This collection showcases the syncopated piano music of Latin American during the nineteenth and early twentieth centuries. It features Latin rhythms, which are really African rhythms brought to the Americas by slaves and applied to the music of the European colonists. These rhythms are varied and complex and so is their history. They've had a widespread and profound influence on the evolution of popular music not only in Latin America, but also in the United States. The most obvious offshoots are the tango in Argentine and Uruguay and most of the other popular dances of South and Central America, as well as ragtime and jazz in the United States. Jelly Roll Morton claimed this "Latin tinge" is the essential element that distinguishes jazz from ragtime. These rhythms are the musical roots of groups like "The Buena Vista Social Club." Includes historic tangos written by Ignacio Cervantes - Cuba, Manuel Saumell - Cuba, Juan Morel Campos - Puerto Rico, Jose Quinton - Puerto Rico, Ernesto Nazareth -Brazil, Tomas Leon - Mexico, Sebastian Yradier - Spain, Eduardo Sanchez du Fuentes - Cuba, Will Tyers - USA, Vincente Greco - Argentina, Anselmo Rosendo (Mendizabal) - Argentina, Angel Villoldo -

Performance on YouTube A stunning sampler of romantic piano solos from the early days of the tango. Here is the first extensive collection of early tango music ever published outside of Argentina. This anthology presents 42 facsimile piano scores in a wide range of tango styles found in 19th century Argentina and Uruguay. Selections include classics by Argentina's and Uruguay's most famous guardia vieja (old guard) composers, written during the tango's formative years between 1900 and 1920. Many of these pieces evoke musical parallels with American piano rags of*

the same era. These wonderful early tangos embody the full emotional depth and rhythmic complexity of this fascinating genre, yet are accessible to players of varied abilities. Born in the impoverished barrios of Buenos Aires during the late 19th Century, the tango has become one of the most important music and dance forms of our time. Tangos for Accordion presents a distinctive collection of predominantly Argentinian tangos arranged for solo piano accordion. The book's introduction includes a brief history of the tango and an explanation of tango rhythms. Preparatory exercises explore the differences between various rhythms (habanera, marcato, etc) and how to perform them on the accordion. The first collection of tango piano arrangements ever published outside of Argentina. This work is particularly intended for pianists who, although they know their instrument well, are not familiar with the genre. With this book M'ndez has crossed a huge divide of language, poetry

and culture to make the true sound of the tango come alive for pianists all over the world. It is a unique collection of tangos arranged in a perfect argentine style appropriate for ballroom as well as concerts and personal enjoyment. These carefully arranged pieces represent well-known tango composers and were chosen because of their musical qualities of artistic expression. Each arrangement recreates the real feeling of tango that is difficult to find in the traditional piano scores often written in the early 20th century style that bears little resemblance to the modern sound. Finally you will find the way to sound as a real tango pianist! The book includes compositions by Villoldo, Gardel, Mores and others. A theory chapter describes the different tango secrets . M'ndez takes you on an amazing journey to the tango piano style. Through his clear explanations and arrangements you will learn what you really need to know about tango in this complete book for the intermediate / advanced player.

-----TANGO THEORY: The book presents a detailed section on tango theory followed by ten amazing examples. This chapter makes this book a comprehensive tango course for pianists really easy to understand: rhythmical patterns, melody variations, and many effects as well as a complete description of the three species of the genre: Tango, Milonga and Tango-Waltz. The aim of this book is to help those academic pianists who are interested in learning the rhythmical and melodic structures of Argentine Tangos. ----- THE ARRANGEMENTS: This collection contains 10 beautiful and clear arrangements with an unquestionable musical value that will help you to play tango in

the proper Argentine Style. Each piece is filled with rhythmic devices, chord placement, baselines, and melodic ornamentation and improvisation as used by the most respected pianists of the tango. When you finish this book, you will have all the technical tools and stylistic vision to interpret the multitude of tango piano scores in el estilo justo. The modern tango piano style comes through in these elegant arrangements. The syncopated tango execution, the melody nuances and articulations are clearly written and make them very accessible for the piano player. These arrangements are a fresh approach to the Tango and an incentive to discover the expressive possibilities of this genre. It is a valuable addition to any piano library. All the texts are presented in Spanish and English.

Brazilian pianist/composer Ernesto Júlio de Nazareth (1863-1934) composed approximately 210 works for the piano. His tangos "Brejerio" and "Odeon" were immensely popular during his lifetime and continue to be two of the most popular pieces ever written by a Brazilian salon composer. Written for late intermediate to early advanced level pianists, both are included here, along with four other tangos, two waltzes, and a charming polka, "Ameno resediç". Nazareth's position in Brazilian music is often compared with Scott Joplin's

historical importance in American music. (Boosey & Hawkes Chamber Music). 25 tangos by the revolutionary tango musician and composer Astor Piazzolla, arranged for flute and piano. Tango - that's not just a 'classical' dance form but, in addition, pretty much a philosophy of life, yet in any case a 'bath' in the whirlpool of emotions. This volume contains 10 tangos, including such popular pieces as 'Jalousie', 'El Choclo', 'Por una Cabeza' and even more recent classics such as 'Adios Nonino' by Astor Piazzolla. The arrangement for piano tried to do justice to the specific sound image of the tango as much as possible. Each tango comes together with a jazzy piece in which, in most cases, the preceding tango is newly interpreted in a jazz-related style, but sometimes is combined in pairs with a new composition. Whether it is an arrangement or a new composition, the idea always comes from the tango itself. For instance, the corn cob ('El Choclo') is made into a corn dish with a tangy sauce ('Choclo con Salsa'), while fiery jealousy ('Jalousie') serves to light a Cuban cigar ('Le Cigare Jaloux'). An unhappy lover tries his luck at the races ('Por una Cabeza'), where he might be advised to bet on Spanish horses ('Caballos Espanoles'). Astor Piazzolla wrote his piece 'Adios Nonino' after the death of his father: jazzing this up would be totally inappropriate. The 'Preludio del Angel' that follows it is a new composition inspired by Piazzolla and Bach. All of the energy of a tango is expressed in this rhythmic solo written in 4/4 meter. It is an excellent study of *i* and *V7* chords in *E* minor. Both of these chords are used in block

and broken style. The use of melodic and rhythmic patterns throughout will aid in learning and memorizing this crowd-pleasing piece. Students will enjoy the drama of tango style and will be inspired to play with a big, bold sound. (Boosey & Hawkes Chamber Music). 25 tangos by the revolutionary tango musician and composer Astor Piazzolla, arranged for clarinet and piano.
