Paul Washer escorts readers through a biblical overview of the good news about Jesus. Presenting passage after passage from the Bible, Washer describes the holy character of God, the human problem of sin, and the divine solution found in Jesus's redemptive life, death, and resurrection for all who repent and believe. If you are interested in knowing the basic claims of the gospel or know someone exploring the truths of Christ, this succinct treatment of the greatest news the world has ever heard is just what you need. Indeed, this book will provide complete and accurate revelations and information of who Jesus is (including the doctrine of Trinity and the mystery of the oneness of God), the effect of the death and resurrection of Christ on earth; the mystery of 'Christ in you the hope of glory,' and the Second

Coming of Christ (the events and their timings). In addition, it contains the core stories of the earth, humanity, the Jews, and the church (stories told from the beginning to the end). This is, indeed, a classic book as well as a fountain of blessings and glory. Of the life and work of Jesus, the apostle John said, "Even the world itself could not contain the books that should be written" (John 21:25). Acknowledging the size of the task, as well as its importance, Dr. John F. Walvoord has written this systematic presentation of the Person and work of Christ from eternity past to eternity future. Beginning with an analysis of modern trends in the study of Christology, Dr. Walvoord shows that "contemporary Christology has in many respects confused rather than clarified the extended revelation of the Word of God." The Word of God forms the solid basis for Dr. Walvoord's entire study. Analyzing the Old Testament, he shows Christ in its history, typology, and prophecy. Then, in the New Testament, he examines the life and work of the incarnate Christ. The doctrines of atonement, redemption, propitiation, and reconciliation are thoroughly and clearly discussed. The book concludes with an examination of the present and future work of Christ, thus giving the reader a comprehensive study of Christology.

Reproduction of the original. John 3: 16 For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life. Romans 3: 23 For all have sinned, and come short of the glory of God. Romans 6: 23 For the wage of sin is death: but the gift of God is eternal life through Jesus Christ our Lord. Romans 10: 9 & 10 That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved. For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation. Christianity is Christ~~Ð~~not just creed, dogma, religion, or ethic, though it may contain elements of all these. Who Christ is, what He did, and does, and why, and what He yet will do~~Ð~~or in more technical terms, the Person and Work of Christ~~Ð~~these are the stuff of Christianity. And since the work of Christ covers more than His Death~~Ð~~His Incarnation, Life, Teaching, Works, Example, Priesthood and Sacrifice~~Ð~~so Dr. Marshall surveys the whole New Testament and summarizes for us the teaching of its various writers as they develop their central theme. How often have you heard the Gospel at Sunday Mass and wondered, "What happens next?" Often, our only experience of the Gospels is of those isolated segments taken out of context, like unassembled pieces of a jigsaw puzzle, rather than the story of our Savior's life. The Life of Jesus Christ: Understanding the Story of the Gospels aims to change that

experience. Author Russell Shaw weaves together the events of Matthew, Mark, Luke, and John's narratives in chronological order to capture a true and rounded picture of Jesus' life. The Life of Jesus Christ is the scriptural companion you've been searching for. Together, the four Gospels reveal Jesus Christ, God Incarnate, as a man of complexity and depth — compassionate but stern, who knew how to laugh and how to cry, a charismatic leader uninterested in worldly power, a subtle thinker who drew sublime messages from ordinary life. With Shaw guiding you, you'll truly get to know the Son of God in a new way.

