Principles of Management Organizational
Behavior Management Management

PRINCIPLES OF MANAGEMENT, 12E, International Edition takes a practical, student-oriented approach toward teaching management with an emphasis on current topics, including issues of diversity, ethics, and technology. The student-friendly content features references to pop culture and cites current publications of interest to students. In addition to providing the management framework and introducing students to contemporary management topics, the text provides experiential activities to get students thinking and acting like real-life managers. A robust network of supplements helps students to understand the hands-on, real-world application of chapter concepts. Now in its tenth edition, Management continues to offer a practical, student-oriented approach to four central themes: change, diversity, ethics, and globalization. Author Robert Kreitner relies on more than 30 years of research and teaching experience to ensure that students gain a solid understanding of management principles. In addition to coverage of timely and relevant issues such as corporate responsibility, the text promotes skill development through hands-on exercises and team-building activities. With all data and examples updated to reflect current trends, the Tenth Edition integrates issues from popular culture and media, putting topics in context and engaging students. A range of pedagogical features--including in-text and video cases, Internet activities, and interactive annotations--support students as they prepare for the rigors of contemporary management. MANAGEMENT, 12th Edition takes a practical, student-oriented approach toward teaching management with an emphasis on current topics, including issues of diversity, ethics, and technology.
