Death in the Iron Age II and in First Isaiah May 31 2020 Death is one of the major themes of 'First Isaiah, ' although it has not generally been recognized as such. Images of death are repeatedly used by the prophet and his earliest tradents. The book begins by concisely summarizing what is known about death in the Ancient Near East during the Iron Age II, covering beliefs and practices in Mesopotamia, Egypt, Syria-Palestine, and Judah/Israel. Incorporating both textual and archeological data, Christopher B. Hays surveys and analyzes existing scholarly literature on these topics from multiple fields. Focusing on the text's meaning for its producers and its initial audiences, he describes the ways in which the 'rhetoric of death' functioned in its historical context and offers fresh interpretations of more than a dozen passages in Isa 5-38. He shows how they employ the imagery of death that was part of their cultural contexts, and also identifies ways in which they break new creative ground. This holistic approach to questions that have attracted much scholarly attention in recent decades produces new insights not only for the interpretation of specific biblical passages, but also for the formation of the book of Isaiah and for the history of ancient Near Eastern religions

Gaga Feminism Aug 03 2020 A roadmap to sex and gender for the twenty-first century, using Lady Gaga as a symbol for a new kind of feminism Why are so many women single, so many men resisting marriage, and so many gays and lesbians having babies? In *Gaga Feminism: Sex, Gender, and the End of Normal*, J. Jack Halberstam answers these questions while attempting to make sense of the tectonic cultural shifts that have transformed gender and sexual politics in the last few decades. This colorful landscape is populated by symbols and phenomena as varied as pregnant men, late-life lesbians, SpongeBob SquarePants, and queer families. So how do we understand the dissonance between these real lived experiences and the heteronormative narratives that dominate popular media? We can embrace the chaos! With equal parts edge and wit, Halberstam reveals how these symbolic ruptures open a critical space to embrace new ways of conceptualizing sex, love, and marriage. Using Lady Gaga as a symbol for a new era, Halberstam deftly unpacks what the pop superstar symbolizes, to whom and why. The result is a provocative manifesto of creative mayhem, a roadmap to sex and gender for the twenty-first century, that holds Lady Gaga as an exemplar of a new kind of feminism that privileges gender and sexual fluidity. Part handbook, part guidebook, and part sex manual, *Gaga Feminism* is the first book to take seriously the collapse of heterosexuality and find signposts in the wreckage to a new and different way of doing sex and gender.

*Housewives at Play* Oct 17 2021 REACHING NEW HEIGHTS ON SOLO FLIGHTS!!! Sometimes a busy, mature housewife just needs a

little alone time, y'know? Some time to get in touch with herself... to recharge her batteries. Which sometimes means draining a few batteries. And a little baby oil. Or the garden hose. There might be a spatula involved. Possibly a banana. And what's Mom doing with her teenage daughter's class photo? From the kitchen to the laundry room, in the backyard and in the bedroom, and even at the store, these intimate personal moments are captured in loving detail in this gallery of sensuously shaded pencil drawings by Rebecca, who obviously knows a thing or two (or seven hundred) about XXX-rated suburban sexuality.

Goblin Girl Feb 27 2020 A dating site match goes really wrong in this troubling, funny graphic memoir. Things seem to be looking up when Moa Romanova ? broke, depressed, and living in a squat above an old store ? matches with a very famous celebrity on a popular hook-up site. Not only does the 53-year-old man like Moa ? he also immediately validates and motivates her in a way that not even her therapist does, even offering to help financially support her artistic ambitions. However, Moa soon discovers that there are strings attached. Drawn in a style that's de Chirico by way of the '80s, Romanova's relatable graphic memoir is a thought-provoking debut.
