*In this insightful book, we hear how immensely valuable and important solitude is when consulting God for counsel and spiritual direction. The notion of 'secret communion', wherein a believer approaches the Lord in prayer, is the topic at hand. Making a case for the principle of consulting God alone and in private, George Halley Knight explains how the ceaseless activity and hubbub of modern existence deprives the mind and spirit of much-needed silence. The allotment of a mere few minute daily to solitary consultation can, in the writer's view, aid immensely in the spiritual health of all Christians. There are various other advantages to consulting with God in private; the unseen spirits are inclined to become known when the believer is alone. The emotional effect of being alone with these, of baring one's soul and consulting with the divine in authenticity, cannot be understated. The effect of such lonesome, secret communion is soon revealed - greater inner strength and well-being. This book helps followers of Jesus Christ in their quest to sense His presence. It delves into how Jesus had shown the way to the Father during His earthly ministry. Then, it reveals how first century followers intensified their sensitivity of Christ's presence by practicing His way. A revised 25th anniversary edition of the classic work on Sufism that Jack Kornfield called, "A heartfelt modern illumination of the Sufi path, filled with the fragrance of the ancients." In Sufism, the mystical branch of Islam, presence is the quality that describes a heart-filled state of mindfulness, an experience of being conscious in the present moment. It is only in this present moment, Sufi teachings reveal, that we can connect with the Divine, and the Divine can live through us. Kabir Helminski is one of the world's most recognized teachers of Sufism. Named one of the "500 Most Influential Muslims" in the world by Georgetown University and the Royal Strategic Studies Center, Helminski and his teachings are touchstones for the growth in interest in Sufism, and his books have been translated around the world. In Living Presence, Helminski lays out the basic principles of Sufism, and how these ideas can lead to the experience of presence. In this inspiring work, readers will learn how to cultivate presence in their lives through: * Finding a balance between the outer stimuli of the world and our inner reactions to them * Harnessing faithfulness and gracefulness * Learning about the parallels between ancient spiritual wisdom and modern psychological knowledge * Meditation and contemplation to discover more meaning in daily life With unique clarity, this book describes how presence can be developed to vastly improve our lives. Drawing on the work of the beloved Sufi poet, Rumi, as well as traditional material and personal experience, this book integrates the ancient wisdom of Sufism with the needs of contemporary life. Completely revised and updated for its 25th anniversary, this edition of Living Presence offers a wisdom that is both universal and practical. A 40-day journey to calm your restless, anxious thoughts and listen for the voice of Jesus. In the stress, noise, and activity of modern life, there is a way of finding inner peace and contentment. In the Presence of Jesus will help you learn to quiet your mind and focus your attention on the grace and love that is only available in God's presence. Deeply faithful to Scripture and infused with the truth of Christ's unwavering love on every page, In the Presence of Jesus is an easy-to-understand, step-by-step, daily guide that will empower you to transfer the truth of His everlasting love for you from your head to your heart. This 40-day journey will help you focus on the character of Jesus and open your spirit to His presence in your life. Every day, you'll experience: an invocation welcoming Christ's presence into your devotional time a personal note as if it were written by Jesus to you, drawn carefully from Scripture and opening your heart to the grace of Christ Bible verses to meditate on daily prayers, reflection activities, and blessings to help you focus on Christ's presence with you throughout your day. Awaken moment by moment to the presence of a loving God--and find peace for your mind and soul. In this insightful book, we hear how immensely valuable and important solitude is when consulting God for counsel and spiritual direction. Lord in prayer, is the topic at hand. Making a case for the principle of consulting God alone and in private, George Halley Knight explains how the ceaseless activity and hubbub of modern existence deprives the mind and spirit of much-needed silence. The allotment of a mere few minutes daily to solitary consultation can, in the writer's view, aid immensely in the spiritual health of all Christians. There are various other advantages to consulting with God in private; the unseen spirits are inclined to become known when the believer is alone. The emotional effect of being alone with these, of baring one's soul and consulting with the divine in authenticity, cannot be understated. The effect of such lonesome, secret communion is soon revealed - greater inner strength and well-being, a feeling of closeness with the Lord, and a substantial appreciation for our worldly life. Overall, the author makes a compelling case for praying, petitioning and conversing with the Lord in solitary privacy. Without distractions, the human spirit can better express itself and mend its affinity with God, with the end result being a more authentic Christian devotion steeped in faith. "All we have to do is to recognize God as being intimately present within us." -- Brother Lawrence

