inches, perfect size. Matte cover with no spiral. High quality cream paper. In 2010, *The Walking Dead* premiered on AMC and has since become the most watched scripted program in the history of basic cable. Based on the graphic novel series by Robert Kirkman, *The Walking Dead* provides a stark, metaphoric preview of what the end of civilization might look like: the collapse of infrastructure and central government, savage tribal anarchy, and purposeless hordes of the wandering wounded. While the representation of zombies has been a staple of the horror genre for more than half a century, the unprecedented

popularity of *The Walking Dead* reflects an increased identification with uncertain times. In *The Walking Dead Live! Essays on the Television Show*, Philip L. Simpson and Marcus Mallard have compiled essays that examine the show as a cultural text. Contributors to this volume consider how the show engages with our own social practices—from theology and leadership to gender, race, and politics—as well as how the show reflects matters of masculinity, memory, and survivor's guilt. As a product of anxious times, *The Walking Dead* gives the audience an

idea of what the future may hold and what popular interest in the zombie genre means. Providing insight into the broader significance of the zombie apocalypse story, *The Walking Dead Live!* will be of interest to scholars of sociology, cultural history, and television, as well as to fans of the show. Only \$6.99! Perfect Journal, Diary, Notebook - Amazing design and high quality cover and paper. - Matte Cover. - Perfect size 6x9" - No Spiral - Use it as a journal, note taking, composition notebook, makes a great gift! Journal, Diary, Notebook - Amazing design and high quality cover and paper. - Matte Cover. - Perfect size 6x9" - No Spiral - Use it as a journal, note taking, composition notebook, makes a great gift! In this haunting novel about two young vatos, author Sergio Elizondo eulogizes Óscar Balboa and Valentín Rodríguez, who are sixteen and nineteen respectively when they are shot and killed by the police in Austin, Texas. On leave from Camp Gary, a youth training facility in nearby San Marcos, the two "strutting icons of Raza manhood worthy of a guitar ballad" are the novel's

principal voices as they lie dying. In other chapters, óscar remembers traveling north with his parents as a young boy to pick crops and joining farm workers' protest marches. Songs of all types—symphonic, orchestral and protest—infuse the narrative: "We'll summon the spirit of a poet so that he can adapt our people's story through time and set it to music." Elizondo's short and tragic novel bears witness to la raza's struggles for rights, whether in the fields, the work place or on college campuses. Originally published in Spanish and now available for the first time in English, this classic

of Mexican-American literature provides insight into the Chicano civil rights movement of the late 1960s and early 1970s. *Muerte en una estrella / Shooting Star* is a profoundly disturbing and moving denunciation of bigotry and discrimination. This simple yet BOLD journal allows you to express your vision as strong and independent leader in the making. FEATURES * Composition size 7.5" x 9.75" (letter size) pages* Paperback notebook with soft cover* 120 lined pages* Great gift for women, students, teachers, adults, and teens. USES*Journal

ing*Note-taking*Planner*To-do lists*Diary*Writing*Finance Keeper*Vision ideas Mexican Ballads, Chicano Poems combines literary theory with the personal engagement of a prominent Chicano scholar. Recalling his experiences as a student in Texas, José Limón examines the politically motivated Chicano poetry of the 60s and 70s. He bases his analyses on Harold Bloom's theories of literary influence but takes Bloom into the socio-political realm. Limón shows how Chicano poetry is nourished by the oral tradition of the Mexican corrido, or master ballad,

which was a vital part of artistic and political life along the Mexican-U.S. border from 1890 to 1930. Limón's use of Bloom, as well as of Marxist critics Raymond Williams and Fredric Jameson, brings Chicano literature into the arena of contemporary literary theory. By focusing on an important but little-studied poetic tradition, his book challenges our ideas of the American canon and extends the reach of Hispanists and folklorists as well. Journal Notebook To Write In. Lined, Ruled Journal 6inx9in 100 Pages Get yourself a journal to write in. Journal your thoughts, notes,

tastes during Cinco De Mayo? This cute book with a funny taco related saying with a green background is a perfect blank, lined journal for your favorite Vato or Seniorita. Details of this journal include: 6x9 inches, 120 pages, matte-finish cover and white paper. If you are looking for a different book, make sure to click on the author name for other awesome journal ideas. Buffalo, as he was known in the barrios of Los Angeles among street people, at the height of the riots in in the late 1960's and 70's, was the epitome of the Movimiento. He was smart, rebellious, unpredictable,

