One of the most intriguing and engaging voices in contemporary Christianity is that of the Irish poet, Pádraig Ó Tuama and this is his first, long-awaited poetry collection. Hailing from the Ikon community in Belfast and working closely with its founder, the bestselling writer Pete Rollins, Pádraig's poetry interweaves parable, poetry, art, activism and philosophy into an original and striking expression of faith. Pádraig's poems are accessible, memorable profound and challenging. They emerge powerfully from a context of struggle and conflict and yet are filled with hope. This volume introduces the hermeneutical approach and ecojustice principles developed by the Earth Bible project team. Following this approach, biblical scholars illustrate how a reading of the biblical text from the perspective of Earth yields fresh insights. Though the text may seem anthropocentric, these studies are able to retrieve evidence of the living voice and intrinsic value of Earth. It is an approach that can be harmonized with other recognized critical approaches to the Bible, from historical criticism to ecofeminist criticism. The texts chosen are from many parts of the Bible (Psalms, Prophets, Gospels, Romans, Revelation) and the intertestamental literature (Tobit and Wisdom of Solomon). Thursday through Saturday readings help prepare the reader for the Sunday reading ahead. Monday through Wednesday readings help the reader reflect and digest on what they heard at church. Why do we need fiction? Why do books need to be printed on paper, copyrighted, read to the finish? Do we read to challenge our vision of the world or to confirm it? Has novel writing turned into a job like any other? In Where I'm

Reading From*, the novelist and critic Tim Parks ranges over decades of critical reading—from Leopardi, Dickens, and Chekhov, to Virginia Woolf, D. H. Lawrence, and Thomas Bernhard, and on to contemporary work by Peter Stamm, Alice Munro, and many others—to upend our assumptions about literature and its purpose. In thirty-seven interlocking essays, *Where I'm Reading From* examines the rise of the “international” novel and the disappearance of “national” literary styles; how market forces shape “serious” fiction; the unintended effects of translation; the growing stasis of literary criticism; and the problematic relationship between writers’ lives and their work. Through dazzling close readings and probing self-examination, Parks wonders whether writers—and readers—can escape the twin pressures of the new global system and the novel that has become its emblematic genre. The strength of the present volume, Reading and Preaching the Book of Isaiah, is precisely that the possible tension between the historical and literary contexts is never fully resolved. Both perspectives commend themselves to the sensitive reader and preacher of Isaiah. In this one sense, the threefold presentation of Isaiah in the following chapters is itself far more than the result of practical accommodation or mere convenience. As the reader moves through the historical world of three Isaiahs and three Israels in three distinct periods, the question of unity and coherence in the sixty-six-chapter book is not set aside. For ultimately the unity of the Book of Isaiah is not to be sought in issues of single authorship or uniform historical setting, but rather in the common witness of all sixty-six chapters to the one God of Israel, Isaiah's 'Holy One,' who casts down raises up, whose justice shapes the cosmos itself, and whose promises extend into a future beyond the horizon of the book's own historical and literary world. --from the Introduction