**ABOUT THE AUTHOR** Russell Shaw is an author and journalist who has written more than twenty books. For eighteen years, he was secretary for public affairs for the National Conference of Catholic Bishops/United States Catholic Conference. He later oversaw media relations for the Knights of Columbus for ten years. As a minister of the gospel of Jesus Christ, over many years, the author has seen some trying times. It was during some of these difficult times that the Lord revealed his powerful name, which she used to help her overcome many trials. Jesus Christ is arguably the most famous man who ever lived. His image adorns countless churches, icons, and paintings. He is the subject of millions of statues, sculptures, devotional objects and works of art. Everyone can conjure an image of Jesus: usually as a handsome, white man with flowing locks and pristine linen robes. But what did Jesus really look like? Is our popular image of Jesus overly westernized and untrue to historical reality? This question continues to fascinate. Leading Christian Origins scholar Joan E. Taylor surveys the historical evidence, and the prevalent image of Jesus in art and culture, to suggest an entirely different vision of this most famous of men. He may even have had short hair. Anyone wanting to understand Pope Benedict XVI's view of the relationship between Christianity and the world must read this eloquent book. Secular thought has failed to answer the great questions of human existence. Benedict XVI invites us to rediscover the Christ-centered basis for hope. A new and transforming approach to the Book of Revelation. Margaret Barker bases her study on a fresh reading of the primary sources. As an Old Testament scholar, she can read Revelation as Hebrew prophecy - ancient temple oracles which inspired Jesus and his own prophecies, and influenced the whole Jerusalem Church. Jerusalem was waiting for their Great High Priest to return and complete the Atonement at the end of the Tenth Jubilee. This expectation fuelled the revolt against Rome. Josephus, who deserted to Rome, was the false prophet. John, who escaped to Patmos, compiled Revelation as a record of the first generation. In the future, he

taught, the Lord would return to his people in the Eucharist. This work illuminates the formative years of Christianity, in the social, religious and political situation of mid-first-century Palestine, in a quite remarkable way. It will have profound implications for the understanding of Christian origins and the development of Christian liturgy. A poet, translator and religious scholar reveals the original words spoken by Jesus, as depicted by Mark, Matthew, Luke and John and shows how lyrical and richly described they were, before being lost in numerous re-translations. This easy-to-use study for small groups and individuals reveals the Bible's book of joy. The apostle Paul's words in the book of Philippians share the secret of joy—a life centered in Jesus Christ. Open-ended discussion questions, Bible passages, and helpful explanations and applications point readers to the godly characteristic of joy, which is sharing in God's life—a quality that transcends happiness based on circumstances.

About This Series: Stonecroft Bible Studies encourage people to know God and grow in His love through exploration of His life-transforming Word, the Bible. Each book is designed for both seekers and new believers and includes easy-to-understand explanations and applications of Bible passages, study questions, and a journal for notes and prayers.

A wry, fictional account of the life of Christ by the 1998 Nobel laureate in literature “Illuminated by ferocious wit, gentle passion, and poetry.” — Los Angeles Times Book Review For José Saramago, the life of Jesus Christ and the story of his Passion were things of this earth: a child crying, a gust of wind, the caress of a woman half asleep, the bleat of a goat or the bark of a dog, a prayer uttered in the grayish morning light. The Holy Family reflects the real complexities of any family, but this is realism filled with vision, dream, and omen. Saramago's deft psychological portrait of a savior who is at once the Son of God and a young man of this earth is an expert interweaving of poetry and irony, spirituality and irreverence. The result is nothing less than a brilliant skeptic's wry inquest into the meaning of God and of human existence.

The Vita Christi of Ludolph of Saxony, fourteenth-century Carthusian, is the most comprehensive series of meditations on the life of Christ from the late Middle Ages. Ludolph assembles a wealth of commentary from the fathers of the church and the great medieval spiritual writers and weaves them into a seamless exposition of the Gospel. This is the full English translation of this classic work and, while it will be of great interest to students of Christian spirituality, it is intended for ordinary believers seeking to enter more deeply into the meaning of the life of Christ. Ludolph divided his work into two