occasionally high on drugs, but terrifyingly honest to himself and the world. This is the story of the rage and fury that swept LA during the gestation of the Movimiento Chicano and of the remarkable life of Oscar Zeta Acosta, a radical civil-rights lawyer who defended Chicano activists, won new rights for Latinos, and challenged the LA establishment. Burton Moore, a journalist and writer who worked with Attorney Acosta, witnessed many of the events that swept Los Angeles into a new age. He recounts the famous school walk-outs, the confrontations with the Catholic Church, the arson

at the Biltmore Hotel, the rebellion in the streets, the Chicano protest at UCLA, and the Moratorium Riot, which ended with the untimely death of Ruben Salazar. These events are pictured against a background of life in East Los Angeles a generation ago. It is written as a tribute to that generation and to the young men and women who were inspired by the Movimiento. The author covers the legal skirmishes orchestrated by Oscar Acosta following the riots of the late 1960's—to free vatos y carnales from incarceration and police brutality—and provides an intimate biography

replete with little known facts of his life from his youth to his untimely and mysterious death. Acosta emerges as a towering leader capable of inspiring and rallying the community in the streets, mesmerizing the TV audiences, and defending effectively the rioters in court. A restless man who was in conflict with himself, and able in the end to endure his own nightmares. Burton Moore was a renowned journalist, and social critic on the tradition of Oscar Lewis and Michael Harrington. Upon nearing the completion of this hook, he, and his family, were unexpectedly informed of his

impending death of cancer. Burton Moore bravely carried on this important testimony of social injustice in the barrios of LA. He had set to accomplish, most elegantly. A seemingly simple, but elusive and daunting task of explaining the events and historical roots at play on a series of riots in the Mexican American community in the decades of 1970s and 1980s through the tale of the life of one of the most tenacious leaders of those volatile times, Oscar Zeta Acosta. Burton Moore has legated to his family, friends, and the Latino community in general, and the

Mexican American community, in particular, which he so much loved, a clear and invaluable insight that social justice is a *conditio sine qua non* for social peace. Undoubtedly, he embarked on warning America that disparities of wealth, education, and opportunities, and racism will inevitably lead to periodic social disruptions. Burton Moore shall not be a *vox clamantis in desertus*, a lonely voice in the desert, but an unequivocal *J'accuse*, a historical indictment to an unjust society. He regarded nothing which concerned man as alien to his interests: *homo sum: humani nil a me alienum puto*.

We shall keep his voice alive for years to come, and as new generations of Americans emerge, they shall learn of his message of social peace and justice. Burton Moore you shall be missed *Resquiscat In Pacem, amicus noster*. you can choose this notebook for note memories, working plan, calendar note A tribute in photographs and poem--to Chicano men, to Latino men, to all men everywhere. Gabe Morales is the author of numerous articles, is a frequent lecturer and has written previous books such as: "Varrio Warfare: Violence in the Latino Community", "La Familia-The Family:

Prison Gangs in America", and "Gangster's Paradise: Gangs in the Pacific Northwest". He also has written Poetry and is an Artist. This latest book is a reflective autobiography about growing up in the U.S. and his efforts at reforming the criminal justice system. Official Book Reviews: "After reading this Biography, I found it related to the STRUGGLE WITHIN A MAN. This book is about choices and inspiration to do the right thing and fight the good fight in a world where obstacles are around every corner. A book of Understanding the WALK.....Simple, but very strong....."

- Steve Lucero, Intelligence Officer/Gang Coordinator, State of Colorado "This biographical prose is Informative, Motivating, Humorous, Honest, but more importantly Factual. One of the best biographical prose I have read and definitely a must read for anyone!" Social Worker, Maureen O'Connell-Caputo, MSW, Chicago Native "It has been very interesting to understand - with a direct style, which does not lose much in details - the origins of Gabe Morales and to know first-hand how he turned into one of the most knowledgeable professionals about the world of the

gangs inside and out of the prisons". Reporter, Isaías Alvarado, La Opinión Newspaper, Los Angeles, California, United States "Ha sido muy interesante entender - con un estilo directo, que no se pierde tanto en los detalles - los orígenes de Gabe Morales y saber de primera mano cómo es que él se ha convertido en uno de los profesionales que más sabe acerca del mundo de las pandillas dentro y fuera de las prisiones". - Reportero, Isaías Alvarado, La Opinión, Los Angeles, California, Estados Unidos "I have known Gabe Morales for many years, or perhaps I should I say I

thought I knew him. Since then, after reading his book, I realized there is much about this man I was unaware of. I found his life story to be not only interesting and compelling, but also insightful and inspirational. It is without hesitation that I recommend Gabe's book to anyone who wants to read a first-hand account of how to deal with adversity and emerge strong and successful whether working gangs or any other profession. Well done my friend. Thanks for sharing your story." - Ret. Gang Task Force Commander, Christopher Grant, Rapid City, SD 6x9 inch notebook and journal |diary|doodle book