Brother Lawrence's seventeenth-century spiritual classic *The Practice of the Presence of God* showed how cultivating presence can be the salve to stress, anxiety, worry, and fear, all of which continue to plague us today. Now, in this contemporary complement to Brother Lawrence's work, author and contemplative teacher Jim Heaney explains in clear, accessible language why presence is essential to connecting to and sustaining a vibrant inner life. Drawing on Christian scripture, spiritual luminaries from the Christian tradition, the social sciences, and personal experience, *Choosing Presence* thoroughly explores why this practice is so effective at alleviating compulsive negative thinking, and offers a practical guide to incorporating it into your own life. With an emphasis on action, each chapter includes: - A spiritual intention to help bring in stillness and connect with God's spiritual energy - A step-by-step guided breathing practice - Three questions to help you gauge your progress

Choosing Presence also includes a detailed question-and-answer section that will help you overcome common obstacles to practicing presence. The book's free companion app, *Practicing Presence--A Christian Way*, will assist you in deepening your commitment. Become the real deal and you'll become the leader you're meant to be. If you want to make change in your organization and in your world, and advance your own career, you need to become a person who can effectively influence others to take action. When looking to bring about organizational change of any kind, the main skill required is influence. Nothing will help your cause more than being able to effectively influence others to take action. *Become the Real Deal* presents a modern and practical approach to leadership that yields unlimited dividends for leaders at all levels. Author Connie Dieken calls these dividends your Return on Influence® (ROI). You'll discover your own Centers of Influence through a series of visual dashboards and learn how to capitalize on these Centers of Influence to become the powerful, purposeful authority you're meant to be. Readers will learn how to override personal influence-killing tendencies, such as narcissism, anxiety, long-windedness, silence, social façades, and invisibility. Connie Dieken is the country's foremost Fortune 500 communication coach, executive coach to the world's top brands, an Emmy award winning former TV news anchor, reporter, and inductee of the Radio/Television Broadcasters Hall of Fame. For anyone seeking to be the "real deal," this book uncovers the strengths and skills you need to gain influence and lead your organization to success. The enhanced edition integrates four videos featuring the author, Connie Dieken, illustrating the book's concepts about leadership in greater detail. "But when you pray, go into your inner room, close the door, and pray to your Father in secret, and your Father who sees what is done in secret will reward you. Matthew 6:6 Every day Jesus is reaching out to us, inviting us to be still and feel his loving presence. Jesus told his disciples, "But when you pray, go into your inner room, close the door, and pray to your Father in secret, and your Father who sees what is done in secret will reward you." Matthew 6:6. The "inner room" is not a physical place but is the interior place in our hearts. It's that quiet solitude, the deepest part of who we are and where we can meet the Lord personally. As Kendall Lasseigne's life, family, profession and ministry grew over 20 years, so did the constant demands placed on her time, often leaving her world filled with noise and distractions. As her faith deepened, her need to slow down and spend time quietly reflecting, journaling and talking with God increased. This