parts; the present volume contains the first half of Part Two. Financial expert David Cowan reflects on the economic parables of Jesus to understand life in an increasingly globalized economy. Jesus' words shed light on a broad range of fiscal issues from paying bills to wise investment to just socio-economic conditions. In this fascinating "CSI-style" investigation, Murdock, author of the controversial book "The Christ Conspiracy," examines evidence for the life of Jesus Christ, revealing that with Christianity what is seen is not always what one gets. (Christian) This outstanding book provides an in-depth historical study of the place of Jesus in the religious life, beliefs, and worship of Christians from the beginnings of the Christian movement down to the late second century. Lord Jesus Christ is a monumental work on earliest Christian devotion to Jesus, sure to replace Wilhelm Bousset's *Kyrios Christos* (1913) as the standard work on the subject. Larry Hurtado, widely respected for his previous contributions to the study of the New Testament and Christian origins, offers the best view to date of how the first Christians saw and revered Jesus as divine. In assembling this compelling picture, Hurtado draws on a wide body of ancient sources, from Scripture and the writings of such figures as Ignatius of Antioch and Justin to apocryphal texts such as the Gospel of Thomas and the Gospel of Truth. Hurtado considers such themes as early beliefs about Jesus' divine status and significance, but he also explores telling devotional practices of the time, including prayer and worship, the use of Jesus' name in exorcism, baptism and healing, ritual invocation of Jesus as Lord, martyrdom, and lesser-known phenomena such as prayer postures and the curious scribal practice known today as the *nomina sacra*. The revealing portrait that emerges from Hurtado's comprehensive study yields definitive answers to questions like these: How important was this formative period to later Christian tradition? When did the divinization of Jesus first occur? Was early Christianity influenced by neighboring religions? How did the idea of Jesus' divinity change old views of God? And why did the powerful dynamics of early beliefs and practices encourage people to make the costly move of becoming a Christian? Boasting an unprecedented breadth and depth of coverage — the book speaks authoritatively on everything from early Christian history to themes in biblical studies to New Testament Christology — Hurtado's *Lord Jesus Christ* is at once significant enough that a wide range of scholars will want to read it and accessible enough that general readers interested at all in Christian origins will also profit greatly from it. What happened to Jesus between the ages of 12 and 30? Where did he go, whom did he meet? How did Jesus increase 'in wisdom and

stature, and in favour with God and man'? The Aquarian Gospel reveals the truth of Jesus' journey to the East and how this shaped the boy into the man. This book is a commentary on the Revelation of Jesus Christ from a totally Biblical perspective, stripped from all speculation about the end times. The Author is a pastor at the Reformed Bible Church in Southern California. The author was trained to be a self-studying Chemical Engineer; has held research positions at Ford Motor Company in Dearborn, Michigan, and at the University of Southern California in Los Angeles, and at Avery Research Center in Pasadena, California. The Lord has allowed us to expand our services in having two weekly Bible Studies within the medium of "Skype", allowing conference calls with people in the USA and the UK and Australia. Following the Bible, the Greatest Book Under the Sun. The Aquarian Gospel of Jesus the Christ is a book by Levi H. Dowling who claimed that he had transcribed the text of the book from the kashic records, a purported compendium of mystical knowledge supposedly encoded in a non-physical plane of existence. In the later 20th century, it was adopted by New Age spiritual groups. The title is derived from the practice in astrology of naming time periods in terms of constellations and their dominant positions in the sky, according to the earth's axial precession. In that system, the Age of Aquarius is approaching. Table of Contents: Section I (Aleph): Birth and Early Life of Mary, Mother of Jesus Section II (Beth): Birth and Infancy of John, the Harbinger, and of Jesus Section III (Gimel): Education of Mary and Elizabeth in Zoan Section IV (Daleth): Childhood and Early Education of John the Harbinger Section V (He): Childhood and Early Education of Jesus Section VI (Vau): Life and Works of Jesus in India Section VII (Zain): Life and Works of Jesus in Tibet and Western India Section VIII (Cheth): Life and Works of Jesus in Persia Section IX (Teth): Life and Works of Jesus in Assyria Section X (Jod): Life and Works of Jesus in Greece Section XI (Caph): Life and Works of Jesus in Egypt Section XII (Lamed): The Council of the Seven Sages of the World Section XIII (Mem): The Ministry of John, the Harbinger Section XIV (Nun): The Christine Ministry of Jesus—Introductory Epoch Section XV (Samech): The First Annual Epoch of the Christine Ministry of Jesus Section XVI (Ain): The Second Annual Epoch of the Christine Ministry of Jesus Section XVII (Pe): The Third Annual Epoch of the Christine Ministry of Jesus Section XVIII (Tzaddi): The Arrest and Betrayal of Jesus Section XIX (Koph): The Trial and Execution of Jesus Section XX (Resh): The Resurrection of Jesus Section XXI (Schin): Materialization of the Spiritual Body of Jesus Section XXII (Tau):

