Children of the Mists is a story of enduring love. Set in the 1800s, life on Sardinia had barely changed since the time of the Caesars. Two families, the Sannas and the Canus, are united by friendship and honour; love and laughter; joy and promises; omens and superstitions; youth and experience transcend generations. However, for Raffaella and Antonio, their passionate love becomes entangled with revenge. Death changes devotion. Promises are forgotten. Vendettas cannot be ignored. Ambition clouds judgments. Antonio and Raffaella were promised to each other, nothing would keep them apart, not even family. Committed to each other, they fight for their love against all odds... Children of the Mists is a gripping journey back in time that will make the perfect addition to any romance lover's collection. Regarded as the greatest Italian poet of the nineteenth century, Giacomo Leopardi was also a noted philosopher, essayist and philologist. A principal figure of Romanticism, Leopardi wrote poems that reveal a constant and sensitive reflection on existence and the human condition, characterised by a sensuous and materialist inspiration. Leopardi is widely seen as one of the most radical and challenging thinkers of his time, who produced a unique poetic body of lyrical works, confirming his status as a central figure of world literature. Per volere delle famiglie, il nobile e spiantato Falco Bini Aldrovandi è ufficialmente fidanzato con Abigail Davini. Ma il suo cuore appartiene a Malya, la misteriosa ed esotica danzatrice del Venus, rinomato café-chantant di Stresa. Quello che però Falco non sa è che l'irrepreensibile e scialba Abigail, nel frattempo, si è segretamente trasformata in sciantosa per rimediare agli ingenti debiti contratti dal padre, non aspettandosi di riscuotere un successo così clamoroso tra i frequentatori del Venus. E tanto meno di venire corteggiata dal suo fidanzato... 1. In recounting these escapades, both as a young boy in my native Trieste and later in the United States and while traveling over half this world, I became aware of the place love has in the ever present cycle of life and death, that one never looks at, and, how religion, control, fear, pleasure and joy contribute to this understanding. 2. Do you remember being here before? Have you been here all along but you don't remember. How to remember, or better, what is the quality of the mind that asks this question? 3. I live in New York, studied aerospace technology and voice, was a member of the Met Studio, sang opera and concerts, off-Broadway and later concentrated on night clubs. I traveled extensively throughout the world, was a director on the largest cruise companies in the world, hotels and various resorts. I enjoy life, value my relationships and my three sons all involved in the arts. This volume presents dozens of classical Hebrew texts translated into literary Italian. widely regarded as the greatest lyric poet in the Italian literary tradition. In spite of this reputation, and in spite of a number of nineteenth-and twentieth-century translations, Leopardi's poems have never "come over" into English in such a way as to guarantee their author a recognition comparable to that of other great European Romantic poets. By catching something of Leopardi's cadences and tonality in a version that still reads as idiomatic modern English (with an occasional Irish or American accent), Leopardi: Selected Poems should win for the Italian poet the wider appreciative audience he deserves. His themes are mutability, landscape, love; his attitude, one of unflinching realism in the face of unavoidable human loss. But the manners of the poems are a unique amalgam of philosophical toughness and the lyrically bittersweet. In a way more pure and distilled than most others in the Western tradition, these poems are truly what Matthew Arnold asked all poetry to be, a "criticism of life." The translator's aim is to convey something of the profundity and something of the sheer poetic achievement of Leopardi's inestimable Canti.