solitude and love for writing became her private retreat, which she deemed her "inner room" This is a collection of the prayer poems which sprang up through years of journaling through life experiences, struggles, hurts, joys and blessings. The book "My Inner Room Prayer Poems to God" is written from the heart; inspired by the soul and invites you to spend quiet time with God in your own "inner room." Discover how to find your voice and stand in your truth and have an authentic presence that creates a fulfilled life of greater impact, contribution, connection, meaning and purpose. Presence-Based Coaching offers coaches a hands-on resource for developing the capacities and skills needed to be reliably present in all situations, and shows how to let go of habitual—and often ineffective—ways of responding. As author and leadership expert Doug Silsbee explains, once a coach has mastered the inner moves of directing their own attention, they can work to develop the same capability in their clients. The ability of a coach to facilitate lasting, sustainable development in leaders rests on the presence a coach offers to the coach-client relationship. More than ever, Christians are hungering for back-to-basics Bible study and fresh, stimulating disciplines that empower their personal spiritual renewal. This 12-week "how-to" guide is the perfect tool for those seeking to live in the Spirit by truly experiencing both classic and contemporary disciplines. Excerpt from *In the Secret of His Presence: Helps for the Inner Life When Alone With God* Books of this class are invaluable helps to Christian living, and can hardly be multiplied too much. But, along with these, there may be some room for books of another class, books dealing specially with the inner soul-experiences which vitalise the life that is seen. Experience the Supernatural Presence of the Holy Spirit in Every Area of Your Life! Every follower of Jesus has received the Holy Spirit. If you have given your life to Christ, you have His very Presence living inside of you. And yet, there is still more! What if the same Spirit Who lives inside of you could work through you with miraculous power? What if the Holy Spirit was more than a theological concept and became your day-to-day supernatural experience? Leaders will be given tools to partner with the Holy Spirit and help facilitate the eight interactive study sessions, as Heidi and Rolland Baker gently guide participants into the manifest Presence of God. In these sacred moments, witness the Spirit of God mark peoples lives with His transforming power. In these sessions, participants will learn how to: Increase your awareness of the Holy Spirits Presence and experience His closeness in new ways Release the atmosphere of Heaven into your spheres of influence Experience new levels of Gods glory and witness an increase of signs, wonders and miracles flowing in your life Having the Holy Spirit live inside of you is an incredible honor; however, in order to walk out a lifestyle of supernatural power, you need to learn how to partner with the Spirit and see His manifest Presence rest upon you every day! Why is your life the way it is? How do your thoughts, emotions, and beliefs affect your perception of the world around you? How does this perception influence your power, and therefore affect your state of Inner Peace? Most importantly, how can you approach your life--as it is right now--in such a way so as to liberate yourself from suffering and become established in a lasting state of Peace, in the Power to fulfil your purpose, and in absolute Presence to the perfection that you are? In this groundbreaking new book *Peace, Power, and Presence*, Jonathan Evatt brings clarity to key principles and perspectives on these and other challenging questions. The result is nothing short of your becoming empowered to recognize the ultimate answers already emerging from the essence within you. You will pierce through the many veils of deception so prevalent in the world today, and step into a Life of Freedom defined not by some external source of knowledge but by the immaculate wisdom of your own Being. In what is set to become a key point of reference for those individuals interested in spiritual and human freedom, Jonathan makes no attempt to show you how to live your life. Instead, he shares with you a new way to approach the life you are already

