. Most of the misunderstandings in the town are caused by stereotypes that are told by members of opposing races. Thus, the narration details how prejudices and injustices along racial lines can impede social harmony. The discrimination against individuals based on their race was a common phenomenon in the 1930s. In history, people of color, particularly the blacks, were not accepted in white society. The white majority exercised supremacy over the black minority, and the latter was mainly involved in manual labor.

On Harper Lee Nov 22 2022 "Harper Lee's Pulitzer Prize-winning novel To Kill a Mockingbird remains one of the most enduring works of southern fiction ever written. Although a literary phenomenon - tens of millions of copies have sold worldwide - there is surprisingly little secondary literature on Lee and her only novel. On Harper Lee: Essays and Reflections is the first collection of original essays on the author and her magnum opus. Written for scholars as well as general readers, On Harper Lee is an accessible collection on one of America's most important novels and its often enigmatic creator. Alice Hall Petry is professor of English at Southern Illinois University, Edwardsville. She is the author of A Genius in His Way: The Art of Cable's Old Creole Days and Understanding Anne Tyler, and the editor of Critical Essays on Kate Chopin".

ATAR Notes Text Guide: To Kill A Mockingbird Jan 12 2022

Reimagining To Kill a Mockingbird Mar 02 2021 Fifty years after the release of the film version of Harper Lee's acclaimed novel To Kill a Mockingbird, this collection of original essays takes a fresh look at a classic text in legal scholarship. The contributors revisit and examine Atticus, Scout, and Jem Finch, their community, and the events that occur there through the interdisciplinary lens of law and humanities scholarship. The readings in this volume peel back the film's visual representation of the many-layered social world of Maycomb, Alabama, offering sometimes counterintuitive insights through the prism of a number of provocative contemporary theoretical and interpretive questions. What, they ask, is the relationship between the subversion of social norms and the doing of justice or injustice? Through what narrative and visual devices are some social hierarchies destabilized while others remain hegemonic? How should we understand the sacrifices characters make in the name of justice, and comprehend their failures in achieving it? Asking such questions casts light on the film's eccentricities and internal contradictions and suggests the possibility of new interpretations of a culturally iconic text. The book examines the context that gave meaning to the film's representation of race and how debates about family, community, and race are played out and reframed in law. Contributors include Colin Dayan, Thomas L. Dumm, Susan Sage Heinzelman, Linda Ross Meyer, Naomi Mezey, Imani Perry, and Ravit Reichman.