Establishment of the Christine Church This book is written with the intent of reaching those people who are interested in learning about the Gospel of Jesus Christ, but are not yet comfortable reading from the Bible. It is written in the form of a novel, in a logical chronology, which endeavors to combine the four gospel accounts. Following the feasts of the Jewish calendar and set within the historical context of the time, it includes the author's own spiritual insights into Jesus's words and works, inserted into the gospel story. This book truly contains something for everyone. For the seeker, it provides a good place to start—the accompanying scripture references are intended to direct the reader to the true biblical account. For the novice, this account will go a long way to filling any gaps in understanding the biblical narrative. And the author's spiritual insights will challenge even the substantial knowledge of the most-learned of Bible scholars. Expect to be entertained, encouraged, and challenged by this novel approach to the Gospel of Jesus Christ. Come rediscover God's spiritual truth, knowing that iron sharpens iron. "War Inconsistent with the Religion of Jesus Christ" by David Low Dodge. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten?or yet undiscovered gems?of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format. Written chiefly for theology students the book presents the authentic teachings of Catholic faith, to be found not only in the ancient conciliar sources, but also in important recent documents dealing with disputed issues of our times. Chapters deal with: The hoped-for Saviour; The Coming of Jesus Christ in the fullness of time; The Person of Christ; Christ, the Way, the Truth and the Life; Redemption. This study uses composition criticism to consider everything that Luke wrote about Jesus. Jesus was a human being and a prophet, yet Luke wished to say much more. He has a very extensive and developed portrayal of Jesus as a saviour. His roles as Servant of Yahweh and Son of Man play a real part in explaining a number of Jesus' experiences and actions, including his passion. Jesus' identification as the Christ can be associated with the being Son of God, but each of these identifications has its own nuances. Luke 1:35 proves crucial for a correct understanding of Son of God and guides the reader's comprehension of Jesus' identity. The OT background of Lord leads to a correct interpretation of this title when applied to Jesus, and Luke willingly

predicates similar things of God and of Jesus. **Knowing the Gospel: The Good News of Jesus Christ Made Simple** is an inspirational and accessible Bible-based primer on Jesus Christ and His message, and teaches how a reader in the twenty-first century can achieve salvation through this most important first-century figure. This book answers simple questions like What is the Gospel? Who is God? Who is Jesus? What is a Christian? How to become saved? What is salvation? Is there life after death? In **Knowing the Gospel**, readers are introduced to the "Good News" of the four Gospels, which tell of Jesus' identity and historical times through the lens of both Old Testament and New Testament writings. Readers learn about sin and repentance through the story of the Apostle Paul, who turned from persecuting Jesus' followers to following Him himself. While sin is inevitable, readers will be heartened to learn that faith and trust in Jesus will lead them to eternal life in Him as Christians. The book concludes with a joyous invitation to salvation. These four volumes record the visions of the famous 19th-century Catholic mystic; Bl. Anne Catherine Emmerich; a nun who was privileged to behold innumerable events of biblical times; going back to the creation of the world. She saw the fall of the Angels; the sin of Adam; Noe and the Flood; the lives of Our Lord; St. John the Baptist; the Blessed Virgin Mary; St. Mary Magdalen; and many others. She describes persons; places and events in intimate detail; and explains their mystical significance. This important book reassesses the classic Chalcedonian view of Jesus: "one person, two natures". It carefully rejects all forms of kenotic Christology and affirms that Jesus possessed and used all the divine attributes, in particular, that of omnipresence, arguing that evangelical scholars have abandoned this important truth. This has ramifications for our view of the Holy Spirit and of Christ's presence with his people. It challenges us to read the Scriptures again and to live in the presence of Jesus. - Publisher Commendation: "In this important study of orthodox Christology, Dr Zachariades develops an aspect of it that has generally been neglected. How should we understand the universal presence of the risen, ascended and glorified Christ? Starting with the controversies of the early church, he takes us through the questions involved in the discussion and points us to a deeper understanding of how Christ is both God and man at the same time." Gerald L. Bray, Research Professor of Divinity, History and Doctrine, Beeson Divinity School, USA