living--an approach that will bring into actualization your innate qualities of Enlightenment--for a Life of Freedom. AWARDS: Winner of a Shortlisting Award in the Mind, Body, Spirit genre (2006) Ashton Wylie Charitable Trust Unpublished Manuscript Award This is a new release of the original 1934 edition. Author, Patricia Jamie Lee offers a practical guide to becoming a creative adult instead of a small child living in the half-light of the past. Her tried and true techniques will help you to grow yourself up with a practical, natural, brain-based process that could save you years of expensive therapy or coaching. Developing inner wisdom as a leadership strength *Leading with Spirit, Presence, and Authenticity* presents the perspectives of leaders, social scientists, and educators from around the world on the topic of developing inner wisdom. Structured around the notions of spirit, presence, and authenticity, the book encourages readers to reflect on their own lives as they read about their colleagues' diverse experiences, all in an effort to address difficult global systems challenges with a foundation of various wisdom lineages and practices. Each chapter is introduced by an editor with deep background experience in the topic at hand, and the book includes an examination of research on the essential nature of authenticity among leaders. Stories of leadership initiative from across nations illustrate the truly global nature of leadership inspiration, and accounts of teaching mindfulness, guiding leaders, and leading in the arts and humanities integrate critical theory with authentic leadership development. Topics include: Subtle interdependencies involved in modern leadership The contribution of sociological mindfulness to leadership education Authentic leadership as communicated through technology The role of spirit, and what the world needs from leaders A diverse mix of contributors, including a Sufi teacher, a social science journal editor, and a CEO, provide a truly inclusive examination of the ways a leader is defined by self and others. *Leading with Spirit, Presence, and Authenticity*, a volume in the International Leadership Series *Building Leadership Bridges from the International Leadership Association*, helps connect ways of researching, imagining, and experiencing leadership across cultures, over time, and around the world. The presence of God is meant to be more than just an occasional event during Sunday morning Worship---you are meant to live in God's presence! In *The Lost Art of Practicing His Presence*, James W. Goll uncovers ancient and nearly forgotten keys to deeper intimacy with Christ Jesus while revealing the ease of working with Christ instead of for Him. Through this book you will rediscover the lost precepts of Biblical meditation, contemplative prayer, and waiting on the Lord and learn how to apply them in your own life. Most importantly, you will gain inspiration for your own intimate walk and the courage to spread the fire His presence to everyone around you! *The Lost Art of Practicing His Presence* also includes a modern-language translation of *The Practice of the Presence of God* by Brother Lawrence. An inspiration to James Goll, this 15th-century believer has inspired generations of Christians with his simple life and profound writings on the nature and presence of the Lord. In the deepest part of our hearts and souls is the desire to love well. Yet in our struggle to do so, we learn that, as Mike Mason puts it, "We are not born with love; it is something we must learn." Now, in *Practicing the Presence of People*, he helps us launch that learning process. Mason points the way to fresh knowledge and fresh experience, showing how we can discover new things about those we love, understand them from the inside out, tenderly identify with their weaknesses, and celebrate that they too were lovingly made by the hand of God. Join world-renowned consciousness teacher and healer Richard Moss in an exploration of the power of presence in your life. Presence is associated with feelings of aliveness, connection, creativity, satisfaction, and flow. It is presence that frequently is the "difference that makes the difference" in your ability to enjoy life, heal emotional wounds, experience intimacy, and support the growth and transformation of others. This inspiring book presents powerful principles, tools, and practices for transforming self-limiting patterns of thought and behaviors and for staying in the present even in the midst of very difficult feelings. Drawing from individual counseling sessions and utilizing practical exercises, Dr. Moss demonstrates how awareness and presence can be applied to support change in yourself and others, thereby creating a solid bridge between knowing and doing. *Inside-Out Healing* will help you become more available and fully connected with yourself and others, build a solid foundation for healing in all areas of your life, be better able to handle difficult situations with more elegance and

ease, improve both personal and professional relationships, expand your capacity for genuine empathy and compassion, and experience more richness, gratitude, and fulfillment in your life and relationships. Are you ready for a shift of consciousness that liberates your mind and heart? Whether you're motivated by illness, relationship unhappiness, or the desire to excel and experience life to the fullest, this book holds the keys. **BRING THE TECHNIQUES OF THE STAGE TO THE BOARDROOM.** For more than a decade, Belle Linda Halpern and Kathy Lubar have applied the lessons and expertise they have learned as performing artists to the work of their company, The Ariel Group. Halpern and Lubar have helped tens of thousands of executives at major companies around the country and the globe, including General Electric, Mobil Oil, Capital One, and Deloitte. In *Leadership Presence*, they make their time-tested strategies available to everyone, from high-profile CEOs to young professionals seeking promotion. Their practical, proven approach will enable you to develop the skills necessary to inspire confidence, command respect, build credibility, and motivate others. Halpern and Lubar teach you:

- How to handle tough situations with heightened confidence and flexibility
- How to build your relationships to enhance collaboration and business development
- How to express yourself dramatically and motivate others
- How to integrate your personal values into communication to inspire others and become a more effective leader

