Join three Yellowstone National Park experts in their remarkable discovery of the park's 200-plus new waterfalls, most of which the American public, and even Yellowstone park rangers, have never before witnessed. These trailblazers are the first to document the existence of these spectacular natural features -- at least 25 of which tower to heights of 100 feet or more -- and the authors do so through striking photographs, engaging text, and detailed maps. The book also features the park's 50 known waterfalls and reveals the untold stories surrounding many of them. For nature-lovers, adventure-seekers, and Yellowstone aficionados alike, *Yellowstone: The Discovery of its Waterfalls* is a landmark work, combining natural and human histories with unbelievably rare geographical discoveries. Tourists started visiting the American West in sizable numbers after the Union Pacific and Central Pacific Railroads were completed in 1869. Contemporary travel brochures and guidebooks of the 1870s sold tourists on the spectacular scenery of the West, and depicted its cities as extensions of the natural landscape—as well as places where efficient business operations and architectural grandeur prevailed—all now easily accessible thanks to the relative comfort of transcontinental rail travel. Yet as people flocked to western cities, it was the everyday life that captured their interest—the new technologies, incessant clatter, and all the upheaval of modern metropolises. In *Manifest Destinations*, J. Philip Gruen examines the ways in which tourists experienced Chicago, Denver, Salt Lake City, and San Francisco between 1869 and 1893, a period of rapid urbanization and accelerated modernity. Gruen pays particular attention to the contrast between the way these cities were promoted and the way visitors actually experienced them. Guidebooks made Chicago, Denver, Salt Lake City, and San Francisco seem like picturesque environments sprinkled with civilized buildings and refined people. But Gruen's research in diaries, letters, and traveler narratives shows that tourists were interested—as tourists usually are—in the unexpected encounters that characterize city life. Visitors relished the cities' unfamiliar storefronts and advertising, public transit systems, ethnic diversity, and multiple dwellings in all their urban messiness. They thrust themselves into the noise, danger, and cacophony. Western cities did not always live up to the marketing strategies of guidebooks, but the western cities' fast pace and many novelties held extraordinary appeal to visitors from the East Coast and abroad. In recounting lively anecdotes, and by focusing on tourist perceptions of everyday life in western cities, Gruen

shows how these cities developed the economy of tourism to eventually encompass both the urban and the natural West. This is the most comprehensive guidebook to the state of Utah, with information on historic attractions, festivals, cultural events, outdoor activities, accommodations, and restaurants. 139 photos. 9 maps. is the essential source for in-depth travel and relocation information to this popular South Carolina vacation destination. Written by a local (and true insider), it offers a personal and practical perspective of Myrtle Beach and environs. Fully revised and updated, the 10th edition also features a new interior layout and a new cover treatment. This concise volume covers major fandom and program themes, as well as real-world event, club, and program ideas to help librarians provide this type of programming to their communities. Use the tips and how-to knowledge in this practical guide to get more teens into your library! The Rough Guide to Vienna is the ultimate guide to one of Europe's most elegant and civilised capital cities. From the world-class art galleries and museums full of Art Nouveau and Modernist pieces to getting off the beaten track and exploring the narrow, cobbled backstreets of the Innere Stadt or the lively cafés and bars of the Naschmarkt area, this guide covers it all. Frank, incisive reviews take you straight to the best of the city's coffee houses, restaurants and nightlife venues, from the minimalist to the magnificently traditional, while tell-it-like-it-is listings help you find the right accommodation for your budget, whether that's a boutique hotel off Karlsplatz, a grand classic on the Ringstrasse, or just a perfect budget hideaway. With inspirational photography, neighbourhood-by-neighbourhood accounts and detailed, up-to-date maps, The Rough Guide to Vienna is the perfect companion for a weekend away or a longer city break. Make the most of your holiday with The Rough Guide to Vienna. The Mediterranean diet is attracting international attention as a healthy and sustainable diet, yet countries in the region are increasingly beset by problems of undernutrition combined with obesity or other food-related diseases. This book highlights the need to consolidate the Mediterranean diet as a lever to improve the sustainability of food systems and consumption in the region. This is a comprehensive and up-to-the-minute handbook to England. It includes recommendations of the best places to stay, eat and drink, in all budget ranges and in all regions. It also includes accounts of every type of attraction. CONTENTS: Introduction Marvels of Nature: Canons -- Yellowstone National Park -- Geysers -- Yosemite Valley -- Garden of the Gods -- Monument Park -- Miscellaneous Marvels of Race: Cave-Dwellers -- Pueblos -- Zunis -- Moquis -- Mexicans Marvels of Enterprise: Railroads over Mountains -- Public Buildings -- Growth of Colonies -- The Pacific Slope -- The Mormon Settlement -- Railroad Kings Marvels of Mining Marvels of Stock-Raising Marvels of Agriculture Conclusion Marvels of the New West was originally published in 1887. A nearly 1,000-page literary tour of 85 scenic icons based on an interpretive account of national parks, monuments, state parks, and archeological ruins. Focus on geology, human and natural history. Where applicable, additional matter is introduced (i.e., hiking trails, archaeoastronomy, and desert ecology). Presented in the guise of an encyclopedia the text can be read from cover-to-cover or piecemeal. Reader decides which destinations to select. Information is layered from easy and essential to the more detailed. Reader also decides what to peruse. Additional Background inserts suffice as footnotes; therefore optional text. Contact information and directions also listed. Bitly URL's embedded in destinations activate Google images, graphics, charts and illustrations. There are six addenda of subject matter relative to the scope of the text; also, bibliography. Reprint of the original. The publishing house Anatiposi publishes historical books as reprints. Due to their age, these books may have missing pages or inferior quality. Our aim is to preserve these books and make them available to the public so that they do not get lost.