Learning the skills of the true performance experts, readers will understand why *Leadership Presence* is the key to dynamic and authentic leadership. The question of consciousness is perhaps the most significant problem still unsolved by science. In *"Inner Presence"*, Antti Revonsuo proposes a novel approach to the study of consciousness that integrates findings from philosophy, psychology, and cognitive neuroscience into a coherent theoretical framework. Arguing that any fruitful scientific approach to the problem must consider both the subjective psychological reality of consciousness and the objective neurobiological reality, Revonsuo proposes that the best strategy for discovering the connection between these two realities is one of "biological realism," using tools of the empirical biological sciences. This approach, which he calls the "biological research program," provides a theoretical and philosophical foundation that contemporary study of consciousness lacks. Revonsuo coins the term "world simulation metaphor" and uses this metaphor to develop a powerful way of thinking about consciousness as a biological system in the brain. This leads him to propose that the dreaming brain and visual consciousness are ideal model systems for empirical consciousness research. He offers a comprehensive overview and critical analysis of consciousness research and defends his approach against currently popular philosophical views, in particular against approaches that deny or externalize phenomenal consciousness, or claim that brain activity is not sufficient for consciousness. He systematically examines the principal issues in the science of consciousness -- the contents of consciousness, the unity of consciousness and the binding problem, the explanatory gap and the neural correlates of consciousness, and the causal powers and function of consciousness. Revonsuo draws together empirical data from a wide variety of sources, including dream research, brain imaging, neuropsychology, and evolutionary psychology, into the theoretical framework of the biological research program, thus pointing the way toward a unified biological science of consciousness. Applying imaginative thought experiments, *"Inner Presence"* reaches beyond the current state-of-the-art, revealing how the problem of consciousness may eventually be solved by future science. This book is aimed at the military, veterans, and those looking for Christian encouragement. It is written by a former combat veteran, who understands the issues of returning to civilian life. I designed this book as a Christian blueprint for inspirational guidance, to aid combat veterans while directing them on their spiritual journey, addressing any concerns while seeking God's presence through the transition. **MORE THAN HALF A MILLION COPIES SOLD:** Learn the simple techniques you'll need to approach your biggest challenges with confidence. Have you ever left a nerve-racking challenge and immediately wished for a do over? Maybe after a job interview, a performance, or a difficult conversation? The very moments that require us to be genuine and commanding can instead cause us to feel phony and powerless. Too often we approach our lives' biggest hurdles with dread, execute them with anxiety, and leave them with regret. By accessing our personal power, we can achieve "presence," the state in which we stop worrying about the impression we're making on others and instead adjust the impression

we've been making on ourselves. As Harvard professor Amy Cuddy's revolutionary book reveals, we don't need to embark on a grand spiritual quest or complete an inner transformation to harness the power of presence. Instead, we need to nudge ourselves, moment by moment, by tweaking our body language, behavior, and mind-set in our day-to-day lives. Amy Cuddy has galvanized tens of millions of viewers around the world with her TED talk about "power poses." Now she presents the enthralling science underlying these and many other fascinating body-mind effects, and teaches us how to use simple techniques to liberate ourselves from fear in high-pressure moments, perform at our best, and connect with and empower others to do the same. Brilliantly researched, impassioned, and accessible, *Presence* is filled with stories of individuals who learned how to flourish during the stressful moments that once terrified them. Every reader will learn how to approach their biggest challenges with confidence instead of dread, and to leave them with satisfaction instead of regret. "Presence feels at once concrete and inspiring, simple but ambitious — above all, truly powerful." —New York Times Book Review

This modern spiritual classic is one of the three books. Goldsmith felt contained the essence of all his teachings. Immerse yourself in that still place within, in which God speaks to the true self that you have been created to be. This book is more than simply information about inner stillness; it is a guide into the experience of inner stillness itself. This is the author's journey to that place where God speaks to our spirits and calls us children. This is a call not so much to do something as much as it is a call to be who God created us to be. Through the experiences of contemplation, waiting, hope, and assurance, it is the goal of this writing that you will find rest for your soul, body, and mind in a fresh, new, and enduring way. We all long to live from the center of an authentic self. Gene Yotka has provided an important resource for helping us identify and express a spiritual life from that center. His book is a gift. -Dr. Steve Harper, Professor of Spiritual Formation, Asbury Theological Seminary

Gene has demystified contemplative prayer and made it accessible to the average believer. -Dr. Stephen Seamands, Professor of Christian Doctrine, Asbury Theological Seminary

Required reading at Harvard Business School and Columbia Business School. Everyone wants to be more appealing and effective, but few believe we can manage the personal magnetism of a Bill Clinton or an Oprah Winfrey. John Neffinger and Matthew Kohut trace the path to influence through a balance of strength (the root of respect) and warmth (the root of affection). Each seems simple, but only a few of us figure out the tricky task of projecting both at once. Drawing on cutting-edge social science research as well as their own work with Fortune 500 executives, members of Congress, TED speakers, and Nobel Prize winners, Neffinger and Kohut reveal how we size each other up—and how we can learn to win the admiration, respect, and affection we desire. Who is the Holy Spirit anyway? We sing songs about Him. We've seen His name in the Bible. And most of us know He's a part of the Trinity, but misunderstandings, confusion, and contention abound. And it's keeping us from the abundant, satisfying life God has for us. The solution? We need a biblical understanding of the Holy Spirit. *Transforming Presence* walks you through ten vital practices that will help you have a new experience of the Holy Spirit. You'll learn how our relationship with the Holy Spirit changed from the Old Testament to the New Testament, what common misconceptions of the Holy Spirit are, and how to think, speak, (and sing) rightly about Him. It can be hard to discern what's right and wrong in a world of gray scales, differing preferences, and emotional

highs, but when we start with the Bible, all the secondary things fall into place. Discover the transformational, personal, and joyful relationship that comes from meeting the Holy Spirit on His own terms. Experience the Supernatural Presence of the Holy Spirit in Every Area of Your Life! Every follower of Jesus has received the Holy Spirit. If you have given your life to Christ, you have His very Presence living inside of you. And yet, there is still more! What if the same Spirit Who lives inside of you could work through you with miraculous power? What if the Holy Spirit was more than a theological concept and became your day-to-day supernatural experience? In *Living from the Presence*, Heidi and Rolland Baker take you on a journey like never before. In eight interactive study sessions, Heidi and Rolland guide you into the manifest Presence of God where you will encounter Him face to face and be forever marked by His transforming power. Discover how to: Increase your awareness of the Holy Spirit's Presence and experience His closeness in new ways Release the atmosphere of Heaven into your spheres of influence Experience new levels of God's glory and witness an increase of signs, wonders and miracles flowing in your life Having the Holy Spirit live inside of you is an incredible honor; however, in order to walk out a lifestyle of supernatural power, you need to learn how to partner with the Spirit and see His manifest Presence rest upon you every day! Powerful Session Topics Include: The Foundation of His Presence Living Saturated in His Presence Miracles in His Presence Making Room for His Presence ...and More! *The Secret of Inner Presence* begins with author Lin Lipetz's story of her spontaneous spiritual awakening in 1986. Her spiritual awakening created an immediate awareness of a loving Inner Presence within her heart and a connection to another higher level of peace, contentment, and greater knowledge. She now knows that Inner Presence waits patiently to manifest itself within each person, and much of *The Secret of Inner Presence* is about providing the keys to bring about that shift in consciousness. As each of the eleven keys is practiced and experienced, the transformation toward a more complete understanding of the core-self will gradually evolve through the loving guidance of the conscious Universe. One of the eleven keys opens the way to intuitively listen to the many voices that will assist in this transformation of the core-self through healing, new insights, dreams, problem solving, and caring advice. Another key opens the way to deepen intuitively to the level of receiving messages from the Universe and possibly finding the guides that have been available since birth. This process is called Stream of Consciousness writing, and the powerful dialogues and inspirational poems the author has received in this way for many years are found in each chapter. Chapter by chapter, each of the eleven keys is presented, by both the spiritual Universe and the author, to help guide the reader to a higher dimension of the self.
